MINNESOTA HISTORICAL SOCIETY

SCHOOL BOARD MEETS IN FIRST SESSION OF 1944

Justice L. W. Youngdahl of Supreme Court to Speak at Graduation

EASTER VACATION IS CHANGED TO APR. 3-11

Dr. A. E. Jacobson and Skarstad to Attend State Convention

Supt. Philip L. Fjelsted of the local schools informed the board of education at its January session Monday evening that arrangements had been completed for Associate Justice Luther W. Youngdahl of the Minnesota supreme court to deliver the commencement address to Lincoln high school graduates Friday evening, June 2.

Subject to change later in the spring if conditions warrant, the dates for Easter vacation were changed to April 3 thru Monday, April 11, the week before Easter Sunday, instead of the week after as specified in the school calendar as originally adopted. Consideration was given to the probable condition at that time of the county roads serving the school bus routes.

Following the receipt without notice January 4 of the resignation of Miss Patricia Lee, first grade teacher at the Northrop school, who had accepted another position, the board indicated it might take disciplinary action against her.

Dr. A. E. Jacobson and Alfred Skarstad were appointed delegates from the local board to the annual convention of the Minnesota School Board association February 9-11 in the Nicollet hotel, Minneapolis. With a revision of the state school laws slated to be the chief topic of discussion, Dr. Jacobson will serve as chairman of the most important committee, that on legislation.

Mr. Fjelsted submitted figures revealing that the total assessed valuation of all real and personal property in School District 18 had increased from $1,837,159 in 1942 to $1,899,930 in 1943, an increase of $62,771.

Owing to small attendance in kindergarten classes, totaling only 41 in the three grade schools, the board approved a plan to reduce the number of teachers from three as at present to two next year. Under the new plan, sessions would continue to be held in each of the three schools either in the morning or afternoon.

FATHER ADOLPH DINGMAN, FORMER PRIEST HERE DIES

Had Served as Pastor of St. Bernard's Church from 1905 to 1916

Father Adolph Dingman, popular pastor of St. Bernards church in this city from 1905 until the fall of 1916, succumbed last Thursday at the age of 76 at the monastery at St. John's college, Collegeville, where he had recently made his home.

While he served here, the church structure was moved to its present location from a site south of the Great Northern tracks, and the parsonage was constructed.

After leaving Thief River Falls, Father Dingman served churches in Barnesville and Cold Springs, and later was chaplain at St. Josephs orphanage in St. Paul.

Funeral rites were conducted Saturday at Collegeville. Among those in attendance from this city were Father O'Toole and Bernard and Ernest Barzen.

Bemidji College Head Organizes Extension Classes in This City

Dr. Clark, president of Bemidji state teachers college, and Mr. Erickson of the physical education department of the college, were in Thief River Falls Saturday to organize classes in extension work at the Knox school. The course will consist of twelve sessions, and eight quarter-hour college credits will be earned. Enrolled are rural teachers from Pennington, Red Lake and Marshall counties, as well as teachers from the Thief River Falls schools.

Police Dismissal Issue Goes to Court Jan. 20

Preceding the opening of the January session of the city council Tuesday evening, Sheriff Arthur Rambeck served Mayor W. J. Douville and the members of the council with a writ of mandamus, ordering the officials to appear in district court before Judge Oscar R. Knutson next Thursday morning, January 20, to show cause why four members of the police force who were dismissed January 4 by Mayor Douville should not be reinstated.

The writ was allowed Monday by Judge Knutson. The police who are bringing the action, who are represented by Attorney L. W. Rulien, include L. W. Knadle, Robert P. Black, Leonard E. Johnson and Jack J. Williams. It is charged that the mayor unlawfully attempted to discharge the four men without cause and notice as required by law.

In their session Tuesday night councilmen briefly discussed the legal action, to which Attorney Theodore Quale will draw up an answer. Mr. Quale advised the council that, pending a determination of the issue at the hearing next Thursday, no police salaries should be paid, since, in the event the former members of the staff are reinstated, the city might find itself obligated to pay both the old and new officers. Assistant Chief Wm. Sheedy would not be affected, since he was reappointed by the new mayor.

To Speak This Evening

BILL SCHACHT
President of the Minnesota Junior Chamber of Commerce, who this evening at 6:30 in the Palm Garden Cafe, will address the Thief River Falls unit and present the group with its national charter.

FURTHER DETAILS AVAILABLE AS TO DEATH OF SAILOR

Delmer L. Hovie Was Member of Crew of Sunken Destroyer

Following the official announcement by the U. S. navy department that the U. S. destroyer Turner had sunk January 3, outside of New York harbor after an explosion of undetermined origin, it was revealed that Sailor Delmer L. Hovie, 21, reported last week as missing in action, had been a member of the crew of the ill-fated ship, and lost his life in the explosion, his parents were notified Wednesday by the navy department.

The son of Mr. and Mrs. Carl Hovie of this city, Delmer had been serving on convoy duty on the Turner since February 12, 1943.

A graduate of Lincoln high school in 1940, and of the teacher training department the following year, Delmer enlisted in the navy in August, 1942, and took his boot training at San Diego, California, after having attended the summer session at the University of North Dakota and working several months in a defense plant in Burbank, California.

Before going on active duty, he attended electrical training schools in Moorhead, Kentucky, and at the Edison Electrical Laboratory in New York.

Two Nurses Speak to Rotary Club Tuesday

Mrs. Clara G. Paulson, public school nurse, and Miss Ann Sward, county public health nurse, gave enlightening talks on the nature of their activities in this city and the rural areas at the luncheon meeting of the Rotary club Tuesday noon in the Evelyn hotel.

PARALYSIS DRIVE OPENS IN COUNTY FRIDAY, JAN. 14TH

Coin Receptacles to be Set out in Business Places of the City

Friday January 14 has been designated as the opening day of this year's infantile paralysis campaign in Pennington county. Coin containers will be placed in cafes and other public places for the convenience of those who wish to make donations.

The committee which was announced in last week's issue states that one half of the net proceeds in Pennington county will be retained here and turned over to the county chapter of the National Foundation for Infantile Paralysis, officers of which are: Andrew Anderson, chairman; Miss Margaret Odell, secretary; Herman A. Kjos, treasurer; and Dr. O. F. Mellby, Dr. H. K. Helseth and Charles Warner, directors.

Mr. Kjos announces that the county chapter has almost $400 in the treasury at this time. This money is held in reserve as ready funds with which to defray expenses for any needy infantile paralysis case, such as travel and expenses to the Sister Kenney Clinic, braces or crutches.

The other one half of the proceeds will be sent to the National Foundation for Infantile Paralysis Inc., New York, N. Y., for research, epidemic aid and education.

COUNTY BOARD CONCLUDES ITS SESSION HERE

Votes 4 to 1 to Retain Services of County Nurse and County Agent

GUNSTAD RENAMED ON SANATORIUM BOARD

Adjust Pay Scale for County Highway Department Employes

The Pennington county board, completing its annual January session last Thursday afternoon, voted four to one to retain the services of the county public health nurse and the county agent in 1944, and appropriated the sum of $1,000 for the former office and $1,600 for the latter. Commissioner P. W. Mabey voted against the proposals.

Also appropriated was the sum of $75 for the payment of Pennington county premiums at the Red River Valley Winter Shows in Crookston in February.

Reelecting Paul Roy chairman and O. M. Mandt vice chairman, the board reappointed Dr. O. F. Mellby county health officer, and he will serve on the county board of health along with Commissioners Mabey and W. H. Muiry. Dr. L. R. Twete was reappointed livestock inspector, and Oscar Gunstad of St. Hilaire was named to succeed himself on the Oakland Park sanatorium commission for the term of three years.

The board adjusted the wages of county highway workers to provide for 70 cents an hour to grader operators and snowplow drivers, 60 cents an hour for common labor, 85 cents an hour for man, team and mower; and 70 cents an hour for man and team.

A total of $14,375 in road and bridge funds was set aside for maintenance of state aid roads, and $25,480 for maintenance of the county aid road system.

Standing committees named to serve during the current year include roads, Commrs. Race, Roy and Mandt; and bridges and culverts, Roy, Mabey and Muiry. Meeting dates for sessions of the board were left unchanged. It also was voted to continue the payment of fox bounties on the present basis.

Official Staff of Union State Bank Reelected at Meeting Last Week

All present officers and directors of the Union State bank were reelected at the bank's annual meeting last week, including E. O. Peterson, president; H. A. Brumund, vice president; A. W. Hensrud, cashier; R. W. Habberstad and Miss Laura Lund, assistant cashiers; and Messrs. Peterson, Brumund, Hensrud, Andrew Anderson, and H. H. Kelly, directors. Year-end reports indicated that the bank had a successful year in 1943, total resources increasing from $1,950,000 at the beginning of the year to $2,582,000 on December 31.

ORDINANCE ON CURFEW GIVEN FINAL READING

Adopted Tuesday Evening to Become Effective on February 1

SKARSTAD IS NAMED NEW CITY ASSESSOR

Council Abolishes Office of City Engineer Now Held by I. E. Quist

The revised city curfew ordinance was adopted after being given its third and final reading at the regular January session of the city council Tuesday evening. The ordinance, which will take effect February 1, sets a 10 p. m. curfew for all children under the age of 17 except on nights of special events when the mayor may extend the hour to 12 o'clock.

By arrangement with Mayor Wm. J. Douville and the physicians involved, the council exchanged the positions of Dr. O. F. Mellby and Dr. H. H. Hedemark, so that the former will serve as city health officer, as in the past, and the latter will be the city physician.

Action was taken to appoint Alfred Skarstad to the position of city assessor, succeeding T. M. Thronson, who has filled the office the past several years. The council also voted to abolish the office of city engineer now filled by Irving E. Quist, for the duration of the war and appointed John Jaranson acting street commissioner.

It also was decided to advertise for bids for city depositories and official city paper, the bids to be opened Tuesday, February 8.

The present schedule of salaries of city employes, with minor adjustments, was approved, and the salary of the police matron was set at $100 per month.

Retiring Mayor H. W. Kinghorn filed his final report on expenditures from his contingent fund, returning an unexpended balance of $100 to the city treasury. At the same time he thanked the council for the cooperation given him during his administration.

Numerous cigaret licenses were approved by the council, with Alderman Palmer Hanson voting in the negative. Alderman Hanson introduced a motion to order local beer taverns to remove obstructions in their windows that bar a clear view to the interior of the places. The matter was referred to the city attorney to ascertain whether the beer ordinance gives that power.

DECEMBER GROUP OF RESERVISTS TO LEAVE JANUARY 20

January Contingent to Go to Snelling for Exams January 23

The December 27 group of Pennington county army reservists will leave for Fort Snelling to receive their assignments next Thursday, January 20, Arthur Berg, chief clerk of the local selective service board, stated today. The next contingent of selectees, he added, will go to Snelling January 23 to undergo physical examinations and inductions.

Other local men entering the service are Father Cloutier, now of Akeley, who will serve as a chaplain in the U. S. navy, having been commissioned lieutenant, junior grade; and Lawrence Swanson, employed in Washington, D. C., who entered the army December 23 at Fort Myers, Virginia.

Mr. Berg reported that the name of Arnold Feragen of Goodridge, included in the list of reservists published last week, was incorrectly listed as making his home in Thief River Falls.

Creamery Will Discuss Milk Plant on Saturday

The Thief River Falls cooperative creamery and creameries at Goodridge, Viking and Newfolden will each hold a special meeting of stockholders Saturday afternoon, January 15, to decide whether or not to join in a move to establish a milk-drying plant in this area. The meeting in this city will open at 1 o'clock.

Fourth War Loan Drive Here off to Fast Start

Campaign to Raise $386,000 Opens Officially Next Tuesday, Jan. 18

GOODRIDGE VILLAGE AGAIN FIRST OVER TOP

WDAY War Bond Caravan Show to Give Added Impetus to Campaign

Organization of Pennington county to attain its $386,000 quota in the Fourth War Loan drive starting next Tuesday, January 18, is not only proceeding on schedule, but ahead of schedule, Paul A. Lundgren, county war finance chairman, announced today. The meeting which was called for the organization of the solicitors for the various townships held last week was the finest kind of demonstration of the loyalty of the people of Pennington county that could be wished for. There are twenty-one townships and twenty-one township chairman attended and took part in the meeting.

While the bond drive does not officially open until January 18, 1944, the township committees have decided to make use of the fine weather and road conditions and solicitation in most of the townships has already been started.

Stephen Singer, chairman of village of Goodridge, again topped the list by reporting that the village has already subscribed its quota.

The solicitation for the city of Thief River Falls will be carried on by the same civic, service and fraternal groups that conducted the campaign for the third war loan drive. To this group has, however, been added the United Commercial Travelers. It is not very often that a whole organization will volunteer to do charitable work, said Mr. Lundgren, but such is the credit of the U. C. T. Since this group consists to a large extent of salesmen, they have extended a challenge to the other groups. It will be interesting to watch the results as the solicitation progresses.

Those who purchase bonds during the January drive will have an opportunity to attend a two hour diversified entertainment when the WDAY War Bond show makes its appearance at the municipal Auditorium on Monday, January 24. Admission to the show is limited to residents of Pennington County. Those who purchase a $100 bond or more will receive a reserved seat ticket and anyone purchasing a $25 bond will receive a general admission ticket.

Both the reserve seats and the general admission tickets have been left with the several bond selling organizations and each purchaser should ask for his ticket at the time the bond is purchased. As an additional feature of the war bond show ten articles will be auctioned off to the person bidding the highest amount in war bonds.

Nominate Men for Seven Posts on C. & C. Board

Fourteen candidates for seven positions on the board of directors of the Civic and Commerce association were placed in nomination at the organization's annual meeting last Thursday evening in the Palm Garden Cafe. Ballots are being mailed out by L. W. Rulien, secretary, and will be opened at the next meeting Thursday, January 20.

Mr. Rulien, who has served efficiently as secretary the past five years, submitted his resignation at last week's session, but the matter was laid over for the consideration of the newly elected board.

Nominations include those of J. Robert Petersen, E. B. Benson, Fleming Gibson, and William LaFave, present board members; and Stuart McLeod, A. W. Hensrud, Ray Swenson, Haakon M. Olson, L. B. Hartz, R. C. Rinkel, G. S. Bergland, A. F. Berge, W. L. Weden and F. E. Tunberg. Roy Oen and H. A. Baumann, also board members with terms expiring at this time, asked that their names not be considered, as they have served several terms.

Secretary Rulien stated that the six candidates receiving the largest vote will be declared elected for two-year terms, while the seventh will serve for one year to fill out the unexpired term of W. M. Ferguson, resigned.

No further nominations were made from the floor Thursday in addition to the names presented by the hold-over directors. The annual financial report was submitted, and Alfred Skarstad and Wm. LaFave were appointed auditors.

FRANK HARDISTY NAMED FAIR BOARD PRESIDENT FRIDAY

To Succeed S. E. Hunt, Who, Left This Community Last Fall

Frank Hardisty was elected president of the Pennington County Agricultural society, sponsor of the county fair, at the organization meeting of the board of directors last Friday afternoon.

Mr. Hardisty succeeds S. E. Hunt, who tendered his resignation on leaving for his new home at Portland, Oregon. A successor to Mr. Hunt as director will be named at a later meeting of the board.

Other officers elected include C. H. Toomey, vice president; A. F. Berge, secretary; and E. O. Peterson, treasurer.

Robert J. Lund was named delegate to the annual convention of the Minnesota Federation of County Fairs in St. Paul, opening Tuesday of this week at the St. Paul Hotel.

Killed in Explosion

DELMER L. HOVIE
Machinists mate third class with the U. S. navy, who Wednesday in a message from the navy department, to his parents, Mr. and Mrs. Carl I. Hovie of this city, was reported as having lost his life January 3 in an explosion that sank a destroyer.

WATER TURBINES PRODUCE RECORD KW OUTPUT IN '43

Turbines Turn out More than Half Total Output of 4,745,100 KW

The Thief River Falls municipal power plant in 1943 produced a total of 4,745,100 kilowatts of electricity, compared to 4,656,000 kilowatts in 1942, the previous high mark, it was announced this week by Supt. Ole Legvold.

Most noteworthy feature of the report was the fact that well over half of the total, or 2,701,200 kilowatts, an all-time record, was produced by the water turbines, compared to 1,090,500 kilowatts in 1942.

Water power at the local plant maintained uniform volume thruout the past year, the kilowatt output ranging from a low of 173,500 in February to a high of 266,200 in October.

Production in 1943 by the Diesel units included 1,501,500 kilowatts by the McIntosh & Seymour unit; 503,000 by the 1,000 horsepower Busch-Sulzer unit; and only 39,400 by the 1700 horsepower Busch Sulzer unit.

Pfc. Walter Peterson, with the army at Washington, D. C., visited at the Alfred Olson and William Gilbertson homes last week, as well as with relatives in Fergus Falls.

Personal Property Tax List Published Today

Appearing elsewhere in this issue of the Times is an interesting publication in the form of the 1944 personal property tax list for Pennington county, preparation of which was completed during the past week in the office of County Treasurer A. R. Johnsrud. The tax is payable on or before February 29.

A total of 91 taxpayers are called upon to pay more than $100, including 75 in Thief River Falls, six in St. Hilaire and ten in the townships. Twelve property owners will pay more than $400 and eight others more than $400.

The ten largest taxpayers, and the amounts they are called upon to pay, include Land O'Lakes Creameries, $3,000.32; L. B. Hartz Stores, $3,387.26; F. H. Peavey company, $2,486.73; Great Northern railway, $2,213.14; Oen Mercantile company, $2,157.22; Montgomery Ward & company, $1,836.59; Thief River Grocery, $1,661.07; Gamble-Robinson company, $1,407.91; Peterson-Biddick company, $1,367.22; and J. C. Penney company, $970.92.

Last Rites Conducted Wednesday Afternoon for Olaf H. Langlie

Last rites were held Wednesday afternoon for Olaf H. Langlie, retired Plummer merchant, who passed away Saturday morning at the age of 77 years. Rev. J. K. Lerohl of Oklee conducted the services at 1:30 at the home of the deceased and at 2 o'clock at the church.

Besides his wife, survivors include two daughters, Miss Berglio of San Diego, Calif., and Mrs. Thelma Bjorkman of this city; three sons, Hilmer Langlie, S 2/c in the navy at San Diego, Calif., Sgt. Gordon Langlie with the army at Fort Bragg, N. C., and Sgt. Edwin Langlie, with the army somewhere in the Aleutians; three brothers, Henry, Thom, and Gunder, all of Ashby; two sisters, Mrs. Erick Palm and Mrs. Gunhild Thompson of Ashby. His parents, two brothers, four sisters, and one son preceded him in death.

Mr. Langlie was born in Kuerjesend, Norway, Dec. 17, 1866, and came to this country at the age of fourteen. He operated a store and a post office at Ashby until 1886, at which time he homesteaded at Liner for five years. Later he operated a store and post office at Brandsbury for five years, and then moved to Plummer to manage a general store until retiring in 1927.

Trinity Church to Note "Church at War" Sunday

Rev. G. S. Thompson, pastor of Trinity church, announces that the morning service next Sunday will emphasize the role played by the Church in the war. This emphasis for the Sunday is requested by the Minnesota War Finance committee as an introduction to the Fourth War Loan campaign. For this "Church at War Day" the pastor will preach on the theme: "The Church Backs the Attack".

Miss Mildred Olson, member of the nurses cadet corps at the University of Minnesota, Minneapolis, left Saturday, Jan. 1, after spending the holidays in the city with her parents, Mr. and Mrs. Arthur Olson, and with friends.

BUILDING PERMITS TOTALING $40,740 ISSUED HERE IN '43

Construction Volume Holds up Well in Spite of Wartime Limitations

While building construction volume in 1943 was far below that of pre-war years in Thief River Falls due to drastic wartime limitations on use of essential materials, a total of 45 building permits nevertheless were authorized by the city council during the past year in the aggregate amount of $40,740.

Of this total, twelve permits for business and industrial projects called for the expenditure of $35,105, while 24 permits for residence remodeling were issued in the amount of $4,363, and seven miscellaneous permits totaling $1,275.

Major projects for which permits were issued include the Peterson-Biddick company's office and salesroom addition to its plant, $4,000; Land O'Lakes Creameries, warehouse, $12,000; and Farmers Cooperative Grain and Seed association, addition to its seed plant, $15,000.

Mrs. Lena Halvorson, Long Time Resident; Passes Away Friday

Mrs. Lena Halvorson, resident of Pennington Co. for the past fifty-one years, passed away at her home in Rocksbury township Friday at the age of 84 years and 10 months. Rites were conducted at the Erickson & Lund funeral chapel Wednesday at 1:00 P. M. and at the Bethlehem Lutheran church at 2:00 P. M. with Rev. Walter Pedersen officiating, and burial was made at the Bethlehem cemetery.

Mrs. Halvorson was born in Rock River, Wisc., Feb. 9, 1857. She moved to Waseca, later living in Hendrum, and in New Solum township. In 1893 she came to this city and fifteen years later made her final home in Rocksbury township. Her marriage to Halvor Halverson took place in Rock River, Wisc., in 1878.

Surviving are one daughter, Mrs. Ida Lee and two sons, Carl and Halbert, all at home; three sisters, Mrs. Julia Hanson of Forsyth, Mont., Mrs. Mary Kraut of Oconomowoc, Wisc., and Mrs. Manda Hanson of Sleepy Eye; two grandchildren, Harold Langseth and David Langseth, both of this city. Preceding Mrs. Halvorson in death were her husband, her parents, a daughter, three sisters, and two brothers.

Rites This Afternoon in Grygla for Sven Torstenson Tweeten

Sven Torstenson Tweeten, resident of Eckwall township since 1911, died Saturday at the age of 79 years. Rites are being conducted this afternoon at 2 o'clock at the St. Petri church at Grygla with Rev. G. L. Halmrast of Grygla officiating, and interment will be made at the Liner cemetery.

Mr. Tweeten, who was born in Telemarken, Norway, Dec. 3, 1865, came to the United States with his wife and five children in 1911 and took a homestead in Eckwall township, where he lived until his death.

Left to mourn his passing are *his wife and ten children, Mrs.* Anton Suk of Duluth, Mrs. Ranghild Solleid of Grygla, Mrs. Judith Cobbs of Vero Beach, Fla., Mrs. Marie Lindberg of Fertile, Clara of Chicago, Ill., Inga of Los Angeles, Calif., Thora of Minneapolis, Thorsten of Goodridge, Selmer of Roso, N. Dak., and Pvt. Gunner in the foreign service; and three grandchildren. His parents, four brothers, and a sister preceded him in death.

Services to be Held Friday Afternoon for Mrs. August Johnson

Rev. J. O. Jacobsen will conduct rites in the Gulbranson funeral chapel Friday at 2:00 P. M. for Mrs. Christina W. Johnson, who passed away at a local hospital early Tuesday morning. Burial will be made at the Oak Ridge cemetery.

Mrs. Johnson, who was 71 years old at the time of her death, is survived by her husband, August Johnson; five children, Mrs. Anna Solney, Willie, Harry, and Carl, all of this city, and Edward of North Bonivelle, Wash.; a brother, Maurice Christiansen of White Salmon, Wash.; a nephew, Fred Christiansen of Jim Falls, Wisc.; seven grandchildren and four great grandchildren. She was preceded in death by her parents, one brother, and a sister.

Mrs. Johnson came to the United States with relatives in 1888, making her home in Crookston and Fisher. She was married Nov. 22, 1892, at Crookston and in 1897 moved to a farm in Norden township where she lived until taken to a local hospital Dec. 17.

Funeral Services to Be Conducted Friday for Carl G. Anderson

Last rites are being conducted Friday afternoon at 2 o'clock in the Erickson & Lund funeral home for Carl Gust Anderson, who passed away Sunday at a local hospital. Rev. Walter M. Pedersen will officiate at the services and interment will be made at the Greenwood cemetery.

Mr. Anderson, who was 81 years old at the time of his death, has been a resident of Pennington county since 1919, at which time he moved from Aitkin. He was born in Nordland, Sweden, June 10, 1862, and came to New York, later living in North Dakota before moving to Aitkin. He was preceded in death by his parents, three sisters, and two brothers.

GIRL SCOUT NOTES

Mrs. Walter Weigelt and Mrs. Otis Wold, leaders of troop 11, had a very successful Christmas party recently. Following an afternoon of games, songs, and exchanging of gifts, supper was served. The girls spent part of the time telling what the spirit of Christmas meant to them as girl scouts.

Now we have four brownie troops. Mrs. Harold Hammershoy and Mrs. Howard Gibson have the second troop at Knox.

The girl scout council will give a party for all scout leaders, brownie leaders, and their assistants Monday evening at 8 o'clock at the home of Mrs. Hovald K. Helseth.

Girl Scout Thrift week begins Monday, Jan. 17, with Benjamin Franklin's birthday. "Thrift is as much a part of the girl scout's life as it was of Benjamin Franklin's, but it means to her more than saving pennies," said Mrs. John Lind, publicity chairman for the scouts, going on to say that girl scout training is of special value during thrift week. The girl scouts are taught first of all the value of using material, money, time, and energy wisely so that they may have them when needed and have some to spare to others. The girl scouts and brownies of Thief River Falls are cooperating in national thrift week by saving extra money for war stamps. The girls are going without their usual sodas and movies and are saving money earned caring for children, running errands, and doing odd jobs about the home to buy war stamps this week. This is the true spirit of girl scouting.

Troop No. 8, under the leadership of Mary Don Hylden with the assistance of Mrs. Clair Loretz, had a meeting January 5 at the home of Mrs. Loretz. Tenderfoot pins were given to the following members: Rosalie Klennert, Joyce Corriveau, Geraldine Corriveau, Carol Kleinvachter, Arlette Kleinvachter, Rosalie Amiot, Catherine Perrault, Mary Ann Weteb, and Delores Vad, scribe.

Mrs. Bratrud's troop gathered at the Bratrud home Saturday afternoon for their Christmas party, which had been delayed because of illness in the group. Games were played following the scout meeting and Mrs. Bratrud served supper to the girls.

OPA Community Service Bulletin

By Mrs. Paul A. Lundgren
Chairman

The Nations 5,500 war price and rationing boards had their second birthday last week—January 5th to be exact. In order to show appreciation for the work done by volunteers, all those who had served from 100 to 500 hours have been given a service award certificate.

Those who have served 500 or more hours will receive the distinguished service pin at a later date. In a letter sent to each of the boards, Chester Bowles expressed his appreciation.

Here is his letter in part: I want to thank you personally the 76,000 board members, the 200,000 volunteer assistants, and the paid clerks alike—for what you have done. I think I know better than anyone else that, without you, there would be no satisfactory rationing and price control program today. But far more important than my thanks is the appreciation of 30 million American families. I think we've all learned by now that the unfriendly criticism of the few is no indication of how the vast, silent majority feels. They know well enough what you have done to insure that they get fair shares of scarce things at fair prices.

"On this second anniversary I wish I could assure you that the job is about finished, that it will be easy from now on. But I can't do that. The pressure in our job has always followed events at the battlefronts, and some of our hardest problems may still be ahead."

Recreation Highlights

The next puppet show, "The Frog Prince" will be held Thursday Jan. 27th in the puppet theatre in the arena. Everyone is invited to come and this entertainment is free.

The J. C. club for boys will meet Monday evening, Jan. 17 at 7:15 in the arena game room. Be sure and bring your monthly dues.

The Mother's club, composed of women interested in recreation for the children of Thief River Falls met in the arena game rooms on Monday evening. A group of enthusiastic ladies were present. After a short business session the women worked on curtains which they are making to help the play rooms look more inviting.

Many little girls are very grateful to Jr. Perkins and his mother. They brought a lovely doll carriage to the play center at Christmas time.

Little Jane Olson celebrated her 4th birthday on Friday. Her mother was hostess to 20 little children and their play leader, Camille Dostal, at the play center. A beautifully decorated cake adorned the table and was served after lunch which Mrs. Olson served.

Another 'teen-age dance will be held Friday evening, Jan. 14th in the city Auditorium from 9-12.

POPPLER'S ODDS 'n ENDS CLEARANCE

Here's the "Low Down" on how to Save on Furniture of Superior Quality!

This Odds 'n Ends CLEARANCE SALE

Si Sez:---

There is only one good reason for this "Odds & Ends Clearance Sale" and that is a Pre-inventory House Cleaning of odd lots of hundreds of different kinds that accumulate during the year in so large a stock as ours.

Just as a shoe dealer finds he has a lot of odd sizes in shoes, so we find a lot of odd chairs, lamps, mattresses, box springs, carpets and linoleum remnants, rugs, etc.

It's all new merchandise—perhaps a mar here or a stain there that some handy person could fix up in a short time—but 90% of the merchandise we offer is spick and span—shining new.

You will find—I know—A lot of things you need and want in this sale of ours. It is definitely NOT a store wide sale, but just what we have named it—Odds & Ends Clearance.

Come in today. Buy now at fine savings. Pay on Poppler's Popular term plan.

Thanks a lot,
Si Poppler.

ADMINISTRATIVE CONFUSION

Reviewing the events that led to the government's recent siezure of the country's railroads, George Sokolsky concludes that this difficulty was largely of the government's own making. He points out that satisfactory adjustments had been made by both management and labor under the guidance of the National Mediation Board, a government agency authorized to settle labor disputes. Trouble did not develop until Judge Vinson, also speaking for the government, overruled the Board and set aside the agreements that had been reached. Then the President dramatically took a hand in the procedures and made monkies of all who had been parties to the negotiations, including Judge Vinson, the members of the Mediation Board and the representatives of the Brotherhoods.

Mr. Sokolsky sums up his review with an interesting analysis of the President's mental processes, to which he ascribes much of the administrative confusion in our government. He says:

> For reasons which I am sure are psychological rather than political, Mr. Roosevelt cannot leave a task to the particular agency of government entrusted with its implementation. He has to turn several agencies on it. He likes a lot of cooks around a pot. He apparently enjoys the noise of various government agencies fighting over jurisdiction. He is stirred by the excitement of a crisis. He is incited by the thrill of an emergency and he can, with rare public relations skill, find a headline for himself even in the white-washing of his own errors and incapacities. That is the story of the seizure of the railroads and it has really done this country no valued service.

In his message to Congress President Roosevelt reaffirmed his position that the government should guarantee a minimum price for his products to the farmer and also a maximum cost of foods to the consumer. To that we can see no objections. The farmer, who is urged to increase his production, should be given assurance that his increased production will not break the market as did eggs and pork. And if we are to make an effort to curb inflation then ceilings must be maintained on the prices of consumer goods. We can se no justification however for the President's view that the government should pay subsidies in order to maintain an unnatural balance between what the consumer pays and the farmer receives. Let the consumer pay a fair price and let the farmer receive a fair price, with the government exercising controls to safeguard against excessive profits, and no one will have cause to complain. The subsidy idea has all the earmarks of being one more clever device to charge up to public expense the cost of another political campaign. The countryside is now overrun with administration agents whose work cannot be justified as necessary to the war effort, and more are being hired. Doctor Win-the-war bears a most striking resemblance to Doctor Win-the-election.

At the top of the list of his recommendations for the good of the country President Roosevelt urged the enactment of a realistic tax law, and to that recommendation we most heartily subscribe. If the American dollar is to continue to be an honest dollar then we will have to start giving back to the government a much larger share of our incomes. The only way Uncle Sam can pay his obligations, and he is over his ears in debt, is to collect from us, and the longer we delay in facing this fact realistically the less likelihood is there that the pretty green certificates we own will have a market value. We would have liked this suggestion of the President better if along with it he had urged a sharp curtailment of government spending. But there was not one reference to the need for government economy in his message.

A round of cheers to the 250 women who each week assemble in groups to manufacture surgical dressings to be used at the fighting fronts. It is a fine piece of work and a valuable contribution to the war effort. There is need for more workers, however. A quota of 30,000 dressings is not a small order for one month's production and the women who are doing the work at present are having difficulty in maintaining the community's schedule. More workers are needed and the services of a few more volunteers will be very welcome.

Trinity Congregation to Conduct Its Annual Meeting Next Tuesday

Reports for 1943, showing statistics for the congregation and its auxiliary organizations, will be given at the annual meeting of Trinity Lutheran church Tuesday evening, Jan. 18th, when its members meet at 6:30 for a complimentary dinner in the church parlors. Members of the L. D. R. will serve as waitresses for the meal, which has become an annual feature of the church program.

Members who joined the congregation during 1943, numbering more than 50 families, will be guests of honor at the meeting and will be introduced to the congregation. Printed annual reports, prepared by the treasurer, W. N. Morell, will be distributed. These reports will show one of the best years of progress in the history of the church.

Plans scheduled for discussion at the meeting include the resolution of the church council proposing the engagement of a full-time seminary student assistant beginning next fall. Elections will also take place to replace officers whose terms expire next week.

Nels Clemetsen Passes Away in City Tuesday

Nels Clemetsen, who recently has made his home at the O. O. Haftdahl home near the city, passed away at a local hospital Tuesday evening. As funeral arrangements have not yet been made, a complete obituary will be published next week.

Mrs. Matheson Attends Conference in Bemidji

Mrs. A. C. Matheson, county superintendent of schools, and Charles Christianson, superintendent in Roseau county, last week attended a conference in Bemidji, at which the effect of the new state aid bill on the rural schools was the chief topic of discussion.

MARK C. LEVORSON IS PROMOTED TO CORPORAL

Mark C. Levorson, serving with a paratroop infantry unit, who last fall received his wings as a qualified jumper at Fort Benning, Georgia, recently was promoted to the rank of a corporal and is now battalion draftsman. He is the son of Mr. and Mrs. M. E. Levorson of this city.

Mayor Asks Cooperation of Parents and Children

With the enactment this week by the city council of a new curfew ordinance which will go into effect February 1, Mayor Wm. J. Douville today issued the following statement relative to enforcing its provisions, as well as all other laws pertaining to minors:

I am asking for the cooperation of all citizens to curb juvenile delinquency by enforcing all local ordinances and state laws pertaining to minors.

The local police can do a much better job if the parents will cooperate. A community can be no better than the majority of its best citizens want it to be.

Cigarette dealers must live up to the state law and not sell cigarettes to minors or permit minors to smoke on their premises. Those with beer licenses must not sell to minors.

It is a violation of the state law for any person under the age of 18 years to smoke or use cigarettes, cigars, or tobacco in any form on any public road, street, alley, park, or in any public place of business; anyone violating such law shall be guilty of a misdemeanor and punished by a fine of not more than $10.

Those who furnish cigarettes, cigars, or tobacco in any form, or who shall permit any such minor person to indulge in the use of cigarettes, cigars, or tobacco on premises owned or managed by him shall be guilty of a misdemeanor and punished by a fine of not more than $100 or by imprisonment in the county jail not exceeding 30 days.

Juvenile delinquency is on the increase in this county. Leading authorities on crime prevention say that by better parental control and stricter law enforcement, it can be reduced a great deal.

The young people of today will be the citizens of tomorrow. What kind of an America do we want?

WILLIAM J. DOUVILLE,
Mayor of Thief River Falls.

Flag Dedication Sunday at the Covenant Church

Leonard Lindholm, pastor, announces dedication of Christian and American flags in next Sunday night's meeting, 7:45 o'clock, in the Mission Covenant church. He will speak on, "Displaying a Banner." These flags are being presented to this church by the congregation by the Sunday school. Mae Carlson, superintendent in the Bible school, is to give the speech of presentation and David Dratt, church chairman, to give the response.

Probate Judge Reports on Activities in 1943

A total of 118 cases, the largest number in the history of the county, was entered in probate court in Pennington county in 1943, Probate Judge Herman A. Kjos reported in a year-end summary. Probate cases numbered 57, while 25 cases of juvenile delinquency were handled, a sharp increase over previous years. Other matters handled by the court included 17 insanity cases, one feeble-minded and eight guardianship.

Mr. and Mrs. A. A. Nielsen (nee Charlotte Archambault) of San Diego, Calif., are the parents of a baby girl born Dec. 26.

Union Prayer Services Here Tonight and Friday

Two union prayer services, as second to the Week of Prayer, tonight, Thursday, and Friday night, will be held by the Evangelical Free and Mission Covenant churches with the pastors, J. O. Jacobson and Leonard Lindholm in charge. Tonight the meeting is in the Free church and Friday night in the Mission church. Services are open to the public, and begin at 8 o'clock.

HERMAN A. KJOS GOES TO MINNEAPOLIS CONVENTION

Herman A. Kjos, probate judge, left Tuesday evening for Minneapolis to attend the annual convention of Minnesota probate judges at the Nicollet Hotel, at which juvenile delinquency will be the chief topic for discussion. Mr. Kjos will return home late this week.

KAVANAUGH BROTHERS WIN ARMY PROMOTION

Fred Kavanaugh, who is stationed in England with the U. S. army paratroopers, recently was promoted to corporal. His brother, William Kavanaugh, with the marines somewhere in the South Pacific, is now a master sergeant. Both are sons of Mrs. Mary Kavanaugh of this city.

BOY SCOUT NOTES

During the past week the Trinity church troop and Troop 47 have collected over four tons of waste paper for the nation. As soon as possible another drive will be made.

Sunday, January 9th the boys of the Trinity church troop were taken on an advancement hike by Scoutmaster Irving Quist and Morris Owen, district scout commissioner. Nine scouts made the hike.

On Thursday evening, January 5th, the first investiture ceremony of Troop 57 was held in St. Bernard's church. Father A. I. Merth, troop chaplain, blessed the tenderfoot badges and gave the candidates a short talk on the meaning of their scout oath and the ideals of Scouting. He conferred the tenderfoot badge on the following boys: Ralph Engelstad; Donald Engelstad; Brian Walker; Lowell Collins; Gerald Prota; Herold Baker; Elroy Skjerping and Ronald Lund. The candidates were presented for recognition by Patrol Leader Lawrence Hylden. The investiture was closed with the benediction of the most blessed sacrament.

The scouts of troop 57 were taken on an advancement hike by Assistant Scout Master Al. Archambault. All the boys who made the hike passed at least one test required for the rank of second or first class scout.

NEWFOLDEN

(Omitted Last Week)

Mrs. Ed. Johnson Laid to Rest

Last rites were conducted from the Newfolden Mission church Friday for Mrs. Ed. Johnson, who passed away at her home in Newfolden township Dec. 27. Rev. Thv. Myhrer officiated at the services assisted by Rev. G. P. Ronholm, and burial was made at the Westaker cemetery.

Mrs. Johnson, born Feb. 14, 1856, in Narby Smaalene, Norway, came to the United States in 1881 and Sept. 15, 1887 she was united in marriage to Edvart Johnson, making her home in and near Newfolden since that time. Mrs. Johnson was 85 years 11 months old at the time of her death.

Survivors include her husband, one sister Jorgine Sorenson, two adopted children, six grandchildren, and two great grandchildren.

Rites for Mrs. Pete Mortrud

Mrs. Pete Mortrud, 86, long time resident of Marshall county, was laid to rest in the Bjornese cemetery of Newfolden following her death, which occurred Saturday, Dec. 25. Rev. Thv. Myhrer, assisted by Rev. G. P. Ronholm, conducted the rites at the Newfolden Mission church.

Mrs. Mortrud was born in Drangedalen, Telemarken, Norway, Jan. 6, 1857. She came to America in 1881 and settled in Ada, later coming to Grand Forks where she was united in marriage to Pete Mortrud. Together they came to Newfolden township where they made their permanent home.

Left to mourn her passing are four children, Mrs. David Dufault of East Grand Forks, Ned Mortrud of Grand Forks, Melvin Mortrud of this city, and Swan Mortrud of Newfolden; fifteen grandchildren, and five great grandchildren. Her husband and four children preceded her in death.

Carl Blackberg Passes Away

At the age of 78 years, Carl Blackberg, resident of New Maine township, passed away at his home Dec. 24. Funeral services were conducted by Rev. Thv. Myhrer in the Newfolden Mission church and the body was laid to rest in the New Maine cemetery.

Born in Vermland, Sweden, Mr. Blackberg came to America in 1889 and has lived in Minnesota all these years except for a short time spent in Oregon and Canada. On July 3, 1892, he was married to Miss Amanda Person, who survives him.

Other than his wife, he is survived by seven children, Mrs. Selma Eggle, Victor, Hialmer, Willie, Elmer, Pfc. Tilmer Blackberg, and Mrs. Hilmer Carlson and one sister in Sweden.

Ole Odberg Rites

Funeral services were held at the Newfolden Mission church Dec. 28 for Ole Odberg, son of John and Bertha Odberg of Spruce Valley twp., who passed away on Christmas eve. Rev. Thv. Myhrer officiated at the rites and interment was made at the Eric Peterson cemetery.

Survivors include his mother, Mrs. Bertha Odberg; five sisters, Mrs. Caroline Halskon and Mrs. Hilda Ross of Middle River, Mrs. Marie Peterson and Mrs. Esther Connin of Minneapolis, Mrs. Clara Canty, Superior, Wisc.; a brother, Hilmer Odberg of Newfolden; an aunt, Mrs. Hilda Peterson of Newfolden; seven nephews and ten nieces. His father passed away three years ago.

Rites for West Valley Pioneer

Funeral services were held Monday at the West Valley church for Mrs. Alvilde Stromberg, who passed away Thursday of last week at the age of 73 years. Rev. Thv. Myhrer conducted the rites.

Mrs. Stromberg, who was born Aug. 25, 1870, in Arndal, Norway, immigrated with her parents to America while an infant. They were pioneer settlers of West township. Her marriage to Pete Stromberg took place in 1897.

Left to mourn are four sons, Andrew of Canada, Pete, Christ, and Albert at home. Mr. Stromberg preceded his wife in death three years ago.

Mr. and Mrs. Matt Keiller and Danny Lee; Mrs. Sam Lee and Marguerite visited Mr. and Mrs. Olger Olson at Hallock Thursday of last week.

CITY COUNCIL PROCEEDINGS

Pursuant to adjournment the City Council of the City of Thief River Falls, Minnesota, met in the Council Rooms, the Municipal Court Chambers, in the Auditorium and municipal building on December 28, 1943. The meeting was called to order at eight o'clock P. M. with Aldermen Griebstein, Petersen, Hunt, Rinkel, McKechnie present and Alderman Stenberg absent.

Bond of Palma Hornseth, temporary Deputy Clerk in the amount of $2,000.00 with Fidelity & Casualty Company, New York, as surety was presented and on motion made and duly carried the same was accepted and ordered filed.

The proposed Curfew Ordinance was thereupon brought up for consideration. Alderman Petersen moved that Section 4 of such proposed ordinance be amended so as to read as follows: "CHANGE OF HOURS UNDER CERTAIN CIRCUMSTANCES: The Mayor of the City may change the hours when such loitering is prohibited so as to allow and permit children under the age of 17 years to attend functions, entertainment or activities conducted, sponsored or approved by him. Provided, however, that such time shall not be extended to later than Twelve (12:00) o'clock midnight. When and if an extension shall be granted hereunder, the Mayor shall forthwith advise the Chief of Police of the time and place when and where said hours are changed and the hours applicable thereto on such date." The motion was seconded by Alderman Rinkel and the amendment was by roll call duly passed and adopted by unanimous vote. Alderman McKechnie then moved that the proposed ordinance, as amended, be given its second reading. The motion was seconded by Alderman Hunt and carried unanimously whereupon the proposed ordinance was read and filed.

The report of Municipal Judge for the month of November was presented, examined and on motion made and duly carried the same was ordered filed.

Alderman Stenberg presented his resignation as Alderman at Large effective immediately. Motion was made by Alderman McKechnie, seconded by Petersen and adopted, that such resignation be laid on the table.

The matter of Mayor's appointment of three members to serve as a Police Civil Service Commission was brought up for consideration. Alderman Hunt moved that such appointments be confirmed and ratified. The motion was seconded by Alderman McKechnie. The President then called for a vote on approval and the following vote was recorded: Ayes: None. Nays: Griebstein, Petersen, Hunt, Rinkel, McKechnie. The motion was thereupon declared failed of passage.

Alderman Petersen introduced a motion that the Council go on record as approving for payment to the [illegible] of $54.00, an alleged claim of St. Lukes Hospital, for services rendered Charles Doslal several years past, such payment to be in full and final settlement of such claim. The motion was seconded by Alderman McKechnie and adopted by unanimous vote.

There being no further business to come before the board the meeting was declared adjourned.

EMIL GRIEBSTEIN,
President of the Council.

Attest: P. G. Pederson,
City Clerk.

Training Course for Scoutmasters Opens Here Wednesday Night

The first meeting of the scout master's training course was held in the Civic and Commerce rooms Wednesday evening at 8:00 P. M. This course is being given for the first time in the entire Lake Agassiz council area of the Boy Scouts of America. The course will continue meeting one evening a week for five more sessions. There is still time to enroll for anyone who is interested in helping the growth of the Boy Scout movement. No one taking the course will be asked to undertake any obligation regarding the work with the boys, it was explained.

The wisdom of paying as you go depends upon where you are going.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

We acknowledge with thanks the gift of one dollar given in memory of the late Sgt. Millard Stigen from Mr. and Mrs. Muzzy and boys and also the one dollar gift from Albert Molstad. Mr. Stigen died of combat wounds received in the North Africa area. He was the son of Mr. and Mrs. Theodore Stigen of North.

There was a very poor attendance of workers at surgical dressing last week. On Wednesday of last week there was not even one worker besides instructors. At this rate when will we finish the quota of 30,000 dressings of 2 by 2's that we have barely begun? We realize that with the current epidemic of measles, many ladies have been unable to come, but we do know that every one hasn't measles, or headaches, bridge scheduled parties arranged or kept too busy with every day work. Soldiers do not use excuses to stay home from fighting, so why should we? "Where there is a will there's a way!"

Remember the sewing room is open every Friday afternoon, with Mrs. Lars Hylden in charge.

Pfc. Walter Kinghorn Writes from Ireland

Pfc. Walter Kinghorn, stationed with the U. S. army in Northern Ireland, in a letter to his parents, Mr. and Mrs. H. W. Kinghorn, gives an interesting account of a Thanksgiving celebration enjoyed by the American soldiers at an American Red Cross service club. He praised the Red Cross for the fine work it is doing in providing for the needs and entertainment of soldiers stationed in Ireland.

Times Receives Booklet on R. L. River Project

On file in the Times office and open to inspection by interested citizens is a 70-page booklet outlining plans of the U. S. war department for the Red Lake-Clearwater river flood control project. Included in the publication is a series of charts descriptive of various phases of the undertaking.

LEGION POST TO SEND CIGARETS TO MEN OVERSEAS

Letters Expressing Thanks for Previous Gifts Are Received

The local American Legion post, in common with other posts thruout the state, has placed milk bottle receptacles in local business places to receive contributions to be used to purchase cigarets at bargain rates to be forwarded to servicemen overseas.

George W. Werstlein, commander of the post here, this month received a letter from Pfc. James R. Ferguson, stationed in the Southwest Pacific, acknowledging with thanks receipt of a carton of cigarets sent at Christmas time by the Legion, auxiliary and 40 & 8 unit.

Chris Rinkel of the Northern Chevrolet company, which last fall sent a large quantity of cigarets overseas, this week received a letter of thanks from one of the recipients, Sgt. Eddie Vols of New York City, now stationed in England.

Former Resident Hurt in Spokane, Wash., Mishap

A. D. Ralston, an old time resident of Thief River Falls and Grygla now residing at Spokane, Wash. was seriously injured on his way to work on December 28th.

Hornets to Open Season in Arena Here Saturday

The Hornets sextet will make its bow in the first junior hockey game of the season in the local arena Saturday evening at 8 o'clock, with Williams high school furnishing the opposition, Coach Armand Pagliarini announced today. Scheduled on the rink here for next Tuesday evening, January 18, at 8 o'clock is a contest between the Roseau Cloverleafs and the Crookston Cathedral six.

HORNETS HOCKEY TEAM WINS FROM SIX AT WILLIAMS

Score 5 to 1 Victory Friday; Return Tilt in Arena Saturday

The Hornets, Nortwest junior hockey champions, opened their season's play Friday night by scoring a solid 5 to 1 win over the Williams high school sextet in a game played on the Williams rink. Coach Pagliarini's team will face sterner opposition this week when they play the veteran Crookston Cathedral Wave at Crookston on Friday night, and on Saturday evening the locals will meet the Williams team in a return engagement on the local ice.

The Hornets, outskating their inexperienced rivals, chalked up two goals in the first period of play Friday. Bob Baker, from just inside the blue line, whipped a shot past goalie Drydahl; and later in the period, Wes Hovie, during a scramble in front of the Williams net, nudged the rubber into the goal, Tony Dorn getting an assist on the score.

The locals increased their margin in the second period on goals by Lloyd Johnson and Bobby Olson, Raymiller's long shot, which eluded goalie Wendell Morterud gave Williams their only goal. Bob Baker, who had scored the game's first tally, also accounted for the final marker, lofting a long shot past the Williams net-minder.

The summary:

T. R. Falls (5)	vs.	Williams (1)
W. Morterud	goal	Drydahl
Dorn	defense	O. Wilson
V. Morterud	defense	D. McKinnon
Johnson	wing	Raymiller
Olson	wing	P. McKinnon
Baker	center	R. Wilson

Spares: Thief River Falls—Vigness, Hovie, Brossoit, Freeland; Williams—Charlton, J. Bailey, Markuls, Lindgren, Hennesey, G. Bailey.

First period scoring: Baker; Hovie, (Dorn). Penalties: Baker.

Second period scoring: Johnson; Olson, (Baker); Raymiller. Penalties: Hovie, D. McKinnon.

Third period scoring: Baker. Penalties: Freeland.

Second Man in Court in Oil Station Burglary

Arrested last Thursday by Sheriff Arthur Rambeck on a charge of having been implicated in the burglary at the Economy oil station, December 23, Arthur Tweten waived preliminary hearing in municipal court and was bound over to district court. T. F. Telander of Detroit Lakes, state parole agent, is making a pre-sentence investigation of the case, as well as that of Vernon Johnson, previously arrested for complicity in the same offense.

Bemidji Takes Rough Tilt from Locals 38-24

In a rough game played here Friday evening the regional champion Bemidji Lumberjacks, with burly Phil Fair and Bob Brown setting up the plays, defeated the Prowlers, 38 to 24. Coach Hanna's squad will return to district competition on Friday, traveling to East Grand Forks for a game with the Green Wave. On Tuesday the Prowlers will tackle the Fosston Grayhounds at Fosston.

Bemidji, with chunky Wally Soland connecting with three long shots and Keith Hoberg pushing in three goals, piled 22 points through the east basket to hold a 22 to 10 lead over the Prowlers at the half-time intermission of Friday night's game. Bill McKechnie's two field goals, on long shots; Roger Tunberg's long shot; Ninak Carlson's push-up shot, following a dribble; and Burdell Merritt's tip-in shot, accounted for the Prowlers' 10 points.

The tempo of the game (and the tempers of the players) increased during the second half, and can be judged by the fact that only seven fouls—three on Bemidji and four on Thief River—were called in the first half; but that 22 fouls were called in the final two periods. Carlson's two free throws, Merritt's rebound shot, and Tunberg's free throw gave the Prowlers five points before Hoberg, on a one-handed try from the lane, counted for Bemidji. Chan Bailey, just at the period's close, added a free throw.

The fourth period opened with Bemidji holding a 25 to 15 lead, but the Prowlers were outshooting their lanky rivals. After McKechnie and Bailey had exchanged free throws, Bailey drove in for a set-up. Merritt, committing his fourth foul and forced from the game, fouled Fair, but the Bemidji captain failed to convert. Bailey again drove in for a close-in shot and was fouled by Carlson, and Ninak, with four personals, also left the game. Chuck Richards and Allan Thompson filled the guard positions for the Prowlers. Fair made a neat one-handed pivot shot. McKechnie recovered a rebound and popped in a Prowler goal. Herrmann and Quinn tallied for Bemidji field baskets. With the score 37 to 18 in Bemidji's favor the Prowlers spurted for three rapid-fire goals. Virg Evenstad lofted a one-handed shot into the net; and seconds later, Norm Furuseth drove into the lane and popped in a one-handed shot; and Evenstad, following a pass from Furuseth, shoved in a one-handed lob shot. Quinn and Clark chalked up Bemidji free throws to conclude the game's scoring.

Bill McKechnie, Ninak Carlson and Burdell Merritt were the Prowler standouts, with McKechnie leading the local scorers with 7 points. Carlson and Merritt were quite effective in recovering rebounds and "bottling up" Fair and Brown. Phil Fair and Keith Hoberg divided Bemidji scoring honors, each accounting for 8 points.

In a preliminary game the Prowler reserves, with Johnny Powell scoring 6 points, defeated LeRoy Rupprecht's Rifles, 18 to 14.

Hockey Notes

Coach Pagliarini wants all grade and high school boys who are interested in hockey, and who are not candidates for the Hornets, to report at the Arena Saturday morning. Pag intends to organize four teams of "midget" hockey and Saturday mornings, from 8 to 11:30 will be devoted to midget hockey league play and practice. If present plans materialize, these midget teams will play preliminary games to the Hornets home games, with the first game slated for Jan. 22nd.

Pag takes the Hornets to Crookston tomorrow night for a game with Cathedral, and he isn't too optimistic over the outcome. The Hornets revealed considerable scoring punch and all-round effectiveness in defeating Williams, 5 to 1, last week, but Williams isn't the high school hockey power that they were when Kip Kaapi was coaching up there.

Cathedral Is Potent

Cathedral, on the other hand, should be a more potent aggregation than they were last year, for they have lost only captain Bill Dowdle, a defenseman, by graduation. That means that Coach Don Norman has the Jimmy Medved, Bill Sullivan, John Noah scoring line intact, and also his second line of Bill Peterson, L. Sullivan, and D. Sullivan. I think Pag will be willing to settle for a one-goal win.

Don't forget that the Hornets play their first game on local ice on Saturday night, when they meet Williams. And don't forget, either, that Crookston Cathedral and Roseau are scheduled to play a game on the Arena ice next Tuesday night. With travel restrictions as stringent as they are, it was difficult for Roseau and Cathedral to arrange a game, but local authorities offered to provide a rink and as a result the two teams will meet here.

They're Regional "Tops"

Defeating the Prowlers, 38 to 24, here on Friday and then subduing the Crookston Pirates, 34 to 29, at Crookston on Saturday, the Bemidji Lumberjacks gave evidence that they're the regional's top-ranking team. And the reason for Bemidji's continued success is no secret. Glen Barnum stated that there are three basketball squads in high school, an A, B, and C squad. He coaches the A, or varsity squad; Red Wilson tutors the B squad, and they play a schedule of games with the smaller high schools around Bemidji; and Jolly Erickson coaches the C squad. And in addition there are about forty five boys playing junior high school basketball.

The Prowlers, although beaten by 14 points, weren't completely outclassed by the Lumberjacks. In fact, the locals scored as many field goals from the field during that rough second half as Bemidji did, and there's some satisfaction in that accomplishment. It's too bad that Herb Claffy wasn't able to play in the game—Herby was in bed with an attack of the flu—for he would have enjoyed the rough-house tactics that was used by both teams.

At So Much a Pound

"...and what's more, I am saving money and ration points on those fine walleyed pike that I've been catching." For the past several weeks J. Arthur Johnson, who's been making some nice catches below the dam, has been making boasts such as that, and directing most of these boasts at Pat Harrison and Pag Pagliarini. But now it's Pat's and Pag's turn to laugh, for on Monday morning, J. Arthur, along with several other anglers, was haled before Judge Chommie and fined $13.00 for fishing without a 1944 license. Art, in all innocence, thought that the angling license carried over from season-to-season, from May 15th to May 15th; but not so, for the fishing licenses expire on Dec. 31st of every year. Harrison and Pagliarini are now figuring the cost per pound of Art's fine walleyes.

First-Half Averages

Seventeen feminine bowlers carried averages of 130 or better during the first half of the Women's City Bowling league schedule. And that's a pretty good record. Fran Williamson and Faythe Nelson of the J & B Drugs, and Bea McLeod of the Land O'Lakes, with 141's, led the procession; while Dolories Urdahl of the Log Cabin, and Patricia Lea of the Seven Up's, had 140's. Other high average keglers were Bea Embury, Jung's Bakery, 139; Honey Dempster, J & B Drugs, 137; Ella Larson, Eagles, 136; Irene Hanson, Jung's Bakery, 135; Marie Hallstrom, Eagles, and Martha Narverud, Narverud Cleaners, 134's; Inez Johnson, Bridgeman's, Jeanette Dostal, Narverud Cleaners, and Nona Mackenroth, Ben Franklin Store, 133's; Doris Langevin, Squirt, 132; and Helen Grinde, Bridgeman's, and Estelle Hedemark, Montgomery Ward, 130's.

The Pioneer Farmers' Union Local No. 157 will hold its next meeting Friday evening, Jan. 14, at the Dimmen school, it has been announced.

Lieut. Gordon Dablow Promoted to Captain at Ft. Wayne, Michigan

Capt. Gordon F. Dablow, officer in charge of the ordinance depot's stores unit at Fort Wayne, Mich., received his promotion from first lieutenant last week, according to an announcement from Col. Harry Adamson, commanding officer. Simultaneously Capt. Dablow took over additional duties as chief of the cycle inventory section.

Commissioned in the infantry reserve in 1933, Capt. Dablow was called to active duty at Fort Wayne in March 1942. Prior to his present assignment he worked at Fort Wayne's terminal warehouse and as officer in charge of the ordnance depot's personnel office.

A graduate of the University of North Dakota, he worked as branch sales manager of the Jewel Tea company before being called to active duty. Capt. Dablow lives with his wife and son at Fort Wayne. He is the son of Mr. and Mrs. F. C. Dablow.

Sgt. William E. Sheedy, stationed with the U. S. marines in the Southwest Pacific area, recently was promoted to the rank of staff sergeant. He is the son of Mr. and Mrs. William Sheedy of this city.

PLAN BIG PROGRAM AT THE CROOKSTON SHOW IN FEBRUARY

Well-known Authorities to Speak at Three Evening Meetings

Inflation control, livestock, crops and poultry production programs for 1944 will be subjects of major interest discussed at the forthcoming Red River Valley Winter Shows and Northwest School farmers' and homemakers' week at Crookston, January 31-February 4. According to T. M. McCall, president of the winter shows board of managers, outstanding authorities of national and international fame have been secured for the 1944 shows and will maintain the high quality of progress of former years.

The schedule of events for the week includes: January 31, contests in sub-collegiate livestock and crops judging and high school general livestock and dairy cattle judging, open class crops judging; February 1, crops and weed control programs, 4-H club day, garden club day, judging 4-H club and open classes in livestock, poultry and crops; February 2, livestock day, livestock judging, foods and music day for women; February 3, livestock judging, sale of sheep, swine, and dairy cattle, potato program for men; South America and Norway travel talks for women; February 4, sale of purebred beef cattle; joint meeting of men and women on inflation control.

Three evening meetings are scheduled for winter shows week. Tuesday, February 1, has been designated as international night with speakers from Canada and the United States discussing "The New World Order"; Wednesday, February 2, "The Future of the Far East and Islands of the Pacific" will be discussed by Henry Peterson, a former aide of Chiang Kai-shek; Thursday, February 3, is governor's night with Governor Edward Thye as speaker on "Post War Planning." Thursday is also recognition night for valley farmers and homemakers.

Music for the programs for the week will be supplied by Edwin Steckel of Wheeling, West Virginia; Knute Froysaa of Grand Forks; Crookston high school orchestra, Crookston municipal band, and music groups from the Northwest School and Crookston high school.

Red River Valley Store Sales Rise in November

As evidence that the campaign for early Christmas shopping achieved some success, November sales at department stores in Red River Valley of Minnesota were 24 per cent higher than for November of a year ago. The change from the month of October was negligible, however, sales averaging in November four per cent lower than those for October. For the first eleven months of 1943 sales at stores were 15 per cent higher than for the same period in 1942.

LONESOME HORSE GOES BACK TO HIS OLD HOME

Morgan.—Farmer Nels Flarup had his Christmas saddened just a little when he went to feed his animals on that day and found one of his pets missing. A horse, which he had purchased some 18 months ago, could not be found. Persistent inquiry enabled him to trace the horse to his former home. Christmas time had been too much for him to bear, away from his old friends so he had traveled some eight miles back to his old pasture and friends.

Winter Shows Speaker

Miss Vera Kelsey, well-known author and traveler, will speak on the women's program at the Red River Valley Winter Shows, Crookston, on Thursday afternoon, February 3. Miss Kelsey spent three years in China as a feature writer for a British newspaper and has served as a correspondent for various American magazines. She spent three years in Brazil and has written numerous books on South America. She is now making her home in New York City; however, she is at present living in this part of the country to write a history of the Red River Valley. She is a former resident of Grand Forks.

$39,445,000 CUT IS MADE IN STATE DEBTS IN 5 YEARS

Treasurer Schmahl Reports $8,427,000 Bonds Paid in Last 6 Months

Announcing another reduction of $8,427,704 in Minnesota's debt during the last six months, State Treasurer Julius Schmahl this week disclosed that bonded obligations of the state have been cut $39,445,070 since Harold Stassen became governor in January, 1939, and the new administration set out to reduce the state debt.

Here are the figures covering bonds and certificates of indebtedness outstanding as disclosed by Treasurer Schmahl's January 1st report.

January 1st, 1939	$ 129,787,660
January 1st, 1943	90,342,590
Reduction	$ 39,445,070

Nor was this the only good news in the report. It disclosed also that the general revenue fund now has a cash balance of $2,582,494, whereas there was a deficit of fully $8,522,020 in the fund at the close of December in 1938.

Other cheering news in the treasurer's report was the information that $4,042,091 had been added to state trust funds during the last six months, making a total addition of $8,946,891 during 1943. Permanent trust funds, accumulated for the benefit of Minnesota schools and other public purposes, have now reached a grand total of $127,974,119, Mr. Schmahl's report showed.

Approved Varieties of Corn for Pennington Co. Announced by Co. Agent

Recommended varieties of corn for Pennington county have just been announced, according to County Agent Ernest Palmer. Tests are made each year with the cooperation of the state department of agriculture, dairy and food which determine the varieties adapted to different counties.

According to the tests made, the following corn hybrids are best adapted to Pennington county soil and weather conditions: Jacques 803; Haney's Early No. 13; Jacques 802; Wisconsin 255; Wisconsin 240; and Master F21. These varieties show a maturity rating of from 81 to 87 days which generally brings the crop safely in under the frost line for this area.

Mr. Palmer states that it is very important that grower knows the relative maturity of the many corn hybrids that he is urged to buy. The above varieties have stood the test in this area and will take much of the risk out of growing corn.

Butchers Allowed Brown Stamps for Salvage Fats

Butchers in some areas have not been giving the two brown points allowable per pound for household salvage fats, as they were not informed of the method of being reimbursed. Renderers and independent collectors to whom the salvage fats are transferred reimburse butchers in brown stamps for fats collected in the fat salvage drive.

Only householders and Group I institutional users (boarding house operators) may receive brown stamps for salvage fats, other institutional users such as restaurants and hospitals are not entitled to brown stamps in return for salvage fats.

FOX TAIL BETRAYS OWNER AT FAIRFAX

Fairfax.—A huge, fluffy, bushy tail waving in the breeze and protruding from a culvert near her farm home made Mrs. Martin Bleick do some clear thinking. Let's see, she had no salt, but anyhow it wasn't salt that you sprinkled on such a tail to capture the animal, that might do for birds but not for such a tail. After so reasoning, she finally grabbed tight hold of the tail and pulled from the culvert a fox, measuring three feet, ten inches from nose to tip of his tail.

HOLT

CATTAIL FLUFF BRINGS OVER $5,000

Mrs. M. Leiran of Ada was a Holt caller on Wednesday. Almost everyone of the high school pupils are engaged in picking cattail fluff. In fact not enough pupils have been in attendance to have the regular classes. The purchase of cattail fluff for the war effort has brought to the citizens of Holt and community up to the present time more than $5,000. All indications are that it will continue for some time yet.

MRS. EDNA HAGGLUND DIES INTERNATIONAL FALLS

This community was greatly shocked and saddened by word received of the death of Mrs. Edna Hagglund, daughter of Mrs. P. A. Risberg, now of International Falls.

Edna was born at Holt, attended school here and Lincoln high school at Thief River Falls. She was employed at Carlson Merc. Co. here for many years before leaving for International Falls at which place she worked for Eric Erickson, who managed a store there.

Mrs. Edna Hagglund died on New Years day of the flu, at the age of 48. Funeral services were conducted at International Falls on Wednesday. She is survived by three children Truman, Avis and Muriel, also her mother, Mrs. P. A. Risberg; three sisters and two brothers. Her first husband Clarence Kolden, her father and one brother preceded her in death. Sympathy is extended from friends here to the sorrowing family.

Clifford Larson, who is making his home with his aunt and uncle, Mr. and Mrs. Bill Larson was taken suddenly ill on Tuesday and rushed to a hospital at Thief River Falls, where he was immediately operated on for a ruptured appendix. He is at this writing getting along as well as can be expected.

Mrs. C. B. Johnson was guest of honor at a birthday party given for her on Wednesday.

Donald and Delores Larson, who spent their vacation at the home of their parents, Mr. and Mrs. Ole Larson returned last week to the Northwest School of Agriculture at Crookston. Delores is assistant to a nurse there while Donald is taking a post graduate course.

Marilyn Wegge, who has been a patient at a hospital at Thief River Falls returned home on Friday.

The Luther league are completing preparation for a skating party at the school rink on Friday evening, which is their monthly social hour. They have announced that the lunch will consist of hot dogs and cocoa.

Rev. T. C. L. Hanson conducted funeral services for Mrs. Johnson at Middle River on Thursday of last week.

Rev. and Mrs. T. C. L. Hanson and family had as their guests on Thursday evening of last week Rev. and Mrs. G. T. I. Bergee and son of Middle River, who were en route for their new home at Shelby, Mont., also Rev. and Mrs. E. E. Tollefson and children of Greenbush.

Mr. and Mrs. Walter Steinhauer are not only proud of the birth of a baby girl on New Years day, but also proud of the fact that the little miss was the first baby born at Thief River Falls. She was presented with many gifts from business places there.

Eddie Henning is helping with farm work on his father's farm at Thief Lake at the present time.

Mr. and Mrs. Dennis Wegge and children of Thief River Falls were guests at the home of Mrs. Louis Wegge on Thursday evening.

C. O. Saastad visited at the Joe Maruska home at Thief River Falls on Friday.

LIVE CATERPILLAR FOUND IN DECEMBER

Ellendale.—A real live, fuzzy-wuzzy caterpillar ambling along in front of the Fred Riemann home just a couple days before the dawn of 1944 caused a couple of local women some momentary bewilderment. No, their eyes hadn't deceived them! There it was real as could be wiggling its way along in the sunshine of a Minnesota winter day.

WYANDOTTE

Mr. and Mrs. Louis Evenson left on Sunday for their home in Portland, Ore., after a month's visit at the E. N. Evenson home here and also with relatives at International Falls.

It's EVERYBODY'S WAR
Starting January 18th, the Government is asking the people of this country to subscribe a minimum of at least 14 billion dollars in the Fourth War Loan Campaign to press home the attack against our common enemies.
As usual, the men and women of our community can be counted on to do their full share to hasten the day of Victory. Your investment in War Bonds is important, whether you buy a Bond of $25 or $50 maturity value, or one worth $1,000. This is EVERYBODY'S War—and it is up to everybody to help supply the billions still needed for Victory. Remember, you are not asked to give Uncle Sam a penny. You are only asked to lend him your money at a fair rate of interest. So buy Bonds in January.

Have a "Coke" = A thousand miles is not too far to come

. . . or being friendly with a Chinese cadet

Chinese flyers here to America for training find the little things that bring people together—the smile, the nod, the sense of friendliness. So simple a phrase as *Have a "Coke"* is an international declaration of good intent. It speaks friendship in any tongue. East, west, north, south, Coca-Cola stands for *the pause that refreshes*,—has become the happy bond between people of good will.

LAND O'LAKES NEWS

MORE HELP FOR DAIRY FARMERS?

ONE BIG FARM PROBLEM is the drastic shortage of labor. And, this year LAND O' LAKES has done everything possible in the way of advertising and public relations to call this to the attention of public officials. In fact, two Land O' Lakes ads entitled: "The Greatest Mass Production Job in History" and "Why Isn't There Enough Butter?" have been reprinted in the Congressional Record.

THIS TYPE OF ACTIVITY is only one of the many ways that Land O' Lakes serves its members. Besides public relations work in the interests of the dairy farmer, Land O' Lakes also serves members and member creameries by supplying valuable information and services on creamery equipment, supplies, feeds and seeds.

OTHER HELP FOR MEMBERS includes the services of a trained staff, always ready to advise you and your creamery on problems that are vital to your interests.

THERE IS NO SUBSTITUTE FOR BUTTER

"Ships are essential to Victory, and we shall continue our job of building them at record pace in 1944." — E. G. GRACE, president, Bethlehem Steel Company

SHIPS FOR VICTORY
A WORLD'S RECORD IN SIZE AND DIVERSITY

Bethlehem in '43 built 380 fighting and cargo ships.

Value of the year's program equivalent to 1,000 Liberty ships.

★ ★ ★

"A SHIP A DAY," with a number to spare, was the record production delivered by Bethlehem in 1943 to the United States Navy, the British Navy and the U. S. Maritime Commission. This program was the greatest in magnitude and diversity ever accomplished by a private builder in the world's history. It marked the fulfillment of a promise made by Bethlehem a year ago to build in 1943 an average of "a ship a day" of major fighting and cargo craft.

The list of ships includes aircraft carriers, cruisers, destroyers, virtually every type of fighting craft, as well as a large number of Liberty ships and other cargo vessels. In addition, Bethlehem ship repair yards converted, repaired, and serviced over 7,000 vessels, a vital contribution toward keeping the Allied fleets in fighting trim.

Measuring the program by Liberty ships, a battleship is equal to forty Liberty ships; and the value of the year's work in Bethlehem's shipbuilding division was the equivalent of over 1,000 Liberty ships.

Part of National Program—Bethlehem is permitted to publish these facts as part of our country's total program. Led by the U. S. Navy and the U. S. Maritime Commission, America's shipbuilding in 1943 has been a national triumph of production.

We salute our fellow shipbuilders and their distinguished records.

We thank our thousands of suppliers whose efforts have been essential to our contribution.

We congratulate the men and women in the Bethlehem organization, in shipyards, steel plants, factories, mines, and in every division, all of whom have had a part in this effort.

Harder Task Ahead—The year's work in Bethlehem's shipyards, steel mills and other departments has been done by 300,000 men and women. More will be needed. Already a larger shipbuilding task has been assigned to us for 1944. We shall undertake that job with the knowledge that it must be done, at maximum pace, to hasten the day of Victory.

★ 38 TYPES OF SHIPS ★
Program 70% Fighting Craft; 30% Cargo

Bethlehem's total wartime shipbuilding program includes approximately 1,000 fighting and cargo ships, 70% of the program being in fighting craft, and 30% in cargo. These are of 38 different types including the following:

FIGHTING CRAFT

35,000-Ton Battleship	2,100-Ton Destroyers
13,000-Ton Heavy Cruisers	1,620-Ton Destroyers
	Destroyer Escorts
10,000-Ton Light Cruisers	Tank-Landing Craft
	Infantry-Landing Craft
6,000-Ton Light Cruisers	14,700-Ton Aircraft Carriers
27,000-Ton Aircraft Carriers

HOW TO DO FARM CONCRETE WORK IN WINTER

By observing a few simple precautions farmers can do concrete work as satisfactorily in the winter as in summer—besides having more time and more help.

Heating the sand, gravel and mixing water requires no complicated equipment, just things available on the farm.

Protecting fresh concrete from freezing for four or five days can be done with straw or hay.

Write for free folder on how to make necessary concrete repairs and improvements in spite of cold weather.

If you need help, get in touch with your concrete contractor or building material dealer.

NOTED MEN TO GIVE TALKS AT WINTER SHOWS

Annual Event Is Scheduled at Crookston Week of January 31

GOVERNOR THYE WILL SPEAK FEBRUARY 3D

International Affairs and Post-war Planning Are Other Topics

Speakers of international and national fame have been secured for the 34th annual Red River Valley Winter Shows at Crookston January 31 to February 4, according to T. M. McCall, president of the Winter Shows board of managers. Problems confronting the farmers and homemakers on the food production front will be considered at the day meetings. National and international problems and policies will be the general theme for the three evening meetings.

Governor Edward J. Thye will speak on "State Problems and Post-War Planning" at the evening session of Thursday, February 3. Governor Thye will be a guest of honor at the recognition dinner given the sixteen farm families receiving the Red River Valley Development association "Valley Farmer and Homemaker" award.

Dr. Herbert W. Hines of Chicago, director of the institutes of international understanding for Rotary International, has been secured as speaker for "International Night" on Tuesday, February 1. Dr. Hines gained, thru some fifteen research trips to Europe, Asia and Latin American countries, an understanding of the problems confronting the nations of the world on a peace program.

Howard Pierce Davis of Boston will appear on the "Post-War Planning" program with Governor Edward Thye on Thursday evening, February 3. He will speak on the subject "Global Post-War Planning." The background of training and experience gained from many years residence on the European continent as an editorial writer, news analyst and commentator eminently fits Mr. Davis for his subject.

Henry Peterson, Chinese born news analyst and a former special aide to Chiang Kai-Shek, will speak on "The Future of the Orient and the Islands of the Pacific" on Wednesday evening, February 2.

Climaxing the Winter Shows will be one of the biggest sales of purebred livestock in the history of the Valley event, says Andrew Johnstad of Beltrami, chairman of the livestock sales committee of the Red River Valley Livestock association. At the sale which will be held this year on February 3 and 4, a total of 208 head of registered livestock will be sold at auction.

Sale officials say it is the best array of registered breeding animals ever offered in a Valley event. Animals are consigned by 87 breeders from Northwest Minnesota and the Valley section of North Dakota. Applications were received from 359 breeders, but the number of consigners, as well as the number of head of livestock, was whittled down to insure best possible quality and better service to buyers.

War Bond Buyers to Get Treat Monday Evening

New Pastor Coming

REV. DANIEL T. BEADLE of Appleton, Minn., whose appointment as pastor of the Community church here, succeeding Rev. S. S. Olafsson, resigned, has been confirmed by Bishop Ralph S. Cushman. Reverend Beadle will conduct his first services here next Sunday, January 23.

An audience composed exclusively of war bond buyers which, its sponsors hope, will fill the spacious Auditorium to capacity, *next Monday evening, January 24*, at 8 o'clock will enjoy a two-hour show by the WDAY war bond caravan of Fargo. A dozen or more talented entertainers will appear on the program.

The local appearance of the caravan is sponsored by the Pennington county war finance committee, of which Paul A. Lundgren is chairman. He stated that purchasers of $25 bonds will receive general admission tickets from the selling agency, while reserved seat tickets will be given to buyers of bonds in the amount of $100 or more.

In addition, the program will include a bond auction, in which numerous valuable articles will be auctioned off to war bond purchasers.

Vocal honors in the show will be handled by Jeanne Alm, popular young swingstress who presents a group of hit tunes; then there's the Gal Friends, Judy, Joan and Jill, who will present tunes all dressed up in special arrangements. The Layne Sisters, Carole and Patty, will sing their way right into the hearts of their listeners. Ballads and semi-classics is Jack Lockhart, outstanding tenor.

The musical end of the program is taken care of by Marjorie Moore, pianist for the group and Boogie Woogie expert. Audrey Remme, who does an excellent bit of accordion playing, will also appear on the bill. For further variety there is Linda Lu, Yodeling sensation, with her western and hill-billy numbers.

Howard Nelson, who has a way of working magic will present various illusions that will amaze the audience. For fast rhythm dance steps, the caravan features Miss Jean Hoverson unusual dancer, and to round out the bill, Ken Kennedy, director of the unit, acts as master-of-ceremonies.

JUNIOR CHAMBER RECEIVES CHARTER THURSDAY EVENING

Bill Schacht of Rochester, State President, Makes Presentation

At a spirited meeting of the Junior Chamber of Commerce last Thursday evening in the Palm Garden Cafe, Bill Schacht of Rochester, state president of the junior chamber, presented a national charter to Ralph Luhman, representing the local group. Mr. Luhman served as president of the junior chamber here when it became affiliated with the national organization in 1941.

Present for the occasion, at which Mr. Schacht was the principal speaker, were approximately sixty young men, including delegations from Detroit Lakes, Bemidji and Crookston.

Others who spoke briefly were Howard Myhre and John Pearson, retiring president of the Detroit Lakes unit; and Vern Weaver and Bill Nicholls, respectively presidents of the Crookston and Bemidji chambers. An informal discussion followed the program.

MEMORIAL RITES FOR DELMER HOVIE ARE HELD SUNDAY

Tribute Paid to Memory of Sailor Who Lost Life in Explosion

Impressive memorial rites were conducted Sunday morning in the Community church in tribute to Sailor Delmer Hovie, son of Mr. and Mrs. Carl Hovie, who lost his life in the explosion that sank the destroyer Turner January 3 outside New York harbor.

Dr. H. P. Archerd of the faculty of Hamline University, St. Paul delivered a sermon appropriate to the occasion, and the church choir sang a selection. Groups represented at the rites included the American Legion and auxiliary, 40 & 8, Veterans of Foreign Wars, Odd Fellows and Rebekahs.

Memorial rites for the victims of the Turner explosion also were held Sunday morning at Brooklyn Navy Yard, but Mr. and Mrs. Hovie did not receive sufficient advance notice to permit them to attend.

TRF CREAMERY AGAINST MILK DRYING PLANT

Shareholders Vote Down Proposal to Add Plant to *Facilities Here*

CENTRAL PLANT IN AREA NOT DISCUSSED

Shareholders of Goodridge Plant Vote in Favor of Proposal

Following a lively discussion at a special meeting in the Auditorium Saturday afternoon, shareholders of the Thief River Falls cooperative creamery decisively voted down a proposal to add a milk drying plant to the facilities of the local institution. The vote was 115 to 35.

Among the objections raised by some of the dairymen present was the contention that the creamery is now in thriving condition and out of debt and should be kept that way. Others questioned the expense in connection with delivering whole milk, and doubted the feasibility of making daily deliveries of milk in the winter time when the roads may be blocked with snow.

Ralph Wood of the War Food Administration outlined the proposal, not so much from the standpoint of constructing a new central drying plant in this area, as the installation of the facilities in the Thief River Falls creamery.

Skimmilk now used for livestock feed, he said, is urgently needed for human consumption, particularly for U. S. soldiers abroad and people of the Allied Nations. He pointed out that dehydrated milk requires only one-eleventh the shipping space needed by fluid milk.

At other creamery meetings in this section Saturday, shareholders in the Goodridge plant voted 52 to 10 in favor of the proposal, while those at Viking and Newfolden voted it down.

Eight Teams of Ten Men Each Conduct Campaign in Thief River Falls

OBJECTIVE IN CITY IS FIXED AT $157,300

Some County Subdivisions Have Already Attained Their Quotas

The Fourth War Loan drive for the City of Thief River Falls was officially thrown into high gear at an 8:00 o'clock breakfast for the city solicitors at the Palm Garden Cafe Tuesday morning. Solicitation in the city to attain its quota of $157,300 is being carried on by eight teams with 80 solicitors, each team of ten under a separate captain.

Postmaster Andrew Anderson will be in charge of the city drive and as each team completes their solicitation the captains of the respective teams will report to him. Paul A. Lundgren, county war finance chairman, stated that it is the plan of the county committee by this means to reach every person within the city limits who is able to purchase bonds.

The respective teams for the city, with their captains, include: Civic and Commerce assn., E. B. Benson; Rotary club, F. E. Tuneberg; Masonic lodge, A. F. Berger; Junior Chamber of Commerce, Wallace Carlson; Sportsmen's club, Clarence Hallstrom; Eagles, Howard Randall; Elks, Peter Westergard; Lions club, Stuart McLeod.

Several of the townships have taken advantage of favorable weather and road conditions and now report their solicitation completed. Among these are:

Highlanding, quota $8,000. Pledges $7,127.50.

Bray, quota $5,500. Pledged $5,718.75.

Reiner, quota $4,000. Pledged $4,074.

Goodridge village, quota $2,800. Pledged $3,175.

Dr. Baldwin Borreson, who has charge of drive at Oakland Park sanatorium, rang the bell for first place on quota purchases. The quota for the sanatorium is $1,800, while purchases reached $1,972.75 at the close of business on Saturday.

According to government reports, says Mr. Lundgren, there was on Jan. 1, 1944 more than 110 million dollars worth of war savings stamps outstanding. This represents to a large extent the purchases by school children throughout the United States. It is the wish of the Government that during the Fourth War Loan Drive the major portion of these incompleted stamp books be converted into bonds.

Complying with this request of the government, an intensive campaign will be put on throughout the schools during the Fourth War Loan Drive urging the students to complete their stamp books now so that they will be able to buy one bond during the drive. Mrs. Marjorie Kiland, county chairwoman, will be in charge of war stamp sales.

The people of St. Hilaire really deserve honorable mention, Mr. Lundgren said, the village having over-subscribed its quota in every drive thus far and the Fourth War Loan is no exception. With a quota of $3,800 the committee has turned in signed pledges of $5,006.25. The solicitation in St. Hilaire was carried on by H. L. Holmes, A. Bilden, Wm. Aitchison, M. H. Jackson, Richard Larson and Paul Roy.

TRINITY LUTHERAN CHURCH VOTES FOR ASSISTANT PASTOR

Tribute Paid to Rev. G. S. Thompson at Annual Meeting

Reports revealing notable progress in all activities at Trinity Lutheran church in 1943 were submitted Tuesday evening at the annual meeting of the congregation. The meeting, attended by 240 persons, followed a dinner, at which members of the LDR served as waitresses under the supervision of Miss Margaret Stadum.

In tribute to his successful leadership during the past year, Rev. G. S. Thompson, pastor, was presented with a substantial check. Irving E. Quist, president of the board of trustees, called on Dr. A. F. Jacobson to make the presentation, to which Rev. and Mrs. Thompson responded with expressions of appreciation.

With the membership of the church increasing during 1943 to its present total of nearly 1600, the congregation voted to authorize the church officers to make application to Luther Theological seminary in St. Paul for the services of a student assistant to the pastor, starting next September 1.

Another resolution was adopted authorizing the building up of a fund for the ultimate erection of a parish house as an annex to the church, to serve as headquarters for the Sunday school and other auxiliary activities. It was indicated that the church property, including the parsonage erected a few years ago, will be entirely cleared of debt during the current year.

In the annual election of officers, E. B. Benson, Lawrence Bjorkman and Wm. Frolland were elected trustees, while Dr. O. F. Mellby, Robert J. Lund and Carl Christofferson were reelected deacons. Theodore Quale was named vice president of the congregation and Stanton R. Dahlen head usher.

Park Superintendent Carl Larson Meets with Mill City Park Board

Park Superintendent Carl Larson returned Friday from Minneapolis, where he had been a guest of the park board in that city at a conference to discuss flower, shrub and tree planting and maintenance of parks. While in the Twin Cities he also conferred with officials of the state highway department, including O. L. Kipp, chief engineer; Harold Olson, engineer in charge of roadside development; and Harold W. Lathrop of the division of state parks. The officials were free in their praise of the manner in which the East Third St. parkway is maintained by the local park board.

ZION CHURCH ACTS TO PLAN NOW FOR BUILDING IN 1950

Pledge of $2,000 Already Is Made to Aid in Financing New Church Home

Members of the congregation of Zion Lutheran church at their annual meeting Monday evening voted to establish a building fund, with the objective of erecting a new church home in 1950. Giving impetus to the project was the announcement that Mrs. Minnie Kirby had pledged a contribution of $2,000 to the fund. The board of trustees, together with Rev. Walter M. Pedersen, pastor will work out details of the project.

The annual report of John Funnesdahl, treasurer, revealed that the church finances were in good status. Officers elected include Ross Randall, secretary and Sunday school superintendent; Wm. Gilbertson, deacon; Mrs. Otto Parbst, deaconess; E. O. Iverson and Alfred Haugen, trustees; Miss Margaret Joppru, assistant Sunday school superintendent; Miss Harriet Haugen, organist; and Mrs. W. M. Pedersen, choir director.

The meeting authorized the pastor to appoint a committee to revise the church constitution. Named were Oscar Joppru and Soren Bergland, of the board of deacons, and T. J. Reierson and E. O. Iverson of the board of trustees. It was also decided to cooperate with the Lutheran Tent Mission in a series of local meetings.

With Mrs. Wm. Korstad as toastmistress, a program was presented including a musical skit by the Northrop faculty, a reading by Miss Charlotte Bradley, and the presentation of a gift by Miss Lyda Batten.

New Pastor and Family To Be Feted at Supper

The Woman's Society of Christian Service of the Community church will assist in welcoming the new pastor, Rev. Daniel T. Beadle, and his family by serving a pot luck supper for them and the members of the church Sunday evening, Jan. 23, at 6:30 in the church parlors. This will be an opportunity to meet the new pastor and his family and to enjoy an evening of fellowship.

The general Women's club meeting, scheduled for Monday, Jan. 24, has been postponed until Feb. 7, because the original date conflicts with the war bond caravan show in the city auditorium, it was decided at a meeting of the Women's Club board Monday night.

Mr. and Mrs. Halbert Evenstad entertained at a chicken supper Wednesday evening honoring Arthur Dicken, who leaves today for the army. Guests besides Mr. and Mrs. Arthur Dicken were Mr. and Mrs. Charles Dicken, Mr. and Mrs. Kenneth Bakke, and Mrs. Bertha Forsberg.

Mrs. Clara Thune Is Bride of Melvin Stene

Mrs. Clara Thune and Melvin Stene, both of Smiley township, spoke their marriage vows Tuesday, Jan. 11, at 2:00 P. M. at the parsonage of Rev. Alvin O. Skiberud in St. Hilaire. Mrs. Arnold Gunderson, sister of the bridegroom, and Arnold Gunderson, brother-in-law of the bridegroom, attended the couple.

The bride wore a street-length dress of rose with a bouquet of roses, while her attendant wore a medium blue dress with a similar bouquet.

A reception was given at the bride's home immediately following the ceremony, those present besides the bridal party being Mr. and Mrs. Harvey Thune, Mr. and Mrs. Clarence Arneson and family, Theresa and Stanley Stene, Beverly and Russell Thune. Mr. and Mrs. Stene spent a few days honeymoon in Bemidji.

MARJORIE KILAND WAVES RECRUITER IN PENNINGTON CO.

Recruiting Party to Visit Thief River Falls Next Wednesday

Assistant WAVES recruiters appointed by the Grand Forks navy recruiting station will accelerate the drive for navy women in Pennington county beginning today.

Recruiter in charge of Pennington county is Mrs. Marjorie Kiland, Phone 129, who is employed at the U. S. employment service.

She will be assisted by other recruiters throughout the county, with each community represented.

A WAVES board will be stationed at Crookston Jan. 22 through 28 and one of the WAVES will pay a visit to Thief River Falls Wednesday afternoon and evening, Jan. 26 to give all information to women interested. Prospective applicants should contact Mrs. Kiland now for appointments.

"Women from 20 to 36 without children are urgently needed at this time, Mrs. Kiland explained." "Pennington county already has a representation in this branch of service but it will be our aim to make this county the leader in Navy women's enlistments. Wives of enlisted Navy men may now join the same service their husband is engaged in. All service is for the duration plus a possible six months, the same as for men. Dependency allowances, may equivalent to $55.00 a week in civilian life and other privileges are the same as for the bluejackets," she said, "and I know that Pennington will put this drive over the top with the same fervor and patriotism as of other war projects."

Myron Boyce, Resident of Highlanding, Dies

Myron Boyce of Highlanding passed away Tuesday at a local hospital. Funeral arrangements have not yet been made and a complete obituary will be published next week.

Auxiliary Notes

In response to gifts sent to boys and girls in the service, the Legion Auxiliary and 40 & 8 have been receiving a number of letters and cards. Sixty gifts were sent in all, was the report of Mrs. Robert Lund, Sunshine Service chairman.

At the last regular meeting of the auxiliary, district president Mrs. Riddick suggested a "Send a Dime Slogan" for the benefit of the hospital fund during the week of Feb. 12 to Feb. 22, which is "Hospital Week." Further details will be forthcoming at the next regular meeting in February.

Membership chairman Mrs. John W. Stewart reported that the local auxiliary is now an "Overtop" unit with a paid-up membership of 101. For this we will win a citation. *Our membership includes several* Gold Star mothers and at present we have a member in Alaska, who when submitting her dues sent a one dollar donation to the poppy fund, remembering the welfare work of our unit. We also have members in several other states and several in other Minnesota towns.

Miss Gloria Gran and Lyle M. Liden Speak Vows Saturday Night

Miss Gloria Gran, daughter of Mr. and Mrs. John M. Gran, became the bride of Lyle Liden, son of Mr. and Mrs. Oscar Liden, at a ceremony performed at the parsonage of Rev. G. S. Thompson Saturday evening at 8:30. Attending the couple were Thelma Skretvedt and Edwin Berggren. Mr. and Mrs. Liden plan to make their home in the city, where the former is employed with the Holmberg Meat market.

LOCAL MAN ENDS COURSE AS AIRPLANE MECHANIC

Owen A. Olson, Jr., son of Mr. and Mrs. Owen A. Olson of Goodridge, has completed his course of studies as an aviation mechanic in the army air forces technical training school at Amarillo, Texas. His graduation fits him for airplane maintenance and he will be sent to some air base where he will assist in keeping America's Flying Fortresses in the air.

1943 RECEIPTS AT POSTOFFICE HERE ATTAIN NEW PEAK

Receipts Totaling $49,388 Are Record High Mark for This City

Despite a falling off in the last quarter of the calendar year, receipts at the Thief River Falls postoffice in 1943 hit an all-time high total of $49,388.05, comparing with the former record of $48,739.11 set in 1942, Postmaster Andrew Anderson stated today.

Receipts by quarters for each of the past two years were as follows:

	1943	1942
March	$ 11,586.21	$ 10,671.46
June	11,173.83	10,970.05
September	10,872.87	10,686.59
December	15,773.14	16,411.01
	$ 49,388.05	$ 48,739.11

While receipts for the months of October and November declined this year compared to 1942, those for December this year aggregated $7,564.99, or slightly more than the $7,499.31 recorded in December, 1942.

During the past year, war savings bonds with a maturity value totaling $173,350 were sold thru the postoffice here, Mr. Anderson reported.

St. Lukes Hospital Is Once More on Approved List of Institutions

The American College of Surgeons announced today a list of 3,253 approved hospitals in the United States and Canada, an increase of 264 over the total approved a year ago. Included in the list is St. Luke's hospital in this city. In making the announcement, Dr. Irvin Abell of Louisville, chairman of the board of regents, said:

"The past two years have seen hospitals and doctors score a major triumph—over disease and death under circumstances that in previous wars would have meant epidemics and a rising mortality rate. Instead, the death rate in 1942 reached an alltime low of 10.4 per thousand in the United States death registration area, and 9.7 in Canada, and the indications are that in 1943 the rate was even lower. The reasons for the improved results, despite the wartime handicaps, are plain to those members of the profession and the public who know how hard hospitals have struggled to give patients high quality care notwithstanding shortages of personnel, scarcities of supplies, and increased demands for service."

The occupancy rate of hospitals in the past two years has been from 15 to 20 per cent, and in some cases 50 per cent, higher than normal, declared Dr. Malcolm T. MacEachern, associate director of the college and in charge of its hospital activities.

Daughter of Sgt. and Mrs. C. Clifford Heen Passes Away Sunday

Corlin Marie Heen, seven month old daughter of Sgt. and Mrs. C. Clifford Heen, passed away in a Crookston hospital Sunday, Jan. 16, after a few days illness. The child was born May 24, 1943, at Little Falls and has never seen her father, Sgt. C. Clifford Heen, who is somewhere in England with the army air force.

Survivors other than Corlin's parents are three grandparents, Mrs. C. J. Heen of Grand Forks and Mr. and Mrs. Severin Hanson of Plummer; three aunts, two uncles, and three cousins.

Rev. J. K. Lerohl conducted services Wednesday in the Plummer Lutheran church, and the body will be placed in a vault at Grand Forks until interment in the spring.

Gerhard Palen, Euclid Pioneer, Passes Away in This City Last Friday

Funeral services were held at 10 o'clock Monday morning in Crookston for Gerhard Palen, Euclid resident for over 50 years, who died Friday in a Thief River Falls hospital.

Mr. Palen was born October 21, 1863, in Caledonia, Minn. and came to Euclid in 1882 where he was employed by the Great Northern railway and later operated the telephone exchange.

Survivors besides his wife include five daughters: Mrs. T. N. Hardin, Augusta, Ga.; Mrs. D. V. Snelling, Thief River Falls; Mrs. Lawrence Samuelson, Hoople, N. D.; Mrs. Clarence Hostetter, Glendale, Calif.; and Mrs. Vernon Erickson, Blytheville, Ark.; three sisters, Mrs. Mae Sperry, Newtonville, Mass.; Mrs. Josephine Polde, Minneapolis, and Mrs. James McCormick of Caledonia; three brothers, Fred of Rochester; [illegible] of Hays, Kansas; and Pete of Glen Alder, Kansas.

Funeral Services to Be Held Next Tuesday for Peder M. Olson

Peder M. Olson passed away at his home in Goodridge Monday at the age of 76 years. Rev. Walter M. Pedersen will conduct the funeral services Tuesday, Jan. 25, at the Reiner Lutheran church and interment will be made in the Reiner cemetery.

Mr. Olson was born March 25, 1867, in Norway. After coming to this country he made his home at Grand Forks, N. Dak., Reynolds, N. Dak., Reiner township, and in 1938 he moved to Goodridge where he since made his home. His marriage to Mathilda Johnson took place in Grand Forks July 13, 1896.

Left to mourn are his wife, Mrs. Mathilda Olson; four children, Mrs. Ted Anderson of St. Hilaire, Gilbert of Minneapolis, Mrs. Andy Olson of Goodridge, and Cpl. Melvin A. Olson, serving in the army overseas, and one nephew, Martin Moen of this city. A son Martin passed away Nov. 14, 1943.

Funeral Rites Held Saturday Afternoon for Andrew C. Olson

Funeral services were held Saturday at the Gulbranson funeral chapel for Andrew C. Olson, who passed away at a local hospital last Thursday at the age of 76 years. Rev. O. O. Bjorgan of Goodridge conducted the rites and burial was made at the Greenwood cemetery.

Mr. Olson, who was born Aug. 15, 1867, in Sweden, came to this country with his parents at the age of nine. He lived at Shell Lake, Wisc., and Oslo before finally coming to this city.

Besides his wife, the former Margaret Howard of Grand Forks, survivors include one daughter, Mrs. Alfred Offerdahl of this city; a brother Lewis in Shell Lake, Wisc.; a sister Annie in Owen, Wisc.; three grandchildren, Madonna, Francis, and Merlyn Offerdahl of this city; and several nieces and nephews. He was preceded in death by his parents and a brother.

Last Rites Conducted for Nels Klemmetsen

Funeral services were held in the Telemarken church Monday afternoon at 2 o'clock for Nils Klemmetsen, who passed away at a local hospital Tuesday evening, Jan. 11. Rev. E. O. Sabo of Grygla conducted the rites and interment was made in the church cemetery.

Mr. Klemmetsen, who has been making his home with Mr. and Mrs. Ole Hafdahl for the past few years, was born in Norway May 17, 1875. He came to the United States as a young man and spent the rest of his life living in Minnesota and North Dakota.

NEWFOLDEN

THREE COUPLES HONORED AT SILVER WEDDING

A host of friends and relatives gathered at the Bethlehem Lutheran church Wednesday afternoon, Dec. 29 and tendered a Silver Wedding surprise to three well known couples of this community. The guests were Mr. and Mrs. Gilbert Bakke, Mr. and Mrs. Carl Olson, and Mr. and Mrs. Martin Ekman. The occasion was held on Mr. and Mrs. Olson's wedding anniversary date.

Miss Anna Ekman and Gilbert Bakke were married at Warren, August 28, 1918, witnesses were Miss Pauline Bakke, sister of the groom and Hartvig Ekman, brother of the bride. The Bakke's have *three children (Alice) Mrs. Russel* Anderson of Grand Forks and Luverne of Minneapolis and Floyd at home. They have made their home in Newfolden since their marriage.

Miss Agnes K. Hanson was married to Carl A. Olson of Argyle, December 29, 1918. The wedding took place at the home of the bride's parents, Mr. and Mrs. Carl Hagson of Newfolden in the presence of immediate relatives. The Olsons have lived twenty-three years of their married life on a farm one and a half miles west of here. They have three sons Evonne C. with the army engineer's corps, stationed on the Hawaiian Islands, Robert J. with the army air corps now taking his basic training at Amarillo, Texas and C. Allen too young for Uncle Sam's service, at home. Evonne and Bob were unable to get home for the occasion.

Miss Anna Berg and Martin Ekman were united in marriage at Warren, December 5, 1917, serving as witnesses were Miss Anna Ekman and P. H. Berg. The Ekmans have three sons Virgil F., Carman D., and Wallace B., all at home. They have also lived mile and half west of here these years.

The honored guests entered the church to the strains of the "Bridal Chorus by Lohengrin with Miss Carol Bjornrud presiding at the piano. An interesting program was given. It was opened by singing several of the beloved Christmas carols, after which A. O. Gudim led in devotion, a trio was sung by Misses Cordelia Huglen, Marguerite and Velma Lee. Miss Elaine Green read Edgar Guests, poem, "It Takes a Heap O Livin in a House". Greetings were given by Mrs. Theo. Willer and Herman Solum of Argyle. A solo led by Miss Joyce Anderson; a talk by A. O. Gudim; a poem and three songs dedicated to each of the honored couples by three little girls; original poem by Doris Hagen of Argyle; another trio by the Misses Huglen and Lees. Talk and presenting of gifts and purses by Rev. G. P. Ronholm. He also read letters of greetings from friends who were unable to attend, response by the honored guests. The program closed by all singing "God Be With You", after which a reception was given in the church parlors.

Rites Held for Mrs. Blackberg

Amanda Margaeta (Pearson) Blackberg, passed away at her home in New Maine township Jan. 9, 1944, at the age of 72 years. She was born in Dalarne, Sweden, July 11, 1871, and she came to America in the spring of 1891. On July 3, 1892 she was united in marriage to Carl Blackberg, who preceded her in death by only two weeks. They *celebrated their Golden Wedding* anniversary in July 1942. Funeral services were held for Mrs. Blackberg Wednesday, Jan. 12 in the Newfolden Mission church with Rev. Thv. Myhrer officiating. Burial was made at the New Maine cemetery. Pall bearers were Otto Carlson, Willie Ostrand, Alfred Carlson, Ben Fisher, Charley Nelson, and Arvid Wickstrom. Song by Mrs. Kori Myhrer. She leaves to mourn her death, Mrs. Selma Eggle, Mrs. Otto Carlson, Mrs. Helmer Carlson, Victor, Willie, Elmer, Hjalmar, and Pfc. Tilmer Blackberg. A daughter Esther died in 1914 at the age of one year.

Newfolden Loses to Roseau

The Newfolden high school basketball team played their first game after the holidays, Tuesday evening losing to a fast Roseau team by a score of 41 to 28. The score at the half was 20 to 11 for Roseau. The boys still need a lot of practice and need a lot more confidence to make their set-ups good. They worked the ball in nicely time and again but missed most of their shots.

The next game will be played here with Badger as opponents on Friday evening, Jan. 21. On Tuesday evening, Jan 25 they will play at Strandquist. The last game before Christmas Strandquist played here. Newfolden lost to the fast clicking Strandquist team by a score of 27 to 25.

India's Blankets for Army

India is manufacturing cloth and making uniforms at the rate of 8,000,000 a year in addition to filling the army blanket requirements for the entire Middle East.

NORDEN

The Pioneer Farmers' Union held its meeting Friday evening, January 14 at the Dimmen school.

The secretary-treasurer, Mrs. Sadie Ayers read Mr. Shipstead's Hall speech on subsidies. She also read letters from Mr. Shipstead, Mr. Ball, and Mr. Hagen. It was agreed that a letter be written to Senator Ball.

After the business meeting was over a program was enjoyed. Refreshments were served and games were played by the juniors.

The next meeting will be held February 11 at the usual place.

KRATKA

A skating and skiing party was enjoyed Sunday on the river by Ronald Donavan, Clifford Johnson, JoAnn and Alice Wold, Joan, Jerry, Jean, and LeRoy Magnan, and Miss Eileen Larson. They all met at the Magnan home equipped with skates, skis and sleds, and they had a jolly good time with a huge fire burning on the river bank. The guests brought sandwiches, hot chocolate, and cake was served by Mrs. Magnan. They all vowed to go back for more skating and fun before old man winter covers the rink with snow.

There is a ray of hope for egg producers in a report published in this week's issue of Business Week. According to this report, War Food Administration officials have committed themselves to a program of bolstering the egg market. The report does not say to what extent prices will be boosted but indicates that the government will renew heavy buying for drying purposes.

Sometimes we wonder if the Italian campaign has bogged down—progress in that theater of the war is not rapid. This is something we will not know, however, until the war is over. Perhaps the allies are moving forward in Italy as fast as they had planned. Without knowing what their purpose is, no one can say whether or not armies are accomplishing their purpose. Obviously the Italian campaign is not the main show and while the Germans are forced to maintain a front in Italy, preparations for the real assault on fortress Europe are in the making. We probably will not have to wait long now for the major offensive to get under way and with that the pressure on the Germans in Italy will no doubt be increased.

On Tuesday night the weather had all the earmarks of being the start of winter but Wednesday was another balmy summer day again. Just to make it easier to appreciate our present favors we can tell you that a year ago this week the thermometer registered under the thirty below mark four days in succession and one night dropped down to forty below.

More than half the power used in Thief River Falls last year was generated by the hydro plant and that is conclusive proof of the value of water power to towns along the river. Improvement of the river channel, with proper controls at the outlet of Red Lakes, will make the river a more dependable source of power as well as a more effective drain of the flat highlands below the lake.

Financial results of the cattail harvest are interesting. If weather conditions remain favorable the total paid out for these weeds in this section of the state may exceed fifty thousand dollars. Still more interesting is the possibility that cattails may develop into a regular marshland cash crop. It would not be the first time the necessities of war have found uses for plants previously considered worthless. At any rate *picking cattails, cutting pulpwood and trapping* have brought a substantial financial windfall to many of our people this winter. Pulpwood is moving out of here now at the rate of a carload a day and this volume is expected to increase.

Evidently there were a few important problems that were not solved at the Teheran conference. Already the question of Poland's status after the war is a hot potato and indicates that the three great powers have not yet agreed upon a plan for handling border disputes when the war is ended. By the attitude of the Russians toward the suggestion that the Polish problem be submitted to a tribunal of nations for settlement we may assume that Stalin has concluded arbitration is necessary only in cases where Russia has no special interest. It would be unfortunate if this would prove to be the policy of the great nations and would not give much assurance of permanence to any peace. In our own affairs, if we are to retain the confidence and good will of smaller nations, we must be willing to submit our international differences to the judgment of neutral nations, and we can expect that the judgment will not always be favorable to us. To act high-handedly in any of these matters, merely because at the present time we are powerful, would be to sow the seeds of our own undoing.

PUBLIC OPINION

Dear Editor:

At the special creamery meeting held last Saturday, I was called upon to speak on the milk drying proposition. I suspect that only a few grasped the meaning of what I said, for that reason a little explanation would not be amiss:

We farmers are a peculiar lot. It is difficult for the government to do anything for us. Invariably there is always a third party to the deal that will get away with the profits and leave us holding the bag. So I say, the more we permit the government to do for us, the worse we are off.

Yours truly,

Alderman Rinkel introduced a motion that the proposed ordinance regulating the presence of minors under the age of 17 years in public streets and other public places between certain hours, defining duties of parents or others in care of minors and providing for arrests and penalties for violation thereof, be given its third and final reading. The motion was seconded by Alderman Hanson and carried whereupon the proposed ordinance was duly read and adopted by unanimous vote of the Council.

Various applications for renewal of licenses to sell cigarettes and papers were presented. Alderman Petersen moved that the same be approved and that the Clerk be directed to issue licenses accordingly. The motion was seconded by Alderman McKechnie and on the roll being called on adoption, the following voted Aye: Griebstein, Petersen, McKechnie, Rinkel; Alderman Hanson voted Naye and the motion was thereupon declared passed and adopted.

The Mayor and Council were served with summons to appear in District Court on January 20th, 1944 in action brought by Relators, Robert P. Black, L. W. Knadle, Leonard E. Johnson and J. J. Williams, former members of the City Police Department, in order to determine their status with regard to such department, under Civil Service.

Alderman Petersen introduced a resolution fixing and establishing the salaries and wages of various officials and employees and moved adoption of such resolution. The motion was seconded by Alderman McKechnie and all members voting in favor thereof, the resolution was declared duly passed and adopted.

Alderman Petersen introduced a resolution approving for payment various current bills against the City and moved its adoption. The motion was seconded by Alderman Rinkel and the resolution was thereupon adopted by unanimous vote.

On motion duly made and carried the meeting was declared adjourned.

EMIL GRIEBSTEIN,
President of the Council.

Attest: P. G. Pederson,
City Clerk.

CURFEW ORDINANCE
ORDINANCE NO. 117

An Ordinance Regulating the Presence of Minors Under the Age of 17 Years in Public Streets and Other Places Between Certain Hours, Defining Duties of Parents or Others in Care of Minors, and Providing for Arrests and Penalties for Violations Thereof.

The City Council of the City of Thief River Falls, do ordain as follows:

SECTION 1: LOITERING OF MINORS PROHIBITED: It shall be unlawful for any minor under the age of 17 years to loiter, idle, wander, stroll or play in or upon the public streets, highways, roads, alleys, parks, playgrounds, or other public grounds, public places and public buildings, places of amusement and entertainment, or vacant lots between the hours of Ten (10:00) o'clock P. M. of any day and Five (5:00) o'clock A. M. of the following day, official City time, provided, however, that the provisions of this section do not apply to a minor accompanied by his or her parent, guardian, or other adult person having the care and custody of the minor, or where the minor is upon an emergency errand or legitimate business directed by his or her parent, guardian, or other adult person having the care or custody of the minor.

Each violation of the provisions of this section shall constitute a separate offense.

SECTION 2: RESPONSIBILITY OF PARENTS: It shall be unlawful for the parent, guardian, or other adult person having the care and custody of a minor under the age of 17 years to permit such minor to loiter, idle, wander, stroll, or play in or upon the public streets, highways, roads, alleys, parks, playgrounds, or other public grounds, public places and public buildings, places of amusement and entertainment or vacant lots, between the hours of Ten (10:00) P. M. of any day and Five (5:00) o'clock A. M. of the following day, official City time; provided, however, that the provisions of this section do not apply when the minor is accompanied by his or her parents, guardian, or other adult person having the care and custody of the minor, or where the minor is upon an emergency errand or legitimate business directed by his or her parent, guardian, or other adult person having the care and custody of the minor.

Each violation of the provisions of this Section shall constitute a separate offense.

SECTION 3: CHANGE OF HOURS UNDER CERTAIN CIRCUMSTANCES: The Mayor of the City may change the hours when such loitering is prohibited so as to allow and permit children under the age of 17 years to attend functions, entertainment or activities conducted, sponsored or approved by organizations approved by him. Provided, however, that such time shall not be extended to later than Twelve (12:00) o'clock midnight. When and if an extension shall be granted, hereunder the Mayor shall forthwith advise the Chief of Police of the time and place when and where said hours are changed and the hours applicable thereto on such date.

SECTION 4: PENALTIES: Any minor violating the provisions of Section 1 and upon conviction thereof shall be fined not more than One Hundred ($100.00) Dollars or confined in jail or in any place of confinement maintained by the City not more than ninety (90) days. Such minor shall be dealt with in accordance with Juvenile Court law and procedure. Any parent, guardian, or other adult person having the care and custody of a minor violating Section 2 and upon conviction thereof shall be fined not more than One Hundred ($100.00) Dollars, or, confined in jail or in any place of confinement maintained by the City not more than ninety (90) days.

SECTION 5: It shall be the duty of the Superintendent of Police to arrange for the regular sounding of the fire siren or other fire alarm at the hours mentioned in Section 1 hereof to fully warn the children upon the streets, alleys or public places in said City to depart to their respective homes.

SECTION 6: Ordinance No. 97 and all other ordinances and parts of ordinances inconsistent herewith are hereby repealed.

SECTION 7: This ordinance shall take effect and be in force from and after its passage, approval and publication.

RESOLUTION — Minnesota State Townsend Club Conference —Soldier's Pay Bill — Delegates voted for immediate passage of H. R. 1701, a bill providing for the payment of $100 a month for twelve months to our boys and girls in the service after the war ends. The passage of this bill is necessary if we are to avoid the difficulties experienced after the last war when the soldiers were compelled to sell apples and pencils on every street corner to earn their bread and butter and had to wait 18 years for their adjusted compensation (called bonus). Write your Congressman for copies of this bill, H. R. 1701, and hand them to folks in your community who have sons in the service. 4p

Good Hope Farmers Union meeting will meet in Joe Johnson schoolhouse Friday evening, Jan. 21st. Please come. 3p

NOTICE—Any person that is interested in the Soldier's Pay Bill, H. R. 1701, which is Postwar Security for our Fighting Men. Petitions are being circulated by members of the Townsend Club, please sign that petition if you have chance. Let us not wait until the cessation of hostilities to enact legislation to protect our boys who are fighting and dying for us. Let us not measure the cost. The cost is negligible when we consider that we have already authorized $263,000,000,000 in appropriations for war purposes to destroy property and take human life. 4p

FARMERS — Why continue wasting valuable cream with an unbalanced worn bowl which finally wrecks your cream separator? It won't repair itself. So be wise, sooner the better bring that bowl to L. L. FAIR ALARM CLOCK DISTRIBUTION MADE

Clarissa.—A rationing system all his own is what druggist Klyde Kallher has for his alarm clock stock. Because of the shortage of that item he was able to get only six during December and the demand far exceeded his meager stock. So in January with only three alarm clocks for his quota, he's decided to ration them out in his own way. Anyone wanting a clock deposits his name at the drug store. On January 15 three names were drawn from the box and the lucky three received clocks. Kallher feels this is the only system for selling them without playing favorites.

HORNETS SPLIT 2 TILTS; ROSEAU IS COMING SATURDAY

Local Hockey Team Defeats Williams and Loses to Cathedral

The Hornets played fifty-fifty hockey during the week-end, losing a well-played game to Crookston Cathedral at Crookston on Friday evening, 6 to 4; and then scoring a 4 to 1 win over Williams high school in an erratic contest played here Saturday night. On Saturday night Oscar Almquist's Roseau high school Cloverleafs meet the Hornets in an important game on the arena ice.

Friday night's nip-and-tuck contest found Crookston Cathedral, on goals by Vern Salem and Dennis Sullivan, breaking a 4-all deadlock in the final minutes of play to hand the Hornets their first defeat of the year. The Hornets held the lead throughout most of the game, Les Vigness ramming home the game's first tally in the first period, with Dennis Sullivan getting the Cathedral goal that gave Crookston a 1 to 1 tie at the close of the first period of play.

Lloyd Johnson shoved the Hornets into the lead with a goal early in the second period, but Cathedral's smooth-skating center-ice player, Jimmy Medved, knotted the count at 2-all. Vigness, scoring his second goal, pumped in the Hornets' third counter, only to have John Noah, on Denny Sullivan's assist, again tie the score.

Don Brossoit for the Hornets, and Medved for the Blue Wave, pushed in scores, to set the stage for Salem's and Sullivan's game-winning goals in the final three minutes of the game.

Saturday night's game found Les Vigness driving a shot into the nets in the first period. With the Hornets short-handed in the second period, Dan McKinnon flipped a goal past Larry Hylden to even the score. Don Brossoit, taking a pass from Tony Dorn, beat the Williams goal to give the locals a 2 to 1 lead as the teams entered the final period. Bob Baker, on an ice-length solo rush, carried the puck to the goal-mouth and then drilled a shot into the corner; and a short while later, from the blue-line, Baker drove a long shot into the laces, giving the Hornets a 4 to 1 decision.

Williams had the misfortune of losing one of their ablest players in the second period, when Paul McKinnon suffered a broken collar-bone.

Dr. Pepper Bowlers of Crookston Take Locals

Larry Youngquist's 234 first-game score sparked the Crookston Dr. Pepper's team to a 100-pin lead in the first game of a three-game total-pins match rolled on the Mint alleys Sunday afternoon against a local all-star team. The locals, with Wally DuChamp piling up a 210 count, won the second game of the match by 4 pins; but the Dr. Pepper's rallied for an 875 final game score, and won the match by 154 pins.

WAVES Recruiter Will Visit City January 26

A member of the traveling WAVES board, accompanying a Navy recruiter from the Grand Forks station, will be stationed at the postoffice in Thief River Falls Wednesday afternoon and evening, January 26, to interview young women interested in joining the navy unit, it was announced this week.

EGF Noses out Locals; Warren Coming Friday

Jim Stewart's one-handed toss from out on the court in the last half-minute of play gave East Grand Forks a 31 to 29 win over the Prowlers in an exciting district game played at East Grand Forks Friday. Tomorrow night Coach Chuck Frissell's Warren Ponies meet the Prowlers on the local court in another Class A district basketball game.

Friday night's game was a heart-wringer for the Prowlers to lose for, after playing "cold" basketball during the first half and trailing by a 21 to 13 score at the intermission, they outplayed and outscored the Green Wave during the third and fourth periods to tie the score, once at 27 to 27 and again at 29 to 29.

The first period, which found East Grand Forks holding a 6 to 4 advantage, saw both teams playing cautious basketball. But in the second period, coach Hanson's quint, with Harold Johnson and chunky Don Wavra leading the attack, chalked up 15 points, while the Prowlers, with Herby Claffy and Norm Furuseth doing the bulk of the scoring, accounted for 9 points, giving East Grand Forks a 21 to 13 lead at the half.

The Prowlers regained their scoring punch in the second half and with Virg Evenstad, who had been held scoreless during the first two periods of play, slicing through for four field goals and the fine all-round play of Billy McKechnie, began to erase the Green Wave lead. The final period opened with East Grand Forks holding a 27 to 21 lead, but midway in the quarter the Prowlers, on goals by Evenstad, Furuseth, and Ninsk Carlson, knotted the score at 27-all. The Green Wave's bellwether, Red Johnson, hoisted in a field goal to send East Grand Forks out in front, but Kegger's two-pointer evened the count at 29 to 29. Stewart then popped in his only goal of the game, giving East Grand Forks their win.

East Grand's margin of victory probably would have been greater if the Green Wave players had been able to convert a greater proportion of their free throws, for 23 fouls were called on the Prowlers—Furuseth and Evenstad were forced out of the game on fouls, and Carlson and Merritt were each carrying three fouls throughout the second half—and East Grand Forks made only 9 tries good, missing 22 attempts.

Evenstad and Furuseth divided the Prowler scoring honors, each garnering 8 points; while Carlson and Merritt did effective work in snaring rebounds, especially off the defensive backboard.

218 Fox Bounties Paid to Middle of January

Largely as the result of the bounty offered Pennington county hunters, the fox population of the county has shown a substantial decrease in recent weeks. County Auditor A. M. Senstad reported this week that bounties had been claimed on 167 of the predators in December, with 51 additional to the middle of January, making a total of 218.

PROWLERS DROP TUESDAY TILT TO FOSSTON 37 TO 22

Local Quintet Turns in Most Erratic Performance of the Year

The up-and-down Prowlers turned in their most erratic performance of the year at Fosston Tuesday night, and had the added misfortune of running into a red-hot Blackie Hagen, who scored ten field goals and two free throws, and the result was a 37 to 22 win for the Fosston Greyhounds.

The Prowlers trailed by an 8 to 6 score at the end of the first period, Virg Evenstad, Roger Tunberg, and Ninsk Carlson collecting field goals for the Prowlers; and Alton Bjornerud's three field goals and a basket by Hagen, accounting for the Fosston points. The Greyhounds increased their lead in the second period by two points, holding a 14 to 10 advantage at half-time.

Fosston, with Hagen sparking the attack, broke through the Prowlers for 10 points in the third period, while the locals were able to mark up but three points, on McKechnie's field goal and Furuseth's free throw. Hagen's four field goals, Chuck Haugen's field goal, and Les Tangen's three free throws, capped the Greyhound scoring in the fourth quarter. Bill McKechnie, Burdell Merritt, and Allan Thompson tossed in Prowler fourth period field goals, and Chuck Richards marked up a free throw.

Russ Hagen, with 22 points, was the game's outstanding star; while the most effective Prowler was Bill McKechnie.

PUBLIC LIBRARY REPORTS SLIGHT CIRCULATION CUT

Mrs. Hazel Halgrim, Carnegie Librarian, Completes Annual Report

Due largely to the fact that residents of the Thief River Falls community were busier than usual with wartime duties during the past year, circulation of books by the Carnegie public library showed a slight decrease in 1943, it is revealed in the annual report completed during the past year by Mrs. Hazel Halgrim, librarian.

A total of 39,113 volumes were lent in the city in 1943, compared to 42,918 the previous year. Of the total, 6,653 were non-fiction, 16,450 adult fiction and 16,010 juvenile books. In the rural area served by the county library system, 19,103 books were circulated.

The aggregate number of borrowers in the city increased from 1,917 at the beginning of the year to 1,988 at the end, while in the rural areas there were 1,488 borrowers on December 31, including 696 adults and 792 juvenile.

Receipts for the support of the library in 1943 amounted to $7,069.20, with disbursements of $7,856.84. The year closed with $246.54 cash on hand.

1320 GIVEN WORK THRU OFFICE HERE DURING PAST YEAR

Placements in Non-agricultural Work up 40 Pct. over 1942

While total job placements thru the agency of the U. S. employment service in this city declined from 1670 in 1942 to 1320 in 1943, an increase of approximately 40 per cent was registered in non-agricultural placements, Russell E. Olson, manager, announced this week. A large number of farm placements were handled last year thru the county agent's office.

Mr. Olson added that few local requests for workers are now on file in his office, indicating that the labor needs of this community are being adequately met at the present time.

A slight revision of the personnel of the employment stabilization committee now functioning in this area in collaboration with the local office was announced by Mr. Olson. Representing management on the committee are W. W. Wade, Roy Oen and John Helm of Red Lake Falls, while labor representatives include Gilmore Grindeland, Frank Hammergren and Lawrence Phillion of Red Lake Falls.

An interesting fact brought out by Mr. Olson was that the state of Minnesota has supplied a total of 11,000 workers on the Alaska highway project.

Dr. Mellby and Prichard Reelected Directors of Savings and Loan Group

Dr. O. F. Mellby and W. W. Prichard were reelected directors of the First Federal Savings & Loan association at its annual meeting Wednesday afternoon. At the board's organization meeting held immediately following, present officers were retained, including Paul A. Lundgren, president; Dr. O. F. Mellby, vice president; and Stanton R. Dahlen, secretary-treasurer. As of December 31, the association held first mortgage loans in the amount of $309,441.76, and had total resources of $425,318.92.

Former Social Worker Here Now in Australia

Miss Marguerite A. Johnson, at one time associated with the work of the Pennington county welfare board, arrived recently in Australia, where she is serving as an American Red Cross hospital social worker. She is the daughter of Mrs. G. H. Johnson of Minneapolis, and had been employed as medical social worker at Glen Lake sanatorium near Minneapolis.

LOCAL AIRMAN AWARDED MEDAL FOR GOOD CONDUCT

Staff Sergeant Cyrus J. Helm was awarded the good conduct medal for "exemplary behavior, efficiency and fidelity" recently by an AAF base in the South Pacific. A member of the 13th AAF, Sgt. Helm was inducted April 28, 1942 and has been overseas more than a year. His wife lives in Thief River Falls.

Basketball Notes

That new five-foul rule, which will be in use tomorrow night, probably won't make any noticeable difference in the play for, as coach Glenn Hanna phrased it "the rule is perhaps as wide as it's long". It may ease some of the pressure on the officials, but it may, too, promote more whistle-tooting. Knowing that they have a leeway of an additional foul, officials may become more technical in calling infractions. And if such is the case it will serve to put a premium on accurate free-throw shooting, for a team will be able to add 10 to 15 points to its score by making a fair percentage of its free throw tries.

The Prowlers played well enough to have won that district game at East Grand Forks last Friday night, and they probably would have won the game if Herby Claffy had been able to "go" during most of the contest. Herby did see some action, and scored a field goal and a free throw, but he wasn't feeling well. In fact, Herb has been in bed with an attack of tonsilitis since Saturday. Herb has all the ear-marks of being a "money" player, for he's the type that can fool around during practice and look terrible in basket-shooting, but when he gets into a game, and under pressure, he bounces through for points.

Hear Broadcast

It was an odd experience for several of the Prowlers last Friday, for after they had played the game and returned here they were able to hear the radio broadcast of the game. The Prowlers returned from East Grand Forks about 10:15 just in time to hear the Grand Forks station broadcast a transcription that had been made at the Green Wave vs. Prowler game. Norm Furuseth and Ninsk Carlson, the Amos and Andy of the Prowlers, didn't hear the broadcast, and they're regusted.

The Prowlers, by defeating Warren tomorrow night, should lift their district Class A rating to the .500 mark. Chuck Frissell has a couple of able players, one being Maynard Randstrom; but the Ponies will be handicapped considerably by the big floor. Chuck, though, thinks that his club will be able to knock off the locals.

Bowling Notes

Boosted by Lee Ringstrand's 254 score, the Western Oil team in the Business league, set a new league record last week when they rolled a 940 total. That Western Oil team, consisting of Bush Hallstrom, Gay Jensen, Clarence Bergland, Andy Nealand, and Ringstrand, has been challenging for the league; but this week, against the Catholic Men, they received a set-back, for the Catholic Men, doing some fine bowling, "took" the Westerns.

That hook-ball that piloted the Crookston Dr. Pepper's to their win over the local team on Sunday afternoon, Larry Youngquist, was quite a bowler. In the six games that he bowled—three at Crookston and three here—he failed to reach the head-pin with his first ball only once, and that was on alley No. 4 Sunday afternoon. Sunday he had only three "open" frames, getting two splits and having one "blow" when he picked a cherry.

Hockey Notes

Seaman Johnny Robarge, captain of last year's Hornet hockey team and goalie in 1942, when the Hornets won the state high school hockey championship, is home on furlough, and would Coach Pagliarini ever like to have Johnny in the Hornet nets this year! Pag is devoting considerable time to the local goal-tending candidates, realizing that the Hornets hockey prospects will increase with an able player covering the goal. Wendell Morterud appears to have taken the No. 1 spot, having been in the nets against Williams and Cathedral, and "Mud", with experience, should improve.

Nearly fifty youngsters reported for "midget" hockey practice last Saturday morning, but they were prevented from using the Arena rink because of the soft ice conditions. Pag will send the midgets through their practice drills this Saturday, and then select two teams that will play a preliminary to the Roseau vs. Hornets hockey game that evening.

Colbert, Goddard, Lake in 'So Proudly We Hail' at Avalon This Week-end

Claudette Colbert, Paulette Goddard and Veronica Lake, three of Hollywood's glamorous film stars, are teamed in "So Proudly We Hail," film presentation at the Avalon theatre Saturday thru Monday. Based on the heroic adventures of a group of U. S. army nurses in the Japanese attack on Bataan and Corregidor, the cast also includes George Reeves, Walter Abel and Sonny Tufts.

"Spitfire", with Leslie Howard in the leading role, tells the story of R. J. Mitchell, designer of Britain's deadly fighter plane, who died an heroic death shortly before the current war started. David Niven also fills a prominent role in the production.

CATHEDRAL WINS HOCKEY GAME 4-2 OVER ROSEAU HERE

Visiting Teams Meet in Game on Arena Rink Tuesday Evening

Jimmy Medved's two second-period goals, flipping a back-handed shot into the net and breaking up a play at the Roseau blue-line and dribbling in for close-in shot, paced the Crookston Cathedral sextet to a 4 to 2 win over Roseau high school in a game played here Tuesday evening.

The soft ice handicapped the two teams, the players often over-skating the puck, but Cathedral with Medved as their pivot, held the upper-hand throughout most of the contest. Roseau's two goals, one in the second period and one in the third period, were scored by Carl Oveson, who broke away to circle the Cathedral defense and drive the puck past Bud Schraeder, and Rube Bjorkman, who took a pass from Bob Harris. Denny Sullivan, with a long shot from the blue-line, and Johnny Noah, banging in Leo Sullivan's rebound, scored the third and fourth Cathedral tallies.

Tempers flared in the final period and, with Medved and Taylor the chief belligerents, the two teams engaged in a fist-swinging melee for several minutes before referees Pagliarini and Dorn were able to quell the uprising. Medved and Taylor received major penalties for their part in the fracas.

The summary:

Crookston (4) vs. Roseau (2)
Schraeder ... goal ... Delmore
Noah ... defense ... Taylor
Martin ... defense ... Thompson
Salem ... wing ... Peterson
D. Sullivan ... wing ... Ulvin
Medved ... center ... Oveson

Spares: Cathedral—L. Sullivan, J. Sullivan, Walter; Roseau—Bjorkman, Harris, Baumgartner, Duran.

First period scoring—none. Penalties—Oveson.

Second period scoring — Medved (Salem); Medved, unassisted; Oveson, unassisted. Penalties—Bjorkman, Noah, Taylor.

Third period scoring—D. Sullivan, unassisted; Noah (L. Sullivan); Bjorkman (Harris). Penalties—Taylor (major), Medved (major).

ROAD BUILDING IN MINNESOTA HITS LOW MARK FOR '43

Trunk Highway Work During Past Year Smallest on Record

Trunk highway construction in Minnesota was the smallest in any year since the state highway system was established, according to figures released by M. J. Hoffman, commissioner of highways. Work completed included 21 miles of grading, 103 miles of aggregate base and gravel surfacing, 23 miles of bituminous surfacing, 3 miles of concrete paving, 12 miles of shouldering and 12 bridges. Approximate cost of work completed was $1,580,000.

Since the United States entered the war late in 1941, trunk highway construction has been confined to completion of projects under contract, access roads to defense industries, surfacing needed to protect newly completed grades, and emergency jobs necessary to restore structures or sections of highways damaged by floods or other abnormal conditions.

In 1942 the department completed 198 miles of grading, 385 miles of aggregate base and gravel surfacing, 164 miles of bituminous surfacing, 18 miles of paving and 17 bridges, at a cost of $9,700,000. Work completed in 1941 included 359 miles of grading, 586 miles of aggregate base and gravel surfacing, 164 miles of bituminous surfacing, 110 miles of paving and 40 bridges, at a cost of $15,184,000.

Success is what you have when you make a fortune—luck is what the other fellow has.

Small Supply Women's Footwear Sold Without Ration Stamp Jan. 17-29

A limited supply of women's shoes will be thrown on the market ration-free from January 17 to January 29, inclusive, OPA has announced.

Retail shoe dealers may sell 15% of the number of pairs of women's shoes declared on hand September 30, 1943, on inventory report R-1701A. This release covers all types of women's shoes regardless of style or material providing the price charged does not exceed $3.00 a pair. Any such shoes sold ration-free must have been in stock on January 16, 1944.

Dealers may not release shoes under this rationing provision until inventory report R-1701A has been filed. Dealers who did not file such a report September 30, 1943 will be furnished a copy of this form upon request of the district OPA office in Fargo.

Mrs. Hildahl on Winter Shows Program

Mrs. Hild Naess Hildahl of Roseau will speak on the women's program on Wednesday afternoon, February 3, at the Northwest School Farmers' Week and Red River Valley Shows in Crookston. Her famous exhibit of seventy dolls made of yarn and sealing wax will also be on display. Mrs. Hildahl came to this country in 1937 and left behind her a well-established career as an expert in handicraft in her native Norway. For several years she taught at the Skrubbest Husmorskole and Hjemmes Vels Arbeidsstue in Kragero, and then had been appointed as a consultant for the Norwegian national association of country women. In this capacity, Mrs. Hildahl, then Hild Naess, visited groups throughout the entire country, lecturing, instructing, stimulating interest with new ideas, and establishing new workshops. Then she relinquished her career for a future as a farm housewife in a country whose language she could not speak. Her subject at the Winter Shows will be "A Visit to Norway."

COUNTY NURSING SERVICE REPORTS ON '43 ACTIVITIES

Annual Report Reveals 928 Visits Made During Year by County Nurse.

The annual report of the Pennington county public health nursing service, released this week by the county nursing board, reveals the varied activities that were engaged in during 1943 by Miss Ann Sward, county nurse. Serving on the board are Mrs. C. M. Adkins, Mrs. A. C. Matheson, O. M. Mandt, Dr. O. F. Mellby and Dr. J. N. Nesse, in addition to which five subcommittees assisted in the work.

In the maternity and infant program, visits were paid to 54 expectant mothers, 24 new mothers and 128 infants. Conferences relating to pre-school children were conducted last May. A total of 73 children were examined, of whom 57 were taken to their family physician for examination and [illegible]. In connection with the school program, Miss Sward inspected 70 per cent of the children enrolled in the rural schools, and notified parents of physical defects. Also emphasized was the care of teeth.

Two classes in home nursing were conducted last year for a group of high school students and the Lincoln school teacher training department. A Mantoux testing program for tuberculosis was conducted last fall in cooperation with Dr. Baldwin Borreson of Oakland Park sanatorium, and assistance was given the crippled children's clinic held in the city May 1, 1943.

During the year Miss Sward made a total of 926 visits, of which the major classifications related to the following: Schools, 391; infants, 128; communicable diseases, 114; pre-school, 79; crippled children's service, 61; and pre-natal, 54.

Four Drivers Licenses Revoked in Pennington in 1943; 11 Suspended

Pennington county had four drivers' licenses revoked in 1943, following conviction for driving while under the influence of liquor or other serious violations of the traffic laws, according to the annual summary of the activities of the drivers' license division of the Minnesota highway department. There were 11 suspensions of licenses in this county, due to serious types of traffic law violations.

Totals for the state were 1,996 revocations, compared to 2,176 in 1942, and 3,017 suspensions, compared to 5,016 in 1942. More careful driving may be assumed to be partly responsible for the decrease, but contributing causes were the general curtailment of travel and reduced personnel in traffic law enforcement agencies.

Of the 1,996 revocations in the state, 1,691, or more than four-fifths, were for driving while under the influence of liquor, other causes including reckless driving, speeding, hit-run driving and perjury. All but 35 of the persons whose licenses were revoked were males and all but 349 were over the age of 25.

Lower Tire Quotas in District for January

The continuing shortage of materials and tubes is reflected in the rationing quotas for January, OPA says. 5,773 grade I, and 9600 grade III tires have been allotted to the Fargo-Moorhead district. This is a slight increase over the December quota.

The quota for new truck tires is down from the December quota, 1964 tires having been allotted to the district. For new truck tubes the quota is 1215, also a reduction from December.

Similarly lower quotas for farm tractor and farm implement tires and tubes have been given. 674 tires and 550 tubes is the quota for this district for January.

Minneapolis Pastor to Speak in City in March

Pastor Gustaf F. Johnson of the Park Avenue Covenant church, Minneapolis, known nationally and in Sweden as one of the most powerful preachers of this generation, has accepted an invitation to speak at a Prophetic Bible conference at the Mission Covenant church here, February 29-March 3, inclusive, Leonard Lindholm, pastor, stated that nine pastors of Mission Covenant churches in the Red River Valley have been invited by the congregation here through its chairman, David Drotts, and pastor, Mr. Lindholm. It is planned to hold Friday night's meeting, March 3, in the city Auditorium.

Hunters and Trappers Asked to File Reports on Season Bag at Once

January 31 is the deadline for mailing the report cards attached to 1943 hunting and trapping licenses. Minnesota law requires that all hunters and trappers file reports of their take of protected birds and animals with the state Division of Game and Fish. Failure to do so can result in forfeit of the right to hunt or trap during the year 1944.

Each year the returns from the report cards are carefully tabulated to indicate the average per capita take of game and to obtain a composite picture of hunting conditions throughout the state. For this reason, game biologists stress that it is important that they receive reports from those whose luck was poor, as well as from successful hunters and trappers.

DUMB ANIMAL PROVES TO BE NOT SO DUMB

Alexandria. — Poor old Jeff, hunting dog, belonging to Bill Johnson was dumb in that he couldn't talk but not so when it came to heeding his master's word. On a certain day last fall, during hunting season, Bill remarked: "I'm going to get rid of Jeff as soon as hunting is over." Jeff gave his master one long, sad look and walked off. That's the last time he has been seen.

WHERE OH WHERE DID MY SHEEP GO?

Madelia.—A flock of 59 sheep on the Vernon Archerd farm have strayed from their fold. Several hours after they left the Archerd farm they were seen by a neighboring farmer on his land. He "shooed" and started them in a homeward direction. But three days later, despite the effort of the sheriff and many kind neighboring folk, they were still missing.

Dr. Townsend Says:

STOP SLAVERY in MINNESOTA

Is Minnesota's State Relief Department with its fixed standards for paying the aged, making slaves of the old people of Minnesota? A family of two get but $18.30 per month to cover cost of three meals a day, making the aged of Minnesota slaves to poverty!

HELP THE AGED NOW!

Are we going to allow the aged to starve. Are we going to allow them to live like slaves and peasants? Instead of treating the aged as pioneers who helped build Minnesota and the United States? It is admitted that allowances should be at a very minimum $30.50 for each person for food alone. Instead of that Minnesota allows but $9.15 for each person to cover the entire cost of food.

Mrs. Amanda Russell, accompanied by Mrs. Vernon Malberg, Irene Frolland and Joyce Meyer motored to Argyle Monday to attend a nutrition meeting given by Miss Hobart for teachers. There was no school in Steiner or Loftness schools on Monday evening to this meeting.

Mrs. Art Grandstrand, Mrs. Bill Rupprecht and daughter Sharon of Viking were luncheon guests at the Olaf Simonson home last Thursday.

Plans are in the making by the Steiner Community folks to put on two one-act plays by some of our local talent. The plays will be presented sometime early in February but a definite date has not been decided.

Hilmer Skomedal arrived home Saturday from Warroad where he is employed in the wood industry.

Nothing halts dieting quicker than an invitation out to dine.

SALVATION ARMY REPORTS ON YULE BASKETS HANDLED

Agency Distributes Twenty Baskets in Christmas Season

The Salvation Army during the Christmas holidays distributed to needy families of the community twenty baskets containing supplies for 168 meals, it was announced today by Captain Lavona Blakeman, in charge of the local unit.

With a total of $145.95 raised for the purpose, she reported that the dinners cost $68.93, while gifts, toys and other items distributed cost an additional $54.25, leaving a balance on hand of $22.77.

"We are very grateful," said Captain Blakeman, "to Thief River Falls business people and citizens of surrounding communities who made it possible for the less fortunate to have a happier Christmas."

Winter Shows Speaker

Henry (Prophet) Peterson, formerly of Hong Kong, China, will discuss "The Future of the Orient and the Islands of the Pacific" on Wednesday evening, February 2, at the Red River Valley Winter Shows, Crookston. Mr. Peterson was born in China and received his undergraduate training at London and Oxford universities in England. He became a free lance journalist and contributor to English and American newspapers and journals. During the years he lived in Chungking, China, he served for two years as an aide to Chiang Kai-shek. In World War I, Mr. Peterson served for two years as a private, lance corporal and RAF air cadet. Mr. Peterson has been very accurately forecasting trends and events in World War II and has been titled "Prophet" Peterson.

EMPLOYMENT OFFICE HEAD AT ST. PAUL CONFERENCE

Russell E. Olson, manager of the local U. S. employment office, left Wednesday evening for St. Paul, where he is attending a managers' conference which will continue thru Saturday at the Lowry Hotel.

SUPERINTENDENTS AT WINTER SHOWS LISTED THIS WEEK

Appointments Announced for Event at Crookston to Start Jan. 31

A large number of men representing various agricultural agencies have been appointed as superintendents and assistants at the forthcoming Red River Valley Winter Shows at Crookston on January 31-February 4.

In the Livestock Department, Paul Engelstad of Thief River Falls, will again serve as general superintendent. Departmental superintendents will be: County Agent Howard E. Balk, Bagley, cattle; County Agent Rudolph Stolen, McIntosh, swine; County Agent George Landsverk, Ada, sheep; 4-H Club Show, County Agent Ernest Palmer, Thief River Falls, and W. O. Woodman, Crookston; admissions, County Agent Carl Ash, Crookston.

Secretary-manager of the Northern Minnesota Poultry Show, Harold Thomforde of Crookston, announces that J. J. Quam of Crookston will serve as superintendent of poultry exhibits.

R. S. Dunham, of the Northwest School and superintendent of the crops show, will be assisted by County Agent George Berggren of Fergus Falls and Martin Rud of Crookston.

J. H. Wampole of the Northwest School has been named superintendent of potato and honey exhibits.

H. A. Pflughoeft, district 4-H club agent and superintendent of 4-H club exhibits, will be assisted by W. O. Woodman and County Agent Ernest Palmer.

H. G. Zavoral, livestock specialist from University Farm, St. Paul, will serve as superintendent of livestock judging contests. County Agent Howard Grow of Hallock and A. O. Naplin of the Northwest School will act as assistants in the livestock judging contests.

Ralph Grim, extension agronomist, and H. K. Wilson of the division of agronomy, University Farm, St. Paul, will be in charge of the subcollegiate crops judging contest.

A SIX-FOOT LETTER

Cokato.—A long letter was what Mrs. Glen Fitzgerald wanted most from her son, Neil, in training at Farragut, Idaho, and that was just what she got. Typed on a roll of adding machine paper, six feet in length the letter gave her complete news of her son's life at camp.

HOLT

HOLT FIRST TO SUBSCRIBE QUOTA

George Fricker, local chairman of the Fourth War Loan drive reports that the $3,000 quota for the village of Holt in the coming drive was raised on Monday, January 10th. Several parties have not yet been contacted and it is certain they will also buy to the limit. The extra cash received from cattail fluff has no doubt been a great factor. O. T. Ness Agency reports that over 800,000 pounds have been bought here and so it is certain that all the adjoining townships will also raise their quotas.

9593 Muskrats Trapped

We feel certain that the greatest amounts of money to be brought to the local people of Holt and community in the shortest period of time has come from the Mud Lake refuge this winter. It is estimated that a sum of approximately $40,000 has been paid out for muskrats and cattail fluff. Carl R. Vogen, manager of the Mud Lake National Wildlife Refuge reports that 9,593 muskrats were trapped in December. Our mild winter with very little snow has of course been a great help.

Services Held for Harriet Louise Engen

Harriet Louise, infant daughter of Mr. and Mrs. Harry Engen, who was born Sept. 2, 1943 passed away Thursday afternoon, Jan. 13, 1944.

Funeral services were held at the Nazareth Lutheran church on Saturday afternoon, Rev. T. C. L. Hanson officiating. The pall bearers were Donald Lunke of Thief River Falls, George Fricker Jr., Arthur Peterson and Roy Johnson.

Left to mourn her passing are the little girl's parents, Mr. and Mrs. Harry Engen, two sisters Delores and Janice, two brothers Harley and Vernon, her grandparents, Mr. and Mrs. Ole Lunke and Mr. and Mrs. Chris Engen besides many other relatives and friends.

High school students on the Honor Roll this six weeks period are: Eleanor Ueland, Myron Sorter, Alice Peterson, Blanche Erickson, Violet Erickson, Margie Ueland and Irvin Larson.

L. Stilaf Anderson, son of Mr. and Mrs. Alfred Anderson, who has visited here since his graduation a few weeks ago left for Seaton, Ill. last Monday. He will be stationed at that place.

Rev. T. C. L. Hanson is attending the convocation at Luther Theological Seminary at St. Paul. He will also visit his parents, Mr. and Mrs. A. T. Hanson at Milan before returning home.

Sylvia Pauline, infant daughter of Mr. and Mrs. Selmer Sorter of near Middle River, who was born Nov. 6, 1943, was baptised at the local parsonage, Rev. T. C. L. Hanson officiating. Her sponsors were Mr. and Mrs. Elief Sorter, Helen and Raymond Leskinen.

Ivar Larson, who is employed at Tacoma, Wash., arrived on Wednesday to visit with his family here.

Kenneth Baker, who has been employed the past six months in Greenland, arrived last week to visit here. His wife met him in the twin cities.

Pvt. and Mrs. Marian Augustine of Sacramento, Calif. are expected to arrive here on Thursday to visit at the Augustine Lubitz and Alfred Larson homes.

The pupils of the intermediate room of the local school proudly reported that $44.55 worth of defense stamps were purchased last week. A large percentage of this money was earned by picking cattail fluff during the holiday vacation.

Rev. Thv. Myhrer of Newfolden, Mr. and Mrs. Martin Swenson of Rosewood and Mr. and Mrs. Pete Sorter visited with Mrs. Gullick Swenson on Friday. Mrs. Swenson, who was quite ill is now reported somewhat improved this week.

MINK INSTEAD OF MUSKRAT

Buffalo.— Surprised was Fred Gasper one morning recently when he went to his muskrat trap to find out how many rats had been lured during the night. Not a muskrat did he find but better still, there were two beautiful mink. One, a young mink was valued at $10, and the other one which was larger had a $20.00 value.

Here is a crowded division terminal "somewhere" along the Great Northern railway. Day and night a procession of long freight trains roll into these terminals from east and west. Trains are inspected, repairs effected, cars regrouped. A carefully groomed engine backs on, and the train resumes its journey with a new crew. Most of the freight is destined to cause many varieties of trouble for Uncle Sam's enemies.

Swollen Profits?

There has been so much talk about wages and profits that perhaps you would be interested in knowing how much money the Great Northern Railway is making out of the war.

Its net income for 1943 will be about 18 million dollars. This amount is *less* than the railway's net income for 18 of the 20 years from 1911 to 1930, a period which included good years and poor ones and the first World War.

But most surprising is the fact that the Great Northern's business in 1943 was just about double what it was for the average of the years of the first World War and for the average of the 20 years from 1911 to 1930.

War taxes, of course, are the principal reason for the smaller net income. The Great Northern's taxes for 1943 come close to 50 million dollars. That is one-fourth of the railway's gross income for the year. During the first World War, the Great Northern's taxes averaged about 7 million dollars a year.

Besides the smaller net income for the past year, huge expenditures must eventually be made to repair locomotives, cars, tracks and other property that is being worn out by the heavy war-time traffic. These expenditures ordinarily would be made from current earnings, but they have had to be deferred because of the shortage of materials and manpower. Meanwhile the money represented by these deferred expenditures appears as "profit" and is being syphoned off by war-time taxes.

Dividends paid by the Great Northern during the years from 1911 to 1930 averaged $6 per share. During 1943 the owners of the Great Northern received $2 per share, the same as in other recent years. Thus, while the volume of services performed by their railway has doubled, their returns have shrunk to one-third of what they received over the earlier 20-year period.

The Great Northern would like to have these facts known by the people who live in the communities served by its lines, and particularly by those who depend upon its facilities for their transportation requirements and favor it with their patronage.

HOW WE IN THIEF RIVER FALLS CAN JOIN THE INVASION

It's coming sometime soon now—we all know that. In the cold grey dawn thousands of young men will be leaping off invasion barges onto some foreign ground, with tense faces and bayonets set. You and I can't be with them—much as some of us would like to.

But here's the next best way we can help—by subscribing as generously as we possibly can in the 4th War Loan Drive which starts January 18, 1944. Every cent we put into War Bonds means that our sons and brothers and husbands will be better fed, better equipped, and better *protected* when their turn comes to jump off that invasion barge. It's little enough to ask of us—they offer themselves, while we only loan our money. Let's really get behind the drive this time and JOIN THE INVASION!

Birthdays Honored

A party was given Sunday, Jan. 16 at the Henry Sorenson home honoring the birthdays of Raymond Muzzy, Henry Sorenson Jr., and Dorothy Muzzy. After a social afternoon, lunch featuring a pink and white cake, was served. Besides the honored guests those present included Mrs. Steve Jeanetto and children, James Muzzy, Mr. and Mrs. Thomas Jacobson and son, Bernard, Mr. and Mrs. Vernon Mahlberg and two daughters, Miss Lida Muzzy, and Mr. and Mrs. Henry Sorenson and family.

At Sunday services of the Covenant church last Sunday, Martin J. Peterson, Miss Hattie Dahlstrom, and Alfred Dahlstrom were honored guests. Although they have been residing in Thief River Falls for some time, they have been members of the local church, but at the annual meeting they requested transfer letters to enable them to join the Covenant church in Thief River Falls. Gifts in the form of pictures of Christ were presented to the honored guests as well as words of appreciation for their services to the church and its organizations. Remarks were also made by John Steiger, Mrs. Lemky and Rev. R. Wiberg.

Friday evening, January 21 the Young People's meeting of the Covenant church will be held at the church. The west circle is serving with Mrs. Gust Peterson as chairman.

BOOST YOUR BUYING!

EVERYBODY—AN EXTRA $100 WAR BOND IN THE 4th WAR LOAN DRIVE

YOUR government is urging you—urging everyone with a job and an income—to buy an extra $100 War Bond in the Fourth War Loan Drive.

That's the least being asked of every American—over and above your regular purchases.

And it won't be easy for most of us to see it thru! Taxes and living costs are a heavy burden. We'll just have to sacrifice and skimp and save to put this drive across!

Do without everything you don't need for happiness and health. Don't waste one precious penny. And put everything you can raise into War Bonds.

No sacrifice you can make can approach the sacrifices of our marines on the blood-soaked sands of islands in the Pacific, or our soldiers fighting their way mile by mile towards Berlin. No sacrifice you can make can match the selfless heroism of our gallant flyers over Germany or our sailors grappling with the stealthy Japanese fleet!

Our boys are giving up their homes and their families, their sweethearts and their jobs, even their lives.

Let's back them up by buying an extra $100 War Bond in the Fourth War Loan Drive. You'll help to keep Old Glory flying everywhere it belongs!

"Let's BUY 'em and KEEP 'em"

Every American fighting man has a dream. A dream of a day to come—of the day when the war is won. When he can return to home and family and friends, once again to live in the ways of peace. We at home can help his dream come true sooner—by doing the little things asked of us to speed Victory. We can buy bonds, and more bonds, and keep them, and keep on doing it—till the boys come home.

THYE CONFERS IN WASHINGTON ON RIVER WORK

State Congressional Delegation Votes to Support Project

SEEK COOPERATION OF WAR FOOD AGENCY

Chester Wilson Meets Tuesday with State, Regional Officials

Another forward step toward the consummation of the long-pending Red Lake-Clearwater river flood control project was taken in Washington, D. C., Monday when the full Minnesota delegation in congress voted to support the undertaking, designed to restore to production thousands of acres of land in Eastern Pennington and Red Lake counties.

Approval by the delegation followed a presentation of the matter by Governor Edward J. Thye, who journeyed to the capital after having made a first-hand study of the affected area.

While in Washington, the governor also conferred on the project with officials of the department of agriculture and the war department, whose engineers recently recommended that the undertaking be carried out.

The resolution adopted by the delegation, according to Rep. Melvin J. Maas of St. Paul, chairman, calls for immediate action on the project as a war food measure. He made it plain, however, that if the work is delayed, it will become first order of post-war business. The present objective is congressional approval and the necessary appropriation of funds.

Meeting with state and regional War Food Administration officials in St. Paul Tuesday, Chester Wilson, state conservation commissioner, and E. V. Willard, deputy commissioner, laid a foundation for securing WFA support for immediate channel improvement. Present at the meeting were LeRoy Smith, regional WFA director; Charles Stickney, state AAA head; and Col. Lynn C. Barnes, district U. S. army engineer.

Discussing this meeting with W. E. Dahlquist yesterday, Mr. Wilson said the next step would be to secure the backing of Marvin Jones, national WFA administrator, and arrangements are now being made for a meeting with Mr. Jones in the near future when all available information will be presented.

As a result of the Tuesday meeting Mr. Wilson was hopeful of securing favorable action by the War Food Administration which he thought would be very helpful in securing the approval of the war department for immediate construction of the project.

RED LAKE COUNTY RESIDENT BURNED TO DEATH JAN. 18

Paul Wicks, River Township, Loses Life When Farm Home Burns

Paul H. Wicks, about 68 years of age, well known farmer of River township lost his life in a fire which destroyed his farm home, 12 miles northeast of Red Lake Falls about 5 o'clock Tuesday morning, January 18. The blaze was discovered by Nick Jaeger, when the building was practically burned to the ground, says the Red Lake Falls Gazette.

The exact cause of the blaze will probably never be known since Mr. Wicks resided alone, but it is believed that the fire may have started in an explosion of an oil can, when he arose and attempted to start the fire in the stove. He has lived alone in the one-room house for the past 12 years.

Following the discovery of the fire neighbors summoned Sheriff Noel Proulx and Coroner Rene Lizotte, who determined that no inquest was necessary.

He is survived by eight children, Harry Wicks, Grand Forks; Mrs. Elmer Hince, Oklee; Mrs. Ed. Vinje, Oklee; Raymond Wicks with the U. S. army in North Africa; Mrs. Austin Campbell, Madison, Wisc.; Lieut. George Wicks, with army air corps at Meridan, Miss.; Mrs. Harold Utech, Clearbrook; and Paul Wicks, Jr., Madison, Wisc.

Funeral services were held Friday from the Wyandotte Lutheran church, north of Plummer.

E. B. Benson Renamed President of C. and C.

At the organization meeting of the board of directors of the Civic and Commerce association Tuesday afternoon, E. B. Benson was elected to serve his second term as president. A. F. Berge was named first vice president, and Stuart McLeod second vice president, while the resignation of L. W. Rulien as secretary was laid on the table pending the appointment of a successor.

Results of the annual election of directors was announced at a meeting of the association last Thursday evening in the Palm Garden Cafe. Elected for two-year terms were E. B. Benson, A. F. Berge, Wm. LaFave, L. B. Hartz, Archie Hensrud and Stuart McLeod, while F. E. Tunberg was elected for a one-year term.

Mayor W. J. Douville, a new member of the civic group, spoke briefly, announcing his intention of enforcing the new curfew ordinance as a means of curbing juvenile delinquency, and asked the cooperation of all citizens of the community. Paul A. Lundgren, county war finance chairman, also reported on the progress of the Fourth War Loan Drive.

The board of directors at its meeting voted to serve lunch to the visiting hockey players at the time of the junior hockey tournament in this city Friday, February 25.

It was also decided to arrange with County Agent Ernest Palmer to invite various groups of outstanding farmers from this community to be guests of the association at a series of luncheon and dinner meetings during coming months. The first group will include prominent turkey growers of this locality.

Temperatures This Week Extremely Mild, Ranging as High as 47 Degrees

This section during the past week enjoyed a continuation of extremely mild weather without precedent in the memory of long-time residents. The fire hall gauge recorded temperatures in the 40s each day but one, reaching a maximum of 47 last Friday and 45 on Monday. The mercury reached a low point for the week of 13 above Sunday morning. A light rain Tuesday brought a precipitation of .01 inch Tuesday, followed by a trace of snow Wednesday.

MEETING OPPOSES RELEASE OF MORE WATER FROM LAKE

Group at Hickory Township Session Vote 19 to 10 Against Change

Owners of lands located along the Red Lake River in eastern Pennington county, at a meeting in Hickory township Monday, voted 19 to 10 in favor of continuing the present flow of water at the outlet of Red Lakes rather than increasing it by the removal of more stop-logs in the dam. The meeting was called by Tom White, superintendent of the reservation, who explained the problem of controls and asked the land owners to express their views as to whether or not more water should be released from the lake at this time.

The lake level is now down to about where it was a year ago Mr. White said, and more water is being released at the outlet than was last winter. Flood possibilities for the coming summer will depend upon the precipitation from now on, he explained, and he gave assurance that he would cooperate in every way possible in the control of the outlet in order to reduce the danger as much as possible.

Mr. White was accompanied by G. P. Andrews, reservation engineer. Also present at the meeting was W. E. Dahlquist who reported on recent developments in the effort being made to secure immediate improvement of the Red Lake and Clearwater river channels.

To Participate in District Event at Valley Winter Shows Tuesday

Orville Jensen of the North Star 4-H club was the winner of the county 4-H radio speaking contest held in the court rooms in the court house in Thief River Falls on Wednesday evening.

Placing second was Vernon Scholin of the Bray 4-H club, and tied for third were Helen Hardisty of Silverton-Smiley, Mary Ann Oski of Mavie, Einar Scholin and Burton Scholin of Bray.

Jensen will participate in the district radio speaking contest during the Winter Shows on Tuesday, February 1st.

Miss Valborg Miller, until recently a nurse at Oakland Park sanatorium, has enlisted in the WAVES, and will leave this evening for Hunters college, New York, to undergo a period of training.

Tax Delinquency at New Low Mark in Pennington

Pennington county taxpayers in 1943 set a new record in respect to payment of taxes, with a net delinquency of only seven per cent, it is revealed in a summary of last year's payments prepared by County Treasurer A. R. Johnsrud.

The report reveals delinquencies of 9.6 per cent in 1942, 11½ in 1941, 11¾ in 1940, 13½ in 1939 and 18 in 1938.

Out of a total tax levy for the county of $352,859.46 in 1943, the sum of $326,247.30 was paid, while taxes in the amount of $1,742.69 were canceled or abated, leaving a net delinquency of $24,869.47 in real estate and personal property taxes.

The township of Polk Centre, with a delinquency of $186.83 or 3½ per cent, made the best showing of all county subdivisions, followed by Rocksbury with 4½ per cent, River Falls with 4½, the city of Thief River Falls with 4¾ and Kratka with five per cent. Goodridge township greatly improved its position last year, reducing its delinquency from 27¾ per cent in 1942 to 21½ per cent in 1943.

Thief River Falls property owners in 1943 paid $182,756.37 in taxes out of a total levy of $192,067.41, or nearly 60 per cent of the total county levy. City taxpayers were delinquent in the amount of $9,165.59, while cancellations and abatements amounted to $1,145.45, leaving a net delinquency of 4¾ per cent, compared to 5¼ in 1942, seven per cent in 1940 and eight per cent in 1938.

AWAITING COURT RULING IN POLICE DISMISSAL CASE

Briefs Are Filed This Week After Short Hearing Thursday

Following a brief hearing here last Thursday morning before Judge Oscar R. Knutson, and the filing of briefs early this week by attorneys for parties to the case of the patrolmen seeking reinstatement after having been discharged by Mayor W. J. Douville on assuming office recently, is now in the hands of Judge Knutson for a decision.

At the hearing it was indicated that little consideration would be given to the contention of the dismissed men that they were operating under a police civil service commission, in view of the fact that its organization never had been perfected. For this reason, the name of L. W. Knadle, former chief of police, was withdrawn as a party to the action at the request of his attorney, L. W. Rulien.

Brief testimony as to handling of police affairs in the past was given by former Mayors W. W. Prichard and H. W. Kinghorn, and Mayor Douville also was called to the stand.

Rotary Program Given by WDAY Bond Caravan

Members of the WDAY war bond caravan, which appeared at the Auditorium Monday evening, presented an informal musical program at the Rotary club luncheon Tuesday noon in the Evelyn hotel. Following the luncheon the troupe left for Grafton, N. D., where it presented a program Tuesday evening.

Dr. George Biedermann, lieutenant junior grade in the dental corps, U. S. naval reserve, at the naval training station at San Diego, California, recently was promoted to the rank of lieutenant senior grade. He is the son of Dr. and Mrs. J. Biedermann of this city.

Minneapolis Pastor to Talk at Covenant Church

Rev. Jacob Elving, Minneapolis, district superintendent of the Northwestern Missionary conference, is guest speaker in services next Sunday in the Mission Covenant church. The pastor, Leonard Lindholm, invites Rev. Elving's many friends in this area to hear him during morning and evening services, 11 and 7:45 o'clock. Rev. Elving also is to teach the Adult Bible class in the Sunday school, 9:45 o'clock.

Gatzke Couple Receive Silver Star Conferred on Son Killed in Action

Mr. and Mrs. Emil Larson of Gatzke have received the Silver Star awarded their son, Sgt. Raymond E. Larson, who was killed in action in Tunisia October 1, 1943. The citation states the award was conferred for personal bravery and gallantry in action, beyond and above the call of duty. The order of the Purple Heart, conferred on Sgt. Larson posthumously, also has been received by his parents.

CURFEW LAW GOES INTO EFFECT NEXT MONDAY, JAN. 31ST

Mayor Douville Makes Statement in Support of New Ordinance

Within a period of approximately eight months, most of the cities and villages in Minnesota have passed curfew ordinances, said Mayor W. J. Douville in a statement today. None of them provide for a later time than 10 o'clock, and most of them require the mayor's approval for any function continuing after 10 o'clock. The new local curfew ordinance goes into effect next Monday evening, January 31.

"We all realize the importance of having proper restraints over our young people," his statement reads, "and it is in a good home where our children get the training that will make them fine, law abiding citizens. Many authorities say that the home is falling down in its responsibilities of bringing up children to be cooperative and law abiding, and that many parents give very little time to proper supervision of their children.

"Most of our young people have not been loitering after 10 o'clock and the only reason for a curfew ordinance is the same as for any law, namely, to prevent a few from doing the wrong thing.

"I believe our young people should have proper recreation under good supervision. The school provides amply for their time during the day, and I believe there should be proper activities to keep them occupied during their leisure time when not in school. The recreational activities favored by the best people of the community, even though it cost the city a tidy sum, is a good investment for the future welfare of our country.

"The local enforcement officials ask for cooperation of all citizens in the proper enforcement of the curfew ordinance."

Mayor Douville announced that the curfew hour will be sounded by one long blast of the fire siren at 10 o'clock each night.

42 WORKERS FROM THIS COMMUNITY TAKE WOODS JOBS

U. S. Employment Service in State Makes 603 Referrals

Workers from Thief River Falls and the adjacent WMC area have made excellent response to the government's call for woods workers, it was stated in a report made today by Russell E. Olsen, in charge of war manpower activities in this vicinity, to Dreng Bjornaraa, state WMC director.

This WMC area is made up of Pennington, Kittson, Red Lake, Roseau, and Marshall counties.

In the 3-week period, Dec 27 to Jan. 15, 42 workers were referred by the Thief River Falls office. Of that number 17 were sent to USES at Bemidji and 25 to International Falls.

Word from Bjornaraa's office in St. Paul is that in the state as a whole, 603 referrals were made during the 3-week period and that they came from all sections of Minnesota.

The need for timber workers continues, Bjornaraa added, explaining that WMC still has approximately 2,000 unfilled orders. Experienced woodsmen are earning from $7.00 to $12.00 a day, and beginners are making $5.00.

BOND DRIVE IS TWO-THIRDS OF WAY TO QUOTA

Pennington County Sales up to Wednesday Amount to $255,287.25

PENNINGTON IN 11TH PLACE IN MINNESOTA

Five County Subdivisions Go over Top in 1st Week of Campaign

The Fourth War Loan drive, which is still in its infancy, has during the first week proved almost beyond a doubt that Pennington County will again attain the quota which has been assigned to it from state headquarters, Paul A. Lundgren, county war finance chairman, said today, adding that purchases up to Wednesday afternoon aggregated $255,287.25. The county quota is [illegible].

According to official records from the state office the county now ranks eleventh in the state in performance. To be eleventh out of 87 counties, considering the past performance of this county, is a record of which local people can be proud.

Several county subdivisions have already exceeded their quotas in actual purchases. In order of performance the following is the record:

1. Oakland Park Sanatorium.
2. Village of St. Hilaire.
3. Village of Goodridge.
4. Star Township.
5. Village of Hazel.

Apparently a friendly rivalry exists between the villages of Goodridge and St. Hilaire. The village of Goodridge was the first to complete its subscription, but St. Hilaire was not to be outdone and therefore just nosed out Goodridge for first place on actual purchases. The Town of Star which leads the field in the third war loan drive again scored first among the townships.

Considerable credit for the early purchase of bonds is undoubtedly due the WDAY war bond caravan for the extra dividend that they provided for the early purchasers in the form of the free entertainment at the Auditorium Monday evening.

The tabulations up to Wednesday, January 26, follow:

Marshall Co. War Loan Drive Reaches 56 Pct. of Quota in First Week

With more than 56 per cent of Marshall County's quota subscribed during the first week of the Fourth War Loan drive, Marshall County war finance committee members are now predicting that the goal of $557,500 will be reached before the campaign closes on February 15.

The first county-wide tabulation completed Tuesday reveals that residents have pledged $302,814.50 during the first week, and in [illegible] community have solicitors or other war bond workers completed their campaigns, said O. M. Mattson, county chairman.

Additional communities passing their quotas this week include the village of Viking with pledges totaling $3,043.75 against a quota of $3,000 and Donnelly township with pledges totaling $7,050 against a quota of

Growing With Your Child

Home, Sweet Home

No word in the English language is so full of poignant meaning as the little four-lettered word "home." Correspondents visiting American soldiers stationed at battlefronts all over the world, report that our boys want above all else to get back home after winning the war. It is a rare person who isn't moved when he hears "Be it ever so humble there's no place like home." So much is this sentiment a part of our American tradition, that when the Children's Charter was drawn up during the White House Conference of 1930, one of its articles said in this instance, 'A home for every child.' It implied that if a child for any reason didn't have a home of his own, it was the duty of society to supply him foster home of the kind that would best fit his needs.

Because our homes are so closely tied up with our emotions, it is very difficult to view them objectively. Hence, both practices and attitudes grow up in many homes which are detrimental to the members of the family and which should be dropped. To one of its members the right home gives a feeling of security and appreciation and is a place where he can be himself.

Most businesses take an inventory of their assets and liabilities around the first of the new year. It might be well if parents, the managers of the most important business in life—that of rearing children — were to imitate the methods of other businesses and periodically evaluate their homes in terms of their assets and liabilities as a place for rearing children. Thus, friendly encouragement of the child's interests would be an asset, while frequent family rows would be a liability. Good humor and fun at meal times would be an asset, while constant and strenuous teasing of a child not so well favored as his brothers and sisters would be a liability. An occasional evening of family games or singing would be an asset, while his absence would be a liability.

When parents take such an inventory, may they find that their homes measure up to the definition of "home" given by an adolescent, who said "Home to me is the place my father is proud to support, my mother happy to keep, and my friends eager to visit."

Motto Unchanged

"Semper Fidelis," meaning Always Faithful, has never changed. It has always been the motto of the marine corps.

EBEN HOLDEN says—

"A strange power comes from those radio towers. We cannot see the sound waves which bring music and the spoken word to our ears.

MEMORY is another of God's invisible forces. It can be a continuous source of power to keep us in close association with lives which are — and which will always be, attuned to ours."

It is well for us to do things which help us remember.

Could It be Spring?

We have all enjoyed the nice weather of last week. Some of us contracted the fever of kittenball. It would have been quite possible as our diamond is free from snow.

Our attendance has been rather poor because of the measles. We hope everyone will soon be back in school.

Our Little Citizen's league is making preparations for our Valentine party. We plan to have a combination Lincoln, Washington, and Valentine party.

DOCTOR OPENS SAME OFFICE AFTER WORLD WARS 1 and 2

Owatonna. — History repeated itself recently when Julian D. Rowley, D. O. reopened his office upon honorable discharge from World War II. It was the same office he had opened upon discharge from World War I. A veteran of two wars, Dr. Rowley, has recently returned home after 17 months service in the medical corps of the U. S. naval reserve as medical officer.

WAR BONDS—will bring our fighting men back home sooner.

Lenten Menus

You can keep your menus interesting during Lent if you serve well-cooked, good combinations of favorite foods. Keep in mind the same balanced menu patterns that you use during the rest of the year so that the family will be well fed and happy. That pattern includes a good protein food such as fish, cheese or eggs. Add to this a supplementary nourishing food like macaroni, noodles or spaghetti and milk, and use plenty of vegetables in the diet.

These sample menus will give you an idea of what the balanced meal should consist:

Spaghetti with Mushroom and Tomato Soup Sauce
Grapefruit and Endive Salad with French Dressing
Pickled Beets Mixed Pickles
Whole Wheat Rolls
Pineapple Upside Down Cake
Beverage

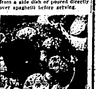
Carrot Puffs Creamed Asparagus
Chopped Spinach Salad
Hot Yeast Rolls
Lemon Chiffon Pie
Beverage

Here are recipes for two of the main dishes in the above menus:

Spaghetti with Mushroom and Tomato Soup Sauce.
(Serves 6)

- 1 8-ounce package of spaghetti
- 1 can condensed mushroom soup
- 1 can condensed tomato soup
- 1 soup can of water or milk
- Hard-cooked eggs

Combine soups with milk in top of double boiler. Cook until mixture is thoroughly heated. Cook spaghetti in boiling salted water until tender. Drain and arrange on platter for serving. Garnish with quarters of hard-boiled eggs. The tomato-mushroom soup sauce may be served from a side dish or poured directly over spaghetti before serving.



Carrot Puffs.
(Serves 8)

- 1½ cups sifted flour
- 2 teaspoons baking powder
- 1 teaspoon salt
- 2 eggs, separated
- 1 cup milk
- 1½ cups grated carrots
- 2 tablespoons melted butter or margarine

Sift flour, baking powder and salt together. Beat egg yolks, add milk and stir into flour mixture. Add carrots and butter to flour mixture. Fold in stiffly beaten egg whites. Fill greased individual baking dishes ⅔ full. Bake in a moderately hot oven (425 degrees) 25 minutes. Serve with a cheese sauce.

'WAAC-ey'

In the MRTC Special Training detachment an officer was quizzing the men on general orders. He asked one man to recite the second one. The man began: "To walk my post with a military madam—" "What?" asked the lieutenant. "You don't mean that, do you?" "Pardon me, sir," the flustered soldier replied, "what I meant to say was, 'to walk my post in a madam manner.'"

Wood Dimensional Changes

The reason it is so difficult to protect wood against dimensional changes due to moisture is the fact that it is the cell walls which swell and shrink as moisture is absorbed or given up. The cell cavities may be completely filled with certain water-repellent materials and still permit moisture to reach the cell walls and cause swelling.

STATE GOP MEETS WEDNESDAY TO FIX CONVENTION DATES

Republican State Committee Will Set Machinery in Motion

First official action setting in motion machinery for selection of Minnesota's delegates for the 1944 Republican national convention was taken this week in the issuance of a call for a meeting of the Republican state central committee for Wednesday, February 2nd to fix the time and place for the state convention.

Action taken by the committee will determine not merely the time for the state convention, but dates of the county and district conventions and the precinct caucuses as well, since all must follow in ordered sequence. Each district convention will select two delegates to the national convention, and the state convention this year, due to a bonus for election of a United States senator, will be allowed to choose seven delegates-at-large instead of the usual four.

Call for the national convention has been issued pursuant to action taken by the national committee in Chicago recently. It will be held in Chicago, opening June 26th.

TRAFFIC DEATHS IN MINNESOTA ARE LOWEST IN YEARS

268 Deaths Are Reported for State in 1943 up to December 30

Traffic fatalities in Minnesota in 1943 were the lowest in any year since 1921. Up to December 30, there were 268 traffic deaths, according to preliminary and unofficial figures. This represents a saving of 171 lives under the 439 killed in 1942, and 358 lives saved under the 626 killed in 1941.

The 1943 fatalities represent a 39 per cent reduction under 1942 and a 57 per cent reduction under 1941. Each month in 1943 except December had fewer deaths than the same month in 1942. Best month was February with only 12 fatalities, compared to 33 in 1942.

Minnesota will be either at the top or close to the top in the list of states in the rate of reduction, A. V. Rohweder of Duluth, president of the Minnesota Safety Council, said. While final figures for the year for other states are not available, Minnesota led all the states with a 45 per cent reduction in the first ten months of 1943, as compared to the same months in 1942.

Up to November 1, Minnesota had a rate of 9.4 traffic deaths per 100,000 population, compared to 16.2 for the nation. The rate per 100,000,000 miles of motor vehicles travel was 4.7 for Minnesota, compared to 11.9 for the nation.

The reduction in fatalities is proportionately far greater than the wartime reduction in traffic, Mr. Rohweder added. The number of deaths per 100,000,000 miles of travel in Minnesota in 1943 will be less than two-thirds as many as in 1941, and less than half as many as the average for the last decade.

Otto Bessler Succumbs Monday After Thirty-Four Years in City

Otto Henry Bessler, resident of this city for the past 34 years, passed away at a local hospital Monday at the age of 61. Mr. Bessler, who was employed at Jung's Bakery for 12 years, has operated his own cash wagon in this territory for the past few years.

Rites will be conducted Friday at 1:30 P. M. at the Gulbranson funeral chapel and at 2 o'clock at St. John's Lutheran church. Rev. V. E. Schroeder will officiate at the services and burial will be made at the Greenwood cemetery.

His wife, the former Elsie Furstnau, whom he married Feb. 26, 1908, survives him, as well as three children, Mrs. Ruth Jensen, Miss Elaine Bessler, and Earl Bessler, all of this city; two grandchildren Sandra Lee and Glen Bessler, both of this city; four brothers, Ed of South Bend, Ind., Albert of LaCrosse, Ind., Ernest of Little Falls, and Benjamin of Kiel, Wisc.; two sisters, Mrs. Lillian Ortloff of Paynesville, and Mrs. Hertha Owens of Minneapolis. Mr. Bessler's parents preceded him in death.

Born in Indiana, Oct. 23, 1882, the deceased came to this vicinity and made his home with his parents on a farm near Wylie. Following his marriage in 1908 he came to this city to make his permanent home.

Grygla Pioneer Will Be Laid to Rest at Final Rites Saturday

Sam Sandland, who has been farming southwest of Grygla since 1900, died at his home Monday at the age of 67 years. Rev. G. L. Halmrast will conduct rites Saturday at 1:15 P. M. at the home and at 2 o'clock in the St. Petri church near Grygla. Burial will be made at the church cemetery.

Mr. Sandland, who was born Feb. 11, 1876, at Telemarken, Norway came as a small child to the United States making his home at Hanley Falls until 1900, at which time he came to Grygla to live. His marriage to Anna Stenerson took place at Grygla Apr. 16, 1911.

Other than his wife, survivors include four children, Mrs. Thelma Carpenter of Minneapolis, Kenneth and Henry of Grygla, and Arthur with the navy at Camp Endecott, Rhode Island; one grandson; two brothers, Gunnolf of Grygla and Olaf of Minneapolis; three sisters, Mrs. Ella Davis of McAllen, Texas, Sister Thone Sandland of Chicago, Ill., who returned from China in 1941, and Mrs. Inga Grimmstvedt of Norway. His parents, two sisters, one brother, and a son preceded him in death.

Local Young Man to Enter U. S. Air Corps Reserve

Irvin J. Wilson, for the past two and one-half years employed in the engineering department of the Boeing aircraft company at Seattle, Washington, last Saturday was sworn into the air corps enlisted reserve at Seattle. He arrived in this city Monday to visit at the home of his parents, Mr. and Mrs. H. W. Wilson, until he is called into the service.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

We were very much satisfied with the number that have been turning out for surgical dressings these past two weeks. A week ago Monday, our largest day since work began, we made 2500 dressings with twenty-nine ladies working in the afternoon and eighteen in the evening. Because of the increase in the number working each week we have been able to finish our quota of 30,000 dressings this week. We do not know when our next quota will arrive as there has been delay in getting the material from the factories, due to shortage of labor, but you will be informed through this column when it does arrive. Please keep up the good work when we begin the new quota.

We wish to express our thanks for the gift of one dollar given as a memorial for the late Mrs. Peder Engelstad from Mr. and Mrs. Hans L. Waage.

More cards have been received from the boys overseas thanking our chapter for the kit bags which were made last year. This work was taken care of under the chairmanship of Mrs. A. M. Aase. One of the fellows is a Minnesotan. His card reads:

"Was very glad to get such a swell package from you people. Thank you very much. I am from Minnesota myself and it sure was a coincidence that I should get something from my home town. I am an Indian fellow and have lived there for 40 years. If you care to have my picture I will send it.—Pfc. John Mayquonabe. Please write me again".

The Sewing Room is open every Friday afternoon, so surgical dressing workers will be appreciated in this room while waiting for our next shipment of dressings.

The Advisory Board held its monthly meeting in Herman A. Kjos' office Wednesday evening. Plans were made for launching our 1944 Red Cross War Fund campaign.

Jacqueline Keller, age 12, of Appleton, Wisconsin, put into stirring verse the kind of appeal that ladies all over America should heed. This verse has been reprinted for your benefit:

How many dressings did you fold today?
"A splitting headache kept me away!"
Even amid bursting bombs and gunfire,
On Guadalcanal they don't tire!

How many dressings did you fold today?
"Bridge was scheduled, I had to play."
Would filers play cards on a P-38,
While the enemy fired with malice and hate?

How many dressings did you fold today?
"I'm giving a party," you say,
Not much entertaining for the duration,
We're fighting to keep a free nation!

How many dressings did you fold today?
"Tea dance today — tomorrow I may."
Tomorrow? Tomorrow may be too late.
Lives can be saved if you skip that date!

How many dressings did you fold today?
"Hear of the Smiths?" folks ask in dismay,
Two more large dressings might have saved the twins.
Help Red Cross, that's the spirit that wins!

How many dressings did you fold today?
Please help — "Where there's a will there's a way!

Control Nodular Worms

Sheepmen now have an effective treatment for nodular worms of sheep in phenothiazine. Penn State livestock specialists explain that the control is important because the worms damage the upper intestines, which are used for surgical sutures.

REFUNDING BONDS SAVES $312,000 ANNUAL INTEREST

Low Rate on Rural Credit Issue to Save Total of $5,000,000

New evidence that it has paid the state of Minnesota to put its financial house in order was afforded this past week when investment dealers purchased $9,450,000 in rural credit refunding certificates bearing interest at only 1.4%, one of the lowest rates it has ever received for long term obligations. Maturities on the issue run from 13 to 19 years, with the average more than 15 years.

The bond being refunded, issued many years ago, bore interest at 41-4 and 43-4 per cent. Saving in interest as a result of refunding at the low rate will amount to more than $312,000 a year, accountants say, and over the life of the certificates the saving will run up to $5,000,000.

Among factors contributing to the desirability of Minnesota certificates, investment authorities report, are adoption of an orderly annual tax levy, change in the law making the certificates a general obligation of the state, reduction of the state debt and the general improvement in financial management of the state in the last five years.

Funeral Services to Be Held Saturday for Carl August Nelson

Funeral rites will be conducted Saturday afternoon at 2 o'clock for Carl August Nelson, who died at his home in Bray township Sunday night at 11:45. Rev. J. O. Jacobsen will officiate at the services in the Erickson & Lund funeral chapel and interment will be made in the Landstad cemetery.

Born in Oscarson, Sweden, May 6, 1863, Mr. Nelson came to America, living in Crookston for a short time before coming to Bray township. He was married to Anna Sophia Nelson, who passed away, and in later years he was remarried to Selma Caroline Englund at Red Lake Falls in the fall of 1906.

Four children survive, namely, Mrs. Luella Swenson and Herbert and Arthur of this city, Melvin with the army at Fort Benning, Ga., and two grandchildren. He was preceded in death by a daughter and three sons, Alma, John, George and August.

Sees Little Prospect of More Civilian Goods

With preparation now in full swing for an all-out military drive against the Axis, there can be no general resumption of civilian goods at the present time, is the opinion of WPB chairman Donald M. Nelson and a group of leading industrialists, who met in Washington last week to discuss the problem of civilian production.

"With our biggest battles coming up," Mr. Nelson said, "this emphatically is not the time to divert any substantial quantities of materials, labor or facilities to less essential civilian production. There certainly cannot be any return to volume production of less essential goods until the war picture is a great deal clearer."

LONG PRAIRIE MAN ELECTED HEAD OF EDITORIAL GROUP

W. E. Dahlquist Advances to 2d Vice President of Association

Carl C. Carlson, editor of the Long Prairie Leader, Saturday was elected to the presidency of the Minnesota Editorial association at the closing session of the 28th annual convention in Minneapolis.

Carlson succeeds Wayne Peterson, publisher of the Moorhead Daily News.

Ludwig Roe, Montevideo News, was named third vice president, succeeding W. E. Dahlquist, Thief River Falls Times, who moved into the second vice presidency.

Members of the association were told Friday by Lt. Gen. William S. Knudsen, director of production for the United States army, that despite a "terrific upswing" in production and a break in manpower bottleneck, the war is far from over yet.

The speaker praised industry and congressional co-operation. Describing his trip to the South Pacific last summer, Knudsen said he was amazed at the morale of the soldiers, sailors and marines.

Juvenile Thieves Taken after Stealing $10,000 in Liquor in Grand Forks

Three juvenile aged youths were being held in jail in Grand Forks Tuesday for the theft of $10,000 in liquor from the Belmont Cafe early Monday, officers announced.

The liquor was found on a farm owned by Ole Lageson, 21 miles south of Grand Forks. Lageson was held in jail pending a preliminary hearing.

The boys, two of them 17 years old and one 16 years old, all of Grand Forks, told investigators on Monday night that they made a deal with Lageson Sunday for 100 cases of liquor and that $4,000 was paid by Lageson to one of the boys Monday, investigators said.

A NEW ANGLE ON PETER RABBIT STORY!

New Prague. — Br'er Rabbit seems to have added something new in the way of head ornamentation, if the rabbit caught by dogs belonging to Marvin Jahn of Lanesburg is any indication of what the well-dressed rabbit should wear. The rabbit was a perfectly ordinary looking grey one, except for the fact that it had seven horns, a few inches long, sprouting from the top of the head near the ears. Mr. Jahn's dogs caught the five and one-half pound rabbit.

REGENTS OPENING SEARCH FOR NEW UNIVERSITY HEAD

President Walter C. Coffey Term Is Extended to June, 1945

Regents of the University of Minnesota have appointed a committee to perform one of the most important functions within the powers of that body, namely to recommend to the board a candidate for the presidency of the institution.

President Walter C. Coffey's term has been extended from June 30, 1944 to June 30, 1945 with no statement that he will or will not retire at the later date. Under present age limitations, President Coffey would have retired at the end of this year but for the extension.

Members of the nominating committee are Regents Fred B. Snyder, veteran presiding officer of the board, Albert J. Lobb of Rochester, A. J. Olson, farmer member, of Renville, Sheldon V. Wood of Minneapolis, and Dr. E. E. Novak of New Prague.

Meanwhile, as was done when a president was sought following the death of Dr. Lotus Delta Coffman, the faculty has appointed a committee to "consult and advise" with the Board of Regents and to make available to the board prevalent faculty opinion of men under consideration. The faculty committee, named at the December meeting of the university senate, is made up of Dr. O. B. Jesness, agricultural economics, chairman; and Drs. J. W. Buchta, physics, Ralph D. Casey, journalism, John W. Clark, English, Marcia Edwards, education, Harold P. Klug, chemistry, and J. C. McKinley, medicine. Drs. Clark and Klug represent the younger members of the faculty, namely those below the rank of associate professor.

Whoever is elected will be the eighth president of the University of Minnesota, starting with William Watts Folwell, who took office in 1869, in which year collegiate instruction was begun. Serving subsequently have been Cyrus Northrop, 1885-1911; George Edgar Vincent, 1911-1917; Marion LeRoy Burton, 1917-1920; Lotus Delta Coffman, 1920-1938; Guy Stanton Ford, 1938-1942 and Walter Castella Coffey, 1942 to the present.

It is conceded throughout the state of Minnesota and the educational world that the University of Minnesota has been exceptionally fortunate in its presidents, each of whom has made his peculiar and significant contribution to the growth of that institution towards the high position it now holds among the universities of the world.

REP. HAGEN HINTS HE WILL REENTER REPUBLICAN FOLD

Says He Was Not Consulted as to Proposed F.-L. Dem Merger

Congressman Harold C. Hagen, Ninth district, declaring he has not been consulted about the progressing merger of his Farmer-Labor party with the Democrats, moved nearer to the Republican border late last week.

In Washington, Hagen said the merger would leave him "a man without a party" and that "I have felt the opportunity for the liberals would rest in the Republican party," to which, "as an old Republican myself," he felt many Farmer-Laborites would return if the F-L party dissolves.

Democratic State Chairman Elmer F. Kelm and the Farmer-Labor chairmen, Elmer A. Benson and Paul A. Tinge, were given official blessing of Vice President Wallace and Democratic National Chairman Frank C. Walker for the proposed amalgamation.

108,000 EGGS WENT AROLLING

Marshall.—Had it been summertime a few days back when a truck overturned at a road intersection, spilling 300 cases of eggs (a total of 108,000), doubtless there would have been well-cooked eggs for the whole community. One half splashed the pavement and would have quickly turned into a tasty dish of scrambled eggs from the heat of summer pavement. The other half was salvaged.

MORE RAZORS AND RAZOR BLADES TO BE PRODUCED

Razors and razor blades will be produced in greater abundance in 1944, said W. A. McMillan, WPB district manager in this area, today. The only restriction left on razors, which previously were limited to provide sufficient quantities for the armed forces, export and lend-lease, will be the amount of materials allocated for their production by WPB.

MINNESOTA FARM BUREAU CONDUCTS ANNUAL MEETING

All Officers Are Reelected at Convention Held in St. Paul

All officers of the Minnesota Farm Bureau Federation were reelected and all policy-declarations made last year were re-stated at the silver anniversary convention held in St. Paul, Jan. 17-19. Officers whose terms expired were Frank W. White, of Marshall, president; Ole A. Flaat, of Fisher, first vice president and H. M. Sword, of Deer River, second vice president. All were reelected by unanimous vote.

J. L. Morton, Hancock, and Mrs. Lewis Minion, Bingham Lake, were reelected to the executive board. Officers hold office for one year, directors for three. The secretary and department heads are elected by the executive board.

The convention, most largely attended in the history of the farm bureau, conducted its official business through delegates chosen by county farm bureaus. Each County Farm Bureau had at least one official delegate, none had more than two. In debate on the resolutions sent from county organizations for action by the state federation, keenest interest centered on the food subsidy question. By a vote of 82 to 5 the federation voted to continue its opposition to subsidies, this opposition having been voiced at the previous annual meeting.

The stand taken by the board of regents of the University of Minnesota and by President W. C. Coffey in the handling of the university employees' strike, was praised in a resolution presented "from the floor". Governor E. J. Thye was praised for his services as mediator in the dispute.

The membership of the Minnesota Farm Bureau in 1943 was 38,667 farm families, the largest to date. The 1944 membership will exceed 40,000 families, county reports indicate.

Empty Toothpaste Tubes Need Not be Turned in After March 1, Says OPA

That empty tooth past tube—formerly demanded in return for purchase of a new tube—will not be necessary after February, according to a new WPB ruling announced today. Consumers of tooth paste, shaving cream and other products packed in collapsible metal tubes will be relieved, effective March 1, of the requirement to turn in a used tube when purchasing a new one.

Tin salvaged from old tubes has been dwindling in quantity, WPB officials explained. Since tin content has been constantly reduced, the tubes were needed chiefly for tin—other metal content being relatively unimportant for salvage purposes.

Removal of the requirement of turning in old tubes does not mean that they are no longer wanted, WPB officials said, and purchasers of products packaged in tubes are urged to voluntarily continue to turn in their old tubes when making purchases. Old tubes purchased a year or more ago are specifically wanted since their tin content is high.

Beaver Population Down; No Open Season This Year

There will be no open season on beaver in Minnesota this year, according to an announcement made today by Chester S. Wilson, commissioner of conservation. This decision is based upon recommendations made to the commissioner by Verne E. Joslin, director of the division of game and fish. He states that surveys made by the research unit of the bureau of game reveal that the beaver population has been reduced approximately 50% of what it was in 1940. This reduction is attributed to three open seasons and a lower reproduction in 1943 because of unfavorable weather conditions.

1942 CHRISTMAS CARDS ARRIVE CHRISTMAS 1943

Sauk Centre.—Mike Caldwell, who recently came here from New York to work, received two Christmas cards and five letters all of which had been mailed before Christmas 1942. They arrived in time for Christmas 1943. Meanwhile Mike has been all over the world, in North Africa as first sergeant in Uncle Sam's forces, in a hospital suffering from wounds, and finally in Minnesota. The cards were originally mailed to Fort Benning, Georgia.

Your Federal Income Tax

Prepared by the Bureau of Internal Revenue

Our Income Tax System

Your income tax—including both the regular income tax and the temporary wartime victory tax—is a major part of the Federal Government's method of paying for the war and all other governmental costs.

These taxes are figured as a percentage of your income, after deducting various exemptions, credits and deductions. They are based on your taxable income from all sources, including wages, salaries, bonuses, commissions, business profits, dividends, interest, rent, and royalties.

The regular individual income tax on 1943 income includes a so-called "normal tax" of 6 per cent and also a "surtax" which begins at 13 per cent and increases by steps (frequently called "brackets") to successively higher percentages for larger amounts of income.

The victory tax is also an income tax, but is only for the duration of the war, and somewhat different deductions, exemptions, and credits are granted than are allowable for the regular income tax. The victory tax is computed at 5 per cent, but an automatic credit (formerly called a "post-war credit") reduces the tax by one-fourth or more, depending on whether you are married or single and on how many dependents you support.

These are the taxes for which an annual income tax "return" must be filed on or before March 15, 1944.

The requirement for filing these returns has not been altered by the "pay-as-you-go" collection system which was installed last year.

Under the pay-as-you-go system, part or all of an individual's income taxes—both regular income and victory taxes — was withheld from his wages during 1943 and turned over to the Treasury by employers. In the case of individuals who were not kept substantially paid up by the wage withholding, additional payments were required on the basis of "declarations" of estimated tax.

However, since both of these types of payments were only approximate, it is still necessary after the end of the year 1943 to file a "return"—not later than March 15—in order to determine the amount of the correct tax. In connection with this return, you will compare the correct amount of your tax and the actual amount of your payments. If your payments were less than the correct tax, you will pay the difference. If your payments were more than the correct tax, you will be entitled to a refund, or credit.

Because we are still in the transition period of "pay-as-you-go" there will have to be an additional chore in this year's return. When the plan started, you already owed your 1942 tax. To relieve you of paying both years' taxes in one year, Congress decided to forgive a part of one year's tax. Therefore, most taxpayers will have to figure how much of that year's tax was not forgiven and make a payment.

The 1943 returns are due not later than March 15, 1944, but taxpayers will find it in the best interests of both themselves and their Government to file as early as possible.

The return should be filed with the collector of internal revenue in the district in which the individual has his legal residence or place of business. If you don't know the collector's address, inquire at your local post office.

Bring Your Old Card to Renew Drivers License

Bring your old driver's license when making application for renewal, is the advice of a state highway bulletin. The old card must be turned in before the new license is issued, and it will expedite matters if you bring the old card when you apply for renewal. All drivers' licenses issued before Sept. 1, 1942, expire on the licensee's first birthday after that date, and unless application is made on or before the birthday, the right to drive motor vehicles on public streets and highways will lapse. Applications may be made to clerks of the district courts.

Private to Lieutenant

Last Wednesday Private Arthur E. Kleisath was a graduate of the Scott Field, Ill., radio school, awaiting shipment to another base. On Thursday he found himself a first lieutenant in the army as a result of his application many months before on the basis of 15 years with the post office department in Washington. D. C.

Progress has been made in two directions this week in the effort to secure favorable action on the Red Lake river flood control project. At the national capital Governor Thye explained the problem to members of the Minnesota delegation in Congress and received their pledge of support. In St. Paul Chester Wilson, commissioner of conservation, with deputy commissioner E. V. Willard, argued the war time necessity for immediate construction before LeRoy Smith, regional director of the War Food Administration. Arrangements have now been made to present the facts before Marvin Jones, national head of the WFA, and it is thought that if his support can be obtained it will not be difficult to secure a favorable report from the War Department whose engineers have already recommended the project. As a result of these efforts we should know soon whether the improvement program will be classified as a war or as a post-war project. For post-war construction it is now in a very favorable position.

That Italian campaign is still a long way from being completed but at any rate the deadlock seems to be broken and from now on we may expect more action. The landing of another American army farther up the coast evidently caught the Germans off guard, making their position rather desperate. Hitler probably is now in a position where he cannot reinforce one section of his long defense line without weakening it in some other place. He must be prepared for new attacks in any number of sectors. He is badly in need of some kind of a victory to bolster morale at home however, and, being desperate, he will take desperate chances. He may decide to shoot the works in Italy.

Pennington county reduced its indebtedness more than ten per cent last year, cutting its funded obligations from $620,000 to $163,000, a reduction of $57,000. That is good progress in the right direction and if continued a few years will reduce our indebtedness to less than 10% of our valuation and take us out of the hard-up class of counties. County officials plan on meeting all of the $15,000 payments that come due this year and may be able to do a little better. Now is a good time to reduce debts, both public and private. It is the most effective way to prepare ourselves for the problems we will face when the war ends.

A national service law may be a desirable thing at this time but it is difficult to understand why, if it was not necessary immediately following Pearl Harbor, it should suddenly become so vital to our war effort. We believe it would have been well to put the entire nation on a war basis at the time our national safety was actually threatened. There would have been no argument if at that time the government had frozen wages, prices and profits, and told us we would have to work as many hours a day as the production needs of the country demanded. That is what should have been done then and possibly it should be done even now. Coming as it does at this time, however, the demand for such a law now smacks of ward politics—an excuse to say to the boys in the service that I tried to do it but our opponents are against that sort of thing.

We haven't yet found an old-timer who can remember a prettier January than the one that is now on the way out and no matter what happens from now on in, this is one of those winters that will be referred to for many years to come. If we can get by next week, the week of the Winter Show which almost invariably comes in with a storm, then it will practically be safe to return the neighbor's snow shovel and start looking around for a sharp lawn mower.

In this season of annual reports there is reason for satisfaction in the figures on tax delinquency, prepared by county treasurer Johnsrud. Last year the current taxes on all but seven per cent of the property in Pennington county were paid, and this small portion was more than offset by the nearly $30,000 of taxes from previous years that were collected. Not so many years ago, as we recall it, the county's delinquency exceeded twenty per cent.

HIGHWAY INCOME DOWN 7 MILLION IN THE PAST YEAR

Gas Taxes Decline 29 Pct. in 1943, Commissioner Reports

Receipts from motor vehicle and gasoline taxes and federal aid, the three principal sources of trunk highway funds, were $7,627,173 less in 1943 than in 1942, according to figures released by M. J. Hoffmann, commissioner of highways. Receipts from these three sources totaled $17,201,703 in 1943, compared to $24,828,876 in 1942, a decrease of 30 per cent.

Receipts from motor vehicle taxes credited to the trunk highway funds in 1943 were $7,694,602, compared to $9,392,040 in 1942, a decrease of 19.1 per cent. Of the 1943 receipts, approximately $1,500,000 represents receipts for 1943 license plates and the balance receipts for 1944 plates sold after October 1.

Receipts from gasoline taxes credited to the trunk highway fund in 1943 were $8,890,810, compared to $12,541,810 in 1942, a decrease of 29.1 per cent. This represents two-thirds of the total net gasoline tax receipts.

Receipts from federal aid in the trunk highway fund in 1943 were $716,231, compared to $2,894,420 in 1942. These figures represent actual collections and not allotments.

The one-third of the gasoline taxes credited to the state road and bridge fund, for allotment to the counties, totaled $4,440,405 in 1943, compared to $6,270,906 in 1942. This decrease of $1,625,500 is reflected entirely in the allotments for county aid roads, since the amount of gas tax available for allotment for state aid roads is fixed by law at $1,200,000 annually. The decrease, however, was anticipated when the allotments were made by the state allotment board last May.

Pedestrians Take Lead in Dec. Traffic Deaths

Pedestrians suffered heavy casualties on the home front in Dec. according to a state highway bulletin. Fourteen of the 27 fatalities so far recorded as due to motor-vehicle accidents were pedestrians. Poor visibility due to lack of snow was considered one of the contributing causes.

All of the pedestrian victims were adults, most of them past middle age. Ten were killed while crossing streets and four while walking along highways. Six of the 14 pedestrians fatalities occurred in Minneapolis.

The 13 killed while riding in motor vehicles included three in cars that went off the road, five in passenger car collisions, two in car-truck collisions and three in train and motor vehicle collisions.

BOY SCOUT NOTES

The past week was a busy one for both scouts and scouters. The weather has had a special smile for the cheerful scouts as they participated in several hikes and advancement - projects. Thirty scouters attended the training course session on Wednesday.

Troop 60 will make a sandwich hike on Saturday at 10:30 A. M. if the weather is favorable. Meet at the customary place and be prepared for a four mile hike. This hike will be directed by the patrol leaders. If the weather should not permit the hike, the advancement work will be carried on at the meeting place. The other troops also will hike. Contact your patrol leader for instructions.

Next Wednesday Feb. 2 at 7:00 P. M. in the Civic and Commerce room, the board of review will reconvene to consider the advancement of scouts in all troops. This is the last call before the court of honor which will be held on Feb. 15th.

Scouts should attempt to secure uniforms and be prepared to attend church services on Sunday, Feb. 13th, which is Scout Sunday.

The scouts have loaded and shipped seventeen tons of waste-paper as a part of their war effort. The collection of an additional eight tons should be possible. Call 978 and arrangements will be made to pick up your contribution to a good cause within the next week or two.

Marshall Co. Farmers Union Meets at Gatzke

Eight board members of the Marshall county Farmers Union met at Gatzke January 19 to formulate plans for the coming year, it was announced by Erwin F. Reinnitz, county secretary. A committee was appointed to make plans for a county convention in June, and a $25 appropriation was voted by the county unit to the national legislative fund. A resolution in favor of subsidies was adopted. Preliminary plans were made for a county school of instruction to be held in the eastern part of the county March 2.

WHAT! GAS WITHOUT MONEY OR COUPONS?

Bricelyn.—Quite a number of local car owners went about town one morning recently with a full tank of gas and nary a gas coupon had they dug up for the tank full, nor nary a red cent! It all came about because Elmer Carlson, local tank wagon driver for an oil company was called out in the wee hours of the morning to unload a transport of gasoline. Probably by the excessive weight of the nearly full 15,000-gallon stationary tank, the frozen ground sagged and the connection leading to the large tank broke, causing gasoline to gush from the broken pipe. News of the accident spread fast and it was not long before townsmen heard of the mishap and rushed down to the station with pails and other containers to salvage the escaping gasoline.

EMERGENCY CROP LOANS BEING MADE FOR MARSHALL CO.

Loans Available to Farmers without Other Sources of Credit

O. T. Johnson, field supervisor for the emergency crop and feed loan division of the department of agriculture, has received an announcement from his St. Paul regional office that 1944 crop and feed loans are now available to all eligible farmers in Marshall county at his office in the court house at Warren.

Mr. Johnson reports that there has been no change in the law or regulations under which loans have been made during the past few years, but he stresses the fact that loans are not available to applicants who can obtain credit on reasonable terms from other sources, including local banks and production credit associations.

As in the past, farmers who obtain emergency crop and feed loans will give as security a first lien on the crop financed, or a first lien on the livestock to be fed if the money borrowed is to be used to produce or purchase feed for livestock. Loans draw interest at the rate of 4% per annum from date of disbursement and the amount which may be loaned to any one farmer in 1944 may not exceed $400.

More Citizens Killed in Traffic Than in the War

The tragedy of war was brought home to the people of Minnesota when the names of 713 men from this state, who died in action or from wounds since Pearl Harbor, were all published at one time. The names filled an entire page of a metropolitan newspaper. The list included 443 from the army, up to December 27, 1943, and 270 from the navy, marines and coast guard, up to December 15, 1943. These 713 men died serving their country. But in approximately the same period 767 persons were killed in motor-vehicle traffic accidents in Minnesota, including 62 in December, 1941; 439 in the year 1942; and 266 in the year 1943. Their names, if published at one time, would not only fill the page, but would overflow on another page. These 767 deaths on the home front did not help win the war.

1,000 Miles on Motorcycle To Spend Furlough at Home

Hutchinson.—Rail or bus transportation didn't bother Staff Sergeant George Schulpp when he learned at the last minute he could leave the army air base at Pueblo, Colo. for a Christmas furlough. Twenty minutes after the furlough was granted he was on his motorcycle headed for Minnesota. Traveling 1000 miles part of which was through snow and sleet, he reached home just 20 hours later.

Natives' 3-Day Thirst Quenched by Navy

Precious water is doled out to natives on Makin island by men of the United States navy. The Japanese had prevented the natives from obtaining any water for three days before the American landing. Since our forces have invaded islands of the Gilbert group, Jap forces have retaliated only with nuisance air raids.

LOG SAWERS REAP 44 POUNDS HONEY

Gibbon.—While cutting dimension lumber along the river bottom, Leo Deterling recently had a most unusual experience. A 12-foot long basswood log was rolled onto the conveyor and when the first cut was made along a knotty side of the tree trunk, the log opened and revealed a huge swarm of bees. It was fine for Leo that the bees were dead as otherwise he might have found himself in a mess. The entrance knot hole had frozen over causing them to suffocate. Forty-four pounds of delicious white honey was his reward for that cut!

2,000,000 FLATIRONS ARE PROMISED FOR 1944

2,000,000 flatirons will be produced for civilian use in 1944, it was announced by W. A. McMillan, WPB district manager today. This program will be part of the WPB policy to alleviate shortages of essential civilian needs, where the elimination of such shortages will aid the war effort. Consumers are warned by WPB that it will probably be six months before many of the two million flatirons will reach dealers' shelves.

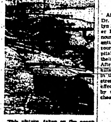
December Business in City Increases 10 Pct.

During the Christmas month of December the volume of business in Thief River Falls as measured by bank debits was 10 per cent above the point reached in the month of 1942, while totals for the calendar year of 1943 were the highest on record. Compared with 1942, the 1943 total showed an increase of 17 per cent. Bank debits figures which represent money drawn by depositors from their bank accounts to purchase goods and to pay for services, debts, etc., are released each month by the Federal Reserve Bank of Minneapolis. In a given locality debits are considered a good indication of general business trends and reflect farmers cash income and government spending in addition to general trade volume.

Labor Shortage Threatens

Loss of a million farm workers within the next 12 months is in prospect if present trends continue. About half of these will go into the armed forces and the other half will be employed by urban industries. The resulting shortage of farm labor will curtail agricultural production, it is expected.

Waterpower Damage



This picture, taken on the ocean front at Redondo Beach, Calif., shows how tides and pounding waves have turned the concrete walkway into a series of broken blocks.

Few Large Animals in South America Years Ago

When white men first reached the New world, they did not find so many large, wild beasts as exist in Africa.

There were no elephants in either North or South America in the time of Leif Ericson or Christopher Columbus. Long, long ago, wild elephants of several kinds roamed over our continent, but the last of them seem to have died thousands of years ago. We know about them only because of the skeletons which have been found here and there.

The largest animals on our continent when men from Europe first explored it were buffaloes, Kodiak bears, grizzly bears, polar bears, moose and elks.

The animals named did not exist in South America. Instead of them, the southern continent had such beasts as tapirs, armadillos, anteaters, llamas and alpacas—not to speak of monkeys.

The fiercest of all South American animals was—and is—the jaguar. This big cat ranks third in size among the members of the cat family. Only the lion and the tiger are larger.

The average length of a full-grown jaguar is about 6½ feet. Now and then, however, a jaguar from seven to eight feet is found. The figures given include the length of the tail.

A jaguar is spotted, and in this way is like an African leopard. The spots are black on a brown or yellowish coat.

Perching on the limb of a tree, the jaguar waits to pounce on its prey. It attacks and kills deer, tapirs and monkeys. Its food also includes birds, turtles and fish.

Synthetic Rubber May Be Desirable Substitute

When discussion turns toward the part of rubber in national defense, the question frequently arises of the availability of synthetic rubber and how they can replace or supplement natural rubber. Present-day trends in the rubber industry, as a whole, can serve as a basis for estimating what will be done with synthetics in the near future.

In 1940, the consumption of crude rubber in the United States was approximately 615,000 long tons, a rise of some 5 per cent over 1939. In 1939, there were consumed 1,700 long tons of synthetic rubbers of all kinds, a figure which was stepped up to an estimated 3,400 long tons in 1940. The present outlook indicates that about 650,000 long tons of rubber will be required to fill orders during 1941; of this total there is a probability that 9,000 to 10,000 long tons will be taken care of by synthetics.

Manufacturers of synthetics are naturally secretive about future plans; enough information is available, however, to venture an estimate that by the end of 1941 they will be in a position to produce on a basis of 20,000 long tons annually. Much depends, of course, on a rumored RFC loan of $25,000,000 to $50,000,000 to be applied to synthetic rubber manufacture.

Whale Oil

Most people think of the Moby Dick era as the heyday of whaling, but whaling did not actually reach slaughterhouse efficiency with floating factories and motor launch harpoon-gunning until the Twentieth century. In the three centuries from 1620 to 1920 the average whale catch was about 3,000 a year. In the 1937-38 season 34,604 whales (yielding 615,300 tons of oil) were taken, the greatest number in history. Writing in Science recently Dr. Robert Cushman Murphy observed, that during the 1938-39 season a record kill may again have been perpetrated, but there were so many ships in the field, especially in the Antarctic, that preliminary reports indicate a very poor season in yield per ship.

Whale oil, unfortunately for whales, is especially valuable in war.

House 'Facial'

A good way to treat the whole house to an uplifting "facial" is to think of the work or job as fine, healthful exercise. Many women spend several dollars in a steam bath, or perhaps in a gymnasium or other reducing parlors, when they can have similar results in their homes—for nothing.

Thus, do the upstairs one morning, turning mattresses, shaking bedding and then mopping up the floors with a good suds-and-soap solution, using a long-handled mop, if you wish, or going to it in what the gymnasts call the "bear position"—that is, on all fours—there's nothing like that humble posture for contracting the abdominal muscles and giving the figure desired by all women.

Antiseptic Paint

After thousands of experiments, Dr. Foster Dee Snell, prolific Brooklyn industrial chemist, and Co-Worker Dr. Samuel Sidney Epstein announced production of a successful antiseptic paint — for children's rooms, breweries and bakeries, hospitals, food factories. They mix their paint with chlorine and iodine. After nine weeks on the wall it still kills typhoid and some other germs in the air, retains some antiseptic strength for six years. It is not so effective as sterilizing indoor air by ultraviolet radiation, but it is cheaper.

Emblem Relatively New

The present emblem of the marine corps with its globe, eagle and anchor is comparatively new. It dates back to shortly after the Civil war.

Output of Children's Garments to Increase

Increased production of infants and children's clothing in 1944, was announced today by W. A. McMillan, WPB district manager in the Fargo area. Cotton fabrics and worsted and cotton yarns will be allocated to producers of infants and children's apparel — including outerwear and hosiery — to insure adequate output of specific items in the first quarter of 1944 and also during succeeding quarters. Mr. McMillan stated, however, that such goods will not arrive on retail counters until February and March.

FARM TRACTOR OUTPUT SETS NEW RECORDS

20,000 tractors, for use principally on farms, were produced in December, 1943, as compared with a production of 4,200 in December of the preceding year, according to an announcement by W. A. McMillan, district manager of the War Production Board. The December production was the largest for any month in two years, Mr. McMillan said, and represents the peak of a steady increase in production of farm tractors which started at the beginning of 1943.

Public Notices

Card of Thanks

We wish to express our sincere gratefulness to our neighbors and friends for the many beautiful flowers. Spiritual bouquets, words of comfort and other kindnesses during the illness and death of our beloved husband and father. Mrs. Mary Palen, Mr. and Mrs. T. N. Hardin, Mr. and Mrs. D. V. Snelling, Mr. and Mrs. L. Samuelson, Mr. and Mrs. C. Hostetter, Cpl. and Mrs. A. V. Erickson. 4p

Card of Thanks

We wish to extend our sincere thanks to our many friends who donated the gifts received at our silver wedding. Mr. and Mrs. Ed. G. Peterson, Hazel. 4p

RESOLUTION — Minnesota State Townsend Club Conference —Soldier's Pay Bill — Delegates voted for immediate passage of H. R. 1701, a bill providing for the payment of $100 a month for twelve months to our boys and girls in the service after the war ends. The passage of this bill is necessary if we are to avoid the difficulties experienced after the last war when the soldiers were compelled to sell apples and pencils on every street corner to earn their bread and butter and had to wait 18 years for their adjusted compensation (called bonus). Write your Congressman for copies of this bill, H. R. 1701, and hand them to folks in your community who have sons in the service. 4p

NOTICE—Any person that is interested in the Soldier's Pay Bill, H. R. 1701, which is Post-war Security for our Fighting Men. Petitions are being circulated by members of the Townsend Club, please sign that petition if you have chance. Let us not wait until the cessation of hostilities to enact legislation to protect our boys who are fighting and dying for us. Let us not measure the cost. The cost is negligible when we consider that we have already authorized $203,000,000,000 in appropriations for war purposes to destroy property and take human life. 4p

Card of Thanks

We wish to extend our sincere thanks to our many friends and neighbors and relatives for the lovely gifts and the purse of money that was given to us at the Ole Lian home. We also wish to thank those who assisted in making this affair a success. Thanks to all. Mr. and Mrs. Arnold Helgeland. 4p

FARMERS — Why continue wasting valuable cream with an unbalanced worn bowl which finally wrecks your cream separator? It won't repair itself. So be wise, sooner the better bring that bowl to L. L. Furan, 411 LaBree Ave. N., Thief River Falls, Minn., for expert checkup. I service all makes. Price low. Work guaranteed. 58p

Card of Thanks

We wish to express our sincere thanks to our many friends and neighbors who showed us sympathy during the recent illness and death of our husband and father. We especially want to thank Rev. W. Pedersen for his words of sympathy and comfort, to Mrs. Pedersen for her songs and music, to the Goodridge Full Gospel Assembly for their gift, to the Reiner Ladies Aid for their floral offering, the pallbearers and others for their gifts of money. These expressions have been greatly appreciated. Mrs. P. M. Olson and family. 4p

ATTENTION FARMERS —We pay $3.00 for your large dead animals such as horses and cattle with good hides on. We pay up to $5.00 for live horses. Do not drag animals. We pick up free of charge, colts, calves, hogs and sheep. A gift given for small animals. Call us promptly upon discovering dead animals. Phone 996 at Thief River Falls Dead Animal Service. 4tfc

Card of Thanks

We extend our heartfelt thanks to our many friends and neighbors for their many deeds of kindness, words of comfort, beautiful flowers and memorial gifts in the loss of our daughter, granddaughter and niece, Corlin Marie. Especially do we wish to thank Mrs. Wm. Gilbertson for her beautiful songs, Rev. J. K. Lerohl for his comforting words, members of the Modern Woodmen lodge who acted as pall bearers and all others who assisted, and the Oen Mercantile Co. for the memorial gift. Sgt. and Mrs. C. C. Heen, Mrs. C. Heen, Mr. and Mrs. S. Hanson, Mr. and Mrs. F. R. Frederickson, Mr. and Mrs. S. J. Bredeson, Mr. and Mrs. Eng. Storvick, Pfc and Mrs. D. B. Heen, T-4 Lloyd R. Hanson. 4p

What You Buy With WAR BONDS

A pelorus, used by the Navy, is a device which fits over the surface of a compass to enable the operator to take bearings on distant objects. It has split hair sights, has been in use for many years . . . and costs approximately $125.

These instruments are essential equipment to every American ship which comes out of the shipyards. With the scores of ships now being completed each month, we need many of these instruments. Your purchase of War Bonds and Stamps will help pay for them. Invest at least ten percent of your income every payday in these interest bearing Government securities.

Will Wear New War Dress

The mason jar, fixture of home canning since frontier days, will come forth shortly in new war dress. WPB recently prohibited the use of zinc in making lids for glass containers and this means that the old mason jars will have to wear a new cap.

However, housewives can convert to war standards in this case with relatively little difficulty, for a substitute for the zinc jar tops is available in the porcelain closure with a steel rim.

SUBSIDY PAYMENT ON DAIRY FEED TO HOLD THIS MONTH

War Food Agency Assists in Offsetting Rising Cost of Production

The War Food Administration has announced that the dairy feed program payments will be continued through January to help farmers maintain the output of milk and other dairy products at the wartime level. These payments are made for the purpose of offsetting the rising production costs since September 1942, and to bring about a more favorable price ratio for the production of milk and dairy products.

It was also announced that the rates of payments for all counties of this state for January deliveries would be thirty-five cents per hundredweight for milk and five cents per pound for butterfat.

These increased rates of payment which will be in effect for January deliveries only, should be an incentive for farmers to maintain, and where possible, increase their production of milk and dairy products.

In the event producers have not filed application for the month of October, October cream statements and cream slips will be accepted and can be filed when November and December applications are filed. The AAA has been authorized to accept October, November and December cream statements and cream slips until the 31st day of January. All applications must be filed at that time.

COLLECTOR GIVES INSTRUCTIONS ON WITHHOLDING TAX

Fourth Quarterly Returns to Require Special Handling

Arthur D. Reynolds, collector of internal revenue, today announced that forms and instructions for the preparation of the fourth quarterly withholding tax return for the year 1943 have now been mailed to employers. This is the final return for the year and requires special handling. Employers are required to attach to this fourth quarterly return:

a. Duplicates of receipts furnished employees. Receipt Form W-2 is prepared by the employer in duplicate showing salary or wages paid the employee during the year and the tax withheld from such salary or wages (both Victory tax and income tax shown as one item). The original is furnished the employee as a receipt and the duplicate attached to the fourth quarterly withholding tax return, Form W-1, when it is filed on or before January 31st.

b. A statement, Form W-3, which reconciles tax withheld as shown on the duplicate receipts (Form W-2) with the withholding tax paid to the collector as shown on the four quarterly returns filed for the year.

Since most employees will need the information contained in the receipt, Form W-2, in the preparation of their income tax returns for the year, and because it is of the utmost importance that the duplicates of such receipts be made available to the office of the collector of internal revenue as soon as possible, employers are urged to file their returns for the fourth quarter together with Forms W-2 and W-3 promptly after the close of the year, but in no event later than January 31.

Warren Takes Prowlers EGF Plays Here Friday

Junior Hockey Tourney Slated Here Feb. 25-26

At a meeting of the Northwest Junior Hockey association in Crookston Sunday, the 1944 40 & 8 junior hockey tournament was awarded to Thief River Falls, with the dates for the tourney being scheduled for Friday, Feb. 25th and Saturday, Feb. 26th. L. S. Miller, of Crookston, was re-elected president of the association, Rev. Victor Cardin, of Red Lake Falls, vice-president, and A. M. Campbell, of Thief River Falls, secretary-treasurer.

HORNETS DEFEAT ROSEAU H. S. 4-3 SATURDAY NIGHT

Crookston Cathedral Coming Here to Play Locals Saturday Night

Two rapid-fire goals in the opening minutes of the third period, on neat passing plays, broke a 2-all deadlock and gave the Hornets a 4 to 3 triumph over Roseau high school in a well-played and exciting game played here Saturday night.

On Saturday evening, on the Arena ice, the Hornets will meet their foremost rivals, the Crookston Cathedral sextet, and judged on their play against Roseau, the two teams are evenly matched.

The 40 & 8, sponsors of the Hornets, announced that a short memorial service, in honor of former coaches George Beverley and Leonard Russell, the former Hornet hockey player, Delmer Hovie, all of whom have lost their lives while on active duty, will precede the Hornets vs. Cathedral game.

The Hornets held the upper-hand throughout the entire game Saturday night, holding a 1 to 0 lead at the end of the first period of play. Tony Dorn made an ice-length carry of the puck, circled the net, fed a pass to Sonny Johnson, and Sonny relayed a short pass to Bob Baker, who whipped the puck, from ten feet out, past goalie Mike Delmore.

Roseau knotted the score in first minutes of second period when Carl Oveson picked up Morris Taylor's rebound and sent a back-hand shot into the goal. Bob Baker shoved the Hornet back into the lead when, from a mixup in front of the Roseau nets, he poked a shot past the Cloverleaf netminder. Rube Bjorkman gave Roseau a tie score, 2 to 2, as the second period closed when he recovered Taylor's rebound and flipped a score past "Mud" Mortrud.

The Hornets clicked for two nifty goals early in the final period, the first on Sonny Johnson's shot, after getting a pass from Bob Baker, and the second, moments later, on Bob Baker's drive from close in, on Johnson's assist. In the last minute of play Bjorkman, intercepting a Hornet pass near the local's blue-line, skated in for set-up shot to account for Roseau's third goal.

Roseau's Morris Taylor and the Hornets' Tony Dorn were given major penalties in the third period for engaging in a short session of fisticuffs in mid-ice.

The summary:

T. R. Falls (4)	vs.	Roseau (3)
W. Mortrud	goal	Delmore
Dorn	defense	Peterson
V. Mortrud	defense	Olvin
Johnson	wing	Taylor
Olson	wing	Baumgartner

LOCAL NURSE FINISHES COURSE AT CAMP BUTNER

First Lieutenant Myrtle E. Satre of Thief River Falls, chief nurse of the 41st field hospital, stationed at Camp Butner, North Carolina, recently completed a course in air-borne training.

The luckless Prowlers, after holding a 19 to 7 lead midway in the second period and a 19 to 18 advantage at the intermission, failed to withstand a second-half scoring onslaught by the Warren Ponies and dropped a 39 to 34 decision to coach Chuck Frissell's team in a class A district basketball game played here Friday night.

The Prowlers engaged in a hectic double-header this week-end, facing East Grand Forks in a district contest here Friday evening and then traveling to Grand Forks for a game against coach Ed. Bohnhoff's Central team on Saturday night.

The Prowlers revealed several instances of scoring power during the first half of Friday night's wildly played game for, after trailing by a 5 to 1 score in the opening minutes of play, the locals, with Bill McKechnie sparking the attack, moved ahead to hold a 13 to 7 lead as the first period closed. And then bounced into a 19 to 7 lead as McKechnie, Allan Thompson and Burdell Merritt popped goals into the west basket. Neil Mattson looped in a Pony field goal and Wallace Oslie, rangy Warren center and the game's high scorer, counted two free throws and a field goal to pare the Prowler lead to a 19 to 18 score at the half-time intermission.

The second half's opening play saw Virg Evenstad take a pass from McKechnie and dribble in for a set-up shot, boosting the Prowler lead. Oslie's two free throws, a free throw and a field goal by Duan Bjerke, and Clayton Bakke's one-handed toss, carried the Ponies to within a point of the locals. McKechnie drove in for a close shot; but Mattson lofted in a field goal, and when Maynard Randstrom popped in a goal from the side-line, the Ponies spurted into the lead. McKechnie tied up the game with a gift toss; but Randstrom connected with another side-line shot. Merritt added a Prowler point as the period ended, with Warren in the van, 26 to 25.

Bakke's one-handed shot found the net. Chuck Richards made a free throw, and then Thompson, on a pass from McKechnie, flipped in an under-the-basket shot, tying the score at 28-all. Field goals by Oslie, Mattson, and Bakke, and free throws by Oslie and Mattson, gave the Ponies a 9 point lead with minutes of play remaining. Evenstad counted a Prowler field goal, and McKechnie flashed in for a push-up shot; and Merritt scored on a rebound play. Randstrom's third field goal pushed the Ponies beyond reach of the Prowlers.

Wallace Oslie, with 14 points, and Bill McKechnie, with 13 points were the game's individual scoring stars.

In a preliminary game the Prowler reserves, with sophomore Cliff Aase scoring seven field goals, defeated Korsmoe's team, 24 to 11.

To Honor Memory of Two Former Hockey Players at Arena Game Saturday

Tribute will be paid to the memory of Delmer Hovie and George Beverly, former local hockey players who lost their lives in the current war, at memorial exercises to be conducted under the auspices of the 40 & 8 voiture Saturday evening in the arena between the second and third periods of the Hornets-Cathedral hockey game. Kern M. Olson will preside, and will call on Rev. A. I. Merth for a brief tribute, while service men of this community who are home on leave also will participate. Mr. Olson requested that all 40 & 8 members wear their chapeaux.

Keeping Score

.... With BUCK OLSON

They're the "Tops"

Local hockey fans will see two of the finest high school hockey teams in the northwestern Minnesota in action Saturday night when the Crookston team faces off against the Hornets on the Arena ice. Don Norman's unbeaten Cathedral team has scored wins over the Hornets, 6 to 4, over Roseau, 4 to 2, and over Hallock, in overtime 7 to 6; while the Hornets, with one defeat, have marked up two triumphs over Williams and one victory over Roseau. The two teams are evenly matched and the outcome of the game is just about a toss-up. It is hoped that "fast" ice conditions will prevail at game-time, for "soft" ice will make sluggish hockey and these two teams don't like to play that brand of hockey.

And the fans, too, will pick the best, and the next-best, center-ice player in northwest high school hockey. It's the consensus of neutral observers that the Hornets' Bob Baker is the best, and that Cathedral's Jimmy Medved is the next-best.

The two boys are about on a stand-off as stick handlers, but Baker, who's a junior, packs a harder shot from out on the ice, and has a neater back-hand shot, and is the more rugged. Medved, who's a senior, perhaps has a slight edge in setting up plays, but that may be due to the fact that Jimmy has the two Sullivans, Bill and Dennis, on his wings, and he has played with these boys for several seasons and has become accustomed to their style of play. Bob, on the other hand, is centering on a new line this year.

You will notice, as you watch the game, that there are times when Medved's play is reminiscent of Chet LeDoux and there are times when Baker's play brings back memories of George Beverley. To say that a boy plays hockey like Bev or Chet is high praise indeed, but keep your eye on Baker, wearing jersey No. 22, and Medved, wearing Cathedral sweater No. 4. They're tops.

'They're Just about Due

One of these nights the Prowlers are going to click, and on that night the opposition is going to wonder and wonder and wonder. That night, though, wasn't last Friday when the "soft touch" on the Prowler schedule, Warren, came over here and "took" the locals by a of 39 to 34 score. Chuck Frissell has a pretty substantial starting five at Warren and the Ponies deserved their win, but the outcome may have been different if Norm Furuseth and Herb Claffy had been in suit and able to play. Norm and Herb aren't the niftiest players in the district, but they are top-flight competitors and have experience, and it was experience that the Prowlers needed in the second half of Friday's game. Incidentally, that new five-foul rule certainly was a benefit to the Ponies, for four of Warren players had four fouls apiece and if they had been forced out of the game the score may have been reversed.

The Prowlers are due to run into some "heavy" weather this week, facing an aggressive East Grand Forks team here on Friday night and then, playing a big Grand Forks Central quint at Grand Forks on Saturday night. The Prowlers are short-enders in both tilts, but, as we had rain here on Tuesday, maybe the lightning will strike on Friday or Saturday.

Men's Bowling Averages

The two leagues in operation this year, the City and the Business leagues, are witnessing some pretty fair wartime bowling. The City league, which has developed a ding-dong race for the league leadership, has three teams carrying averages of 800 or more—the Pharmacy with an 826, Oen's with an 816, and the Eagles Bombers with an 807. Wally DuChamp, Oen's anchor, leads the City league in the individual averages, having a fine 187; Cal Colvin of the Pharmacy is in second place with a 180 average; while Clair Loretz, pilot of the Oen's is in third place with a 178. Other bowlers carrying averages of 170 or better are Harold Olson, of the Eagles Bombers, 177; Ed Carlson, of the Pharmacy, 175; Wally Carlson, of the Pharmacy, 173; and Frank Kobliska, also of the Pharmacy, 172.

Only one team in the Business league boasts a team average above 800, and that is the Western Oil five, with an average of 809. Ed Carlson, with a 182 average, is the leader in the individual averages, although Frank Kobliska of the Catholic Men has a mark of 185, but Kob has bowled in only 9 games. Wally Carlson, of the Harts Bakery, with a 171; and Bush Hallstrom, of the Western Oil, with a 170, are the other bowlers with marks above 170.

Man Is Serving Prison Term in St. Cloud after Oil Station Burglary

Appearing in district court before Judge Oscar R. Knutson, Vernon Johnson of the Middle River community, charged with burglary in the third degree following a breakin at the Economy oil station December 23, was sentenced to serve an indeterminate term of one to five years in the state institution at St. Cloud, and was taken there Saturday by Sheriff Arthur Rambeck. Arthur Tweten, also implicated, was given the same sentence, but was placed on probation under the supervision of the state parole agent. A minor, also involved in the case, is out on bail.

LOCAL UNITS OF GOVERNMENT GET HUGE STATE AID

State and Federal Grants Aggregate 50 Million Dollars a Year

Throwing new light on the growing extent to which local units of government are relying upon state and federal grants for support, Richard A. Golling, state public examiner, in a report made public this week disclosed that local governmental units in Minnesota are getting around $50,000,000 a year, or fully 45% of the state's gross expenditures.

Gross expenditures of the state for the fiscal year ending June 30, 1942, were $109,954,000, Golling's report showed, and of this the state turned over more than $49,400,000 to the local units of government in aid to schools, social welfare, highways and other types of aid.

All this vast contribution to local government did not come from state revenue, however. The state government receives huge sums in various forms of aid from the national government, and much of this money, though not all, is transferred by the state to local units of government. From federal grants for various purposes, the state of Minnesota received fully $21,756,000 in the fiscal year ending June 30, 1942. Biggest item, of course, was federal contribution to old age assistance, aid to dependent children and other social welfare aids, while next in importance came highway aid.

Grants and aids from state and federal funds received by Minnesota counties in 1941 accounted for 49.5% of all the revenues of the county governments, the report disclosed. Approximately one-third of the revenue of local schools in Minnesota comes from grants and aids, the report pointed out, but villages and cities and townships naturally do not get so large a proportion of their revenue from the state and federal governments.

Social Workers Needed to Fill Vacancies on County Welfare Staffs

The shortage of social workers to fill positions in county welfare offices throughout the state has become acute, according to a statement just issued by Earl L. Berg, acting state director of social welfare.

To meet the situation a vigorous effort is being made by the county welfare merit system to obtain recruits for various social work positions in county welfare offices. Such workers are the employees of the county welfare board and are hired by that board in accordance with the regulations of the merit system. Examinations for these positions are given periodically, and the person on the merit system register has a considerable choice of positions.

Anyone interested is invited to get in touch with his local county welfare board to get information on the nature of the work and be put in touch with county welfare merit system of the state.

PUSSY WILLOWS BEAT GROUNDHOG

Blue Earth.—Substantiating the daily evidences of a mild winter for 1944 and getting the jump on Mr. Groundhog's annual February 2 forecast of the approach of spring, the first pussy willows of the year were brought to the Post Publishing Company office. They were in bloom and had been plucked out of a dredge ditch on a closeby farm.

County 4-H Clubs Map Plans for Busy Season

Winter Shows Speaker

Dr. Herbert W. Hines of Chicago, an authority on world affairs, will be the chief speaker on the "International Night" program on Tuesday evening, February 1, at the Red River Valley Winter Shows, Crookston. Dr. Hines will speak on the subject "New Forces in World Affairs" and give an up-to-the-minute resume of America's developing role in world leadership. He has a rich background of training and experience for his discussion of world affairs. He has graduate degrees from Harvard and Chicago universities and has studied for two years in German universities. He has made fifteen research trips to Europe, Asia and South American countries and is now director of institutes of international understanding sponsored by Rotary International.

Raising food for fighters is the slogan adopted by Pennington county 4-H clubs which are placing livestock production at the head of the list of projects for 1944. Last year 4-H members in the state contributed to the war effort by raising nearly 10 million pounds of beef, pork, and lamb. Plans for expansion of the livestock work were made at an institute at Thief River Falls, January 11.

Assisting with the institute were H. A. Pflughoeft, district 4-H club agent; Miss Margaret Fobes, state club agent; and county agent, Ernest Palmer.

Training in the efficient feeding of cattle, sheep and swine is one of the objectives of the livestock projects. With feed shortages one of the problems in livestock production, special attention will be given to feed conservation this coming year.

Four-H swine projects will emphasize the raising of a market litter with least feed in 180 days. Beef feeding and beef heifer projects will stress the owning and management of one or more animals or sharing ownership and management of the beef herd.

Since the price outlook for wool and lamb is good, 4-H sheep projects are being encouraged. Members are being urged to start with one or more young ewes or ewe lambs or to share flock management and ownership. Other phases of the sheep project work call for the purchase, fattening and marketing of 15 or more Western lambs, or owning and managing a flock of 10 ewes and mating them to a purebred ram. Information will be given in parasite control and efficient feeding practices.

Preserving foods for family use by canning, drying, raw storage or freezing will be one of the important phases of the foods project. Last year the 3,600 members enrolled in food preservation in Minnesota canned an average of 283 quarts per person.

PAUL WICKS DIES IN HOME BLAZE

Paul H. Wicks a well known farmer, living four miles west of Plummer, lost his life in a fire which destroyed his farm home about 5 o'clock Tuesday morning.

The deceased was born in Germany and came to the United States with his parents when he was about three years old. The family lived at Long Prairie, Minn., and he was united in marriage there to Miss Ida Lundquist of Red Lake Falls on November 26, 1907. They moved to Red Lake Falls from Long Prairie in 1912 and after residing there for a brief time they moved to Grygla, where they made their home before moving to a farm near Plummer. Mrs. Wicks died January 21, 1926.

He is survived by eight children, Harry Wicks, Grand Forks; Mrs. Elmer Hince, Oklee; Mrs. Ed. Vinje, Oklee; Raymond Wicks with the U. S. Army in North Africa; Mrs. Austin Campbell, Madison, Wisc.; Lieut. George Wicks, with the army air corps at Meridan, Miss.; Mrs. Harold Utech, Clearbrook, Minn.; and Paul Wicks, Jr., Madison, Wisc.

The funeral services were held at 2 P. M. Friday at the Wyandotte Lutheran church. The pallbearers were Ben Mahle, Ed. Burstad, Carl Guam, and Carl Swanson. Rev. A. Skibsrud officiated.

Have a "Coke" = Meet a new friend

. . . or how to relax on leave

What more friendly way to welcome a soldier to a family gathering than the three short words: Have a "Coke". It says, We're happy you're here. And there's no better way to show it than to be sure you have Coca-Cola in your icebox ready to offer its refreshing hospitality. From "down under" to back in the U. S. A., Coca-Cola stands for the pause that refreshes,—has become the symbol of friendly folks the world over.

LAND O'LAKES NEWS

TWO PROFITS FROM YOUR MILK

"NOBODY'S FRIEND" was the role skim milk played in the dairy picture until someone recognized the real value in the human diet of the proteins, minerals and vitamins with which it is so richly supplied. But now, skim milk has taken its place alongside butterfat as a source of farm income.

LAND O'LAKES has pioneered in making better use of this product and in the marketing of Milk powder—the form in which it is most widely used.

MILK POWDER sold by Land O'Lakes means more benefits to the cooperative member creameries and larger returns to the individual members of those creameries. Farmers selling whole milk to Land O' Lakes actually receive two payments . . . one for the butterfat and the other for the defatted milk solids.

FUTURE MARKETS are being established to guarantee a steady market for both butterfat and defatted milk solids after the war. Members of Land O' Lakes will reap the benefits of these market connections. This is just one of the many advantages membership in Land O' Lakes offers you and your neighbors.

Newfolden Defeats Badger

The Newfolden high school basketball team beat the Badger team by a score of 19 to 23 here last Friday evening. Our boys played a fast hard game, but are unable to make their set-ups, but to even up score the Badger boys also missed their shots. The score at quarters were 3 to 2, 9 to 6, and 19 to 9 for Newfolden. We have seven fairly evenly matched boys that should make a fairly good team by tournament time.

Newfolden Wins from Strandquist

Improvement was shown by our team Tuesday evening when they went to Strandquist and beat them by a score of 24 to 20. The half time score was 11 to 6 in our favor. In this game the boys showed considerable improvement in team work and their shooting ability had improved greatly. With these two games in their favor the boys should gain some confidence, they needed so badly.

O.P.A. Administrator CHESTER A. BOWLES says:

"Tell your rationing board you are cutting pulpwood"

"Pulpwood cutting has been listed as an essential occupation and those engaged in it should now include such activities in connection with any application for supplementary gasoline, tire, or automotive rations.

"If you are using gasoline-powered equipment in sawing, drawing or trucking pulpwood and it is absolutely necessary for you to have an additional allowance, you should report the fact to your local rationing board, giving full information as to the number of cords to be cut and the distance it must be trucked.

"Ceiling prices for pulpwood have been set by this office and are available upon application to your nearest OPA District Office. Pulpwood prices are now at a peak. There is no present intention of revising these prices."

Now is the time to cut or thin your timber while prices are high and pulpwood is badly needed.

Cut wisely and the remaining trees will grow faster and bigger. Your forester or county agent will help you select trees for cutting.

Estimate how many cords you can cut. Then get in touch with our local dealer, or telephone, or write us for prices and specifications.

COURT DECIDES AGAINST MAYOR IN POLICE CASE

Judge Knutson Orders Reinstatement of Three Patrolmen

COUNCIL OVERRULES MAYOR AS TO APPEAL

Two of Reinstated Policemen Resign from the Force Tuesday

Holding that Patrolmen Robert P. Black, Leonard E. Johnson and J. J. Williams had been unlawfully discharged by Mayor W. J. Douville when he assumed office January 4, District Judge Oscar R. Knutson of Warren, in a decision last Friday, held that the three men are entitled to be reinstated in their former positions as of the date of their discharge.

At the same time the court issued a peremptory writ of mandamus ordering the mayor and council to reinstate the men immediately. The council, at a special meeting Monday evening, voted over the objection of Mayor Douville not to appeal the decision to the supreme court, and supported the reinstatement of the three men as of January 4.

The mayor later reconsidered his position, and Tuesday morning signed an order reinstating the patrolmen. After having won their suit, Black and Johnson tendered their resignations from the force, while Williams resumed his duties as patrolman. Permanent appointments to the reorganized police force are expected to be approved at the February meeting of the council next Tuesday evening.

In a memorandum accompanying the decision, Judge Knutson after citing the 1895 state statutes governing the powers of officials of the city, comments in part:

"Obviously it was not the intention of the legislature to leave it to the mayor and superintendents of police to determine whether they wanted to make the rules pertaining to removal operative or not by the simple expedient of adopting or failing to adopt the rules which they, under the law, are required to adopt.

"The two parts of the statute have different purposes. The part of the act requiring rules to be adopted establishing tests for comparative fitness in making appointments has for its purpose the selection of the best possible material for the office. The part pertaining to removal is intended, at least partly, for the protection of the employe in preventing his discharge without a hearing before the council.

"Clearly, if the petitioners were duly appointed they are entitled to the benefit of the statute requiring that charges be filed against them, and that they be given a hearing before the city council. Even if they are not appointed strictly according to the statute, the court should be slow in holding that they had no right to their office where they have served for such a long period of time and their appointment has been acquiesced in by the city and never been questioned.

"It seems to me that to hold that they would not be entitled to the protection of the statute requiring charges to be filed against them would require a holding, in effect, that they were never legally appointed at all."

St. Lukes to Elect Two Trustees Next Monday

Members of St. Lukes Hospital association will meet in the hospital library next Monday afternoon, February 7, at 2 o'clock to hear reports covering operations of the institution during 1943 and to elect two trustees, the term of H. A. Brumund and Robert J. Lund expiring at this time. Lunch will be served following the meeting.

Post-war Plans Topic at Lions Club Meeting

At the Lions club luncheon meeting Wednesday noon in the Palm Garden Cafe, Ralph Luhman, program chairman, led a discussion on general theme of getting ready now to meet community post-war problems. The discussion followed an outline prepared by Steven Lane of the Lions international organization.

Fair Board Goes Ahead with Plans for '44 Fair

After the lapse of a year, a county fair will be staged in Thief River Falls in 1944, it was decided Thursday afternoon at a meeting of the board of directors of the Pennington County Agricultural society, sponsor of the event. Dates were set at July 27, 28 and 29.

Action was taken following receipt of word that the Barnes & Carruthers grandstand attractions, which appear at all the larger fairs in Canada, would be available for the fair here, together with a carnival company bringing thirty carloads of equipment.

Robert J. Lund, member of the board, was authorized to sign contracts for the entertainment features.

Frank Hardisty, president of the board, and G. S. Bergland, board member, will serve as a committee to make a survey of needed repairs and repainting of the buildings on the grounds to be done in advance of the opening of the fair.

Grygla Couple Give 5th Son to Armed Services

Selmer Askeland of the Grygla community, who left Monday to begin his duties with the U. S. navy, is the fifth son of Mr. and Mrs. Sivert Askeland of Grygla to enter the armed forces. Others include Alton, who has received a medical discharge from the army, Sidney and Orville, with the army in California; and Norman, with the army in New Guinea.

JANUARY GROUP OF ARMY RESERVISTS TO LEAVE FEB. 15TH

Three Men Also Depart This Week for Duty with U. S. Navy

The group of Pennington county reservists who were inducted at Fort Snelling January 23 will leave Tuesday, February 15, to begin their duties with the army.

Included in the contingent are Curtis Nelson, Robert Strunk, Harold Joseph Larson, Duane Walsberg, Raymond Hagen and Klemens Gigstad, St. Hilaire. Garth Schantzen of St. Hilaire also entered the army January 27.

George Paulson and H. R. Colvin of this community and Selmer Askeland of Grygla left this week to join the navy.

Arthur Berg, chief clerk of the local draft board, stated today that starting with the February call set for Sunday, the 20th, local physical examinations will be eliminated except in cases of obvious physical defects.

Future groups, he stated, will be given 21 days after being examined at Fort Snelling and before induction there. It is planned, he added, to build up a pool of approved men on which to make succeeding drafts.

SUPERINTENDENTS OF SCHOOLS IN 10 COUNTIES CONFER

Visitors Praise County Library as Organized in Pennington

County superintendents of schools from ten Northern Minnesota counties assembled in Thief River Falls last Thursday to discuss matters affecting the rural schools.

Following the session the group, together with Supt. Philip L. Fjelstad, were guests at a tea in the public library. The visitors were favorably impressed by the county library system as it is now functioning in Pennington county under the direction of Mrs. Hazel Halgrim, librarian.

Those participating in the conference included Miss Clarissa Bergquist of Detroit Lakes, Miss Ina Francis and Esther Schroeder of Bemidji, E. Olson of Walker, Charles Christianson of Roseau, Mrs. H. Ogden, Park Rapids; Mrs. M. Barness, Bagley; and Mrs. A. C. Matheson of Thief River Falls.

Youth, 17, Recovering After Being Injured in Auto Crash on Sunday

Unconscious for a lengthy period following injuries sustained in an automobile accident near Plummer Sunday night at 10 o'clock, Robert Sater, 17, had regained his faculties and was on the road to recovery in a local hospital Wednesday.

Reports indicate that the car in which Sater was riding with a companion left the road at the approach to a small bridge, and Sater was thrown a distance of nearly fifty feet, sustaining severe bruises on his head, shoulders and arms.

He is the son of Peter Sater of this city.

SIX MARRIAGE LICENSES ISSUED DURING JANUARY

Six marriage licenses were issued in January from the office of Henry Storhaug, clerk of court, the total comparing with three for the same month in 1933.

MAINTAIN HOME FRONT, IS URGED AT PTA MONDAY

Mrs. D. A. Munro of Duluth, State President, Is Speaker

A stirring plea for maintenance of the home front in wartime was made at the Parent-Teacher association meeting Monday evening in Lincoln high school auditorium by Mrs. D. A. Munro of Duluth, president of the Minnesota Congress of Parents and Teachers. Irving E. Quist, president, was in charge of the meeting.

Preceding Mrs. Munro's address the Lincoln school band directed by Edward Anderson presented a half-hour concert, giving an excellent rendition of a group of numbers, among them being Beethoven's Eroica overture, Leidzen's Nordic March and the chorale, "Built on a Rock," by Lendeman-Uggan.

Pointing out that workers in the home, church and school all have their part in maintaining the home front, Mrs. Munro urged that they be given more praise and less criticism, giving numerous examples to illustrate her points.

Lunch was served in the home economics rooms following the program.

MAYOR DOUVILLE MEETS WITH BEER SELLERS TUESDAY

Operators Vote Against Any Curtailment in Hours of Sale

Proprietors of local beer taverns, following a discussion at a meeting Tuesday afternoon called by Mayor Wm. J. Douville, voted by a margin of four to one in favor of retaining the hours of operation specified under the city beer ordinance.

The mayor stated that he had called the group together at the request of several tavern operators who had indicated a desire to close Sundays and to halt the sale of beer at 11 o'clock on week nights.

Carl Kretzschmar was elected to serve as chairman of the meeting and Oscar Cerny acted as secretary.

Postoffice at Mavie Is Discontinued Tuesday

The Mavie postoffice, after functioning approximately thirty years, with Curtis Anderson serving recently as postmaster, was discontinued Tuesday, February 1, on orders from the postoffice department at Washington. The community will be served in the future by a rural route out of Goodridge, while several patrons have taken boxes in the Thief River Falls postoffice.

Miss Ethel Nelson of Crookston Monday took over the management of the local F. W. Woolworth store, succeeding Miss Edna Alexander, who resigned her position, but who will continue to be employed in the office at the store.

FINE WEATHER GREETS ANNUAL WINTER SHOWS

Event at Crookston Gets off to Good Start Monday of This Week

GOVERNOR THYE WILL BE SPEAKER TONIGHT

Paul Engelstad Wins Sweepstakes Award for Best Potatoes

Varying from recent past years, ideal winter weather greeted the opening days of the Red River Valley Winter Shows and Farmers Week which got under way Monday in Crookston and will continue thru Friday.

The speaker this evening will be Governor Edward J. Thye, who in addition to discussing state problems will confer farmer and homemaker awards on the farm couples from Northwest counties who have made outstanding records of achievement. The awards are sponsored by the Red River Valley Development association.

For notable achievement in junior leadership in promoting 4-H work in the Red River Valley, twenty-nine young men and women were given awards by the Crookston Elks club at a luncheon Tuesday climaxing 4-H Day at the Winter Shows. The Elks award is a new honor established this year.

Among those receiving the award are: Red Lake county, Eileen Howard, Plummer, and Richard St. Marie, Red Lake Falls; Marshall county, Elizabeth Kruger and Harold Rosendahl, Warren; Pennington county, Ardith Evenson and Orville Jensen, Thief River Falls.

Tuesday was a busy day for the 4-H leaders and members attending the shows. Judging of 4-H livestock exhibits took place in the morning while 4-H Dairy demonstrations were carried out at the same time. A. J. Kittleson, state 4-H club leader, conducted a conference of junior leaders just before lunch and introduced the honor leaders at the Elks luncheon.

P. M. Finkenbinder of Crookston, C. U. Brantner of Georgetown and A. A. Habedank of Ada were reelected directors of the Red River Valley Livestock association at the annual stockholders meeting held Monday in connection with the Winter Shows. The association is one of the sponsors of the Winter Shows and presents each year the two-day sale of purebred livestock.

Other members of the board are T. M. McCall of Crookston, president; J. H. Sargent, Crookston, vice-president; and board members E. E. Carmen of Ada; Paul Engelstad of Thief River Falls;

DR. H. HEDEMARK NEW SPORTSMEN'S CLUB PRESIDENT

Named to Succeed H. Storhaug in Annual Election Tuesday

At a well-attended annual meeting of the Pennington County Sportsmen's club Tuesday evening, Dr. H. H. Hedemark was elected president for the ensuing year, succeeding Henry Storhaug.

Other officers named include Fred Lorentson, vice president; Wm. H. Borchert, reelected secretary; and E. O. Peterson, retained in the office of treasurer. Mr. Peterson submitted a financial report showing that at the end of 1943 the club had total cash assets of $418.82.

In the business session it was decided to hold another fox hunt next Sunday, February 6, the hunters to start from the Soo Cafe at 10 o'clock in the morning.

It also was voted to send honorary membership cards to all Pennington county men in the armed services, the cards to be valid for the duration and a year after the men return to this community.

Junior Chamber Honors Marine Wayne Anderson

WALLACE CARLSON, LEFT, GIVES KEY TO PFC. ANDERSON

On the occasion of a brief furlough from his duties at the Marine base at San Diego, California, Pfc. Wayne Anderson, at a dinner of the Junior Chamber of Commerce Monday evening in the Palm Garden Cafe, was presented by Wallace Carlson, president, with the organization's distinguished service key.

The award, which is made to the most outstanding young man in the community between the ages of 21 and 35, and which is not confined to Junior Chamber members, was made in recognition of Mr. Anderson's contributions in 1943 to the progress of the community after having been confirmed by the U. S. Junior Chamber.

W. E. Dahlquist, who addressed the meeting, outlined Anderson's record last year which led to his selection. Among his activities were the chairmanship of the highly successful "Buy a Bomber" war bond campaign last spring; leadership in the organization of the local chapter of the National Aeronautics association, of which he served as first president; participation in the development of the Thief River Falls airport; and service as vice president of the Junior Chamber here.

County This Week Ranks 6th in Bonds Sold Toward Quota Set

FREE MOVIE TICKETS OFFERED TO BUYERS

Chairman Lundgren Urges Buyers to Hold Bonds to Maturity

War bond purchases during the past week, while not as phenomenal as last week, have still been gratifying to those whose duties it is to tabulate the purchases for each municipality within the county, said Paul A. Lundgren, county war finance chairman.

Particularly gratifying has been the performance of North, Norden, and Deer Park. Those did not make their quotas in the Third War Loan drive, and for that reason were assigned proportionately higher quotas than the townships which attained their goals at that time. Their performance in this drive brings them in line with those who attained their quotas.

The early buyers of bonds were afforded a treat as an extra dividend for the purchase of bonds during the Fourth War Loan drive through the free show offered bond purchasers by the WDAY Caravan.

This week the Bakke Theatres are offering an additional treat for late buyers, and those who buy additional bonds. Two free shows commencing at 7:00 o'clock on Thursday, February 10 will be given to all persons buying bonds between now and that date. There will be two performances of the show, one starting at 7:00 the other at 9:00 so there will be ample accommodations for those who purchase.

Tickets for the show have been given to the bond selling agencies, which are the postoffices at Thief River Falls, St. Hilaire, Goodridge, and Hazel and the Northern State bank, the Union State bank, the First Federal Savings and Loan, and Thief River Falls Production Credit association. Each bond buyer who desires to attend the show is requested to ask for tickets at the time the bonds are purchased.

"Someone has said that every cloud has a silver lining," Chairman Lundgren said, "Last week the bond purchases were far beyond expectation so only the silver lining was seen. This week considerable complaint has been registered by solicitors that there still are people, particularly in our rural district, who are financially able to buy, but that yet have not purchased any bond, and that a silly rumor is being circulated throughout the county that the Government is going to freeze all Series E bonds.

"Why people should start rumors of this kind and why others who normally well meaning should circulate them is hard to understand. Surely they do not originate through ignorance alone. There must be some malice back of originating such rumors. Nor can it be believed that those who spread the gossip really believe it. If people would only take the trouble to look at the interest schedule which is printed on the face of every Series E bond, they could readily see that the government is the gainer when bonds are cashed in.

Growing With Your Child

Institute of Child Welfare, University of Minnesota

The Child Who Is Different

Every parent of more than one child knows that no two children are exactly alike. Children differ both physically and mentally. Each child is unique in that the peculiar combination of abilities and skills shown in his strengths and weaknesses is possessed by no other child in the world.

The home and school training program, which is usually adapted to some degree of difference in children, must also recognize the fact that some children are so extremely different from others that they present special problems. These are called "exceptional" children. Although to most people the term "exceptional" child means the brilliant child, educators use it to include all children who are markedly different in some respect, such as the handicapped and deficient.

First, there is the child who is physically different. He may have deficient eyesight, or hearing, a crippled body, be malnourished or have a speech defect. Because each of these conditions would interfere with normal progress in school, special treatment is needed to bring the child as nearly as possible to normal physical condition. But even when remedial measures have been taken, special case and training may still be needed.

Second, there are children who are different mentally. Some have a mental capacity far beyond that of most boys and girls of the same age. Others have difficulty in learning the ordinary school subjects. Still others may show a special skill or talent. Special adjustments in school must be made for all these children. Parents must understand their problems so that the home can supply the foundation upon which the school can build.

There is a third group of children who differ socially from others. This group show anti-social behavior and are called problem children. The early symptoms of social maladjustment need to be recognized in order that the causes may be discovered and treated. These children need very wise guidance.

Children who do not seem to fit into the conventional scheme of things should not be blamed for being different. By facing the facts honestly and openly, teachers and parents working together can understand and guide them more adequately. Only by good diagnoses, careful treatment and real understanding, can we make it possible for "exceptional" children, whether they be advanced or handicapped, to realize their capacities. They, like normal children, have much to give the world.

MONTGOMERY WARD

Order Chicks Now!

FROM MONTGOMERY WARD

Don't get caught short in the big peak chick-buying market of late March and April. Don't be disappointed this year, as were thousands of would-be chick buyers last year . . . because they waited too long before ordering chicks. Place your chick order now . . . at Wards . . . whether you want chicks immediately or later. Orders placed now will naturally have priority . . . even during the rush season of March and April. But if you possibly can . . . this year start your chicks early. An early start means higher profits for you . . . and extra assurance of getting chicks when you want them!

BUY WAR STAMPS AT WARDS

POULTRY PROFIT RECORDS PROVE . . .

Breeding Counts!

The average U.S. hen lays only 108 eggs a year . . . about enough to pay for her board and keep. Compare that unprofitable record with Wards Star Quality Chicks—for example, with Wards 4-Star R.O.P. flocks headed by sires whose dams laid 200 or more eggs their pullet year—twice as many or more than the average. When you buy Wards chicks you get that bred-to-produce background—the breeding that experienced poultrymen say is all the difference in the world between poultry profit or loss!

100 As Hatched 2-Star White Rocks $14

Every Ward chick is a Star Quality Chick . . . produced by a U. S. Approved Flock . . . and hatched in a U.S. Approved Hatchery operating in strict compliance with the rigid rules of the National Poultry Improvement Plan. Every flock is tested for B.W.D. . . . and reactors are immediately removed. Flocks are constantly culled and poor producers thrown out. Constant, fresh infusions of breeding blood from the high-producing flocks of the world's most famous poultrymen mean extra quality chicks—chicks of extra vigor and livability, that grow up to produce extra eggs . . . and extra profits for you. All chicks are warranted true to name and breed . . . and Wards further warrant 90% livability on all orders. This year . . . place your order early . . . and order from Wards . . . to make sure of getting top-quality, high-producing chicks that live and lay!

BUY NOW . . . PAY WARDS LATER

Take advantage of a best-ever poultry market. Start a larger flock this year. Buy your chicks now . . . and the equipment you need for your larger flock. Pay Wards later on a convenient Monthly Payment Plan. Let Wards finance your larger flock and extra poultry profits this year!

EVERYTHING FOR POULTRY

For years, Wards has been headquarters for top-quality poultry equipment—the kind of equipment that cuts your work and increases your profits. Whatever you need for a high-producing poultry flock . . . you'll find it at Wards . . . at typically low Ward money-saving prices!

LOCAL COURSE FOR SCOUTERS DRAWS GOOD ATTENDANCE

More than 25 Turn out Each Week; Still Time to Join, Leader States

The third session of the Thief River Falls district's scouters' course, Wednesday, January 26th in the Civic and Commerce rooms was well attended by local scouters as well as by men from nearby towns. Since getting under way three weeks ago interest and attendance have been well sustained. An average of more than 25 men have been in attendance.

Since the opening session a number of additional men have enrolled in the course. Ernest Barsen, Bernard Barsen, Jack Williams, Hugh Carlson, Archie Henarud, Rev. G. S. Thompson and Bill Walters are the new course members from Thief River Falls.

Other new members enrolling are Rev. A. O. Skiberud and Harry Winters, St. Hilaire; C. H. Cook, Rev. G. P. Bonholm, John Dyrud, and A. M. Lokken of Newfolden; R. W. Hogget, Grant Hauger, A. A. Madison, and Albin Zabrochi of Greenbush.

Many of the local scouters have not missed a single meeting, while Dr. C. Mehlum and Bill Carlson of Karlstad, and Hartley Peterson of Holt have perfect records.

There is still time to enroll in the course, M. Zimmerman, field scout executive, said today, urging those who are interested in promoting better scouting to plan on taking in the next meeting which will be in the Civic and Commerce rooms Wednesday evening February 9.

"The Constant Nymph" to be Avalon Offering Saturday thru Monday

"The Constant Nymph," based on the popular novel by Margaret Kennedy, will be presented at the Avalon theatre Saturday thru Monday, with Charles Boyer and Joan Fontaine in the stellar roles. The supporting cast includes Alexis Smith, Brenda Marshall, Charles Coburn, Dame May Whitty and Peter Lorre.

The musical comedy, "True to Life," will be the offering at the Falls theatre Sunday and Monday, with a midnight prevue Saturday evening at 11:15. With a plot filled with laugh-provoking situations, the cast includes Mary Martin, Franchot Tone, Dick Powell and Victor Moore."

Plan Bible Conference at the Covenant Church

Rev. Gustaf F. Johnson, Minneapolis, one of America's most powerful gospel preachers, will come to Thief River Falls, February 29-March 5, for a prophetic Bible conference under the auspices of the Mission Covenant church, according to Leonard Lindholm, pastor. It is planned to hold the Friday evening meeting, March 3, in the city Auditorium in the form of a rally. Other sessions, day and evening, are planned to be held at the Mission church. Pastors of Mission Covenant churches in the Red River Valley have been invited through David Drotts, church chairman.

Recap Truck Tires in Time, Says Ration Board

Due to the acute shortages of new truck tires, said Chairman Waldie Christensen, we of the Pennington county rationing board have been asked by our national office to have all truck operators recap tires when necessary.

"Altogether too many truck operators are now driving tires past the point of recapping which constitutes tire abuse," he said. "Any operator driving tires past the point of recapping will not be given new tires from this office for the duration. See your recapper today for this most vital service. No certificates are necessary."

Careless Smokers and Meadow Burners Cause 357 State Forest Fires

Careless smokers and meadow burners were responsible for 357 of the 753 forest fires occurring in Minnesota during 1943, the state division of forestry reported today.

A. E. Pimley, in charge of forest fire protection, stated that a total of 47,706 acres were burned over last year, which is slightly higher than the 1942 figure of 34,000 acres. Fire damage last year was estimated to be in excess of $79,000. The last serious fire season in Minnesota was in 1938, at which time 68,000 acres were burned over with a damage estimated at $140,000.

Pimley reports that general conditions were quite favorable during most of the 1943 season. However, in certain portions of the state, conditions were acute from mid-August to October. That few fires started during this period is attributed by forestry men to the splendid public cooperation resulting from an intensive campaign of fire prevention education. The newly-organized Forest Fire Fighters Service was an important factor in this campaign.

Livestock Co-op. Meets in St. Paul Feb. 8-9th

The twenty-third annual stockholders meeting of the Central Co-op. association will be held in St. Paul Hotel, St. Paul, on Feb. 8-9. An educational and entertaining program, covering all of the problems confronting the livestock industry will be discussed by men particularly qualified for their subjects.

President C. B. Crandall will preside at the meeting and will briefly announce some of the high points of Central Co-op's business during the past year, including a 30% patronage refund and a 6% stock dividend amounting to $192,902.29 which will be paid to member patrons between now and the first of may.

He also will point out Central's volume at South St. Paul of 29,445 carloads of stock and at West Fargo of 4,237 carloads, making a combined total of 33,680 handled by the organization last year.

PHILIP HESS STUDYING AIR NAVIGATION IN TEXAS

Philip O. Hess is a member of a new class of aviation cadets and student officers which has reported at San Marcos, Texas, to the army air forces navigation school, an AAF training command base, for an 18 weeks' course in advanced aerial navigation. Completion of the course will qualify him for the silver wings of the aerial navigator and commission as second lieutenant or appointment as flight officer.

GOP COMMITTEE SETS CONVENTION DATES FOR STATE

St. Paul Meeting Sets County Conventions for March 18th

Minnesota Republicans pounded the drum for former governor Harold E. Stassen for the GOP presidential nomination Wednesday in St. Paul and scheduled an April 1 state convention solely in his interests. The convention will be in St. Paul.

The date, months earlier than the convention is customarily held, was picked because it will give the partisans a chance to make a resounding declaration for Stassen four days before the Wisconsin primary election, in which Stassen backers hope to win a block of delegates to the national convention in Chicago June 26.

Precinct caucuses of the party will be March 7, county conventions March 18, and congressional district conventions March 25.

Dates were set at a meeting of the state GOP central committee in St. Paul hotel, at which one speaker after another assured the faithful that the former governor, now a lieutenant commander in the navy on duty in the Pacific, has a reasonable chance of winning the presidential nomination.

Funeral Services Are Held in Viking for Carl Nicholaus Ranum

Funeral services were held Wednesday, Jan. 26, from the Viking Lutheran church for Carl Nicholaus Ranum, who passed away Jan. 22 at the age of 67 years. Rev. P. M. Bratlie officiated at the rites and interment was made in the cemetery of the Rindahl church six miles east of Viking.

Glenn Halvorson and Rev. Bratlie sang the duet "Abide with Me", while Mr. Halvorson and the pastor sang the solos "Saved by Grace" and "Den Store Hvide Flok," respectively.

Mr. Ranum was born June 8, 1876, in Filmore Co. of parents, Knute and Aine Ranum. At the age of six he moved with his parents to Numedal twp., living there two years and then moving to New Solem twp., Marshall Co., where he worked on his father's farm. Dec. 18, 1930 he was married to Mrs. Ada Jorde of this city and to this union two children were born, Kenneth and Dale. For the past nine years the deceased has made his home with his brother and sister-in-law, Mr. and Mrs. Alfred Ranum.

He leaves to mourn his passing, besides his wife and two sons, seven brothers, Alfred of Viking, Bernard and Bennie of Rosewood, Edward of Maryfield, Saskatchewan, Canada; John of this city; Fred of Kent, Wash.; and Otto of Warren; two sisters, Cora Ostgaard of St. Paul and Ruth Stiner of Grand Forks; one step sister, Lottie Swartsall of Great Falls, Mont. Mr. Ranum was preceded in death by five brothers, Casper, Sanford, Oscar, Freeman and Clarence.

Child of Mr. and Mrs. Clarence Grimley Dies

Robert Loren Grimley, son of Mr. and Mrs. Clarence Grimley of Goodridge, passed away Monday at a local hospital an hour and forty-five minutes after birth. Others in the family include a sister Marlene and a brother Clayton, both of Goodridge, and his grandparents, Mr. and Mrs. J. M. Johnson of Bremerton, Wash. One sister preceded him in death. Services were held at the Rosendahl cemetery, where the child was buried.

PENNINGTON COUNTY NEARS ITS QUOTA IN 4TH WAR LOAN DRIVE

(Continued from Page 1)

as the individual loses interest and the government has the use of the money for practically nothing.

"The Series E bonds are a long term investment. They pay a high rate of interest only to those who hold them to maturity. The smart person is the one who holds his bonds. When the time comes so that the government will have to back down on their promises printed on the face of the bonds, then nothing else will be of any value.

"This is stated only because the banks have reported that quite a few people have cashed in their E bonds in the childish belief that E bonds were going to be frozen and as an effect to stop ugly rumors of this kind which can have only anti-American origin.

"Considerable pressure has been exerted on the county committee that we should get tough with those who do not buy bonds. While the information is available, we hesitate to do so. As long as the county continues to make its quota, it is the hope of the committee that we can continue to make the purchase of bonds a truly voluntary proposition. We can only hope that those who are doing their share will in time see the light.

"One solicitor reported that he had called at one place for each drive and each time been turned down on the purchase of bonds because they had a boy in the army and thereby they were doing enough.

"If everybody reasoned along that channel, their boy would be fighting the enemy without ammunition. Manpower is not sufficient in a war. Surely if our young men are willing to fight we should furnish them the ammunition. This we can do only when we buy bonds and make the money available.

"Pennington County now ranks sixth in the state among 87 counties. On the whole we have, as in all other drives, made a fine record."

RED CROSS NEWS NOTES

By Mrs. Millard Petersen
Publicity Chairman

Well treated and satisfied are the 110 American prisoners held in Rumania, according to the late "Prisoners of War Bulletin" just received. They are located at a "permanent" camp at Timis, near Brasov, and are the survivors of the raid on the Ploesti oil refineries last August. Brasov is an old frontier town on the northern side of the Carpathian Mountains. Within a few days of the raid a delegate of the International Committee of the Red Cross obtained permission to visit the wounded airmen in hospitals at Filipesti, Ploesti, and Sinaia. The delegate spent a full day at the Sinaia hospital and saw the following meals served to the wounded prisoners, all except 12 taking their meals in the main dining room: Breakfast: Two pieces of bread, marmalade, tea. Dinner: White cheese, tomatoes, soup, meat, fritters, fruit.' Supper: Macaroni and cheese, cabbage stuffed with meat, stewed fruit. At noon each prisoner received half a bottle of beer and on Sundays half a bottle of wine. All the wounded prisoners expressed satisfaction with the treatment they were receiving from the doctors, the Rumanian officials and the Red Cross personnel. The surgeons looking after the patients, the report stated, were chosen from among the best in Rumania; the accommodations provided for the men were described as "luxurious." Not a single complaint was made, but desires were expressed for relief supplies. A shipment of food parcels, clothing, toilet articles, tobacco, and invalid parcels was sent promptly from Geneva and reached Rumania before the end of November. A second shipment left Geneva during November.

Nine American airmen who took part in the Ploesti raid are also held as prisoners in Bulgaria, and supplies sent to Rumania were sufficient to meet their needs also.

In a letter received by relatives from Pfc. Robert Haney, son of Mr. and Mrs. T. C. Haney of this city who is in Italy with an M. P. Co., he writes, "The Red Cross is surely a convenience here. I don't know what we soldiers would do without it. I'd say that it is almost an essential factor. Although they have almost too many soldiers to take care of, it is still a place of relaxation."

B. OF L. F. & E. WILL MEET FRIDAY EVENING

The B. of L. F. & E. will hold a meeting Friday evening at 8 o'clock in the Odd Fellows hall. A full attendance is urged.

OPA Community Service Bulletin

By Mrs. Paul A. Lundgren
Chairman

Ration tokens will be used nationally beginning February 27th. The use of these tokens has been explained previously in this bulletin. A demonstration was conducted in a "serve yourself" store in Chicago which proved that the use of tokens will be a timesaver both for the consumer and the retailer.

Ten shoppers with a total of $16 worth of merchandise, and using tokens went past the checkers in five minutes, while ten other shoppers, using ration books and with $14.80 worth of food took 11 minutes and 55 seconds to pass the cashier.

Points on pork cuts remain the same for February, except the choicest cuts, such as loin waists and tenderloin. These items are becoming scarce in some parts of the country, therefore they were raised one point. There is plenty of lard at present but because of scarcity and higher point value of vegetable oil products, purchases of lard have increased and in December exceeded the supply given OPA for rationing by 12%.

Community ceiling prices for fresh fruits and vegetables were made effective January 20th in the cities of Minneapolis, St. Paul, Milwaukee, Omaha and Des Moines. Covered in the order are lettuce, cabbage, white potatoes, dry onions, apples, bananas, citrus fruits, apples, berries and red sour cherries. Soon community ceiling prices will be put on spinach, snap beans, carrots, green peas, cucumbers, peppers and egg plant. The flat ceiling prices are figured weekly on the basis of current costs to retailers.

Please read the article on Buying Meat Direct from the Farmer elsewhere in this issue. There is also an important notice to truck owners.

STASSEN IS MAN NEEDED, SENATOR J. BALL DECLARES

Analyzes Qualifications of Former Governor for Presidency

Analyzing the qualifications which America should demand in its next president, U. S. Senator Joseph H. Ball in an address broadcast over a national network from Washington this week declared former Governor Harold E. Stassen of Minnesota "the man who can do the best job for America as president" and urged his nomination by the Republican party.

Four qualifications needed for the tough job the next president will face, Senator Ball said, are a clearly thought out program for America, administrative ability, clear and courageous leadership and the capacity and will to work with congress as a team—qualities which, he said, are sorely needed in Washington.

Measured by these standards, Ball said, Stassen is the man needed for president. Pointing out that Stassen, serving in the navy in the Pacific, cannot take part in any campaign for the nomination, Ball said "we, who believe he can do the best job for America must, in stark reality, draft him for a greater and higher service to his country."

Will Note Anniversary of D. L. Moody Sunday

In view of the 107th birthday anniversary, Feb. 5, of D. L. Moody, famed evangelist in the nineteenth century who ended his labors in December 1899, Alice Roos will give some glimpses of his life and work at the Young People's society meeting Sunday evening, 6:15 o'clock, in the Mission Covenant church. Rev. L. W. Lindholm, pastor, will report impressions of his visit to the Founders' Week conference at the Moody Bible Institute, Chicago, held this week.

Groundhog Sees Shadow Feb. 2, but Who's Afraid?

Mr. Groundhog had no difficulty Wednesday in seeing his shadow, as the sky was cloudless all day. If that occurrence signifies that this section will get six weeks more of the kind of winter enjoyed thus far this season, there will be few to complain. Temperatures during the past week continued moderate, the mercury dropping below zero only on Tuesday morning, when it hit the -5 mark. The temperature rebounded to 33 above Wednesday afternoon.

Rev. Lindholm Announces February Sermon Series

Leonard Lindholm, pastor, plans a series of prophetic messages to be brought in the Mission Covenant church on Sunday evenings in February. As an introduction, next Sunday night, 7:45 o'clock, he will speak on the topic, "In Time of War Hysteria, What Is a Sane Presentation of the Word of Prophecy?" Subsequent topics are to be considered on Sunday evenings, February 13, 20 and 27.

SOME JUSTICES OF PEACE HELD LAX IN TURNING IN FINES

State Highway Chief Would Amend Present Law on Subject

Need of legislation to improve the collection and remittance of fines imposed by justices of the peace for traffic law violations on the trunk highways, has been called to the attention of the house interim committee on administration by M. J. Hoffmann, commissioner of highways. At the present time outstanding fines total about $20,000 and at one time the total exceeded $35,000.

Under the law fines imposed following arrests by patrolmen for traffic violations, must be remitted by the justices to the state treasurer and placed in a separate fund. After the counties are reimbursed for expenses incurred in prosecution and punishment of persons so arrested, the balance is transferred to the trunk highway fund and used to pay salaries and expenses of the patrol.

Patrolmen file reports of arrests made and fines imposed by the justice of the peace. The law does not fix a time limit for the justices to make remittances but implies that it should be within a reasonable time. A majority of the justices make prompt and correct remittances, but when the patrolmen's reports are periodically checked against the state treasurer's receipts, it is found that some of the justices have been remiss and either made only partial remittances or none at all.

In some cases justices report that fines imposed at the time of the hearing, and as reported by the patrolman, have been suspended. In some other cases defendants have been permitted to pay fines on the installment plan, and frequently such collections do not materialize.

Mr. Hoffmann expects to recommend that the time for remittance be fixed by law, that some state agency be given power to supervise collections, and that justices of the peace be required to give surety bonds.

FINE WEATHER RULES FOR VALLEY WINTER SHOWS IN CROOKSTON

(Continued from Page 1)

Wm. Strickler of Euclid and Ole Flaat of Fisher. O. M. Kiser of Crookston is secretary and Mr. Hebedank is treasurer.

Peter Schirrick of Red Lake Falls won permanent possession of the Small Grain trophy awarded by the Red River Valley Development association with a sample of Biwing Flax which he showed at the Winter Shows. Schirrick exhibited in the professional class. He is one of the veteran grain exhibitors at the Winter Shows and one of the skilled seed growers of the Red River Valley. The sweepstakes award in the Wheat Show went to Tom Botko of Warren who exhibited a sample of durum.

Paul Engelstad of Thief River Falls won the sweepstakes award Tuesday for the best entry of potatoes. Judges proclaim the show the largest and best in many years.

Vernon Hoppe, of Crookston, West Polk county's representative in the district 4-H radio speaking contest, was named district champion Tuesday in a broadcast which was made in connection with the Winter Shows. He spoke on the subject of "What Being a Good Neighbor Means to Me". In winning the championship, Vernon becomes eligible to enter the state contest.

Look out for Traffic When Changing Tires

Caution when changing tires on the highway is urged in a bulletin from the traffic division of the Minnesota highway department. Two women, says the bulletin, were killed by passing vehicles the past month while standing in the highway helping or watching men change tires.

Tire changes will be more frequent than usual during the present tire shortage. When it is necessary to change tires, the car or truck should be moved entirely off the paved or traveled portion of the road and onto the road shoulder. Persons changing tires or helping or watching, should watch for oncoming traffic and should as far as possible stay off the traveled portion of the highway. At night it is also important to see that tail lights are turned on and not obscured in any way. In case a vehicle is disabled so that it cannot be moved entirely off the road, flares or other adequate signals should be used to warn oncoming traffic.

TIME TO BE REALISTIC

President Roosevelt and Congress are not in accord on the question of taxes. The President asks that the government's present take be increased at least another ten billion dollars a year. Congress has responded to this request with a bill that would increase federal taxes by less than three billion dollars.

For once Mr. Roosevelt is making a request that is not popular, and for once Mr. Roosevelt is right. Perhaps if he would explain to the people why it is so important that taxes be drastically increased he could popularize his position. If he would explain that our country's financial structure is in a bad way, and getting worse fast, he no doubt could rally sufficient popular support to force Congress into proper action.

Taxes are not pleasant things but, as the President finally admits, we must be realistic about them. As we spend we must pay. Credit is good as long as it is used properly. When it is used improperly it is an evil, and our country's credit has been, and is being, used improperly. If we are to remain solvent, if those little green certificates we have been taught to treasure so highly are to retain their value, then we must go more and more on a cash basis, paying our bills from day to day.

It is possible to finance a war without going into debt. That would require that all our energies would be directed into the war effort—some supplying food, some providing the munitions and some doing the fighting. All unnecessary activities would be curbed and all of us would work as hard and as long as necessary to get our chores done, for subsistance wages. That would be the ideal way to conduct a war. We would all be soldiers.

Perhaps that isn't entirely practical, although no doubt the Russians are operating close to such a plan. It has disadvantages. But it also has advantages.

We have gone to the opposite extreme. We have operated under the idea that we could finance this war without any personal sacrifice or inconvenience. As a matter of fact we have had delusions that we could make money out of this war by fighting it on credit.

So far it has worked rather well, and most of us have accumulated a little bundle of printing press currency that we think is going to provide us with a lot of easy living.

How fine it would be if that could be true. Alas, that is not the way such things work out.

We have now reached the point where the authorities are beginning to realize that if disaster is to be averted the brakes must be applied. The printing presses must be slowed down.

President Roosevelt has asked for a realistic tax program. That means a tax program that will sweep away any delusions we may have had about getting rich. It means a tax program that will force those of us who remain at home to start making a sacrifice to win this war. It is the hard way but that way is not as hard as the way will be if we continue on our present course. The President should send back to Congress for reconsideration the inadequate tax bill that has been agreed upon and he should have the whole-hearted support of the people in his belated effort to apply the brakes.

Russia has suddenly become sixteen separate and distinct nations, each one authorized to deal independently—so says the report—with other nations. That sounds like Stalin is getting set to cast sixteen votes in deciding the post-war problems of the world. Well, why not? A territory so vast and a population so great probably should have more to say about what's what than the Republic of Uraguay. Of course there is no good reason why the sixteen Soviet nations should have sixteen votes and our 48 states only one. Deciding this problem of representation in the last league of Nations was a tough problem and it probably won't be any easier in the next one. But what is one problem, more or less.

Almost too good to be true are the reports on the progress of our invasion of the Marshall Islands. Strange thing about this party—we telegraphed ahead that we were coming and yet took the Nips completely by surprise by striking at the one spot where we were least expected. There probably is a lot of hard fighting ahead of our men before all the islands in this group are mopped up but they can proceed now with the advantage of holding a key position. And best of all, that much talked of Jap base called Truk is now due for a pounding.

Five reporters for the Cleveland Press submitted identical statements on income to five different deputy tax collectors and brought back five different answers on the amount of tax they would have to pay. These ranged from a refund of $18.88 to a charge of $246.10. The boss collector, when he heard of this, said he was shocked. Evidently he himself hadn't tried to make out one of the returns yet or he wouldn't have been surprised.

Waterfowl Now Subject to Confiscation in State

In view of apparent public confusion concerning the time for retaining waterfowl under federal regulations, Verne E. Joslin, state director of game and fish, who had joined with other game and fish officials in requesting extension of time from the U. S. fish and wildlife service, today repeated the previous announcement that no extension had been granted, and warned that all waterfowl retained in possession after January 17, the expiration date originally fixed by the federal regulation, are subject to confiscation. He emphasized that although state game wardens are required under state law to follow and enforce the federal regulations, the state authorities have no power to extend the time limit. Whether seizure of waterfowl will be followed by prosecution under the law for illegal possession will depend on the evidence in particular cases.

Your Federal Income Tax
Prepared by the Bureau of Internal Revenue

Who Must File a Return

Every single person must file a Federal income and victory tax return for 1943 if his gross income from all sources for the year was $500 or more; that is, as much as 9.62 per week. The term "single person" includes not only those who have never married but also widows, widowers, divorcees, and married persons separated by mutual consent.

Every married person, living with husband or wife during the entire year 1943, must file a return if his or her gross income was more than $624, or $12 per week; or if their combined gross income was as much as $1,200 for the year, or $23.08 per week.

Every individual who paid or owed a tax on 1942 income must make a return for 1943 even though he may have no taxable income for that year. When the pay-as-you-go plan was started by the Current Tax Payment Act of 1943, he already owed the 1942 tax. To relieve him of paying both years' taxes in one year, Congress decided to forgive a part of one year's tax, and the 1943 form shows how to figure the forgiveness. In cases where a person has no tax in one of the two years, there is no double liability, and since there is nothing to be forgiven, the tax for the other year must be paid in full as the tax for 1943.

Every individual who had income and victory taxes withheld from his wages during 1943 should file a return even though he did not have as much as $500 gross income for that year, because he may be eligible for a refund, which can be established by filing a return.

Where the marital status changes during the year, a return must be filed if the combined gross income of husband and wife, though less than $1,200, equals or exceeds the aggregate total of (a) $500 prorated for the period during which the husband was single, (b) $500 prorated for the period during which the wife was single, and (c) $1,200 prorated for the period during which they were married.

No individual is exempt from filing a return if his gross income from sources within the United States is equal to or greater than the amount specified above for his classification. Neither the President of the United States, nor the Vice President, nor Federal judges, nor Members of Congress, are exempt from filing returns. However, the filing of returns may be postponed by individuals who are outside of the United States, particularly members of the armed services, as explained further in article No. 20 of this series. All income, from whatever source unless excluded by statute, must be reported in the return. The types of income specifically exempt are listed in the instructions accompanying the return Form 1040.

Where separate returns are filed by husband and wife on Forms 1040, one may not report income which belongs to the other, but must report only the income and deductions which belong to him or her. The joint personal exemption ($1,200 where the married status has existed throughout the year), may however, be taken entirely by either, or divided between them in any proportion agreed upon.

A husband and wife who live together at the end of the taxable year and who are citizens or residents of the United States may elect to include the income of each (even though one has no gross income) in a single return made by them jointly on Form 1040, regardless of whether they made their previous returns or declarations of estimated tax jointly or separately. In a joint return the aggregate income, deductions and credits are computed as though husband and wife were one person. If a joint return is filed by two persons who married during the year, the personal exemption attributable to each during the period before marriage is allowable in the return notwithstanding that one may have no income. A joint return must be signed by both husband and wife, or by an agent if the taxpayer is (a) too ill to sign, or (b) absent from the United States for 60 days before the due date. Where an agent signs, however, a power of attorney on Form 935 must accompany the return.

A short form return, Form 1040A, in which the tax due may be readily ascertained from a tax table in the return, may be filed by citizens or residents of the United States whose total income in 1943 came only from salary, wages, dividends, interest and annuities, and was not more than $3,000. A joint short-form return may be filed by a husband and wife who were living together on July 1 of the taxable year if their combined total income was not more than $3,000, or they may elect to file separate short-form returns. If either uses the long Form 1040, the other may not use the short form. Married persons who are temporarily apart while on military service or other business are deemed to be living together.

HALLOCK SEXTET TAKES LOCALS BY SCORE OF 3 TO 2

Hornets Are Unable to Overcome 3 to 0 Lead on Tuesday

Although scoring two goals in the third period, the Hornets failed to overcome a 3 to 0 lead which Hallock had established in the first two periods of play, and as a result the locals absorbed their second defeat of the season, losing to Hallock by a 3 to 2 score in a game played on the Hallock rink Tuesday night.

Stocky Cal Engelstad pushed Hallock into the lead with a first period goal; and the northerners, on goals by Jerry Lindegard and Engelstad, skated into a 3 to 0 lead as the two teams left the ice at the end of the second period.

Goalie Jack Rosequist turned in a fine game for Hallock, but the Hornets, on two goals by Bob Baker in the third period, evaded a shutout.

Hallock will play here on Feb. 15th.

The summary:
T. R. Falls (2) vs. Hallock (3)
W. Mortrud — goal — Rosequist
Dorn — defense — Olfilden
V. Mortrud — defense — Lindegard
Olson — wing — Cannon
Johnson — wing — Anderson
Baker — center — Engelstad
Spares: Thief River Falls—Vigness, Hovie, Brossoit, Lund, Fretland; Hallock—Bild, Schultz, Krumholz.
First period scoring — Engelstad. Penalties—none.
Second period scoring—Lindegard; Engelstad. Penalties—Hovie.
Third period scoring—Baker (unassisted); Baker (unassisted).

Prowler Quintet Wins From E. G. Forks 38-36

With but twenty seconds of play remaining, Captain Billy McKechnie flashed into the free throw circle and popped a one-handed shot toward the east goal, and when the ball nestled in the basket the Prowlers had earned the two points that gave Coach Hanna's team a deserved 38 to 36 win over East Grand Forks in a district class A game played here Friday night. This week the Prowlers journey to Bemidji for a return game with the Bemidji Lumberjacks, facing coach Barnum's regional champions on Friday.

Friday's crowd-pleasing contest found East Grand Forks, with Captain Red Johnson doing some spectacular one-handed shooting and Don Wavra dropping in four field goals, taking a 12 to 9 lead at the end of the first period and forging into an 18 to 10 advantage midway in the second period. Herb Claffy, with a field goal and a pair of free throws, accounted for the Prowlers' first points. The locals, with McKechnie boosting in three field goals and Virg Evenstad clicking for a couple, sliced the Green Wave lead to one point at the intermission, the Prowlers trailing by a 22 to 21 score.

McKechnie, on a pass from Evenstad, after Virg had broken up an East Grand Forks play, scored a push-up shot to send the Prowlers into the lead as the second half opened. Vickory, on a free throw, tied the score; but Evenstad, on a close shot, lifted the Prowlers again into the lead, and followed with a neat tip-in shot moments later. The locals, scoring 9 points, led by a 30 to 27 score as the teams moved into the final period.

Red Johnson counted a Green Wave free throw, and, with six minutes to go, the East Grand Forks forward knotted the score with a shot from close in. Bespectacled Don Bain marked up two free throws, and coach Hanson's team took over the lead. Burdell Merritt, recovering a rebound, tipped in a field goal; and then drove in for an under-the-basket goal, giving the Prowlers a two-point edge. Bain, on Merritt's two-shot foul, made good on both tries, tying the score. Bill McKechnie hoisted a long shot into the net; but Don Wavra, on Richards' two-shot foul, calmly dropped in both attempts, to again even the score. McKechnie then closed out the game's scoring with his nifty one-handed shot, giving the Prowlers their win.

Bill McKechnie, with 8 field goals and a free throw, for 17 points, was the game's outstanding star, but Bill was given fine support by Ninsk Carlson, Herby Claffy, and Virg Evenstad. East Grand Forks' play was sparked by Red Johnson, Don Bain, and Don Wavra. Johnson and Wavra were the Green Wave's high-point men, with 11 and 10 points, respectively.

In a preliminary game, Bob Baker's Wildcats, with Larry Rullen as their chief point-getter, defeated the Prowlers reserves, 33 to 17.

HONOR MEMORY OF FORMER MEMBERS OF HOCKEY TEAMS

Tribute Is Paid at Arena to Two Men Who Died in Current War

With approximately forty members of the local 40 & 8 voiture participating, in addition to a group of young men from this community now in the armed services, brief services were held between the second and third periods of the Hornets-Cathedral hockey game in the arena Saturday evening, honoring the memory of Sailor Delmer Hovie, former Hornets player, and George Beverley, one-time hockey coach here, both of them losing their lives in the current war. Kern Olson presided over the exercises, while Rev. A. I. Merth paid tribute to the memory of the two men.

Bombers and Hurricanes in 0-0 Tie on Saturday

Les Vigness' Bombers and Wes Hovie's Hurricanes played to 0 to 0 deadlock in a "midget" hockey game played as a preliminary to the Hornets vs. Cathedral contest Saturday evening. The two teams are slated to play-off the tie next Saturday morning, with the winner being scheduled to play the St. Bernard's team in the evening as a preliminary to the Hornets vs. Roseau game.

BIG GALLERY SEES HORNETS DEFEAT CATHEDRAL 7 TO 3

Roseau H. S. Cloverleafs Come Here for Return Game Saturday

The season's largest crowd saw the Hornets explode for five goals in the second period Saturday night to overcome a 2 to 1 first period deficit, and hand Coach Don Norman's Crookston Cathedral sextet their first setback of the year, the Hornets winning by a 7 to 3 score. During the intermission between the second and third periods a short memorial service was conducted by the local voiture of the 40 & 8, being a tribute to former Hornet hockey player Delmar Hovie, and former Hornet hockey coach George Beverley, both of whom—Hovie as a member of the U. S. Navy, and Beverley as a member of the RCAF—have made the supreme sacrifice.

Next Saturday Coach Oscar Almquist's Roseau high school Cloverleafs return to the Arena, and based on the intense rivalry existing between the Hornets and Cloverleafs, a bang-up game is anticipated.

Saturday night's game was barely a minute old when Sonny Johnson flipped a backhand shot into the north goal, giving the Hornets the lead. But that advantage was short-lived as Cathedral, on Johnny Noah's solo goal, and Dennis Sullivan's long shot from just inside the blue-line, after receiving a pass from Medved, counted twice to hold a 2 to 1 first period lead.

The Hornets "went to town" in the second period, with Tony Dorn and Bob Baker drilling in a pair of goals apiece and Wes Hovie accounting for one tally. Dorn, who played an excellent all-round game, made an ice-length carry, circled the defense and came in on Bud Schroeder and beat the Cathedral goalie with a hard shot; Bob Baker followed with a shot from close in, taking a pass from Dorn, after Tony had carried the puck to the goal-mouth; Dorn, as a result of a nifty bit of stickhandling, beat Schroeder with a shot from five feet out. Following a face-off in the Crookston zone, Hovie, on a pass from Baker, whipped a long shot past the Blue Wave netminder; and the Hornets' fifth goal of the period was chalked up when Baker rifled a backhand shot into the net.

Jim Medved scored Crookston's third tally, with Leo Sullivan and Noah getting the assists, punching a hard shot past goalie Mortrud. Les Vigness and Wes Hovie combined to give the Hornets their final counter, with Vigness lifting a backhand shot past Schroeder.

Defenseman Tony Dorn and center-ice Bob Baker were the stand-out performers on the ice for the Hornets; while Medved and goalie Bud Schroeder turned in fine games for Cathedral.

The summary:
T. R. Falls (7) vs. Crookston (3)
W. Mortrud — goal — Schroeder
Dorn — defense — Noah
V. Mortrud — defense — Martin
Olson — wing — Salem
Johnson — wing — D. Sullivan
Baker — center — Medved
Spares: Thief River Falls—Hovie, Vigness, Brossoit, Lund, Fretland; Cathedral—L. Sullivan, Walter, Sumpmann.
First period scoring—Johnson (unassisted); Noah (unassisted); D. Sullivan (Medved). Penalties—none.
Second period scoring—Dorn (unassisted); Baker (Dorn); Dorn (unassisted); Hovie (Baker); Baker (unassisted). Penalties—Johnson, Vigness, L. Sullivan.
Third period scoring—Medved (L. Sullivan, (Noah); Vigness (Hovie). Penalties—Brossoit.

G. F. QUINT NOSES OUT PROWLERS BY SCORE OF 29 TO 28

Grand Forks Rallies in Final Minutes to Win Game Saturday

The Prowlers dropped a heartbreaking decision to a big Grand Forks Central high team at Grand Forks Saturday night, when the Maroons rallied in the game's final minutes to edge out the locals, 29 to 28.

The Prowlers, using their speed to off-set the Maroons' superior weight and height advantages, trailed by a 7 to 5 score at the end of the first period; but with Evenstad rolling up two field goals and Billy McKechnie marking up two free throws and a field goal, the locals were in a tie score, 13 to 13, at the half.

Coach Hanna's team turned in their niftiest play in the third period, racking up 7 points while holding the Maroons to 3 points, giving the Prowlers a 20 to 16 lead as the two teams entered the final period of play. Chuck Richards, playing at guard for the locals, drove in for a third period field goal, and did strong work on defense.

After Evenstad had looped in a goal to open the final stanza, boosting the locals lead to 6 points, Graham, McDermott, and Williams tossed in Grand Forks two-pointers, to knot the score at 22-all. Herb Claffy's free throw carried the Prowlers into a point lead; but Nedrud's field goal gave Grand Forks the lead. McKechnie and Evenstad pushed in Prowler field goals, to bring the score to 27 to 24. Claffy, receiving his fourth personal foul, was forced out of the contest. Bye's free throw and Graham's field goal tied the score, 27 to 27. McKechnie converted a free throw and the Prowlers were in the van, with barely a minute to go; but Williams, on a try from well out on the court, found the net for the game-winning points. The Prowlers, battling furiously, had three tries at the basket in the remaining seconds of play, with the ball rimming the hoop in each instance.

McKechnie and Evenstad flashed effective all-round basketball for the Prowlers, while Ninsk Carlson and Chuck Richards did sterling work in recovering rebounds against the burly Grand Forks players. Graham, in addition to playing a strong defensive game, paced the Grand Forks scorers with 8 points.

A Season's Record

Mrs. Jeanette Dostal broke all kinds of single game records last Wednesday night when, as the anchor on the Narverud Cleaners team, she rolled a 231 total in the first game of the Narverud's match with the Log Cabin. Mrs. Dostal, rolling on alleys 3 and 4, marked up spares in the 1st and 2nd frames, had strikes in the 3rd and 4th, a spare in the 5th, then piled up four strikes in a row, and spared the 10th, for a 231. And to spare the last frame, she had to pick up the 5-7-9 split. It was somewhat ironic for her to roll such a total and yet have the team, the Narverud's lose the game by a 654 to 651 score.

Margaret Stadum, the league secretary, states that Jeanette's 231 score is the highest single game mark recorded in the past three years.

A Pleasant Week-end

The Prowlers and the Hornets, coming up with a pair of "home" victories, provided local fans with a pleasant week-end. Friday night the Prowlers, on a couple of "clutch" baskets by Kegger in the final minute of play, defeated East Grand Forks; and on Saturday night the Hornets, with Tony Dorn and Bob Baker in the goal-getting roles, skated Crookston Cathedral into the ice to win a 7 to 3 decision.

Playing at Grand Forks on Saturday night the Prowlers were edged out by Ed Bohnhoff's Central team, 29 to 28. That score indicates a "moral" victory for the locals, and it perhaps would have been an "actual" victory if the Prowlers had not lost Herby Claffy on fouls, and on three fouls at that. The story is that the official scorer charged Herby, wearing jersey No. 18, with a foul that should have been given to Burdell Merritt, wearing No. 19 jersey, a mistake that is easily made during the din of a hotly-contested game. Herby was sitting on the bench at the time Merritt made the foul, so when he, Herby, returned to action he was carrying three fouls instead of two, and when he "cut down" a Grand Forks player driving into the basket Herb thought he had committed his third foul. In the Thief River scorebook Herby had only three personals, but the "home" book is always official and he had to leave the game.

In Saturday night's hockey game, Tony Dorn, the Hornets 190-pound defenseman, turned in his finest all-around exhibition of hockey. Not only was Tony a power on defense, but he teamed with Bob Baker on offense in a manner that made Cathedral's goalie, Bud Schroeder feel as if he was up against a double-barreled shotgun.

And don't forget that the Roseau high school Cloverleafs play the Hornets here on Saturday night. That should be a game.

Adult Gym Classes

You fellows that are a bit on the pudgy order, and the lean fellows that want to remain lean, should remember that the adult gym class is held every Thursday night at the high school gymnasium. Facilities for badminton, volley ball, and basketball are available. The time is 7:30, and on Thursday nights.

Miscellany

A/c Dennis Althoff, receiving his naval pre-flight training at Athens, Ga. relates in a letter that he had the good fortune of meeting Lt. George Lee, former Prowler athletic coach. Denny states that George is a phy. ed. instructor at the school, and that he is well-liked by the cadets.—Al LoPresti, who will be remembered as the goalie on the Eveleth high school team that played here a couple of years ago, is playing goalie for the San Diego Skyhawks, and according to all reports, he's doing all right. Al is a younger brother of the former Chicago Blackhawk goalie, Sam LoPresti.—The hockey gloves and shin-guards that Tony Dorn is using this year is former Chicago Blackhawk equipment. Tony received the gloves and guards from Jug Snelling, Hornet captain in 1942, and Jug came into possession of them last year while playing for a shipyards team in Duluth.

VALIDATE STAMPS FOR USE IN BUYING MEAT FROM FARMS

Total of 120 Points in Book IV May be Used for Purpose

Twelve red stamps in War Ration Book Four, with a total value of 120 points, were validated January 17 for the buying of pork and other rationed meats from farmers. This will give consumers ample ration points for buying meat — particularly pork — from farmers who want to slaughter their hogs on the farm and market them in the form of fresh meat.

OPA has always provided that the meats stamps in any one ration book could be used ahead of their regular validity dates for farm slaughter purchases. As relatively few points remain in Book 3, however, it is thought advisable to make some points from Book 4 good for this purpose.

The advance use of stamps, it was explained at the local war price and rationing board, does not give the individual who buys from a farm slaughterer a larger meat ration than anyone else. It merely allows the individual buying from a farmer to follow the normal practice of buying fairly large amounts at one time.

At the same time, it encourages farmers to slaughter on their farm, thus cutting down the number of hogs coming into the congested markets. The red stamps in Book four which may now be used for buying meat from farm slaughterers are those numbered "8" and lettered from "A" thru "M". These stamps are worth 10 points each, making a total of 120 points.

In addition, the brown stamps in war ration Book Three may be used ahead of their regular validity dates when buying from farmers. This means that the 96 brown points remaining in Book 3, and which are for use between now and February 27, may be spent in one block when rationed meat is bought from a farmer.

SAFETY EDITORIAL WINNERS CITED BY EDITORIAL GROUP

Casualty Insurance Firms Donate Prizes in the Contest

With Clyde Helm, executive secretary of the Insurance Federation of Minnesota as an interested spectator in the offices of Minnesota Editorial association, James L. Markham, chairman of the MEA traffic safety committee, handed $250 worth of war bonds to the winners in the newspaper division and the high school division of the safety editorial contest.

With a stirring appeal to "Hold the Gains" published in The Mizar, Miss Jean K. Hansen, 15-year-old honor student of Jordan Junior High School, Minneapolis, won the hundred dollar war bond for first place in the school division.

Mr. Markham, publisher of The Hennepin County Review at Hopkins, also had the pleasure of handing $150 in war bonds to his neighbor, M. G. Gullixson, editor of The Deephaven Argus, whose dramatic appeal for highway safety, already widely republished, took top honors in the newspaper contest.

Second place in the school division went to Kay Wiggins, St. Louis Park high school; third and fourth to Donald W. Gray, Elk River high school, and Lorraine Goerber, Good Counsel Academy, Mankato. Miss Wiggins was awarded a $50 war bond, each of the others a $25 bond.

After the presentation ceremony a $100 Bond was mailed to S. D. Youso, Benton County News, Foley, for his second-place entry in the newspaper contest, and $50 to L. A. Dare of The Sherburne County Star-News, Elk River, for third place.

The funds for these prizes were furnished by the casualty company members of the Insurance Federation of Minnesota and the details of the contest were directed by Mr. Markham as part of the activities of the MEA traffic safety committee.

Birthday in February? Get Drivers License Now

If you have a slight accident, one of the first things the traffic officer will ask for is your driver's license. Having an accident and being without a driver's license is a bad combination, says a state highway bulletin.

Drive carefully, is the first rule. Also be sure that you have a valid driver's license. If you had a birthday since September 1, 1943, and failed to get a renewal, your old driver's license is no better than no driver's license at all.

If you have a birthday in February, now is the time to renew your driver's license. Failure to apply for a renewal before your birthday leaves you without a valid license and without a legal right to drive on public streets and highways.

Hardware Dealers Hold Meeting in Minneapolis

M and O Reports

To you patriotic woodlot farmers and producers who did such a grand job in cutting pulpwood and also to those who are still producing wood to meet the vital needs of war:

1 The crisis which existed in the shortage of poplar wood has been relieved to the point where further production of rough poplar should be curtailed unless producers have a definite outlet for this product.

2 Because of your energetic response to the pulpwood campaign, a growing abundance of poplar has been cut and delivered to the mills. As a result an excess supply of poplar is developing.

3 Pulpwood, other than poplar, still is urgently needed. Therefore, producers and woodlot farmers are asked to devote their efforts to cutting other species than poplar.

4 Our slogan, "A CORD OR A CARLOAD", is still in force, covering SPRUCE, BALSAM and JACKPINE. We urge producers to divert their efforts toward the production of these species of wood.

Rites for Mrs. Tony Gullikson

Funeral services were held Wednesday, Jan. 26, at the Carlson funeral home in Middle River for Mrs. Gunhild Gullikson, who passed away Jan. 19 at a Thief River Falls hospital following a stroke. Rev. Thv. Myhrer officiated at the rites and interment was made at the Middle River cemetery.

Mrs. Gullikson, who was 46 years old at the time of her death, was born in Roseau county Feb. 4, 1897. Baptized and confirmed in the Lutheran church at Roseau, she united in marriage Sept. 15, 1927, to Tony Gullikson. They made their home at Fox, Middle River, and for the past three years at New Maine township.

Left to mourn her passing are her husband Tony and five daughters, Phyllis, Joan, Dorothy, and Judith at home; Mrs. Thomas Venaas of Fox; six sisters, Marie of Seattle, Wash., Alice of Nora, Saskatchewan, Canada, Tina of Duluth, Gunda of Pine Creek, Bertha of Badger, and Thelma of Duluth; one brother Oliver of Fox, and a large number of relatives and friends.

Pallbearers for the funeral rites were Gust Qualle, Herman Young, Lloyd Anderson, Art Skadsem, John Taylor, and Nels Nelson. Songs were presented by Misses Annabelle Peterson, Eldean Lindahl, Alta Holm, Beverly Hanson, Mrs. Elmer Huseth, and Mr. and Mrs. Joe Bloom, while Mrs. Ed Bakken furnished the organ music.

Rites for Mrs. Christine Erickson

Last rites were conducted at the Ringbo Lutheran church Monday afternoon for Mrs. Christine E. Erickson, 81, who passed away at her home in Ringbo Monday, Jan. 24. Rev. Thv. Myhrer officiated at the services and interment was made at the Ringbo cemetery. Pallbearers were Elling Waagedahl, Pete Sorter, Algot Skoglund, Chas. Skoglund, Rude Christenson, and Hilmer Swenson, while Mrs. Kore Myhrer presented vocal selections.

Mrs. Erickson was born in Nuskogs, Wermland, Sweden, May 10, 1862. In 1886 she was married to Eckwall Erickson and together they came to America in 1886 and settled on a farm at Alvarado. Eight years later they moved to Ringbo to make their permanent home.

FARM COUPLES GET AWARDS AT WINTER SHOWS

John L. Radnieckis and Gus Hillyers Are Honored at Crookston

33 GET FARMERS AND HOMEMAKERS AWARDS

Awards Made by R. R. Valley Development Assn. Last Thursday Night

Thirty-three farmers and homemakers from sixteen counties in the Red River Valley received congratulations Thursday in Crookston from Governor Edward J. Thye and Dean C. H. Bailey, dean and director of the University department of agriculture, on receiving the coveted Valley Farmers and Homemakers award given by the Red River Valley Development association.

The awards were announced by T. M. McCall, president of the association at a recognition banquet held in connection with the Red River Valley Shows and Northwest Farmer's Week. The honor farmers and homemakers were guests at the Winter Shows during the week. Awards in this section went to:

Mr. and Mrs. John L. Radniecki, Trail, Pennington county. Mr. Radniecki is founder and has been an active supporter of all cooperative enterprises in his county, particularly in the Red Valley area. They take pride in their modern and improved home. They specialize in Holstein cattle and Bronze turkeys.

GEORGE L. BIDDICK NAMED CHAIRMAN RED CROSS DRIVE

Will Direct March Campaign to Raise $10,500 in Pennington County

George L. Biddick has accepted the responsible position of chairman of the 1944 Pennington county Red Cross war fund campaign which will get under way March 1, it was announced today by Herman A. Kjos, chairman of the local Red Cross chapter.

Mrs. Edwin Hanson of Rocksbury again will play an important part in the drive by supervising the solicitation in the rural districts of the county. Mr. Biddick and Mrs. Hanson will announce the personnel of their committees next week.

Mr. Biddick announced that, with a national quota of $200,000,000, the quota for Pennington county has been set at $10,500, an increase of more than fifty per cent over the figure of $6,500 for 1943, which was well oversubscribed.

The larger quota, he added, results from increased need for services with the steadily growing armed forces, approximately 90 per cent of the objective being earmarked for Red Cross services connected with the war effort.

ROY BROWN NAMED DEP. COLLECTOR OF INTERNAL REVENUE

Three Men to Assist Income Taxpayers Here from March 1-15

Roy H. Brown, formerly associated with the Northern Chevrolet company, last week took over the duties of deputy collector of internal revenue here, it was announced by Edward T. Anglim, in charge of the local office.

Mr. Anglim also stated that three men, including Gust Swanstrom, internal revenue agent in Minneapolis, will be stationed at the office in the Auditorium basement from March 1 to 15 to assist taxpayers in making out their income tax returns which are due not later than March 15.

It was also announced that collectors will be stationed in the following towns during February: Greenbush, Feb. 8-10; Badger, 11-14; Roseau, 15-19; Warroad, 21-23; Hallock, 24-28; Argyle, 10-11; Warren, 15-18; and Grygla, 23-24.

LOCAL RESIDENT TO FACE ASSAULT CHARGE IN COURT

E. J. Lawrence Charged with Assaulting Albert Severson

Edward J. Lawrence, tenant of one of the city cabins on Arnold av., is in police custody, charged with criminal assault Saturday night on the person of Albert Severson, employed by the state highway department. Police indicated that Lawrence would be brought into municipal court for a preliminary hearing today.

Severson, the victim of the apparently unprovoked attack, had his car parked near the cabin while he attended to his duties in the highway department garage across the street, and was about to drive away when the assault occurred. He drove a short distance when the melee was resumed, and he was left lying in the street.

Shortly after he was able to drive his car to his home, where he collapsed, and was taken to a local hospital where he received treatment for severe head contusions, being released Wednesday afternoon.

Lawrence has lived in this city the past two years, coming here from Hallock.

GRYGLA CATTAIL FLUFF BUYER SETS NATIONAL RECORD

John Gonnering Purchases and Ships 13 Carloads of Material

John Gonnering, Grygla buyer of cattail fluff for the Burgess Battery company's plant at Ashippun, Wisconsin, has bought and shipped more fluff than any other agent in the United States, he was informed Sunday by Mr. Manning, president of the company, and his associate, Harold Hamley, on the occasion of a visit to Grygla.

To achieve his record, Mr. Gonnering bought and shipped a total of thirteen carloads of fluff aggregating 404,582 pounds. The material was trucked to Thief River Falls to be loaded on freight cars.

Mr. Gonnering stated that no more fluff will be purchased this season, but that buying will be resumed next fall. While in Grygla, Mr. Manning discussed the possibility of establishing a plant there where the fluff can be processed before being shipped.

Girl Scout Executive

Miss Eleanor Thomas, member of the Girl Scout national staff, will be in Thief River Falls on Feb. 17-19 to assist the local Girl Scout organization, according to Mrs. H. K. Helseth, Commissioner of the Thief River Falls Girl Scouts. Miss Thomas, whose home town is Aberdeen, South Dakota, started her Girl Scout career as a girl, and has served as a leader of a troop, and as a camp counselor. Before joining the national staff of the Girl Scouts, she was a field secretary in Minneapolis.

KINGHORN ELECTED NEW PRESIDENT OF AERONAUTICS UNIT

Named to Succeed Pfc. Wayne Anderson at Annual Meeting

Harry W. Kinghorn, who during his term as mayor played an active part in the acquisition of the site of the Thief River Falls airport, was elected president of the local chapter of the National Aeronautics association at its annual meeting and election of officers Monday evening in the Palm Garden Cafe. He succeeds Wayne Anderson, now with the U. S. marines.

Roy J. Oen was elected vice elected vice president, while Norman Peterson was renamed secretary and Arthur A. Johnson, treasurer. J. Robert Petersen, Bill LaFave and Walter Larson were chosen as directors.

Alderman Frank Rinkel of the council airport committee reported on income from hay stumpage as well as disbursements in connection with the airport site, and told of plans to seed the tract this spring to grass with oats for a nurse crop.

The chapter adopted a resolution proposed by the Minnesota Junior Chamber of Commerce recommending amendments to certain sections of an aeronautics bill now pending in congress.

H. A. Brumund, R. J. Lund Renamed Trustees of St. Lukes Hospital

H. A. Brumund and Robert J. Lund were reelected trustees for three-year terms Monday afternoon at the 14th annual meeting of St. Luke's Hospital association. W. W. Prichard, secretary, reported that the institution in 1943 handled the largest volume of business since its establishment in 1930, and that plans are under way for the construction of a nurses' home following the conclusion of the war.

SALES OF WAR BONDS HIT 115 PCT. OF OUOTA

Pennington Now Well over Top in Fourth Loan Campaign

THIEF RIVER FALLS STILL BELOW QUOTA

Twelve County Subdivisions Were over the Top on Wednesday

The purchase of bonds in Pennington county this week attained 115.4 per cent of quota, Paul A. Lundgren, county war finance chairman, stated today. Twelve subdivisions are now over the top. Since only five days remain on the official drive, several townships will undoubtedly fail to make their quota, he added.

"One of the highlights of this week's bond purchases" said Mr. Lundgren, "was the purchase of an additional $30,000 by Montgomery Ward & company. Since this amount must clear through the federal reserve bank, it is not included in this week's quota, but will give the county a nice boost when the final figures are tabulated next week.

"The purchase this week gives Wards a total bond purchase of $60,000 for the Fourth War Loan drive, and will put the purchases by business firms in excess of 200 per cent of their quota. This showing on the part of the businessmen should prove that business considers the purchase of bonds as a good investment.

"The individual solicitation in the city of Thief River Falls has dragged and is a little discouraging. The city itself now stands at 88.9 per cent of quota, whereas in every other drive the city has far exceeded its quota.

"On the basis of percentages, the village of Goodridge ranks first in the county, with 169.4 per cent. The town of North is second with 167.2 per cent.

Rond Sales Over Quota

Pennington county up to yesterday had attained 115.4 per cent of its $386,000 quota in the Fourth War Loan Drive, ranking second to Wadena county in Region No. 4 in percentage of quota attained. The record for the various subdivisions of the county as of Wednesday is as follows:

COUNCIL OK'S PERSONNEL OF POLICE FORCE

Approves Appointment to Make up Full Strength of Staff

OFFER AMENDMENTS TO BEER ORDINANCE

Council Asks State Engineers to Map Plans for Local Airport

The status of the local police force, which has been up in the air since the first of the year, was ironed out at the February session of the city council Tuesday evening with the confirmation of three appointments made by Mayor W. J. Douville.

Those approved were J. J. Williams, Jesse Thorstad and Harvey McMahon. Previously confirmed were the appointments of Leonard Hanson, chief; William Sheedy, assistant chief; and Mrs. John Dokken, police matron.

A committee of the local WCTU presented for consideration amendments to the beer ordinance, further restricting the hours when beer can be sold and ordering the elimination of obstructions in the windows of beer parlors. A motion by Alderman Palmer Hanson that the measure be given its first reading failed of passage, Aldermen J. Robert Petersen and Jack McKechnie not being present at the meeting.

The council approved the budget covering expenditures of the local recreation board in the sum of $1,925, the same amount as last year, covering outlays in connection with the swimming pool and playgrounds, children's playrooms in the arena and salary of Mrs. Camille Dostal, supervisor. Also approved was a $300 contingent fund for Mayor Douville.

Following the opening of bids, the Union State and Northern State banks were designated as city depositories, and the Thief River Falls Times was designated as the official city paper.

With the objective of reducing the number of beer parlors in the city, Mayor Douville informed the council of his intention of vetoing any applications approved by the council for the transfer of beer licenses.

Citing increased living costs, full-time employes of the fire department asked an upward salary adjustment, the matter being laid over for further consideration.

At the request of the local chapter of the National Aeronautics association, submitted by William LaFave, the council voted to request the state commissioner of aeronautics to send engineers here to map plans for the development of the local airport. It was explained that the work would involve no expense to the city.

Following a recommendation by Mayor Douville that he be authorized to appoint a local post-war planning board, it was indicated that members of various local organizations would be invited to discuss the matter at the next meeting of the council.

Women's Club Members Hear Talk on India at General Meeting

The Current Events group of the Women's Club were hostesses at the general meeting of the organization held Monday evening in the Civic and Commerce rooms. A feature of the evening's program was an interesting and informative talk on India given by Mrs. Ernest Palmer.

Three members of the Current Events group, Mrs. Quentin Jones, Mrs. Jack McKechnie, and Mrs. G. W. Booren modeled garb of the Indian people while Mrs. Palmer gave first hand information on the lives of these people of that country, their way of living, their foods and modes of travel, and illustrated with a large number of snapshots taken in India.

While explaining the different religions in India, Mrs. Palmer had on display replicas of the gods the Indians worship, and at the same time showed replicas of cooking utensils and containers. The different castes in that country were also discussed.

Mrs. Palmer and Mrs. Quentin Jones, daughters of Rev. and Mrs. A. A. McBride, Congregational missionaries in India, were both born in that country and spent their childhood days there.

Other numbers on the program included two selections by the Music group, "In the Heart of the Hills" by Dorothy Lee, and "Winter Lullabye" by Reginald de Koven, accompanied by Mrs. W. J. Brown.

Lunch was served at the close of the evening from a table beautifully decorated in the valentine theme. Mrs. L. G. Larsen presided for the Current Events group in place of Mrs. Palmer, the speaker of the evening.

Smiley Couple Observes Golden Wedding Sunday

The culmination of a half a century of married life for Mr. and Mrs. O. N. Olson occurred Sunday, Feb. 6. To observe this golden milestone, about a hundred guests were entertained at a reception at the Olson farm home southeast of the city Sunday afternoon.

Prior to this occasion, Mr. and Mrs. Olson were honored guests at morning worship in the Zion Lutheran church of which they are charter members. Tribute and blessings were bestowed upon them by Rev. Walter Pedersen and the congregation. After the services a dinner was given in their honor for immediate relatives and Rev. and Mrs. Walter Pedersen at the Mark Olson home.

Yellow jonquils, gold and yellow candlebra provided the simple but beautiful appointments throughout the rooms of the O. N. Olson home where all the guests assembled to enjoy the program presided over by Dr. O. F. Mellby. He opened the program with congratulatory remarks to the honored couple in behalf of the guests and introduced the following numbers beginning with a prayer by Rev. Pedersen; a vocal solo was sung by Mrs. Ole Granum, nee Dora Holmes, who sang twenty-five years ago at the silver wedding of the Olsons; Miss La Vina Martin of Minneapolis, a niece gave greetings in behalf of the family. She read a telegram received from Mr. and Mrs. Orton Olson of Vancouver, Washington, who were unable to attend. She also read a poem written by Mrs. Jim McCrum in tribute to her parents. Miss Martin capably gave two hilarious readings by Edgar Guest "How Ma Met Pa" and "How Pa Met Ma".

In behalf of the Zion Lutheran church, Rev. Pedersen gave congratulatory remarks. He read messages from Mr. and Mrs. Ted Markow of Spokane, Wash., Mr. and Mrs. Sewern Satre of Madison, Mr. and Mrs. W. McQuaig of [illegible], N. Dak., and Miss Tillie Amundson of Slayton.

Rev. Pedersen also summarized the early married life of the Olsons. Their marriage occurred in Chandler, Minn. in 1894. She was the former Andria Amundsen. They moved to Madison, Minn. and lived there briefly before coming to Thief River Falls where they homesteaded in 1894 in Smiley, the next farm east to where they now reside. In 1906 they moved into town where Mr. Olson started an implement store and which he kept until 1919 when they moved with their family back to the farm and have remained there since.

Six children were born to this union of which one son, Joell, died in infancy, and a daughter, Ruth, died in 1916 in her sophomore year in high school.

Vocal solos were sung by Mrs. Walter Pedersen. Greetings in behalf of the old timers was extended by Mr. Ole J. Valsvik who told about the organization of the first Smiley town board in 1901 at the home of a Mr. Potts who lived on the former Boerbower place. The first town board members were Mr. Olson as chairman, Tobias Stene (deceased) and Gilbert Shjerva. It was their duty to find a name for this township and they decided to name it after Mr. Smiley who was the surveyor at the time.

Mrs. Tilfred Reierson gave congratulatory remarks in behalf of the Zion Lutheran Ladies Aid of which Mrs. Olson was a charter member and had served faithfully up to last year; Mrs. Otto Parbst (Katie Hahl) gave a talk on the early days of settlement. The humor and the hardships were cleverly told by Mrs. Parbst. The program ended with the assemblage singing "Blest Be The Tie That Binds." Miss Harriet Haugen was the accompanist to all musical selections.

The honored couple were presented with gifts and currency from the guests and a fitting gesture of presenting their parents with a fifty dollar war bond was made by Mr. and Mrs. Orton Olson, Mr. and Mrs. Mark Olson, Mr. and Mrs. Jim McCrum, and Clara Olson. The couple responded with Mr. Olson speaking a few words of gratitude and appreciation.

A buffet luncheon was served at the close of the affair with a three-tiered wedding cake trimmed in gold and topped by a miniature bride and groom forming the attractive center piece of the luncheon table. Mrs. Olson wore a forest brown sheer dress and a yellow corsage and Mr. Olson wore a yellow boutonniere. Numerous messages of congratulations were received from many friends and relatives.

Party Given for Albert Anse Before Leaving

Mrs. Albert Anse entertained a few friends last week in honor of her husband, who left Sunday for Duluth after spending a month at his home convalescing from an operation. Mr. Anse is employed as machinist at the Barnes Duluth ship yards, now being taken over by the Butler Ship Building Co.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

Quota of the Pennington County Chapter of the American Red Cross in the 1944 War Fund campaign in March is $10,500, according to announcement today of Herman A. Kjos. The quota is based on the needs of the chapter plus its apportionment of the budget of the national organization, which has a total goal of $200,000,000. George L. Biddick is chairman of the March campaign. The quota is the largest in the history of the chapter.

"The increase in the requirements for the Red Cross work results from increased needs for work with the armed forces," Mr. Biddick said. "The total number of men in the armed forces of the United States to be served by the Red Cross has been very greatly increased during the last year and the dispersion of the forces to more and more combat zones and outlying stations necessitates Red Cross service at many more locations."

Viewed as a total, Mr. Biddick emphasized, the Red Cross goal seems large, but if it is considered in relation to the number of men now in the armed forces he said it represents 'a very modest sum' for Red Cross service for a full year.

"We are confident," he added, "that the people of Pennington County and all America will respond generously to this appeal and provide the resources necessary for the continuance of the activities which the army and navy have requested the Red Cross to render on behalf of the men in the armed forces and their families."

GIRL SCOUT NOTES

We have a senior girl scout troop in the city with Miss Barbro Teigen and Mrs. Orrin G. Lynde as leaders. To qualify for a senior service scout, a girl must be registered nationally, must pass basic requirements, and must make the pledge of service. She should do at least one hour a week of community service work.

Feb. 14 is the birthday of the senior service troop. This is the date on which they were registered nine years ago as brownies. Their birthday will be celebrated with a party and a reading of the history of past events of the troop. The first leader of the troop, brownies at that time, was Mrs. Orrin G. Lynde for three years; Mrs. Wm. Ferguson and Mrs. Jackson had the first year of scouting; Mrs. Ferguson and Mrs. G. E. Ahre, the second year; Mrs. Ahre and Mrs. M. H. Ballingrud, the third year; Mrs. Clausen and Mrs. Rudy Larson the fourth year; Mrs. Lynde and Mrs. K. T. Smith, the fifth year; Miss Barbro Teigen and Mrs. Lynde, this year.

The senior scouts' latest project is being nurses aides at the Mercy and St. Lukes hospitals. At the hospital the girls work Saturdays in shifts of two hours each. As nurses aides, some of the jobs are carrying trays, getting water, making beds, giving back rubs, and many other jobs that take up much of the nurse's precious time. Uniforms have been ordered and it is hoped that the girls may have the uniforms for their work very soon.—Maxine Pederson, scribe.

The local girl scout council met Monday and were very pleased to learn that Miss Eleanor L. Thomas will be here as girl scout instructor Feb. 17 through 19. She will meet with the council Thursday morning, Feb. 17, in the library rooms.

All the meetings of the different scout organizations are open to lone troop leaders and committee members of surrounding towns.

Next Thursday evening at 7:30 there will be a meeting open to anyone interested in girl scouting. A cordial invitation is extended to all mothers.

Friday afternoon, Feb. 18, will be a training course for scout leaders, and that evening the brownie leaders will have their training course.

Saturday morning, Feb. 19, the senior scout training course will be held and that afternoon at one o'clock a trainer's meeting will be held. After that the council will entertain at a tea in honor of Miss Thomas. This is for the leaders, their assistants, and anyone interested in girl scout training. Lone troop leaders and committee members from surrounding towns are cordially invited to attend the tea.

The places of the various meetings will be announced in next week's paper.

MIDDLE RIVER

FUNERAL RITES HELD FOR H. L. KIRBY

Funeral services were held on Tuesday Feb. 1st in the First Lutheran church in Middle River for H. L. Kirby pioneer settler of the community who died suddenly at his home Friday evening, Jan. 28 from a heart attack.

Rev. Tollefson of Greenbush officiated at the church and at the cemetery, burial being made in the Spruce Valley cemetery.

Pall bearers were Egil Peterson, John Isaacson, Wesley Walton, Ernest Anderson, Ralph Gaarde, and Iver Iverson.

Cause of his death was heart attack and he was found by his son John, when he came in from doing chores that evening. Mr. Kirby had had the flu, but was recovering from that.

Harvey Lincoln Kirby was born in Kandiyohi county, Minnesota December 15, 1867 and grew to manhood there. In 1886 he came to Marshall county and took a homestead in Spruce Valley. Here he resided until the time of his death. He was married to Roxanna Kezar on February 1, 1907. Mrs. Kirby having passed away in 1929.

At the time of his passing, he was 76 years, 1 month and 13 days. He is survived by two foster sons, John Kirby of Spruce Valley and Sgt. Amo Kirby with the U. S. army in India. He is also survived by a sister and a brother in Calif. Out of town relatives were: Albert Kezar from Oslo, Erwin Kezar from Warren, Mr. and Mrs. Hartvig Larson, Clarence and George Kezar of Viking.

Ruby Risberg arrived Monday evening and visited with her mother overnight. On Tuesday Mrs. Risberg and Ruby went to Roseau to attend Mrs. Skogland's funeral. Mrs. Skogland was an aunt of Ruby's.

Mrs. Hilma Skogland of Roseau passed away at her home Jan. 21. The cause of her death was a heart attack. She is survived by six children they are: Mrs. E. A. Ulvin of Roseau, Mrs. Wesley Ulvin of Wannaska, Ted and Reuben Skogland of Roseau, Sgt. Edgar Skogland with the armed forces, Mrs. Verner Anderson of Thief River Falls and also five grandchildren. Mrs. Skogland was born in Wilhemena, Sweden in 1877.

The Sportsmens club is sponsoring a dance Saturday, Feb. 12th.

Cpl. and Mrs. Evald Nelson are the proud parents of a baby girl, born Feb. 2.

Mr. and Mrs. Ole Songstad returned from Salol on Tuesday, where they have been visiting with Mr. Songstad's uncle, Iver Hanson since Sunday.

Mr. and Mrs. Ole Songstad visited at the Anna Risberg and Sam Kezar homes until Thursday evening, when they left for their home at Max, N. D.

Melvin Bolte arrived Tuesday from Richmond, California, where he has been employed at the ship yards for a year.

S2/C A. P. Irene Peterson arrived on Thursday from Boston, Mass. to visit with her sister, Mrs. Lloyd Anderson and other relatives. She returned Saturday evening to Chicago.

Mr. and Mrs. Sam Kezar, Mr. and Mrs. Milton Kezar and Mr. and Mrs. Ole Songstad spent Wednesday evening at the home of William Kezar to help him celebrate his 81st birthday. Lunch was brought by the self-invited guests.

VOTE FOR SERVICE MEN DISCUSSED BY REP. HAROLD HAGEN

Says House Favors Giving a Chance to Vote on All Candidates

A statement from Representative Harold C. Hagen says that some effort has been made in recent releases and reports from Washington to create the impression that the members of congress, because they did not favor the form of ballot suggested by the administration, were against giving the soldiers a ballot.

"Nothing can be further from the truth", Mr. Hagen said. "The house by a vote of 328 to 69 approved a bill which provides the sending of legal ballots, containing the names of all candidates from presidential electors and down to the level of local and county officers to all men and women in the army and navy in all parts of the world".

He pointed out that the "bob tailed" or abbreviated ballot proposed by the administration would not contain the names of any candidates, only the names of parties and a choice can only be registered down as far as congressman.

"The ballot approved by the House is a fair one, the other is not," Mr. Hagen said. "The army can handle the ballot the house proposed as easily as the other".

WAVES RECRUITERS TO MAKE FIVE-DAY STAY HERE SHORTLY

(Continued from Page 1)

WAVE pharmacists mate will give physical examinations in Thief River Falls on Friday, Feb. 25.

One of the WAVES and a navy recruiter from the Grand Forks station which serves this area will make side trips to Selective Service Boards as follows: Tuesday, Feb. 22, Red Lake Falls, from 10 to 12, Crookston, 1 to 4 P. M.; Wednesday, Feb. 23, Roseau from 10 to 12 noon and Hallock, 2 to 4 P. M. On Thursday, Feb. 24, they will be at Warren, from 11 to 5 P. M.

The WAVES offers exceptional opportunity both for personal advantage and training and to do a vitally necessary war job for women, Ensign Shield said. She pointed out that when a WAVE finishes her training and becomes a third class petty officer, her pay and allowances for food and quarters reaches $170 a month. The WAVES offers positions for women in aviation, radio, storekeeping, hospital corps and dozens of other fields she added, and it is not necessary to have previous training to qualify.

Mrs. F. Edward Hunt, Former Resident Here, Succumbed February 1

Mrs. F. Edward Hunt of Red Lake Falls, who for many years made her home in Thief River Falls, died unexpectedly early Tuesday, February 1, while attending the President's Birthday Ball in Red Lake Falls. She was 45 years old, and had recently been in poor health.

Her maiden name was Amy Krohn, and she was born in Hillsboro, N. D., October 30, 1898, the daughter of Mr. and Mrs. C. A. Krohn. Following her marriage October 23, 1921, to F. E. Hunt, the couple continued to make their home in Thief River Falls until 1925, later living in Grand Forks and Minot, N. D., and Glenwood, from which latter city they moved to Red Lake Falls last summer.

Surviving are her husband and two children, Frank E. Hunt, Jr., in the Navy medical corps, and Mary Jeanne Hunt, attending the University of Minnesota. Also surviving are her father, two brothers and one sister.

Funeral rites were held in Red Lake Falls last Friday from the Presbyterian church, with Rev. H. N. Lindholm officiating.

Mrs. Tillie Johnson Passes Away Sunday; Funeral Rites Today

Mrs. Tillie Johnson passed away at a local hospital Sunday at the age of 53 years. The wife of the late Dreng Johnson, whom she married July 4, 1907, Mrs. Johnson has been a resident of this city for the past three years, formerly living at Grygla, Beltrami county, and Fisher. She was born in Saterdalen, Norway, Oct. 10, 1890.

Funeral services were being conducted this afternoon at 1 o'clock at the Bethesda Lutheran church in Grygla, Rev. G. L. Halmrast officiating, and burial will be made at the Bethesda cemetery.

Left to mourn are a daughter, Miss Dora Johnson of Omaha, Nebr.; two sons, Willie Johnson of Grand Forks and Oliver Johnson of Grygla; her mother, Mrs. Berget Arneson of this city; two sisters, Mrs. Arthur Stover of Chicago, Ill., and Mrs. Adam Grabanski of Oslo; five brothers, Halvor and Knute Arneson of Grygla, Tollef and Ole Arneson of Grand Forks, and Arne Arneson of Climax; and two grandchildren. Preceding Mrs. Johnson in death were her husband and two sons.

Mrs. Martha Linstad Is Buried Following Last Rites Yesterday

Mrs. Martha Thorson Linstad passed away at a local hospital Sunday morning at the age of 82 years. Funeral rites were held at the Evangelical Free church Wednesday at 2:00 P. M. with Rev. J. O. Jacobsen officiating and burial was made at the Bethlehem cemetery in New Solum township.

Mrs. Linstad was born in Sondre Odalen, Norway, Sept. 26, 1861. In the spring of 1882 she came to America and on Sept. 12 of that year at Diamond Lake, Mich., she was united in marriage to Berger Linstad, also from Odalen, Norway. They lived in Michigan about two years and then moved to Adams, N. Dak., later living at Plummer, and finally in 1907 they came to this city.

Left to mourn her passing are five daughters, Mrs. Amelia Nelson and Mrs. Mina Roseland of Newfolden, Mrs. Agnes Leiseth of Moorhead, Mrs. Tilda Dahl of Winger, and Mrs. Ella Johnk of Sabin; one son Ole of Oakland, Calif.; 23 grandchildren and 14 great grandchildren. Preceding her in death were her husband and a daughter.

Mr. and Mrs. Simon Johnson and daughter Agnes of Fertile visited with their son Clarence Johnson Sunday.

Women—Lift Your Eyes!

A new field of wartime duty has been created for women — field work in the Army Air Forces.

NOW YOU CAN BE AN

AIR-WAC

As an Air Wac you'll be one of a selected group of women enrolled through the Women's Army Corps chosen for specific assignment to the Army Air Forces with full military status. Your work in the air fields means fewer men taken from technical work, perhaps fewer fathers taken from their families for military duty. Many of the jobs to be done are jobs many women are already qualified to do without further training such as supervisory work, general office work, stenography and typing . . . business machine operators, telephone operators and drivers of light automotive equipment. There is also need for statistical clerks, supply clerks for stock room work, operators of radio and light machinery as well as maintenance work on these. If you are a medical technician, an artist trained at drafting or in manual training; or if you can repair instruments, or do a number of other types of work, there is a place for you with the Air-Wacs.

The weather man tells us we are due for a bit of wind and snow, along with a drop in the temperature. We are not discouraged. Our calendar informs us that the first of March is only three weeks away, and that shortly after the first of March comes the first of April. Experience assures us that two months from today the ice is going to be out of the river. Let the weather man huff and puff all he's a mind to, Spring is not far away tra-la.

Friends of Harold Stassen have entered him in the Presidential race and that cinches Minnesota's first choice in the Republican preliminaries. The former governor, now serving in the South Pacific, deserves the support of his party in the state he has served so well. Admittedly, however, Stassen has only an outside chance of receiving the party nomination. While favorably known thruout the nation, he still is not considered one of the leading contenders in this contest, and so the Minnesota delegation should be prepared to swing its support to another candidate if Stassen's chances seem hopeless. Of those candidates now in leading positions, Willkie has the strongest appeal for those members of the party who favor the present administration's foreign policy. Willkie's views on international problems are so generally known that his election could in no way be considered a reversal of opinion on the war by the people. His election would bring no comfort to the enemy and his nomination would serve notice on the world that the conduct of the war is not an issue in this election. And Willkie, who received more than 22 million votes in the 1940 election, should not be side-tracked merely because he is not satisfactory to a few of the party leaders. As a matter of fact the attempts that have been made to discredit him have had the reverse effect among the rank and *file of the voters. As we see it,* Willkie is the only one of the so-called leading Republican candidates who has a ghost of a chance of carrying Minnesota against Roosevelt.

Leading turkey growers of the community have been invited in as guests of the Civic & Commerce Association at their meeting next week. It is interesting to note that 43 of the growers alredy on the invitation list raised more than 48 thousand turkeys last year, or an average of more than a thousand turkeys to the flock. Operations on such a scale deserve more than side-line recognition. They bring in an important slice of the community's income. A series of such meetings, to which other specialized groups will be invited from time to time, will give us a better idea of where our money comes from.

CITY COUNCIL PROCEEDINGS

Pursuant to due call and notice therefor, the City Council of the City of Thief River Falls, Minnesota, met in special session in the office of the City Clerk on Monday, January 31, 1944. The meeting was called for the purpose of considering action to be taken on the Peremptory Writ of Mandamus issued by the Judge of District Court and ruling dated January 27th, 1944, in the action brought by L. W. Knadle, R. P. Black, J. J. Williams and Leonard E. Johnson, former members of the Police Force, against the Mayor and members of the City Council demanding reinstatement to the positions formerly held by them prior to their dismissal by the Mayor; which ruling was presented and read, as follows:

1. That the discharge of the petitioners R. P. Black, Leonard E. Johnson and J. J. Williams was unlawful.
2. That all of said petitioners are entitled to be reinstated to the position of members of the Police Force as of January 4, 1944.
3. That a Peremptory Writ of Mandamus issue forthwith commanding the respondents and each and all thereof as the Mayor and City Council of the City of Thief River Falls to forthwith reinstate the petitioners Robert P. Black, Leonard E. Johnson and J. J. Williams to the positions formerly held by them as members of the Police Department as of the 4th day of January 1944.
4. That the petitioners recover their costs and disbursements herein.

It is further ordered that you and each of you, the said W. J. Douville as Mayor and Emil Griebstein, J. Robert Petersen, Palmer O. Hanson, Ralph Hunt, Jack McKechnie and P. A. Rinkel as the City Council, forthwith reinstate the petitioners Robert P. Black, Leonard Johnson and J. J. Williams to the positions formerly held by them as members of the Police Department of the City of Thief River Falls as of the 4th day of January, 1944.

Dated January 29, 1944.
HENRY STORHAUG,
Clerk of Court

A motion was introduced by Alderman McKechnie that the Council take an appeal against the ruling of the District Court. The motion was seconded by Alderman Hunt. On adoption of the motion the following vote was recorded, Aye: None. Naye: Griebstein, Petersen, Hunt, Hanson, McKechnie, Rinkel. The motion was thereupon declared failed of passage.

Alderman Rinkel introduced a motion that R. P. Black, J. J. Williams and Leonard Johnson be reinstated as patrolmen according to the order of District Court, entered on January 29, 1944. The motion was seconded by Alderman Petersen and the same was duly adopted by unanimous roll call vote.

Motion was made by Alderman Rinkel that the City Attorney be directed to notify Jesse Thorstad and H. E. McMahon, now serving as extra police that the City would not compensate them for services after January 31st; there being no vacancies to fill on the Police Force at this time. The motion was seconded by Alderman Petersen and adopted.

L. W. Rulien, attorney for the Plaintiffs, was present and announced that he was prepared to deliver the resignations of his clients, provided that the records would first show their reinstatement to their former positions by the Mayor as of January 4, 1944. This, the Mayor stated he would refuse to do and called on the City Attorney to represent him in taking an appeal and on being advised by the City Attorney that he was representing the City Council in this matter and that any expense in connection with appeal could not be authorized or approved by the City Council, the Mayor then announced his intention of personally taking an appeal in the case.

The matter of purchase of additional governmental securities in connection with the Fourth Victory Loan Drive was discussed. Alderman Rinkel introduced a resolution authorizing and directing the purchase as an investment of the Electric Light Department, of United States Treasury Bonds of 1956-59, 2¼% dated February 1st, 1944 and due September 15, 1959, in the aggregate amount of $[illegible], denominations of $[illegible] each, and moved adoption of the resolution. The motion was seconded by Alderman Petersen, and the resolution was thereupon by unanimous vote duly passed and adopted.

Alderman Petersen introduced a resolution increasing the yearly salary of the Health Officer in the amount of $[illegible], to cover additional clerical expense, for the years 1944 and 1945 and moved adoption of said resolution. Motion seconding the motion was made by Alderman Rinkel and the resolution was thereupon passed and adopted by unanimous vote.

On motion made and duly carried the meeting was declared adjourned.
EMIL GRIEBSTEIN,
President of the Council.
Attest: P. G. Pederson,
City Clerk.

Watch your chance and get your fence requirements now.

CULTIVATORS

We have in stock right now, a few two-row cultivators for model H, M & B McCormick-Deering tractors, also one row for the model A tractor.

STATIONARY ENGINES

We have in stock a 2½ h. p. Cushman hopper cooled engine. We can still get a few additional 1½-2½ h. p. McCormick-Deering engines on eligibility certificates. We have a 1½ h. p. John Deere and a 1 h. p. Cushman, used engines in stock.

FEED GRINDERS

1 new 10-in. Martin Feed Grinder in stock, 1 used Letz 8-in. and 1, 6-in. Martin used grinders in stock, which is all the grinders we expect to have for many months.

MACHINERY SHORTAGE

While over the radio and through the columns of the press we hear and read of great increase in production of tractors and farm equipment, there is every indication of a great shortage of necessary farm equipment. Therefore, to REBUILD and REPAIR the old equipment and do it NOW, is the smart thing to do.

While we are getting an increase in our allotment of farm equipment on some machines, it will only be a small percentage to meet the demand and the best we can do is to sincerely pledge our support and cooperation to the war effort and that of agriculture.

PUTS PEP IN IDLE HENS!

Your hens may be loafing through no fault of their own! Even hens from high producing strains will not lay well without enough feed of the right kind. A grain diet alone cannot promote peak production.

To put pep in idle hens, supplement grain feeding with a diet of Dakota Maid Laying Mash! This mash furnishes all the missing elements needed to shove egg production into high gear. Scientifically prepared, Dakota Maid Laying Mash has been fully proved in the laying house to be real egg-making material!

Packed with an abundance of vitamins and minerals, Dakota Maid gives each hen a chance to lay all the eggs she can. And eggs kept for hatching are sure to produce vigorous, hardy chicks.

Even though you believe your hens are doing well on all-grain, give Dakota Maid Laying Mash a trial. The results will make you an enthusiastic user!

Public Notices

Card of Thanks

May we take this method of thanking our neighbors and friends for their kind expressions of sympathy in our bereavement. These expressions have been deeply appreciated. Mr. and Mrs. Harry Swenson, Herbert Nelson, Arthur Nelson, and Sgt. Melvin Nelson. 6p

Card of Thanks

We extend our heartfelt thanks to our many friends, relatives and neighbors for their many deeds of kindness, words of comfort and sympathy during the illness and death of our dear husband and father. Also for the many beautiful flowers and memorial gifts. Especially do we wish to thank Rev. E. O. Sabo, Rev. G. L. Halmrast and Sister Thone Sandland for the inspiring and comforting words. Also for the beautiful songs. Mrs. Anne S. Sandland and family. 6c

Increase in Wood Preservative Use

The value of wood preservation—both for war and civilian use—is being realized, as indicated by the fact that in 1941 an increase of 20 per cent was recorded over 1940 in the amount of wood preservation.

Now Many Wear FALSE TEETH With More Comfort

FASTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To eat and talk in more comfort, just sprinkle a little FASTEETH on your plates. No gummy, gooey, pasty taste or feeling. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

CATHEDRAL TIES HORNETS SEXTET IN THRILLER 4-4

Return Game Is Scheduled in Local Arena Saturday, February 19

In a spectacular game played at Crookston Tuesday night, the Hornets and the Crookston Cathedral sextets played to a 4 to 4 tie. The two teams are slated to play a return game here on Feb. 19th.

Bill Sullivan, Cathedral's co-captain, celebrated his return to action by scoring three goals in the torrid game. Sullivan had been missing from the Blue Wave lineup while recuperating from an early-season appendectomy, and his presence on the ice Tuesday night served to spark Don Norman's club.

Trailing by a 2 to 0 score as the second period opened, the Hornets, on Tony Dorn's goal, an assist from Bob Baker, and Don Brossoit's solo, knotted the count; but Bill Sullivan's third marker broke the tie and gave the Wave a lead which it held until the final minutes of play in the third period. With less than a minute to go, Bob Baker slashed in the tying goal, forcing the contest into overtime.

In the ten-minute overtime period Johnny Noah, for Cathedral, and Les Vigness, for the Hornets, chalked up goals. During the opening minutes of the third period the Hornets goalie, Wendell Mortrud, was hit by a puck from the stick of Bill Sullivan and forced from the game. Bobby "Corn" Olson donned the pads for Coach Pag's team, and played a bang-up game in the nets.

The summary:
T. R. Falls (4) vs. Crookston C. (4)
W. Mortrud — goal — Schroeder
Dorn — defense — Martin
V. Mortrud — defense — Noah
Lund — wing — W. Sullivan

Bemidji Trims Locals; G. Forks Here Saturday

The Prowlers, playing at Bemidji last Friday night, held the regional champion Lumberjacks to a 14 to 14 score at the half-time; but Coach Barnum's quint, with a 24-point third period, pulled away from the locals to mark up a 43 to 32 win.

The Prowlers play an important district contest on Friday night, meeting the Warren Ponies on the Warren floor. A victory for the locals would clinch a place in the district class A tournament, while a loss would force the Prowlers into a play-off contest with Red Lake falls for the fourth position in the tournament.

And on Saturday night the Prowlers will be hosts to the Grand Forks Maroons, and Coach Hanna's team hopes to reverse the one-point setback they received at Grand Forks on Jan. 29th.

Burdell Merritt's under-the-basket shot gave the Prowlers an early lead in the tussle at Bemidji last Friday, and the Prowlers continued to play even-stephen basketball throughout the first half. Big Phil Fair, Bemidji's top scoring threat, was held scoreless from the floor during the first two periods, notching only a pair of free throws and picking up four personal fouls.

Bob Brown, with three field goals and a pair of gift tosses accounted for 8 of Bemidji's first half points. Prowler field goals, in addition to Merritt's counter, were marked up by McKechnie, Evenstad, Carlson, and Thompson. The Prowlers trailed by a 6 to 4 score at the end of the first period, but had evened the count, 14-all, at the intermission.

A flurry of Lumberjack baskets, with Fair, Hoberg, and Brown doing the scoring, shoved the Bemidji team into a comfortable lead in the third period. Fair marked up 15 points in the third and fourth periods, before he was forced out of the game on personals. McKechnie and Evenstad, with 6 and 5 points, respectively, led the locals second-half scoring.

ST. HILAIRE SCOUT TROOP INSTALLED MONDAY EVENING

Thirty Thief River Falls Scouts Participate in Event

At a candle lighting ceremony, the new Boy Scout Troop was officially installed at St. Hilaire Monday evening. Over 30 boy scouts from Thief River Falls assisted with the ceremony. Scouters in attendance from Thief River Falls were P. L. Fjelsted, district chairman; Morris Owen, district commissioner; Arthur Johnson, chairman of the organization and extension committee; Martin Troland and Ben Hage, members of the Troop 47 committee.

Members of the St. Hilaire troop committee were installed by Arthur Johnson, and the troop charter was presented by P. L. Fjelsted. Rev. A. O. Skibsrud, scoutmaster of the new troop, conducted the investiture ceremony for the 12 new scouts and presented them with their tenderfoot badges. Harry Winters, chairman of the new troop committee presented the scouts with their membership cards.

Morris Owen accepted the troop on behalf of the Lake Agassiz Council, B.S.A. Patrol leaders were invested by Scoutmaster Skibsrud, and Harry Winters read the annual Boy Scout Week message by President Roosevelt.

Mr. Fjelsted honored Irving Quist, scoutmaster of Troop 47, who is leaving Saturday. Mr. Quist gave a talk to the members of the new troop committee followed by a farewell to members of his own troop.

M. A. Zimmerman, field scout executive, presided during the meeting. Members of the new troop include Harold Pearson, David Larson, Earl Kolden, Stanley Wik, Wesley Olson, James Dalager, Robert Granum, Orval Kolden, Hanlon Presthy, James Roy, Basil Almquist and John Winter.

Forfeited Tax Sale Is Scheduled for Mar. 20 by County Board Tuesday

The Pennington county board at its February session Tuesday completed arrangements for the annual sale of county lands forfeited for non-payment of taxes, to be conducted in the office of County Auditor A. M. Senstad Monday, March 20. The report of the public examiners on the recent audit of county books was read and ordered filed, and the usual accumulation of bills and applications for tax abatements was disposed of.

Vigness Bombers Win 2-1 from Hurricanes

Les Vigness' Bomber's scored a 2 to 1 win over Wes Hovie's Hurricanes in a midget hockey game on the Arena ice Tuesday afternoon, and as a result of the victory the Bombers are tentatively scheduled to play the Crookston Cathedral grade school team as a preliminary to the Hornets vs. Cathedral game on Feb. 19th.

Mert Ripley pumped in the first Bomber goal in the second period, but Hovie's team, on Rustad's rebound shot, tied the score in the third period, and forced the contest into "sudden death" overtime. After 8 minutes of play Ripley banged in the winning counter.

Johnsrud Gets $12,562 County Gas Tax Funds

County Treasurer A. R. Johnsrud last week received from the state treasurer's office a check for $12,562.50, covering the last half of Pennington county's share of the 1943 state gasoline tax.

HORNETS VICTORS IN SPEEDY HOCKEY TILT WITH ROSEAU

Score 5-1 Win; Next Home Contest in Arena Tuesday with Hallock

Although both teams were riddled by injuries, sickness, and ineligibility, the Hornets and the Roseau Cloverleafs played fast hockey throughout the Saturday night contest, with the Hornets winning by a 5 to 1 score.

The Hornets' Wes Hovie was out of action because of a badly bruised knee, and defenseman Vernon Mortrud was ill with a cold; while Roseau's Ray Baumgartner and John Thompson were missing from the Cloverleaf roster because of ineligibility. And in the third period, the Cloverleafs lost their goalie when Mike Delmore was hit in the mouth with the puck, losing a couple of teeth and receiving painful lacerations.

The Hornets are scheduled to play at Roseau on Saturday. The next home game is slated for Tuesday night, Feb. 15th, when the Hallock team plays here.

Bob Baker punched in the Hornets first goal midway in the opening period Saturday night, breaking up a Roseau play in center-ice, dribbling through the defense and flipping a backhand shot past goalie Delmore. Les Vigness connected with the second score a short while later when, from close in, he fired Don Brossoit's rebound past Delmore. After Tony Dorn had made an ice-length carry of the puck and taken a shot at the Roseau net, Baker slashed in for the rebound and beat the Cloverleaf goaltender with a hard shot.

Durwood "Swede" Lund racked up his first goal as a Hornet in the second period when, on a pass from Lloyd Johnson, he lifted a high shot into the south goal. Seconds before the period's end, Roseau tallied their lone goal; with sophomore Bob Harris backhanding a rebound past "Mud" Mortrud, after Oveson and Bjorkman had set up the play.

Dorn and Johnson combined for the game's final marker, with Johnson beating Morris Taylor, who had replaced the injured Delmore in the Roseau net, with a backhand shot from ten feet out.

Bob Baker, Tony Dorn, Lloyd Johnson, and Les Vigness turned in first-rate performances for the Hornets, with Baker's first period stick-handling being especially effective. Morris Taylor, Carl Oveson, Bob Harris, and the injured Mike Delmore, were the standouts for coach Almquist's Cloverleafs.

The summary:
T. R. Falls (5) vs. Roseau (1)
W. Mortrud — goal — Delmore
Dorn — defense — Peterson
Vigness — defense — Taylor
Lund — wing — Oveson
Johnson — wing — Harris
Baker — center — Bjorkman

Spares: Thief River Falls—Brossoit, Olson, Freiland, Welch; Roseau—Buran, Ulvin, Eklund, Mellstrom.

First period scoring—Baker (unassisted); Vigness (Brossoit), Baker (Dorn). Penalties—none.

Second period scoring—Lund (Johnson); Harris (Bjorkman, Oveson). Penalties—none.

Third period scoring — Johnson (Dorn). Penalties—Dorn, Oveson, Freiland.

St. Bernards Hockey Six Lose to Hurricanes 2-1

Rallying for a pair of goals in the second period, Wes Hovie's Hurricanes defeated a favored St. Bernard's team, 2 to 1, in a midget hockey game Saturday evening. Jerry Reopelle's first period goal gave the St. Bernard's an early lead; but midway in the second period, Don Hage and Don Adolphson, connected with long shots, giving the Hurricanes the decision.

The summary:
Hovie's Hurricanes (2) vs. St. Bernard's (1)
Rockstad — goal — R. Engelstad
Melby — defense — Baker
Monson — defense — Walker
Gulbranson — wing — Welch
Rustad — wing — Prois
Hage — center — D. Engelstad

Spares: Hurricanes — Adolphson, Hanson, Reed, Zuch; St. Bernard's—J. Reopelle, Lund, R. Reopelle, Amlot, Munt, Skjerping.

Important Business

The Hornets have some "important business" coming up next Tuesday night, for on that night the Hallock team meets the locals on the arena ice. A couple of weeks ago the Hallock sextet, by a 3 to 2 score, upset Coach Pag's Hornets, and what's more, Hallock held a 3 to 0 lead after two periods of play. That, according to the Hornets, was humiliating, and they plan on doing something about it on Tuesday.

It will take some strong and fine hockey to make Hallock absorb a defeat, for the northerners have a number of veterans on their squad. Jerry Lindegaard, a fast-skating defenseman, and Cal Engelstad, center-ice player, are perhaps the outstanding boys on the club, but goalie Jack Rosequist, defenseman Paul Bild, and Jerry Cannon, wing, are nearly as effective.

And Coach Pagliarini has arranged an attractive preliminary game, with a team of Knox-Washington players meeting a team from the Northrop school. That game will perhaps decide the grade school championship; and, being an old Northrop school alumnus, I agree that two-to-one (Knox-Washington vs. Northrop) is just about right and should make for an even-up game. But as a hint to Northrop's Don Stadum, Dick Lane, Bob Williams, Dave Korsmo, and Don Peterson, they had better keep an eye on Knox's Jerry Furuseth.

More Business

And the Prowlers, too, have some important business to transact this week. That game at Warren on Friday night will have a direct bearing on the district tournament pairings. There are five class A teams in the district, and the three top teams, in the league standings, will be automatically seeded into the tournament, but the fourth and fifth place teams will be forced into a play-off game to see which team enters the tournament. The Prowlers, by winning Friday night's game, would just about cinch third place; and Warren, by winning, would also cinch third place.

The Prowlers have seven district games on their schedule, and have won two and lost three, and if they win the contest at Warren and lose their game with Crookston, the locals would have a three won, four lost record. Warren has an eight-game district schedule, and have won two and lost three, and have games to play with Thief River, Crookston, and Red Lake Falls. There are a lot of complications involved in Friday night's game, and with the contest to be played at Warren, the prospects for a win aren't too bright.

Herb Claffy, who stubbed a big toe last Thursday afternoon, didn't see much action at Bemidji, and it's doubtful if he'll be in top shape for the Warren game.

The Pharmacy bowling team would probably be in favor of conducting a run-him-out-of-town week, and their nominee for the "honor" would perhaps be Karl Kollitz. Karl, a member of the Oen's City League team, and carrying a 139 average, connected with the pins for scores of 198-184-158 last Friday night, and was largely instrumental in giving Oen's the odd game in their three-game match with the Pharmacy. Oen's won the first game by a 905 to 904 score, with Karl having that 198, and the second game by an 847 to 798, and Karl had a 184 score.

And in addition Karl had the satisfaction of collecting the "nickels" in the first two games. You see, Oen's has a "nickel-a-blow" scheme whereby each bowler on the team puts a nickel in the kitty for every blow they make, and the high score for that *game collects the pool. Karl, with* the 198 and 184, won twice, and when you can win the nickels from such bowlers as Wally DuChamp and Clair Loretz, you should be entitled to an ABC medal.

Don't forget that tonight's the deadline for making your entry in the singles bowling tournament that will be rolled over the Mint alleys on Saturday, Sunday, and Monday. It's to be a 12-game total pins affair, and that means that Wally DuChamp, the winner of last year's tournament, must be installed as the favorite. He'll probably turn the meet into a game of "follow the leader," but he shouldn't be too confident, for he'll get some competition from Clair Loretz, Ed. and Wally Carlson.

VICE PRESIDENT TO SPEAK MONDAY IN MINNEAPOLIS

Will Promote Merger of F-L and Democratic Parties in 1944 Campaign

Wallace will speak at a mass meeting in the Minneapolis Armory Monday evening, Feb. 14, under the sponsorship of both individuals and organizations from farm groups, cooperatives, labor organizations, pension groups, small business, professions, churches, and minority groups in Minnesota. Elmer A. Benson, Farmer-Labor Association chairman, and Elmer Kelm, state Democratic chairman, during their recent visit to Washington, D. C., extended the invitation to the vice president.

Before the evening speech proper, Wallace will meet representatives from all Minnesota liberal groups, including both the Farmer-Labor and Democratic organizations, to discuss the problem of unity for the coming elections. At a legislative conference to be held in the afternoon of the 14th, Wallace will discuss with liberal leaders and liberals generally the need for electing progressive legislators to both the national and state chambers.

"It is no secret," Mrs. Vienna Johnson, secretary-treasurer of the Farmer-Labor association stated, "that powerful forces in the national scene are out to prevent Wallace from being re-elected. That opposition is the price he has had to pay for insisting on the very ideas for which this war is being waged, a better life for the common man the world over."

HOUSEWIVES SALVAGING HUGE QUANTITY OF FATS

American housewives have doubled the amount of waste fats saved since the government allowed 2 meat ration points and four cents for each pound of waste fat turned in for war purposes. Housewives are currently saving waste fats at the rate of 200,000,000 pounds a year. Ration points are not given for less than one-half pound of waste fats. Waste fats are badly needed for making sulfa drugs, explosives and other war materials.

Becker County Girl Is Winner of R. R. Valley Spelling Championship

Evelyn Burk, 13 year old, of Ogema in Becker county won the Red River Valley Rural School Spelling championship Friday afternoon at the Winter Shows in Crookston with a perfect score of 100. She had previously been selected as champion in her own county. A plaque representing the championship will be placed in the county superintendent's office in Becker county. The champion gets a ribbon for her own possession and a certificate of award for her school. Other county champions who placed in the contest were: 2nd, Gladys Klopetka, Wilkin county; 3rd, Betty Anderson, Ottertail county; 4th, Veronica Hart, Red Lake county; 5th, Delores Sorenson, Clearwater county; 6th, Mildred Taus, Polk county; 7th, Beatrice Bakke, Pennington county.

Seller of Automobile Must Turn in Gasoline Book to Ration Board

The state motor vehicle department is working closely with the Office of Price Administration to tighten up indiscriminate exchange of gasoline rations between buyers and sellers of new and used trucks and automobiles.

Any person who sells a new or used automobile or truck must turn in his gasoline rations to his local war price and rationing board, at which time he will receive two copies of a rationing form number R-569, which he will surrender to the buyer of the vehicle.

One copy of the form must accompany the buyer's application for title and license from the state motor vehicle department, and the other copy will be surrendered to the local war price and rationing board when the buyer applies for gasoline rations for the newly purchased vehicle.

TRAFFIC DEATHS INCREASE DURING JANUARY IN STATE

27 Lose Lives on Highways, 11 More than in Same Month of 1943

A warning that moderate speeds and cautious driving are doubly important under present conditions, was issued this week by W. F. Rosenwald, traffic engineer of the Minnesota highway department. The warning followed revelation that 27 deaths had resulted from motor vehicle traffic accidents in January, when roads and streets were generally dry and clear of snow, or 11 more than in the same month in 1943, when ice and sleet made driving hazardous in nearly all parts of the state.

Slow and cautious driving is necessary, said Mr. Rosenwald, because:

1. Many cars have badly worn, weakened, or low grade tires. Blow-outs at any except very low speeds usually result in serious accidents.

2. Lack of snow creates low visibility in the long hours of darkness. Motorists are cautioned to drive slow enough so they can always stop in the distance illuminated by their headlights.

3. Dark clad pedestrians are almost invisible on snowless roads or streets at night. Pedestrians are urged to be alert for approaching vehicles, and to wear some light colored garments or carry some white object.

Nine were killed in January when cars or trucks went out of control, overturning in ditches or striking fixed objects. Seven were killed in motor vehicle collisions. Faulty tires were believed to have been factors in several of these accidents.

One person was killed when a car struck the side of a freight train.

Ten pedestrians were killed, eight while crossing streets and two while walking along highways. Eight of the pedestrians were adults, from 45 to 75 years old, while two were children under ten.

January was the first month since April, 1942, that fatalities exceeded those in the same month in the preceding year. However, the record this January was better than in January, 1942, when 40 were killed, and slightly better than the ten-year January average of 29.5.

Farmers Union Central Exchange Plans Meeting in St. Paul Feb. 15-18

Delegates representing nearly 300 local bulk oil and farm supply co-ops will assemble at the convention hall of the Lowry Hotel, St. Paul, Tuesday, February 15 and remain in session through Friday, February 18.

The Farmers Union Central Exchange, owned by its local affiliates in Montana, North and South Dakota, Minnesota and Wisconsin will report the greatest volume of sales and earnings in its history, according to its general manager, E. A. Syftestad.

During the year the Central Exchange has purchased an oil refinery at Laurel, Montana, on its own account and participated in the purchase of another refinery, including an oil pipeline, from McPherson, Kansas to Council Bluffs, Iowa. The exchange is also participating in the building of a pipeline from the Wyoming oil field to the Laurel refinery in Montana.

ROBINS IN JANUARY

Grand Rapids.—It sounds almost incredible but two well authenticated instances of robins wintering in Itasca county have been reported. June in January weather even has the birds fooled.

WHO WANTS TO BUY A PIG-IN-A-POKE?

When colds strike in your home you can be mighty glad the medicine you want has a name. It would be like buying a pig-in-a-poke, if you didn't know just what to ask for at the drug store. You don't want to take needless chances when it comes to colds... and you don't have to either! For example... The name Vicks VapoRub is your guide to the best-known home remedy for relieving miseries of colds. Ask for it by its trade-marks.

RIVER FALLS

Pfc. Winton Fellman writes from Panama that he had broken a finger and had it in a cast for some time.

Cpl. Vincent Dalager son of Mr. and Mrs. K. T. Dalager, who just arrived somewhere in England writes his parents of some interesting things he has seen. The people drive on the left side of the roads that are very narrow, with stone walls on both sides. The farmers all use one horse and a two wheeled wagon. It is a very hilly country and the stone houses are very beautiful.

Curtis Lemky, seaman second class is stationed at Astoria, Oregon. He is going on an aircraft carrier.

Raymond Bothman, U. S. navy has an overseas address, as yet he has not stated where he is. He is the son of Mr. and Mrs. Frank Bothman.

Pfc. Paul Jepson son of Mr. and Mrs. H. Jepson is stationed on the island of New Georgia following the capture of the air field at Munda. Writes that he recently visited a saw mill located near their camp. The Seabees were busy turning mahogany logs into lumber. He watched them put a 50 foot log 3 feet in diameter at one end and 2 feet at the other end on the carriage. The jungle is underbrush, while in some places it is not uncommon to see trees whose lower branches are 80 feet from the ground.

One of the difficulties they live with are the rats, they are small about the size of a field mouse, but there are great numbers of them. They eat holes in their clothes hung in the tent during the night. One night because he had been careless about adjusting his mosquito screen a rat woke him up by running over his face. Paul has been through the Munda campaign and has been overseas sixteen months.

Mrs. E. Erickson and infant son Jimmie Joel came home from the hospital last week.

Quite a number of folks from this vicinity attended farm crop show in Crookston last week.

Ted Omundson of Thief River Falls is employed at the John Fellman farm.

Mrs. Emma Arnold, Earl and Clifford and Anton Helmer are attending confirmation classes in St. Hilaire on Friday evening.

Mr. and Mrs. H. Walseth and family were Sunday evening visitors at the G. Stephens home.

Three cheers to the busy farm women who go into St. Hilaire every week to work on Red Cross dressings.

Alternate Material, Not Substitute

Wood is an alternate material and not a substitute for many of the critical materials of today, since it gives equal, and at times, better performance in service.

NUMEDAL

Charles Anderson spent the week-end at the Archie Anderson home in Silverton.

Mr. and Mrs. Winton Knutson, Mr. and Mrs. Melvin Johnson and Johnnie Tigre were guests at the W. W. Barr home in Viking Saturday night.

Earl Anderson attended the crop show in Crookston Friday.

Mrs. W. Jensen and sons Orville and Philip called at the Hible home Sunday afternoon.

Those from this vicinity who attended the 50th wedding anniversary celebration of Mr. and Mrs. O. N. Olsen at their home in Smiley Sunday were Mr. and Mrs. Winton Knutson.

NOTWITHSTANDING the remarkable transportation record set up by American Railroads in 1943, when ton miles increased from 638 billions in 1942 to 730 billions, The SOO LINE, with other carriers, is now aiming at a still greater performance for 1944.

From the standpoint of war transportation, the months ahead are expected to present an extremely critical period and to meet that situation, we will redouble our efforts to keep cars rolling. To accomplish that purpose we will again require the cooperation of shipper and receivers of freight by—

1. Limiting orders for cars to those actually required and which can be loaded promptly.
2. Loading cars to full load limit or cubic capacity.
3. Loading and billing cars on day placed or within 24 hours after placement.
4. Unloading immediately and notifying the railroad as soon as cars are unloaded.
5. Cleaning cars thoroughly and promptly so that they may be immediately used for the next load, thereby avoiding the delay involved in handling the car to the "rip-track" for cleaning.

With such cooperation, we'll be able to accomplish our 1944 goal—an improvement of 10% in overall freight-car performance.

GRYGLA

Former Grygla Woman Passes Away

Mrs. Tillie Johnson, a former resident of Grygla, passed away in Thief River Falls on Sunday, February 6. Death came very suddenly being caused by a cerebral hemorrhage. The deceased was fifty four years of age, having been born in 1890 in Saterdalen, Norway. She came to the United States as a little girl with her parents. When she reached womanhood she was married to Dreng Johnson, and they made their home at Bemidji for several years before moving to Grygla. In recent years she has been employed at Thief River Falls.

She leaves to mourn her death one daughter, Dora, of Omaha, Nebraska; one son, Oliver, employed at Little Fork; one foster son, Willie, of Grand Forks; two sisters, Mrs. Betsy Stover of Chicago and Mrs. Julia Grabinski of Ohio; five brothers, Knute and Halvor Arneson of Grygla, Arne Arneson of Climax, and Tellef and Ole Arneson of Grand Forks; her mother, Mrs. Bergit Arneson of Thief River Falls; and several nieces and nephews. She was preceded in death by her husband, her father, one sister, and one child, who died in infancy.

No funeral arrangements have been made at this writing, awaiting the arrival of close relatives.

Week-end visitors with the Ralph Bush family were Mr. and Mrs. George Coly and Norman Thompson, all of Warroad. The latter remained for a longer visit.

Anton Anderson of Argyle was a Monday overnight guest at the Peter Bakken home.

Week-end visitors at the Oliver Kjellberg home were Mr. and Mrs. Gust Foss and children and Joe Kjellberg, all of Grand Rapids.

Sgt. Clarence Bargard of Grand Forks arrived Sunday for a few days visit at the Ole Sletten home.

Pfc. John Matako of Fort Benning, Georgia and Ray Matako of Little Falls left Monday after visiting at the Halvor Nomeland and Emil Anderson homes for a few days.

A baby boy was born at a Thief River Falls hospital on Friday, February 4, to Mr. and Mrs. Terrance Lillevold.

Mr. and Mrs. Ernest Seele took their daughter Carol to a Thief River Falls doctor on Thursday, where she received medical attention for lacerations which she suffered when a dog jumped up and bit her face.

P. T. A. to Observe Founders Day

The February meeting of the Grygla Parent-Teachers association will be held on Friday evening, February 18. An interesting program is being prepared by Miss Bratvold, Miss Dubois and Mrs. G. L. Halmrast. The Founders Day will be commemorated and a Founders Day cake will be auctioned. Lunch will be served.

Mrs. Harold Nordby was taken to a Thief River Falls hospital on Friday to undergo a major operation. During her absence her little daughter Helen is staying at the Gilman Hylland home.

Mr. and Mrs. Hans Olson were happy to receive a letter recently from their son Obed, who is serving on a convoy with the merchant marine. Obed recently lost all his clothing and personal possessions recently when his ship was torpedoed and sunk. Luckily he was among those rescued and wrote his parents from a hospital in Africa where he is recuperating from his recent experience.

Mrs. Manual Hanson and infant son Lyle Ervin returned home Sunday after spending a few days at the Andrew Arne home at Hazel, after their release from a Thief River Falls hospital. Marjorie and Roger Hanson also returned after spending some time at the home of their grandparents. Harold Arne brought them here.

Mr. and Mrs. Ole Norby and Mrs. Martin Loberg were Thief River Falls callers last Tuesday.

Sordahl-Erickson Vows Spoken

At a simple ceremony solemnized at the Mavie parsonage by Rev. E. O. Sabo on Tuesday afternoon, January 25, at four thirty o'clock, Miss Hattie Oline Sordahl, youngest daughter of Mr. and Mrs. Knute Sordahl of Grygla, became the bride of Lester W. Erickson, son of Mr. and Mrs. Gust Erickson of Goodridge.

The bride wore a powder blue crepe afternoon dress with accents of white. Her accessories were black and she carried a beautiful arm bouquet of white carnations and pink gladiolas.

The bridesmaid was Miss Annie Nessen of Thief River Falls, cousin of the bride. Her ensemble consisted of a two-piece dress of copenhagen blue crepe with touches of white embroidery. Her shoulder corsage was made up of white carnations, red roses and pink gladiolas.

The groom, who has passed his physical examination at Fort Snelling, will leave soon to assume duties with the U. S. navy. For the present the bride will remain at her parental home in Grygla.

Mrs. Arthur Ortlipp Feted

Mrs. Arthur Ortlipp was the guest of honor at a parcel shower given at her home on Sunday afternoon. She received a large assortment of lovely gifts as well as a sum of money. At the close of the afternoon, which was spent socially, the hostesses, Mmes. Roy and Kernel Paulson served the delicious lunch, which had been contributed by the guests.

Those present besides the hostesses and the Ortlipp family were Mr. and Mrs. Elmer Stenberg, Mr. and Mrs. Arthur Nordby, Mr. and Mrs. Gilman Hylland, Mr. and Mrs. Severt Salveson and Lorna, Mr. and Mrs. Carl Holbrook, Ragna and Ella Haugen, Carl Dyrseth, and Mmes. Victor Nygaard, Wesley Dougherty, Cora Bush, Harold Bush, Paul Paulson, and Elmer Hylland.

Birthday Party

Mrs. Carl Cleven entertained a few relatives and friends on Wednesday afternoon in observance of the seventy-sixth birthday anniversary of her father-in-law, Andrew Kleven. After an afternoon of visiting the hostess served a tasty lunch featuring a lovely white birthday cake.

Those enjoying the occasion were Mr. and Mrs. Hans Cleven and children, K. O. Hovde, Mr. and Mrs. Andrew Kleven, and Mr. and Mrs. Carl Cleven.

St. Olaf Ladies Aid Meets

The St. Olaf ladies aid met last Friday afternoon at the church.

Mrs. Elmer Hylland, who presided at the business meeting, extended a welcome to two new members, Mrs. Albert Berg and Mrs. Otto Solem. It was decided that the aid will entertain the W. M. F. spring convention, which will be held in May.

Mrs. Hylland read a letter of appreciation for the donation recently sent to the N. L. C. A. centennial appeal. A brief report was given by Mrs. Gilman Hylland, chairman of the Christian Nurture committee.

It was decided that the aid should buy a twenty-five dollar war bond. Mrs. Ole Norby, Mrs. Henry Holte, and Mrs. Harry McLean were named on committee in charge of the lunch to be served at the annual creamery meeting, later this month. Mrs. Henry Holte was appointed to succeed Mrs. G. O. Sandland on the revolving gift committee.

M and O says:
CUTTING of POPLAR SHOULD STOP
(A Second Report on the Pulpwood Drive)

1 Last week we reported that the crisis which existed in the production of poplar had passed. We can now report that an over-production of poplar exists and strongly urge that all producers cease cutting poplar at once.

2 Storage capacities of some of the mills are taxed to the limit. These mills are finding it necessary to limit shipments to a specified number of cars per week.

3 If producers do not heed the call to "stop cutting poplar" they may find themselves with no market at the end of the season.

4 Other species of wood, namely SPRUCE, BALSAM and JACKPINE, are still in demand.

LIVESTOCK SALES AT WINTER SHOWS BOOST BOND SALES

Polk County Banks Make $1,347,000 Bid on Heifer in Bond Auction

Biggest news of the annual sale of purebred livestock held Thursday and Friday in connection with the Red River Valley Winter Shows was the sale of three animals donated by breeders to be sold entirely for the benefit of Uncle Sam as a part of the fourth war loan drive.

A Hereford heifer sold as a kick off for the cattle sale Friday brought $1,347,261 when knocked down to the highest bidder of bonds to be bought. This colossal bid was turned in by a combination of all Polk county banks and trust companies. The animal which brought the big windfall for Uncle Sam was a prize heifer selected from the herd of Eddie Gronseth of Rothsay and donated by the combined Hereford breeders exhibiting at the show.

The two day sale of livestock sponsored by the Red River Valley Livestock association grossed a total of $29,332.00. Approximately 200 head of registered sheep, swine and cattle were put through the ring by Auctioneer Freddie Chandler.

High animal in the dairy sale was a Holstein bull which was sold by O. G. Gast & Son of Beltrami for $235. The average for dairy cattle was $150.42. The high in the sheep sale was a Columbia ewe sold for $80 by the Hanna stock farm of Bordulec, N. Dak. The average for Columbias was $74.37. The high Shropshire was $29.00 The high Hampshire ewe was sold by Emil Lerud & Son of Twin Valley for $75.00 and the average for that breed was $43.44.

In the swine sale, the high was a Duroc Jersey gilt sold by Henry Leyh of Bertha for $135. The Duroc average was $92.19.

THYE DISCUSSES POST-WAR PLANS AT WINTER SHOWS

Says State Has $30,000,000 Set Aside for New Projects

Speaking before a large Red River Valley audience at the Winter Shows in Crookston Thursday evening, Governor Edward J. Thye laid down two immediate objectives for Minnesota and for the United States, urging that planning begin now to insure attainment of these goals. First, said Governor Thye, we must plan in such a manner that the young men and women returning from military service will have the opportunity of a good job. Secondly, we must plan for a permanent peace backed by some sort of organization that has power to reach out and deal with warmongers even as we in community life deal with criminals.

Already a good start has been made in Minnesota on post war planning, the Governor said. He commended the work that is being done on planning at the community level and outlined the steps that have already been taken to weld the community planning into an all-out state effort.

"It takes all the people to do the job," he declared, "We must think this thing through and then have the courage to carry out our plans." Governor Thye urged Minnesotans to get together and have their plans ready so that Washington may be asked for the necessary legislation to push post war adjustments at full speed." "We will not make a march on the U. S. Treasury for millions to do our work for us," he declared, pointing out that Minnesota already has $30,000,000 accumulated for post war construction and improvement.

University Economist Opposes Inflation in Winter Shows Address

High taxes, heavy purchase of war bonds by individuals, and a reasonable public attitude toward such emergency inflation control measures as price control and rationing were named as the outstanding tools in the battle against inflation in an address Friday afternoon presented by O. B. Jesness, chief in the division of agricultural economics, University of Minnesota, at the Red River Valley Winter Shows. The men's and women's programs were combined in the final session Friday in a discussion of inflation problems.

"Since the basic cause of inflation during wartime is excess spending power in relation to goods which can be bought, anything which will mop up spending power will reduce the pressure that is driving prices up in the market," Jesness declared. "War bonds by individuals and business concerns out of current income help to control inflation because they draw off spending power. That is one reason why it is important for individuals to buy bonds to the limit of their ability.

Even though bonds play an important role in curbing inflation, war taxes are more effective because they pay the bill once and for all, according to Dr. Jesness. He advocated sharp increases in war taxes now to serve the double purpose of preventing price rises in the present and lightening the tax load in the future.

After you've climbed about so high, the world is more interested in your possible tumble than in your further ascent.

HIGH SCHOOL BASKETBALL TEAM WIN 2 LOSE 1

The high school basketball team have displayed considerable improvement in their last few games they have played by winning two out of the last three games, which were played on their opponents floor. On Jan. 28 they went to Stephen and lost by a score of 32 to 27, this game was a close game all the way.

Newfolden 27 Argyle 26

One of the closest game's played this year was played at Argyle when they nosed out the Argyle team by one point in the closing minutes of playing. Sethre who had a bad cold was not in the game until the last three minutes of play, when we were on the short end by five points. The score was soon tied up 26 all when Sethre received a gift shot and made it. The Argyle team also got a gift shot in the closing seconds but missed, and probably lost the game by it. This was the second time they beat Argyle.

Newfolden 27 Karlstad 21

On Feb. 4 they went to Karlstad and beat them by 6 points. Our boys played Karlstad their first game of the season and lost to them by four points. In this game our boys held the lead throughout the entire game, holding a ten point lead at the halfway mark. By winning this game the boys are now on equal basis by winning and losing the equal number of games.

TWO GREAT AMERICANS

As a Nation, we pause this month to honor two illustrious patriots—Abraham Lincoln, whose birthday anniversary is Feb. 12th — and George Washington, whose birth is observed on Feb. 22nd.

If Lincoln and Washington could give us a personal message this month it undoubtedly would urge us to go all-out for Victory . . . to buy more War Bonds . . . to accept sacrifices we are called upon to make willingly and without complaint.

Do YOU measure up to standards Lincoln and Washington might set were they alive in 1944?

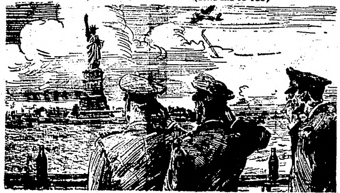
Have a "Coke" = Sağ ol
(LONG LIFE TO YOU)



. . . or how to "treat" a Turkish visitor

Visiting Turk pilots like America—our flying training, our ways and customs. They find us friendly people. It isn't long before *Have a "Coke"* greets them and happy comradeship results. Turk and Texan respond alike to its ring of good fellowship. You get the same response when you serve Coca-Cola from your icebox at home. The world over, Coca-Cola stands for *the pause that refreshes*,—has become the gracious way to get acquainted.

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

2 Recipes you need:

THIS 4-LAYER JELLY CAKE hails from frontier days! From an old Mormon cook book. A typical Betty Crocker *"Kitchen-tested"* recipe, for use with Gold Medal *"Kitchen-tested"* Flour. No comparable recipes match the Betty Crocker recipes in popularity! *Try this one!*

THIS BASIC SWEET DOUGH HAS LITERALLY DOZENS OF USES

You can make many types of rolls from this recipe. Perfect results assured only with Gold Medal "Kitchen-tested" *Flour.*

2 cakes compressed yeast . . . 2 cups milk (scalded, cooled to 80°) . . . ½ cup sugar . . . 2 tsp. salt . . . 2 eggs (well beaten) . . . 7 to 7½ cups sifted GOLD MEDAL "Kitchen-tested" Flour . . . ¼ to ½ cup shortening (depending on richness desired)

CRUMBLE yeast. Add the lukewarm milk. Stir in sugar, salt until dissolved. Stir in well beaten eggs. Add ½ the flour, beating in till very elastic. Beat in melted-and-cooled shortening. Add most of remaining flour, work in by hand (*possibly using maximum amount*) till dough can be easily handled. Mix well. Let stand 10 min. covered on lightly floured board. Knead till smooth, elastic. Round up. Set to rise in greased bowl (*covered with damp cloth*). Keep at 80° to 85° out of drafts till double in bulk (*about 2 hrs.*) . . . Punch down. Let rise again (*covered*) till not quite double in bulk (*about 45 min.*). Punch down.

PARTY ROLLS. Use slightly less than ⅓ of above dough. Cut off tiny bits, form into balls size of small marbles; place close together in greased 9" round cake pan. Cover with damp cloth, let rise till double in bulk (about ½ hr.). Bake about 15 min. in quick moderate oven (375°).

CINNAMON ROLLS. Use a trifle over ⅓ of the dough. Roll out ¼" thick into oblong about 8" x 14". Spread with 2 tbsp. butter or margarine; sprinkle with ¼ cup sugar, 1 tsp. cinnamon mixed. Roll tightly lengthwise into long roll. Seal edges, cut into slices 1" wide, place cut-side-down in well-greased 8" x 12" oblong pan. Cover with damp cloth. Let rise till double in bulk (*about 40 min.*). Bake 25 to 30 min. in quick, moderate oven (375°). *1 dozen rolls.*

SWEDISH TEA RING (*10" in diam.*). Use a little over ⅓ of the dough. Roll into oblong, 9" x 18". Spread with 2 tbsp. softened butter or margarine. Sprinkle with mixture of ⅓ cup sugar and 1 tsp. cinnamon. Roll tightly and seal. Transfer (*sealed edge down*) to lightly greased heavy baking pan. Join ends to form ring. With scissors, make cuts ⅔ way through ring an inch apart. *Now turn each section onto its side.*

Cover, let rise till double in bulk (*about 35 min.*). Bake about 25 min. in quick moderate oven (375°). Spread top of ring (*while warm*) with icing made from 1½ tbsp. milk and ¾ cup confectioners' sugar. (*Decorate with almonds and candied cherries, if desired.*)

PARTY ROLLS, CINNAMON ROLLS (*shown in foreground and upper left*) and Swedish Tea Ring are all made from the same dough. All these bakings will create conversation. This is a recipe you'll love to have. *Tested by Betty Crocker staff.*

TRY THIS OLD-FASHIONED JELLY LAYER CAKE!

Perfect results assured only with Gold Medal "Kitchen-tested" Flour

½ cup shortening (part butter for flavor) . . . 1 cup sugar . . . 2 eggs . . . 1¾ cups sifted Gold Medal "Kitchen-tested" Flour . . . 2 tsp. baking powder . . . ½ tsp. salt . . . ½ cup milk . . . ½ tsp. vanilla . . . 1 cup jelly (e.g., currant, grape or apple) . . . (confectioners' sugar if desired)

CREAM shortening, add sugar gradually. Cream until fluffy. Blend in well beaten eggs. Sift flour, baking powder, salt together. Add to creamed mixture alternately with milk. Blend in vanilla. Divide batter equally among 4 well-greased-and-floured 8" round layer cake pans*—spreading evenly in pan. (*Batter should be only ⅛" deep in each pan.*)

Bake 12 to 14 minutes in moderately hot oven (400°), until a delicate brown. *Cakes won't brown as much as usual butter cakes; they'll be baked through though not a rich golden brown.* DON'T OVER-BAKE!

When cool, spread jelly (beaten with fork) between layers and on top. Let stand ½ hour at least before serving. Sprinkle confectioners' sugar over jelly on top when ready to serve, if desired.

**If you do not have four 8" layer pans . . . batter for 2 layers may be kept in cool place while first 2 layers are baking.*

THIEF RIVER FALLS TIMES

Volume 64 — Thief River Falls, Pennington County, Minnesota — Thursday, Feb. 17, 1944 — Number 7

MINNESOTA HISTORICAL SOCIETY

MEETINGS SET TO DISCUSS '44 FARM WAR JO

Community Meetings fo Parts of Penningto Co. Start Today

SEEK BIGGER OUTP OF PRODUCTS I

AAA Chairman Carl Anderson and Aides to Explain Program

Community meetings for the purpose of discussing the farmers 1944 war job have been scheduled for all parts of Pennington county by County Agent Ernest Palmer and members of the AAA committee to take place within the next ten days. A schedule of these meetings will be found below.

The 1944 goals in Minnesota and Pennington county call for increases over the high level of production achieved in 1943. Ways and means of getting this increased production will be discussed by the county agent.

The provisions of the 1944 AAA program will be told by the members of the committee, including Chairman Carl R. Anderson, Hans Solberg, and Patrick Culkins. As farmers will request gas for non-highway purposes through the AAA this year, forms that farmers will use for gasoline and fuel oils will be discussed at the meetings.

Every farmer and land owner of Pennington county is urged to attend these meetings to secure information on the important topics to be discussed. Farmers may attend the meeting most convenient for them according to the following schedule. All meetings will start at 1:30 P. M.

February 17, Civic and Commerce rooms, Thief River Falls, for Numedal, Norden, and North.

February 18, District 60, for Bray and Polk Center.

February 19, Court Rooms in the Court House for Silverton and Rocksbury.

February 21, River Valley Hall, Hickory and Deer Park.

February 23, Jackson Hall, St. Hilaire, Black River, River Falls and Sanders.

February 25, Jasperson school, Mayfield and Wyandotte.

February 28, Smiley Hall, Kratka and Smiley.

February 29, Highlanding Hall, Star and Highlanding.

March 1, Goodridge Hall, Reiner, Cloverleaf and Goodridge.

LOCAL CREAMERY TO HOLD ANNUAL MEETING MONDAY

City Auditorium to be Scene of Session Starting at 1 o'Clock

Shareholders and patrons of the Thief River Falls cooperative creamery will assemble in the municipal Auditorium for their annual meeting next Monday afternoon, February 21, at 1 o'clock.

G. S. Bergland, manager, will submit his annual report showing that the institution in 1943 handled the largest volume of business in its history, producing a total of 1,260,970 pounds of butter compared to 1,221,157 pounds in 1942, or a gain of 39,813 pounds.

Other business scheduled to come up for action includes the election of two directors, the terms of Carl Beiswenger and Christ Nelson expiring at this time. Lunch will be served following the business session.

The creamery board at a meeting Tuesday voted to resubmit at the annual meeting the matter of affiliating with a whole milk drying plant proposed for this area, and to recommend the appointment of a committee of patrons to visit plants already operating in Minnesota.

If the committee's report is favorable, a report will be submitted to the shareholders at another special meeting. The board took action after learning that the Roseau creamery, after a firsthand investigation, had reversed its stand last week and voted in favor of affiliating with a milk drying plant, the vote being 177 to 67.

Mr. and Mrs. Dean Thompson (nee Lois Nelson) of Tacoma, Wash., are the parents of a baby girl, Caryl Deane, born Feb. 10.

N. W. Junior Hockey Tourney Here Feb. 25-6

The Thief River Falls Hornets, defending champions, and the local voiture of the 40 & 8 will be hosts to the sixth annual Northwest junior hockey tournament which will be played on the Arena rink Friday, Feb. 25th and Saturday, Feb. 26th.

Eight teams—Fargo, Crookston Cathedral, Crookston Central, Northwest Aggies, Hallock, Roseau, Williams, and Thief River Falls—have indicated their intentions of entering the tourney; and it is reported that Cliff Thompson's Eveleth Rangers have received authorization to participate in the tournament, and if transportation can be obtained the Range team will be an entrant. Eveleth won the 1942 tournament, defeating the Hornets in the finals.

The drawings for the tournament pairings will be made at Crookston on Sunday, and the schedule of play will be published in next week's edition. Eligibility rules governing the tournament are the same as those pertaining to the Minnesota state high school league, with the players being certified as to age and scholastic standing.

The tournament, which is sponsored by the Thief River Falls and Crookston voitures of the 40 & 8 annually, provides five trophies, with the sportsmanship trophy being awarded by the grand voiture of the Minnesota 40 & 8.

PARALYSIS DRIVE NETS RECORD SUM, REPORT REVEALS

Chairman Andrew Anderson Lists Total Receipts of Over $900

A total of slightly more than $900, by a wide margin the largest of any year to date, was realized in the infantile paralysis fund campaign conducted in Pennington county late in January in connection with the President's Birthday observance, it was announced this week by County Chairman Andrew Anderson. Supplies and other expenses totaling $27.89 will reduce the net total to approximately $878, of which one half will remain with the county organization.

Major contributions resulted from birthday balls in Thief River Falls and at the Prairie View community hall, netting $272.50; collections in the two local theatres, expected to net approximately $280 out of a gross of $310.29; coin receptacles, $83.66; March of Dimes, $170.24; DeMolay chapter, $15; and other special contributions, $71.

In announcing the highly gratifying response from county citizens, Chairman Anderson expressed appreciation to all who contributed and to those who assisted by handling details of the solicitation.

YOUTH RECREATION WILL BE TOPIC AT MEETING TONIGHT

Mayor Douville Calls Session to Consider Proposed Youth Center

Mayor W. J. Douville has called a meeting of representatives of various local organizations this evening at 8 o'clock to discuss the establishment of a youth center in Thief River Falls along the lines of the 'teen-age canteen recently established in Grand Forks. The session will be held in the Civic and Commerce room.

Mr. Douville indicated that, following a discussion of the proposal, the group would authorize the appointment of a committee or board of eight members to develop plans for the project.

Tonight's meeting is the outgrowth of one held Saturday evening at Lincoln high school where Jack Horner of Grand Forks, one of the sponsors of the 'teen-age canteen there, presented details of its successful operation.

LT. DON LORENTSON DIES OF ILLNESS IN FLORIDA HOSPITAL

Former Local Star Athlete Succumbs to Attack of Encephalitis

Mr. and Mrs. F. D. Lorentson Monday received word of the death that morning in a navy hospital at Miami, Florida, of their son, Marine Lt. Donald Lorentson, who succumbed to an attack of acute encephalitis. The news came as a stunning blow to them, as they had not been notified of his illness.

Lt. Lorentson, who would have completed his training in dive bombing March 11, was 23 years old, having been born in Pennington county February 20, 1921. While a student at Lincoln high school, he was a star athlete, having been co-captain of the basketball team that won the state championship in 1938.

Following his graduation here, he attended St. Olaf college two years and one semester at the University of Minnesota, after which he engaged in defense work until enlisting in August, 1941.

Surviving, in addition to his parents, are a sister, Mrs. Louis Benson of Hutchinson, Kansas, and two brothers, Ensign Adrian Lorentson in the navy and Lennert, student at St. Olaf college.

Funeral arrangements have not been completed, pending arrival here of the body, which will be escorted from Miami to this city by Ensign Adrian Lorentson, brother of the deceased.

TWO BOY SCOUTS GET EAGLE RANK TUESDAY EVENING

Bradley Hanna, Arnold Olson Given High Awards at Court of Honor

Highlighting a district Boy Scout court of honor in the Auditorium Tuesday evening was the advancement to the coveted rank of eagle scout of Bradley Hanna and Arnold Olson. The two boys received the two awards from Rev. G. S. Thompson, who spoke briefly in explanation of the significance of their achievement.

Approximately 80 scouts participated in the exercises, over which Archie Hensrud presided as chairman. Father O'Toole conferred star awards on Wendell Aase and Arnold Narverud, while Bob Fjelsted received a life scout award from Arthur M. Johnson.

In addition Russell Olson and Quentin Jones respectively conferred second and first class awards, while Fred Protz distributed merit badges. A welcoming message was given at the opening of the exercises by Philip L. Fjelsted, district chairman of the Boy Scout organization.

SCHOOL BOARD HEARS REPORT ON CONVENTION

Dr. Jacobson Presents Interim Bill at Meeting in Minneapolis

BOARD ASKS PRIORITY TO PURCHASE NEW BUS

Teachers' Salaries Slated for Action at March Meeting

At the February meeting of the board of education Monday evening, Dr. A. F. Jacobson, president, and Alfred Skarstad submitted a report on the convention of the Minnesota School Board association which they attended in Minneapolis last week.

Dr. Jacobson, who served as chairman of the association's legislative committee, presented to the convention the interim committee's bill on education, dealing with a proposed revision of the system of state aids. The convention went on record as favoring the bill, which will be submitted to the next session of the legislature with minor amendments designed to benefit the smaller rural schools.

The board at its session authorized a request to the War Production Board for a priority to authorize the purchase of an additional school bus. Supt. Philip L. Fjelsted explained that the present buses are overloaded, and that more pupils are expected from the rural districts next fall as the result of closing additional schools.

Briefly discussed at the meeting was the matter of teachers' salaries for the coming year, the schedule being slated for revision at the March meeting of the board.

Lowell Holmgren, another reservist, is leaving today.

BLACK RIVER FIRE TAKES LIVES OF TWO CHILDREN

In one of the most tragic incidents in the history of this locality, Larry Srnsky, two and one-half years of age, and his infant sister Shirley, age seven months, children of Mr. and Mrs. Louis Srnsky, lost their lives in a blaze that completely destroyed the family home in Black River township four miles west of St. Hilaire Tuesday afternoon.

When the fire broke out the parents were momentarily absent from the house, Mr. Srnsky being engaged in cutting timber in the woods nearby, while Mrs. Srnsky had gone out into the yard to hang up clothes. So quickly did the flames spread that the parents were unable to enter the house to effect a rescue.

Following an investigation at the scene Tuesday and Wednesday, Sheriff Arthur Rambeck concluded that Larry had spilled gasoline from a can standing near the gasoline-operated washing machine which was in use Tuesday. After an extended search, Sheriff Rambeck discovered in the ashes portions of the skeletons of the children, all that remained.

Double funeral rites will be conducted Saturday afternoon, February 19, from the Gulbranson Funeral home, Rev. J. O. Jacobsen officiating.

PENNINGTON CO. THIRD IN STATE IN BOND BUYING

Citizens Achieve Record by Purchasing 143 Per Cent of Quota

THIEF RIVER FALLS OVER TOP THIS WEEK

County Will Get Credit for Bonds Bought up to End of February

Although the Fourth War Loan campaign officially ended Tuesday, February 15, the drive will continue on for the remainder of February and purchases of E, F, and G bonds will count if they clear through the Federal Reserve Bank in Minneapolis by February 29, Paul A. Lundgren, county war finance chairman, stated today.

While the state of Minnesota is over the top in total sales, only about 80% of individual purchases have been made thus far. There are still ten counties in the state who have not made their quota and the extension of time will give those ten counties an opportunity to make their quota.

So far as Pennington County is concerned, this county now holds the proud position of third in the state, with a paid in total of $553,382, which gives the county an over-all percentage of 143.

The big news of the week was the performance for the city of Thief River Falls. The City has taken the lions share of every drive, and has always come through with flying colors. Last week the committee registered some doubt that the city would be able to make its quota, as the percentage for the city then stood 83.9%. This week it proved that it was well able to handle the lion's share. The bond purchases within the city rose during the week from $142,283.75 to $196,607.25 to give the city a final performance record of 125%.

By percentages, sixteen of the twenty-six municipalities within the county are now over the top. A large number are hovering above 90% and an effort should be made to bring these townships over their quota, Mr. Lundgren

Hunters Lag in Sending in Their Report Cards

Hunters who have failed to send in their big or small game report cards should do so immediately, according to Verne E. Joslin, director of the state division of game and fish.

Return of game report cards has been disappointingly low this year, Joslin reports. Only about 15 per cent of the big game report cards have been mailed to the division of game and fish as compared with over 30 per cent last year. The return of small game report cards is still lower.

It is a violation of state law not to return the game report cards attached to hunting licenses, Joslin pointed out, because of the value which the tabulations from the cards have in the formulation of game management plans. In order to obtain an accurate cross-section, it is necessary to have reports from those whose luck was poor as well as from more successful hunters.

Rochester. — A 75-year-old Christmas cactus plant was recently presented to the senior high school by Leslie Sackett. Mr. Sackett recalls that the cactus has been a prized plant in his family in this area for at least 75 years. It had grown too large to be used in the average home.

Merchants Must Cut Use of Wrappings, Says WPB

Northwest shoppers must expect to do with fewer package wrappings this year because war shortage of wood pulp for paper making will not permit a normal supply of wrapping paper and bags, W. A. McMillan, Fargo district manager, said today.

"Total production of retail wrappings is expected to run at least fifty per cent under 1942," Mr. McMillan said. "Americans will often be asked to carry home unwrapped purchases."

Stores no longer have large reserves of wrappings and so must depend almost completely on current production. Quantity of wrapping paper will be determined by quantity of wood pulp. With insufficient manpower to cut pulpwood, and heavy military demand on the tonnage which can be produced, allocations for civilian wrappings cannot at present be much above minimum requirements.

STAR FALLS INTO HIS BACKYARD

Albert Lea.—Seeing stars fall in the sky has not been an uncommon sight to the eye of Glen Ruble, who lives just west of this city. But seeing one actually tumble right into his own backyard was a surprise. Just before dawn one morning as he stood at his bedroom window dressing, the whole heaven seemed to light up, and then came a "star" striking a spot on the ground within twelve feet of the house. In the yard he found a spot on the ground about two feet in diameter where all the frost was melted away, and all about that spot the ground was frozen. The spot seemed to have been seared by fire. It is rare when a falling meteor doesn't burn out before it strikes the ground.

NEW IDEA IN MEMORIALS AT GRAND RAPIDS, MINN

Grand Rapids.—Something new with which to honor the memory of a boy who made the supreme sacrifice in World War II is being done at the First English Lutheran church. Instead of purchasing flowers in memory of Cpl. Claire Madson, for whom memorial services were conducted in the church following word that he had been killed in the South Pacific, friends of the family are buying bonds to give to the building fund of the church to which he belonged.

FARMERS INCOME TAX TO BE TOPIC IN CITY FEB. 24TH

"U" Farm Economist Will Explain How to Figure Income, Expenses

Pennington county farmers interested in practical methods of figuring their farm income and expenses are invited to attend a meeting next Thursday, February 24, on farm accounting for income tax purposes, county agent Ernest A. Palmer announced today. The meeting will be held in the Civic and Commerce rooms at 1:30 P. M. The speaker will be J. B. McNulty, farm economist from University Farm.

The purpose of this meeting, according to Mr. Palmer, is to help farmers get a clear understanding of what should be included in the farm income and the farm expenses in figuring the "net farm profit" for each farm. Whether a farmer makes out his income tax return himself, or has someone work with him on it, one of the first things he has to establish is how much he made from his farm last year.

Knowing what expense items to include as well as how to report income in proper manner may make a substantial difference in the amount of tax that should be paid.

Practical methods of keeping farm records for use with income tax reports will be explained and demonstrated at the meeting.

Ash Wednesday Will be Observed with Special Rites in Trinity Church

The observation of Lent at Trinity Lutheran church will begin with a special service for young people at 11:00 A. M. on Ash Wednesday, February 23rd. Through the cooperation of the public schools, all classes will be dismissed at 10:45 to permit participation of the young people in the Ash Wednesday services in their respective churches. Rev. G. S. Thompson, pastor, will preach on the theme: "The Cross and Conscience".

The evening service at 8:00 o'clock on Ash Wednesday will begin a series of Mid-Week Lenten services to be held each Wednesday evening thruout the season. These services will be brief, quiet periods of self-examination before the Cross of Calvary. Pastor Thompson will preach at each of the services.

"Master's Penny" boxes will be distributed thruout the congregation for a self-denial offering from each member of every family at every meal during Lent.

Knox-Washington Team Whips Northrop Sextet

The Knox-Washington hockey team, with Jerry Furuseth sparking the attack, defeated the Northrop team, 4 to 1, in a game played as a preliminary to the Hornets vs. Hallock contest Tuesday evening. Furuseth counted two goals, while teammates Ray Garlaugh and "Bomber" Perkins tallied a goal apiece. Don Stadum banged in a rebound to score the lone Northrop counter.

PVT. DOUGLASS SNELLING IS CORPORAL IN MARINES

Mercy Hospital Assn. Hears Reports on Most Successful Past Year

Members of Mercy Hospital association at their annual meeting Monday heard reports for 1943, revealing that the institution handled the largest volume of business in its history, a total of 1038 patients having been admitted during the year, while 288 births occurred at the hospital. In the annual election of directors, C. D. Gustafson and Walter E. Smith were named to succeed themselves for three-year terms.

Amundgaard Implement Co. Will Present Show at Avalon February 24

How to keep farm machinery in fighting trim is the keynote of the special free motion picture program sponsored by the Amundgaard Implement Co., which will be shown on Thursday, Feb. 24, at 2 o'clock at the Avalon theatre.

Featured on the program is "Wartime Care of Your Tractor" a talking picture which covers every angle of tractor servicing and care.

Talking pictures on adjusting and servicing mowers, combines, and planters, plus a picture on hitching and belting of farm machines, are also on the program. An interesting newsreel showing action on the battlefronts of the world and on the production lines at home is included.

Eagle Scouts Guests of Lions Club Wednesday

Bradley Hanna and Robert Olson, who at a district court of honor Tuesday evening were advanced to the top rank of eagle scouts, were guests of honor together with their mothers Wednesday noon at the Lions club luncheon meeting in the Palm Garden Cafe. Supt. Philip L. Fjelsted, district Boy Scout chairman, spoke on scout leadership, while M. A. Zimmerman, field scout executive, outlined the achievements of the two boys in scoutcraft that led to their advancement.

L. N. Bennes Placed on Insurance Co. Honor Roll

Recognition for his personal production record last month has been won by Lloyd N. Bennes, Thief River Falls district agent for The Lincoln National Life Insurance company. Mr. Bennes was named on his company's list of national leaders in number of policies written in January.

PENNINGTON COUNTY THIS WEEK REACHES 143 PCT. BOND QUOTA

(Continued from Page 1)

said. By percentages the five leaders within the county are:

Village of Goodridge, 1st	171%
Village of Hazel, 2nd	163%
Village of St. Hilaire, 3rd	157%
Deer Park Twp., 4th	139%
Star Township, 5th	134%

The largest over-subscription is from business volume. The quota on this was $100,000.00, with purchases of $215,242.75 for a total of 215%. It is interesting to note that if the Thief River Falls business solicitation and the Thief River Falls individual solicitation are added together, it makes a total of $411,860.00 or $31,850.00 more than the entire county quota. The committee feels that the City of Thief River Falls, and particularly its businessmen, are entitled to special recognition for this achievement, chairman Lundgren stated, adding:

"Now that the drive is officially over, the Pennington county war bond committee wishes to take this means of thanking each and everyone who has so diligently cooperated in this drive. While the drive so far as Pennington County is concerned, is now officially over, we will nevertheless continue to tabulate the bond purchases made for the rest of the month. In going over the subscriptions turned in by the solicitors, we note that there are still quite a few within the county who signed pledges, but who have not yet made their purchases.

"This accounts for some of the townships being below the 100% mark, which was set by the township committees, and is not entirely fair to the solicitors. The fraternal and civic orders within the city who carried on the solicitation in behalf of the City of Thief River Falls deserve special praise for the bang-up job they did in the final wind-up."

Funeral Services Are Tomorrow Afternoon for Mrs. Marie Wold

Mrs. Marie Wold, resident of this community since 1886, passed away at a local hospital Monday morning at the age of 80 years and 8 months. Rev. Walter Pedersen will officiate at rites in the Zion Lutheran church Friday afternoon at 2 o'clock and interment will be made in Greenwood cemetery.

Mrs. Wold was born in Magnor, Norway, May 20, 1863. After coming to this country in 1880 she was married in 1881 at Crookston to Swen Loveness, who passed away three years later. At Crookston in 1886 she was remarried to Severt Ness, who also passed away in 1908, and finally in 1913 she became the wife of Bernt Wold, who died in 1928. Mrs. Wold lived at Crookston and in Sanders township before coming to this city in 1915.

Survivors include ten children, Ed Loveness of Edinberg, N. Dak., Mrs. Henry Johnson of California, Mrs. Manda Anderson of Fargo, Olaf Ness of St. Paul, Mrs. Olga Cannani of Kenaston, Saskatchewan, Canada, Oscar Ness of Rockford, Ill., Mrs. Eleanor Foran of Minneapolis, Harry Ness of this city, Mrs. Thora Huss and Albert Ness of San Francisco, Calif. Thirty-one grandchildren and four great grandchildren also survive. Two daughters preceded Mrs. Wold in death.

Mrs. Minnie Johnson Passes Away at Home; Rites to be Friday

Mrs. Minnie A. Johnson passed away Sunday evening following a heart attack at the home of her daughter, Mrs. Dagney Borsheim, where she has been residing for the past year. Rev. G. S. Thompson will conduct rites Friday afternoon at 1:30 in the Gulbranson funeral chapel and at 2 o'clock at the Trinity church, and burial will be made at the Greenwood cemetery.

Mrs. Johnson, widow of Olavus Johnson, who passed away six years ago, is survived by eleven children, Mrs. Emma Warnecke, Oscar Johnson, Mrs. Dagney Borsheim of this city; Mrs. Ebba Johnson of Duluth; William, George, Henry, Arnold, and Lloyd Johnson and Mrs. Wanda Larson, all of Bremerton, Wash.; and Mrs. Alta Robertson of Minneapolis. 24 grandchildren and three great grandchildren. Her parents, her husband, and three daughters preceded her in death.

The deceased, born in Toten, Norway, May 24, 1866, came to the United States in 1878 at the age of 12 years and settled at Arcadia, Wisc. She was united in marriage in 1883 to Olavus Johnson and made her home on a farm at La Crosse, Wisc., later living at Garfield, Minn., in Beltrami county, and on the Knox farm near this city before coming to live with her daughter.

Roy Novotny of Badger, en route from a visit in Milwaukee, Wisc., visited Wednesday and today at the home of his aunt, Mrs. John E. Havel.

Former Resident of This Community Dies in Warren Saturday

Samuel McMahon, resident of this city 32 years before moving to Angus in 1930, passed away at a Warren hospital Saturday evening at the age of 75 years. Funeral services were conducted at the Community church in this city Wednesday afternoon at two o'clock with Rev. Feagle and Rev. Carlson of Warren officiating. Burial was made at the Greenwood cemetery.

Survivors include, besides his wife, three daughters, Mrs. S. S. Nelson of this city, Mrs. B. H. Dickey of Des Plaines, Ill., and Miss Ina McMahon of Chicago; two sons, Lionel McMahon of Burlington, Wash., and Ira McMahon of Angus; a brother and sister H. L. McMahon and Mrs. James Conely, both of this city; seven granddaughters and three grandsons. Preceding him in death were two daughters, one sister, and his parents.

Mr. McMahon, born in Canton, New York, June 11, 1868, moved here in 1898 and lived in and near the city until 14 years ago, at which time he made his home in Angus. His marriage to Margaret Ann Harager of Winchester, Ontario, took place Oct. 1, 1890.

Military Funeral Is Held Monday Morning for James Havel, 51

Military rites were conducted Monday morning for James Havel, disabled veteran of World War 1, who passed away last Thursday morning after shooting himself in the head with a 30-30 rifle. Rev. A. I. Merth sang the requiem high Mass in St. Bernard's church at nine o'clock and interment was made at the Catholic cemetery.

Mr. Havel, who was 51 years old at the time of his death, is survived by his wife, the former Henrietta Cottrell of Bemidji, whom he married in this city July 11, 1928, and three children, Lewis, Eudora, and Mary, all at home. His mother, Mrs. John Havel, Sr., and a sister, Mrs. T. G. Kinsela, of this city also survive. Preceding him in death were his father, John Havel, Sr., and a brother, John E. Havel, Jr., as well as two sisters and a brother who died in infancy.

Born in Tabor Sept. 7, 1892, the deceased came to this city with his parents at the age of three and since that time has made his home here, for the past few years serving as a lock and gun smith.

Employed at carpentry work at the time, Mr. Havel was inducted into the army at the age of 25 and received his basic training at Camp Travis, Texas. On June 16, 1918 he left the United States with the 354th Infantry, 90th division, for Liverpool and spent the following year with the American Expeditionary Forces in France and with the Army of Occupation in Germany, engaging in the battles at St. Mihiel, Villers-en Haye sector, Puvenelle sec. 17, and Puvenelle sec. 26. He received a shell wound in the head Sept. 26, 1918, in the battle of St. Mihiel and as a result, was awarded the Order of the Purple Heart.

Erick Huseth, H. B. Rafteseth, Matt Guttu, John Martine, Milton Hoard, and Isadore Lucian, members of the Veterans of Foreign Wars, of which organization the deceased was a member, served as pallbearers for the funeral. Military rites were conducted at the grave by the Elmer J. Ecklund Post 170 of the American Legion with several soldiers home on furlough assisting.

David Dee Breeden to Be Buried Following Last Rites Tomorrow

Funeral rites are being conducted this afternoon in the Valley Lutheran church in Grygla for David Dee Breeden, son of Pvt. and Mrs. Archie Dee Breeden of Grygla, who passed away at a local hospital Saturday at the age of four months and 20 days. Rev. G. L. Halmrast will conduct the rites and burial will be made at the church cemetery.

Survivors, besides the child's parents, are his grandparents, Mr. and Mrs. Paul Paulson of Grygla and Mr. and Mrs. Max Stuenche of San Antonio, Texas, seven aunts, three uncles, and eight cousins. Pvt. Breeden, stationed with the army in Louisana, is expected home for the funeral.

GIRL SCOUT NOTES

February is girl scout international friendship month. Girl scouts all over the country and girl scouts of this city are participating by contributing at least a cent apiece to the Juliet Lowe fund, set up in the memory of the founder of girl scouting in America. The money, which is used to promote international friendship, comes entirely from the girls themselves.

Senior service scouts over the world are giving valuable aid in their own war-torn countries. American girl scouts have helped with their work with our national girl scout fund. To China we have given $10,500, which has been distributed under the direction of Madame Chiang Kai Shek by the girl scouts. Through the American Red Cross, we have given $1,500 to the Greek children, and to Russia we gave $2,000 for milk. On each case was stenciled in Russian, "This milk is a gift from the girl scouts of America and expresses their friendship and best wishes to the young people of the Soviet Union." $1,500 was sent to the girl guides of Britain, and to the Maltese girl guides $500 was sent for relief work.

In addition to the funds for relief, girl scout pennies, through the Juliet Lowe fund, have made possible training in girl scout leadership for fifteen foreign students in the United States. They represent the countries of Bolivia, Brazil, Chile, Costa Rica, Cuba, Czechoslovakia, Denmark, France, Haiti, Honduras, the Philippines, and Uraguay. This training will enable the Latin American students to extend the program of girl scouting in their countries, and will prepare the European students to help with the reconstruction of the girl scouts and girl guides in their home lands.

Mrs. Frank Rinkel will be the new brownie leader with Mrs. Gibson at the Knox school.

Miss Thomas gave her first talk to the girl scout council this morning at 9:30 in the library, and this evening (Thursday) she will hold a meeting open to the public in the auditorium. Anyone interested in the future of the girls of America is cordially invited to come.

Other meetings will be Friday afternoon and evening, and Saturday afternoon a tea will be given in the Civic and Commerce rooms.

A cordial invitation is extended to anyone interested in examining the new girl scout book shelves and bulletin board. Dorothy Geving, Camille Narverud, and Marilyn Skarstad, members of the senior service troop, are in charge of this, and these three girls also are giving their time to community service work in the library. The girl scout council wishes to extend their appreciation and thanks to Mrs. Hazel Halgrim for her cooperation in this project.

Troop 10: Mrs. Clarence Gulseth will assist Mrs. Floyd Olson with girl scout troop 10. The troop has finished their troop badges for public health and safety. They also visited troop 11 at their investiture ceremony. The girls were invested as true girl scouts, and all the scouts sang songs and then passed the girl scout wish around. "Taps" closed the ceremonies. Troop 10 also took part in the March of Dimes by collecting money at the Falls Theatre. Two senior service girls taught the girls of troop 10 folk dancing and games Feb. 9.—Delores Wynnemer, scribe.

SPECIAL SESSION OF LEGISLATURE CALLED FOR MAR. 8

Governor Thye Calls Solons to Enact New Soldiers Vote Law

A proclamation calling a special session of the legislature to convene at 10 A. M. Wednesday, March 8, to enact legislation enabling soldiers to vote was issued by Governor Edward J. Thye Friday.

The session is expected to last only two or three days, unless prolonged arguments over consideration of other matters develops. Leaders of both legislative branches assured Gov. Thye they will do their utmost to formulate rules which would preclude consideration of anything but the soldier vote measure.

Attorney General J. A. A. Burnquist, who is drafting a soldier vote bill, disclosed that the proposed draft is drawn in such a manner as to enable soldiers to vote in both the primary and general elections, or the general election only, as the legislature sees fit.

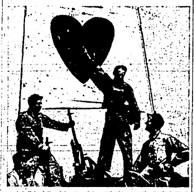
John Erickson Sustains Neck Injury in Gym Class

John Erickson, son of Mr. and Mrs. J. A. Erickson and a Lincoln high school student, last Wednesday sustained a severe neck injury while engaged in tumbling exercises in the gymnasium. The sixth cervical vertebra was fractured, and after receiving treatment in a local hospital, he was back in school this week, wearing a brace.

Old Man Winter Retains Firm Grip on Northwest

Old Man Winter this week continued to hold the northwest in its grip, the mercury dropping below the zero mark every day since last Sunday, and reaching a low mark of 19 below Tuesday morning, according to the fire hall gauge. This morning a low of -12 was recorded. A light snowfall arrived Wednesday night.

Their Valentine to the Axis



A bullet-splattered heart and target beat convey the St. Valentine's day greetings of these Harlingen (Texas) army gunnery school students to the enemy. This February 14 greeting came from boys who are now behind machine guns in the turrets of our bombers—whence they deliver a deadlier message in person. A miserable St. Valentine's day, Adolf!

DEMOCRATIC-F. L. MERGER IS TOPIC IN MINNEAPOLIS

Approval of Union Is Given at Meeting of Party Leaders

Admittedly making the best of a situation that didn't please them greatly, Farmer-Laborites agreed informally Monday that merger with the Democratic party offered them the best chance of defeating the Republicans in Minnesota.

A conference at the Minneapolis armory, at which Vice President Henry A. Wallace asked Farmer-Laborites and Democrats to "put a large part of your effort on electing a liberal congress to strengthen the hand of President Roosevelt after 1944," achieved adoption of a resolution to:

"Express our approval of Amalgamation of the Farmer-Labor party and the Democratic party of Minnesota and to urge officials of these two parties to take necessary steps to bring this broad political unity to the people of Minnesota."

The conference had Paul R. Tinge, St. Paul, state F-L party chairman, presiding and during the proceedings, the merger was urged by such leaders as Elmer A. Benson, state F-L association chairman; Charles Egley, former aspirant for the party's nomination for governor; Mayor John J. McDonough of St. Paul; Theodore Sien of Madison, Democratic candidate for congress in the Seventh district in 1942, and Hubert H. Humphrey, who has been discussed as an amalgamation candidate for governor or for congress.

The plan as explained at the conference, is for Democrats and Farmer-Laborites to hold their state conventions at the same time. The F-L meeting, if delegates approve the merger, would formally abandon the Farmer-Labor title and adopt some new name for that party.

The Democrats then would modify their own party name to read Farmer-Labor-Democrat party, and forthwith invite Farmer-Laborites to move in with them and continue political deliberations.

BRER FOX NOT SO FOXY

Mankato.—Bounties of $4 each were paid for 35 red fox and five gray fox—an even 40 of the sly creatures—down in Blue Earth county during the month of January. It is said that this is the largest amount paid for bounties in any one month in the history of the county.

TEN-YEAR-OLD BUYS $100 BOND WITH DIMES

Plainview.—Typifying the spirit of loyal Americans, a ten-year-old lad who lives on a nearby farm, recently marched into the First National bank in Rochester carrying a box of 750 dimes. When he came out he was the proud owner of a $100 bond. That's a fine example of the old saying, "dimes make dollars."

OPA Community Service Bulletin

By Mrs. Paul A. Lundgren
Chairman

Among the men and women who serve on the war price and rationing boards is a group known as the price panel. Like the other members of the boards, they are volunteers — your friends and neighbors who give their time and efforts to keep the home front strong. These people take care of all the price control problems in your community.

In this community the price panel consists of five members. One must be a business man and one a consumer. The other members may be lawyers, preachers, teachers, labor leaders or other outstanding citizens. They have one paid helper known as the price clerk, who keeps records, sends out notices, and is on duty regularly at the board office.

The members of the price panel meet, usually once a week to perform three principal functions. 1. They review the price complaints they have received from both housewives and merchants, and make every effort to adjust these complaints with fairness and satisfaction. 2. They give advice to merchants on pricing problems and try to answer the questions of other interested citizens. 3. They plan for further educational activity in their community on problems of price control.

Volunteer assistants are needed to carry on the compliance work of the price panels. The assistants include a number of housewives. Each price panel assistant has a list of stores and she gets around to see each one about once in two or three weeks. She walks into a store, hands out price regulations, if the storekeeper doesn't already have them and checks prices on a dozen or so items. A most important part of her work is the investigation of the complaints which have been sent in to the price panel.

If the assistant finds the merchant is over charging, she calls his attention to the matter. Most grocers are willing to correct the price, right on the spot. Several months operation of this system has shown that most grocers want to abide by price regulations if they understand them, but some times in the past, they haven't been quite clear in what was expected of them.

Here is your Price Panel: Chairman, Haakon M. Olson, Manager Men's dep't store; Mrs. Alice Horry, housewife, wife of garageman; Rev. G. S. Thompson, clergyman; Rev. A. I. Merth, clergyman; Carl B. Larson, former undertaker.

Price panel assistants: Ted Rustad, mailcarrier; Oscar Gunstad, former newspaper man; Mrs. A. M. Aase, housewife; Mrs. N. C. Lindberg, housewife; Mrs. Marshall Kays, housewife; and Mrs. J. A. Erickson, housewife. Paid clerk, Mrs. M. R. Leverson.

Inquiries have come in about the use of sugar stamp No. 40 in Book IV. This stamp is good for five pounds of sugar and will remain valid through February 1945. It was made valid now to accommodate people in the South where early fruits are available for canning. It is to be used solely for canning fresh fruits. The five pounds will be a part of the maximum allowance permitted under the 1944 program.

The bombing of Monte Cassino abbey was one of the unfortunate necessities of the allied advance in Italy, but the destruction of this venerable monastery may result in the saving of other more ancient shrines now that the Nazis have learned that any building occupied by them for military purposes will be considered a proper military objective. If Hitler now chooses to use the city of Rome as a fortress, the responsibility for the destruction of that fortress will be his. It is his right to declare Rome an open city and if he so elects the city will not be harmed. The results at Monte Cassino will give Herr Hitler something to think about.

A thousand planes participated in the RAF raid on Berlin Tuesday night, dropping 2,800 tons of bombs, a new record for this kind of attack. The explosives carried on this one mission would have filled seventy railroad cars loaded forty tons to the car. A fleet of 560 trucks, loaded five tons to the truck, would have been required to move this tonnage. Less than five per cent of the planes failed to return. This continual bombing of German cities, month after month, must be speeding the day of Germany's internal breakdown and the end of resistance. The German people must know now that they have lost control of the air. They must know that their armies are suffering terrible reverses in Russia, and they must suspect that their U-boats are no longer effective on the seas. The only thing that could keep them fighting under such circumstances would be the fear of defeat. As their present becomes increasingly unbearable that fear of the future will diminish in importance as a factor. When the collapse comes it will come quickly.

There is a possibility that when the leaders of Germany conclude that defeat is inevitable they will make an attempt to decide which enemies they shall be conquered by. If they fear the results of a Russian invasion more than the occupation of their country by the British and Americans they probably will continue their fighting on the Eastern front and open their doors to the invaders from the West. On the other hand the opposite might be true if the military leaders at that time are disposed to string along with Russia. That day may bring a fresh mess of problems for us to worry about.

Senator Joe Ball is the author of a featured article in this week's issue of the Saturday Evening Post that deserves careful reading by all citizens. In this article he points out that if the President does not take Congress into his confidence and reveal what he and Churchill and Stalin are planning for the post-war world he may run into the same difficulties Wilson faced at the end of the last war. The President alone does not have authority to commit this country to any foreign policy. Foreign policy is a dual responsibility of the executive and legislative branches of our government, and Senator Ball is of the opinion that it will be easier to reach agreement later if the legislative branch is kept informed on developments in the meantime. The fair and forthright manner in which he has handled the difficult subject in this article adds greatly to the stature of Senator Ball as a statesman.

There is little the Democratic party can do in the coming political campaign except defend the record of the party under the present administration. The Republican party, however, has an opportunity to point the way we must go if we are to become a Democracy again when the war has ended. The Republican party, as the only opposition party, is now confronted with a great responsibility to the people. It is not important that this coming election be won by the Republicans. It is important that the people be told what is ahead of us: the meaning of a debt of more than 200 billion dollars; the meaning of 11 million returning service men; the long years of sacrifice we face if we are going to meet our obligations honestly; the results we may expect if we do not meet these obligations honestly. There are many things the people should be told, and the Republican party is the only political party that now has the opportunity to tell them. Speaking frankly of our problems may not be popular now and probably will not prove to be effective campaigning in this election, but there are other elections to come that will be more important.

Our community now spends in the neighborhood of $10,000 a year for the supervision and recreation of our youth. On a per capita basis we probably have provided more recreational facilities for our youngsters than any city in the northwest. Before we further extend this youth program perhaps it would be well to make a study of our problem with the view of coordinating our various efforts and possibly getting better value for the money we are already spending.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

With the Pennington county chapter '44 war fund quota of $10,500 announced last week, plans are being made for an every adult member canvass to begin March 1. Now is our chance to support the Red Cross with every dollar we can spare, because we know those dollars go directly to aid the men doing the actual fighting. In a letter dated Dec. 8, 1943, T/5 Gustaf T. Helle, in England, written to his brother, Harvey Helle of this city, writes:

"Let me give you a tip. Perhaps you are already doing it. Give the Red Cross a generous contribution. The Red Cross is doing one grand job over here. I don't know what we would do without them away from camp, and yet their greatest service is in the field caring for the wounded. I believe too many of the fraternal and other organizations are starting programs of their own rather than giving to the Red Cross which has the experience and facilities to render the many services to the forces. Who the— cares who gets the credit for services rendered as long as it is done? As for me I don't give a 'Whoop' if the Arabs get credit for winning the war as long as it is done."

How many times we have read this statement in the paper, "The folks back here in the United States don't seem to realize there's a war on!" Many times we have heard it from the lips of returning servicemen. He comes home from slimy foxhole life, from the sight of constant horror, from the battlefield where wounded men died in agony, and he sees us here, secure, well-fed, and warmly housed. He hears us grouse about not being able to get enough butter, or a seat on a train, or enough gasoline, and he compares our troubles with the awfulness he has seen.

No, he doesn't reason it out that we don't mean to grouse about these things and that the folks back home are willing to do everything possible to help win the war. But his complaint should be a warning to us. We should look around to see if there isn't something we can do to help still more. Let us take Gus Helle's tip and support the Red Cross all we can, first with our dollars and then join the long line of people donating blood for plasma, or we can volunteer for service, with the Red Cross in some capacity. Let's show our men overseas we know there's a war on!

We appreciate Art Hamilton's efforts in helping the Red Cross by donating all the proceeds of next Monday's receipts. We urge everyone to drink coffee at the Fountain Monday and help the Red Cross.

Marine Corporal Louis Maidment Commended in Action in South Pacific

Somewhere in the Solomons (Delayed) — Marine Corporal Louis L. Maidment, 22, of Thief River Falls, was recently honored in a group commendation for his part in fighting a hazardous fire on Puruata Island, Empress Augusta Bay.

When Japanese bombing raids ignited an ammunition dump and fuel suppy on successive nights, Corporal Maidment was among those who volunteered to aid in bringing the blaze under control.

Despite the danger involved from explosions, Corporal Maidment and his comrades from a motor transport unit carried ammunition and fuel from the path of the flames.

Said Warrant Officer Joseph S. Lee, 43, of Houston, Tex., in charge of the group, "Most of the men lugged ammunition boxes heavier than they would ever think of lifting under normal conditions. Others got a fire pump, dragged it to the edge of the sea and had it in operation in a matter of minutes. This work was carried out on successive nights even in the face of other probable attacks."

Major General Roy S. Geiger, commanding the Marine operation at Bougainville, officially commended the men whose efforts prevented further danger.

SAILOR HOME ON LEAVE RUNS FATHER'S FARM

Wayzata.—Machinists mate 3rd class, in the U. S. navy since June 1941, and just nineteen years old now, Kenneth Gabbert has proven he can readjust to civilian life in a hurry. Some four weeks ago he arrived at his parents home for a 30 day furlough to find his father ill and unable to carry on the running of his 103-acre farm. Immediately Kenneth got busy and carried the responsibility for the length of his furlough, tending 48 head of livestock, which included fourteen milking cows, and caring for a flock of over 200 chickens. Incidentally, Kenneth wears three service stripes—South Pacific, American theatre and pre-Pearl Harbor with stars denoting participation in four major engagements at Tassafaronga Bay, Tammani Islands, Lae and Finschhaven.

Frank Roasler of Menomonie, Wis., left Monday for his home following a few days visit at the home of his niece, Mrs. George Brousseit.

Recreation Highlights

The puppet show, "The Queen of Hearts" will be presented in the arena puppet theatre, Thursday, Feb. 24th at 4:20. If you enjoy these entertainments given by the children do not forget this date.

The J. C. club, a group of boys, had a valentine party on Monday night in their club rooms in the arena.

Jack LaSalle won the prize for making the most original valentine.

Jim Plough and Donald Anderson were in charge of the games played during the party.

A nice lunch was enjoyed by the group.

Our game room is a very popular place for the pre-school children. There is a regular attendance of 14 children over 3½ years of age and some days it is as high as 23. After school and on Saturday, anyone who wishes to make use of the facilities provided, may come.

The little children enjoyed a valentine party in the arena play center on Monday afternoon.

All women of this city, who are interested in recreation for children of any age are invited to attend the next meeting of the mothers' club on Monday evening, Feb. 28th in the arena game room, at 8 o'clock.

William Kavanaugh Now Master Tech. Sergeant

Marine Master Technical Sergeant William A. Kavanaugh, Thief River Falls, recently was promoted to his new rank from technical sergeant. He is serving in the South Pacific area with a marine anti-aircraft unit which has been responsible for downing 13 Japanese bombers, and is also credited with 10 other probables and two possibles.

SINGERS SING IN CHURCH CHOIR OVER 60 YEARS

Little Falls.—Rare was the purpose of a social gathering held in the rectory of the Holy Cross Parish, North Prairie a few weeks ago. The party was planned to honor Mrs. Richard Trettel and Joseph C. Thomalla, brother and sister, both of whom have served in the choir of that church for over 60 years. Despite her 66 years of singing Mrs. Trettel's clear voice rings out every Sunday morning. For 64 years Mr. Thomalla was in his place in the choir each Sunday morning but the past two years poor health prevents him from having a perfect record, altho he is there frequently.

Bougainville Warriors Fight Fire 30 Hours

Marines and sailors pour streams of water on a gas and oil dump at Empress Augusta bay, Bougainville. The fire started when a Jap pilot scored a direct hit on the dump during an air raid. Fire flared from the 2,000 drums of fuel for 30 hours before the military firemen were able to stop it.

Topics of the Times

By N. A. H.

Minnesota last week won the distinction of being the first state in the union to go over the top in the Fourth War Loan drive. And, as usual, Pennington county was right there too.

Now it develops that those recent headlines to the effect that the U. S. rubber problem is solved were a bit premature.

To make a rationed citizen completely happy, he would need to have as many points as a porcupine.

A commentator tells us that we can't believe everything we hear, but we can repeat it.

The Minnesota Democratic and Farmer-Labor organizations received a valentine Monday in the form of a pat on the back from Vice President Henry A. Wallace, and Billy Noonan says it's a case of either merge or submerge.

Good advice from a colleague—The best way for us to make our dreams come true is to wake up and get busy.

Candidate Willkie defied the lightning last week when he came out in favor of substantially higher federal taxes.

The popularity of that Mairzy Doats ballad suggests that there is something to the saying that men are but children of a larger growth.

A drop in the bucket may not amount to much, but a drop in the thermometer has been important news lately.

You don't hear much these days from the folks who predicted that the war in Europe would be over by last Christmas.

Young folks no doubt would prefer to have their elders refer to it as youth activities rather than as the youth problem.

Veterans of the current war won't have to wait as long for their bonus payments as did those of World War I.

Titles of the double feature bill at the Falls theatre Tuesday were, appropriately enough, "So This Is Washington" and "The City That Stopped Hitler."

Looking Backward

1934—TEN YEARS AGO

A basketball game between the Lincoln Prowlers and Warren was the first public event in the recently completed municipal Auditorium. A crowd of 1,500 witnessed the contest.—W. E. Dahlquist was elected to serve his fifth term as president of the Civic and Commerce association, and Paul A. Lundgren was reelected secretary.—T. M. Thronson took over the interest of his partner, O. E. Taverass, in the Main Street Motor Co., while the latter opened a separate implement establishment.—Production of butter at the Thief River Falls creamery dropped to 316,000 pounds in 1933, it was revealed at the annual meeting.—P. G. Pederson was elected secretary of the Ninth District Legion band.—The local Land O'Lakes plant added to its facilities an incubator with a capacity of 52,000 eggs.

1924—TWENTY YEARS AGO

A Legion post membership campaign resulted in the addition of 76 names to the local roster.—The city council was debating whether to acquire a new Diesel engine or to buy the dam and improve it.—S. E. Hunt was reelected president of the local creamery board.—Dr. O. F. Mellby was retained as president of the Oakland Park sanatorium commission.—At a mass meeting here next week, State Adjutant Stafford King of the American Legion will discuss the bonus bill now before congress.—District court opened here with a near-record number of cases to be considered. Judge Andrew Grindeland of Warren presided.

Hors de Combat

"All insignia are to be removed from shoulder loops of officers' shirts, and field jackets, Secretary of War Stimson said, because they have been found to interfere with the use of gas masks, carbines, and other military equipment."—News item. "No more scratched arms," was the comment of a Medical Administrative corps officer's aid friend.

Best for growing fall and winter poultry for meat are heavy birds such as Barred Rocks, White Rocks, New Hampshire Reds, Rhode Island Reds, or crosses of Rocks and Reds.

How Lachine Won Its Name

Lachine, near Montreal, was named by French explorers, who believed rapids there blocked a northwest water passage to China.

Bedraggled Germans Retreat Through Mud

This photo received via neutral channels shows picked German troops—the grenadiers—sitting huddled together on a vehicle bogged in the quagmire during a retreat. One of the wounded has only an improvised bandage tied around his head and apparently there was no coat to spare him. Another wounded man on the left is too weak to sit up.

TRUTH

Client—I thought you left word in your office that you were out on important legal business?

Counselor—Just so. This ball game seems to be highly important, and I can assure you that it is perfectly legal.

WITH A KISS

"I don't understand this stuff about sealed proposals?"

"Huh?"

"It must be a very strange young man who would send a girl a proposal that wasn't sealed."

SIGNALS

"I see one of the firefly twins dyed himself green and the other one dyed himself red. Were they getting tired of being mistaken for each other?"

"Oh, no, but they have a job as sidelights on a dragon fly."

PROBABLY

"Dick stole a kiss from Jane last night and she cried."

"What for—more?"

Future Promising

Mother—What makes you think our boy is going to be a successful politician?

Father—He says more things that sound well and mean nothing than any person I ever heard.

No Fool

Gnaggs—I tell you, once and for all, that I'm no fool.

Mrs. Gnaggs—I know that. They say that a fool and his money are soon parted—but I'm never able to get a dollar out of you.

Like Father Did

Oswald—Pop, I need an encyclopedia for school.

Pop—Nothing doing, you can walk to school like I did.

Clean Up Garden Trash

Control of diseases of vegetables can be helped by rotation or burning of garden trash, say plant disease specialists of the Pennsylvania State college. Rotation is best because it conserves valuable organic matter, which is destroyed when trash is burned to kill disease-causing organisms.

Cause of Belt Being Thrown

Usually, faulty alignment of pulleys rather than a loose belt is responsible for a belt being thrown. Pulleys should be parallel, and the belt tension should be the least possible to avoid slipping.

PROWLERS DEFEAT GRAND FORKS FIVE SATURDAY 39 TO 31

Local Quintet Plays Finest Game of Season to Win Contest

Sparked by the all-round play of Bill McKechnie, Ninak Carlson, and Burdell Merritt, and the nifty basket-shooting of Virg Evenstad, and flashing their finest game of the year, the Prowlers out-speeded coach Ed Bonhoff's Grand Forks team, defeating the Nodaks by a 39 to 31 score here Saturday night.

Looping seven out of eight free throw tries into the west basket and popping in two field goals at the close of the period, the Prowlers held a 11 to 7 first-period lead. The second quarter found Coach Hanna's team piling thru their burly opponents for 14 points, while the Maroons were tallying 5 points. Carlson made a point on Archie Graham's foul; and then Ninak, on a neat dribble, came in close for a set-up shot. Big Denny Mayer pushed in a shot from close in.

Roger Tunberg added a free throw; Evenstad, on a pass from McKechnie, tossed in a set-up shot; McKechnie drove in for a push-up; and Evenstad, recovering a rebound, pivoted and flipped in a field goal. Louis Eugen chalked up a Grand Forks free throw. Evenstad broke up a Maroon play and dribbled in for a push-up shot; and Tunberg, on a two-handed try from out on the floor, counted a field basket. Louis King's long shot pared the Prowler lead to 25 to 12 at the intermission.

The Maroons rallied strongly in the third period and the opening minutes of the fourth period. Mayer shoved in a rebound shot; and after Evenstad had dribbled in for a Prowler goal, Glenn Bye popped in a left-handed shot; and Jack Williams found the basket with a long shot. Jack McDermott took a pass from Mayer to score.

Getting a pass from Evenstad, Merritt scored on an under-the-basket shot. Mayer pumped in a try from the corner of the court, and Graham recovered a jump-ball to score, with the Prowlers leading 29 to 24. Ninak Carlson, after a change-of-pace dribble, scored on a push-up shot; and McKechnie bounced through for a one-handed shot, giving the locals a 33 to 24 lead as the final period began.

Williams added a free throw, and Graham slipped in a goal from close in. McKechnie lofted a field goal into the basket from the lane. Jack Williams' long shot and Graham's two-pointer from the right side of the court, brought the score to 35 to 31, the Prowlers leading. Carlson added a pair of points on free throws, with Graham leaving the game on personals. Evenstad, in the final minute of play, dribbled in for a set-up shot, bringing the score to 39 to 31.

Virg Evenstad, with 16 points, was the game's high point man, but McKechnie, Carlson, and Merritt, with well-rounded performances, closely pressed Evenstad for starring honors. Captain Archie Graham and guard Jack Williams were the Maroon high scorers, while Denny Mayer covered the backboards in a capable manner.

The preliminary game found the Prowler Reserves, with Brad Hanna tallying 10 points and Kenny Borsheim marking up 9 points, defeating LeRoy Rupprecht's team, 27 to 16. Manny Forsberg scored 8 points for the losers, getting two field goals and four free throws.

The box score:

Warren Takes Prowlers; Bagley Coming Friday

In a slam-bang, foul-filled game played at Warren Friday night, the Prowlers dropped a 41 to 39 decision to the rangy Warren Ponies. The small floor handicapped the play of both teams, a total of 47 personal fouls and one technical foul being called during the tussle. 22 personal fouls and a technical foul were called on the Prowlers; while 25 personals were charged against Warren. The Prowlers' Ninak Carlson and Chuck Richards were forced out of the game, and Warren, in the final minutes of play, lost Neil Mattson, Wallace Oslie, Ed. Plencner, and Clayton Bjerke. The Prowlers meet the Bagley Flyers on the local floor on Friday night.

Fine work from the free-throw line gave Warren a 16 to 15 lead in the first half of Friday's game. The Prowlers racked up seven field goals and a free throw, with Billy McKechnie, Virg Evenstad, and Burdell Merritt getting two field goals apiece, and Ninak Carlson accounting for the other. The Ponies marked up four goals from the floor, but added 9 points on gift tosses.

The opening minutes of the second half found the Prowlers spurting into the lead. Merritt drove in for set-up shot; Evenstad dribbled in and pushed a shot into the nets; and after Randstrom had counted a Warren free throw, Roger Tunberg converted twice on a two-shot foul; Merritt recovered a rebound and tipped in a goal, giving the Prowlers a 23 to 17 lead. Ed. Plencner's one-hand shot and Clayton Bjerke's rebound goal and two free throws, tied the score. Bjerke looped in a goal from the side of the court, and added a free throw. Richards and Merritt tossed in free throws and the Prowlers trailed by a point, but Maynard Randstrom's two goals from the corner of the court boosted the Pony lead.

Midway in the final period the Ponies held a 40 to 31 lead, but with three minutes of play remaining Evenstad marked up a free throw, McKechnie tossed in a one-handed shot from the lane. McKechnie and Evenstad tallied free throws. Herb Claffy, in the game's final seconds, pounded in a rebound shot, making the score 41 to 39.

McKechnie, Evenstad, and Merritt turned in strong games for Coach Hanna's team; while Maynard Randstrom and Clayton Bjerke were the Pony high scorers.

Crookston Cathedral Midget Hockey Sextet Splits Two Games Here

The Crookston Cathedral midget hockey team played two games here Saturday, and scored one win and a tie. In the morning encounter the midget Blue Waves defeated the St. Bernard's school team, 3 to 0; while the afternoon contest was played against Les Vigness' Bombers and ended in a 2-all deadlock after two periods of overtime play. Young "Doc" Noah, center-ice player, accounted for both of the Cathedral goals, while Larry Hylden and Mert Ripley were the Bomber scorers.

The St. Bernard's team was composed of Elroy Skjerping, Jerry Walker, "Butch" Munt, Jerry and Bob Reopelle, Ronald Lund, Harold Baker, and Don and Ralph "Grandpa" Engelstad. Vigness' Bombers had Bob Larson, Andy Anderson, Larry Hylden, Mert Ripley, Bob Amundson, Glen Magnuson, Jackie Erickson, Johnny Baken, and Don Perkins in the lineup.

TOWNSEND CLUB TO MEET SUNDAY AFTERNOON, 2:30

The local Townsend club will meet next Sunday afternoon, February 20, at 2:30 in the Civic and Commerce room, it was announced today.

HORNETS MARK UP TWO VICTORIES IN PAST WEEK'S PLAY

Crookston Cathedral Will Meet Locals Saturday on Arena Ice

The Hornets marked up two wins during the week's hockey schedule, defeating the Roseau Cloverleafs, 3 to 2, in a game played on Roseau's outdoor rink Saturday afternoon; and then scoring a spectacular 7 to 6 victory over Hallock in an overtime contest played on the local ice Tuesday night. On Saturday night the Crookston Cathedral team will meet the Hornets on the Arena rink; and on Tuesday night, as a tune-up for the hockey tournament to be played on the 25th and 26th, the Crookston Central high school team will face the locals on the Arena ice.

Seconds after the opening face-off Tuesday night, Bob Baker, with a hard shot from the blue-line, had scored the Hornets first tally. But Cal Engelstad's high shot from twenty feet out; and Earl Glidden's rebound, on Bild's try, gave the northerners a 2 to 1 lead. Just before the period ended, Tony Dorn flipped a pass out to Sonny Johnson, and Johnson lifted a shot past goalie Jack Rosequist and into the north goal.

Les Vigness rammed in two quick goals in the second period, the first counter on an assist from Bud Brossoit, and the second goal on a backhand shot from close in. With Hallock short-handed as a result of Engelstad's penalty, Jerry Lindegard "ragged" the puck in his defensive zone and when pressed by the Hornets, Lindegard lifted a long, high shot, nearly rink-length, that eluded goalie Mortrud. Baker speared a pass from Johnson and slapped in a goal; but Lindegard and Engelstad, on a neat passing play, racked up a Hallock goal, and coach Lindgren's sextet trailed by a 5 to 4 score as the teams left the ice at the end of the second period.

Midway in the third period, Lindegard's shot from inside the blue-line dented the nets, forcing the game into overtime. Ten seconds after the overtime face-off, Vigness banged in Baker's rebound for a score; and a short while later Sonny Johnson recovered a rebound and beat Rosequist with a backhand shot. Lindegard marked up Hallock's final tally when his long shot deflected off goalie Mortrud's glove and into the nets.

Playing at Roseau on Saturday the Hornets picked up a first-period goal on Baker's solo; but Roseau knotted the score when Baker, in attempting to clear the net, slashed the puck into the Hornet goal. Bud Brossoit scored a solo-goal in the second period, while the Hornets third counter came in off Baker's stick. Bob Harris connected for the Cloverleaf's second score, barely shoving the puck past the red line.

WALLY DUCHAMP RETAINS SINGLES BOWLING CROWN

Narrowly Noses out Wally Carlson on Mint Alleys Last Sunday

Wally DuChamp, after engaging in a pin-for-pin duel with Wally Carlson throughout the final four-game block, successfully defended his city singles bowling championship in the twelve-game total-pins tournament bowled over the Mint alleys Saturday, Sunday, and Monday.

DuChamp, with totals of 782 and 796, held an 80-pin lead over runner-up Wally Carlson as the final block opened. With games of 189-233, Carlson pared DuChamp's lead to 16 pins, with DuChamp having scores of 171-187 for his first two games. Carlson struck out to chalk up a 198 score in the 11th game, taking a 1-pin lead, 2118 to 2117, as DuChamp had a 181 game. The twelfth game found Wally DuChamp with a 207 score to Wally Carlson's 202 total, giving DuChamp a 4-pin margin, 2324 to 2320.

Les Ringstrand rolled the tourney's high single game, having a 254 score during Sunday afternoon's bowling. Other high single game scores were: Ed. Karwand, 248 and 230; Wally DuChamp, 237 and 217; Wally Carlson, 233; Gay Jensen, 222. The two bowlers with four-game totals above 800 were Wally Carlson with an 822 and Les Ringstrand with an 818.

Keeping Score

....With BUCK OLSON

Don Lorentson

Local fans received another shock this week when it was learned that Lt. Don Lorentson, Marine flyer, had died in Florida following a brief illness. Don was co-captain, with Roy Lee, of the 1938 Prowlers state high school basketball champions, and so long as the game is played here so long will the performances of that team and Don be remembered.

Perhaps the two games of that year that are most vivid in the memory, and in which Don played starring roles, were the 35 to 32 win over Bemidji in the regional finals and the 30 to 28 overtime victory over Crosby-Ironton in the semi-finals of the state tourney. Bemidji, with Richy Olson doing most of the scoring, jumped into a 17 to 5 first period lead, and held a 23 to 16 advantage at the half. The Prowlers dropped a point behind in the third period, trailing by a 30 to 22 score as the final period began; but the locals, holding Bemidji to three free throws, swept through for 15 points and a 35 to 32 triumph. In that game Don, with nine free throws in ten tries and two field goals, was the Prowler high-point man, and in addition played his usual strong defensive game.

Don played his all-state game in the contest against the highly-rated Crosby-Ironton team in the semi-finals of the state tournament. The game ended 27 to 27, and the two teams were forced into overtime, with the first team to hold a two-point advantage being declared the winner. Crosby-Ironton received a two-shot foul and just as the player was to shoot his first try Don called time, and that tactic, according to Coach George Lee, did much to win the game, for when play was resumed Crosby-Ironton made good on only one of the tries. Seconds later Don made a free throw, tying the score at 28 to 28, and then Earl Nicholson popped in the winning goal. Don, with three field goals and five free throws, again paced the Prowler scorers. We won't see his like again.

Hats Off Dept.

Hats off to young Jerry Furuseth and his Knox-Washington hockey team for their well-earned 4 to 1 win over Northrop Tuesday night. Jerry is quite a buzz-saw out there on the ice, and I guess we'll have to tie bricks around his ankles to slow him up. And a lift of the lid to young Perkins for his solo goal. He'll want to take brother Don's place on the Bombers now.

And hats off to Tony Dorn the newly elected captain of the Hornets hockey team; and also to center-ice Bob Baker, the captain-elect for next season.

More of the Same

Hockey fans who attended the thrill-filled overtime encounter between the Hornets and the fast-skating Hallock team, are due for more of the same Saturday night when the Crookston Cathedral and the Hornets meet in the "rubber" game of their series. Each team has won a game and third game, played last week, ended in a 4 to 4 tie. Incidentally, the last thing that Hallock's Coach Lindgren told the Hornets before he left Tuesday night, was that they be sure and beat Cathedral. Cathedral, you know, has scored two wins over Hallock.

What a high school hockey team you'd have if Hallock's No. 42, Jerry Lindegard, and No. 39, Cal Engelstad, could be added to the Hornet lineup! Lindegard and Engelstad were two of the niftiest skaters to appear on the local ice this season. Lindegard is a senior, but Engelstad's only a sophomore, so we'll be seeing more of him.

While Bob Baker and Tony Dorn were the bulwarks of the Hornets Tuesday night, and that's expected of them; Bud Brossoit, Les Vigness, and Sonny Johnson turned in fine games for coach Pag's team. Brossoit, a sophomore, has shown vast improvement in his play this year. He's a comer that's nearly there.

Still the Champ

Wally DuChamp is still the city singles bowling champion, but this year it was touch-and-go until the 10th frame of the 12th game whether or not there would be a new champion. Wally Carlson picked up 64 pins on alleys 1 & 2 Monday night, to trail by 1936 to 1920 score as the bowlers moved over to alleys 3 & 4. Wally Carlson then came up with a fine 198, while DuChamp scored 181, to take a 1-pin lead 2118 to 2117. The break came in the 2nd frame of the 12th game after both bowlers had opened with strikes, Wally DuChamp picked up the 10-pin spare while Wally Carlson blew the same spare. Wally Carlson had doubled in the 8th and 9th frames and another strike would have erased DuChamp's lead, and he rolled a fair hit but the 4-pin remained standing. Both bowlers are entitled to plenty of credit: to Wally DuChamp for not breaking under the pressure; and to Wally Carlson for making an uphill pull to barely lose by four pins.

TRAFFIC MISHAPS INCREASE DURING THE PAST MONTH

More Accidents Despite Better Driving Conditions, Patrol Reports

Comparison of accident figures and the activities of the Minnesota highway patrol tend to confirm the belief of traffic experts that careless driving and not bad road conditions is the primary cause of accidents.

The good driving conditions this winter are indicated by the fact that in January, the patrol gave aid to only 16 motorists whose cars were in the ditch, compared to 527 in January, 1943, when roads generally were icy and slippery. Yet in spite of the good driving conditions, there were 27 killed in motor vehicle traffic accidents in Minnesota this January, or 11 more than in January, 1943.

Good roads apparently invited more traffic and more violations of the traffic laws. The patrol made 817 arrests in January, 1944, according to the monthly report of Elden Rowe, chief patrol officer. In January, 1943, there were 787 arrests. Arrests for excessive speed last month were 327, more than double the 154 recorded in January, 1943.

Other leading causes for arrests last month were 33 for driving while under the influence of liquor, 92 for careless driving, 88 for going through stop signs, 25 for improper passing and 90 for improper equipment. In January, 1943, there were 21 arrests for driving while under the influence of liquor, 61 for careless driving, 78 for going through stop signs, 38 for improper passing and 72 for improper equipment. Total fines imposed were $6,900 last month and $5,611 in January, 1943.

We mean you folks who use the telephone. We're grateful to you who have cooperated so heartily in ways that help to keep the quality of telephone service as good as is possible these war days.

For some time we have been suggesting quite a lot of "don'ts" in your use of the telephone. They are never pleasant . . . and we've known that our requests have added still more to the host of other things you've been asked not to do because of the war.

We have thought a great deal about this and have tried not to use a single "don't" that hasn't seemed necessary. But with more and more need for telephone service, a mounting volume of calls—and no possibility of adding lines or equipment to handle this greater load—we've had to ask your help.

While you've responded in a fine way to each of our requests, we've especially appreciated that you haven't lost patience in doing it. There are often delays in the installation of telephones and calls sometimes don't go through as promptly as you'd like. Your understanding has helped a lot.

"Thank you" can be said in a great many ways . . . and with many meanings. We're not sure that we've used the best words, in the best way. But we do know that all of us telephone people are sincerely grateful for the help you are giving us in the job of providing telephone service.

A Washington's Birthday Message

JUST a year ago we paid richly-earned tribute to the 3400 Penney people who had gone off to the war. Today, the number of stars has grown to 5250. And today, again at Washington's Birthday, we honor and salute them!

From every Penney store in America, men have gone to man the Army's guns—to sail the Navy's ships—fly the Air Forces' planes. Hundreds have won citations for their accomplishments and medals for bravery in combat.

Just as an example—one small store in the Pacific Northwest has produced two outstanding heroes. The first has been awarded the Purple Heart, the Air Medal and the D. F. C., three times. The second has also won the D. F. C., taking part in no fewer than 35 combat sorties.

We are proud of these boys. We are proud of all our Penney associates in uniform. We still think of each and every one of them as part of their Penney stores—no matter where the call of duty has taken them, or how long they may be away.

Goin' South

A perfect example of temperature control. It would be a simple matter if you could wing your way south when the weather turned cold to avoid the cost of heating your home. However, you can keep room temperatures livable and lower the cost and amount of fuel up to 33⅓% by installing Gamble's Homeguard Insulation. Ask for free estimates. Homeguard is installed by factory trained experts with factory approved equipment.

Delinquent Tax List

FOR

Pennington County Minnesota

State of Minnesota,
County of Pennington—ss.
District Court
Fourteenth Judicial District

THE STATE OF MINNESOTA, to all persons, companies, or corporations, who have or claim any estate, right, title, or interest in, claim to or lien upon, any of the several parcels of land described in the list hereto attached:

The list of taxes and penalties on real property for the County of Pennington remaining delinquent on the first Monday in January, 1944, has been filed in the office of the Clerk of District Court of said County, of which that hereto attached is a copy.

THEREFORE, you, and each of you, are hereby required to file in the office of said Clerk, on or before the Twentieth day after the publication of this notice and list, your answer in writing, setting forth any objection or defense you may have to the taxes, or any part thereof, upon any parcel of land described in said list, in, to, or on which you have or claim any estate, right, title, interest, claim or lien, and, in default thereof, judgment will be entered against such parcel of land for the taxes on said list appearing against it, and for all penalties, interest and costs.

Dated January 31st, 1944.

HENRY STORHAUG,
Clerk of District Court,
Pennington County, Minnesota.

Have a Coca-Cola = Here's to old times

...or welcoming home a sailor son

These days there can be more real welcome in a snack shared in the kitchen than in many an old-time banquet. And with ice-cold Coca-Cola to add refreshment, you have all the makings at hand for a good time. As our men in camp and overseas so often tell, in all the world there's no more cordial invitation than those three familiar American words, Have a "Coke". At your icebox, the same as in P. X.'s around the globe, Coca-Cola stands for the pause that refreshes,—has become the global symbol of American hospitality.

VALLEY DAIRYMEN SET CROOKSTON AS CONVENTION CITY

Directors at Session Last Wednesday Set Dates at Oct. 24-25

Members of the board of directors of the Red River Valley Dairymen's association have set October 24 and 25 as the date for their annual convention. Meeting Wednesday in connection with the Red River Valley shows, the board named Crookston as the place for the next convention and recommended that five junior dairymen be added to the board of directors.

The board also went on record as recommending longer deferments from active military service for creamery labor. It was pointed out that the processing of whole milk which is being carried out by large number of Minnesota creameries under the expanded government program, calls for more experienced dairy processing help than is readily available and it will be necessary to conserve carefully any skilled labor that is now in the plants.

Members of the board are Stuart McLeod, Thief River Falls, president; Elis Grahn, Roseau, vice president; C. M. Pesek, Crookston, secretary; E. E. Rosenberg, Wadena, second vice president; and Reuben Harms, Dt., treasurer.

Fosston Plant Produces 1,013,000 Pounds Butter

Farmers of the Fosston vicinity marketed more than a million dollars worth of produce through the Fosston Farmers Co-operative Creamery and poultry station during the past year, it was revealed in the report issued at the annual meeting.

The exact figures of total sales was $1,200,179.52. That figure represents 1,013,250 pounds of butter manufactured for an aggregate value of $485,538.95.

In the poultry department eggs topped the list in value bringing returns totaling $649,596.61 with poultry, turkeys and feed bringing the grand total to $713,530.95.

Farm Equipment

Extra good care and widest possible use of existing farm machinery and equipment is emphasized by the WPB order restricting 1943 manufacture of new farm machinery and equipment to 20 per cent of average production in 1940 and 1941.

YOUR AMERICAN RED CROSS

Use of Ration Tokens to Commence Feb. 27

The inception of the simplified shopping plan for ration foods on February 27, extends the validity period of ration stamps; thus consumers can plan ahead for nearly twelve weeks and budget their purchases accordingly. This new plan will make ration books last nearly 2½ times as long as before, saving money, paper, transportation and manpower in registration.

Not all stamps will be worth ten points each February 27. Green stamps K, L and M in Book IV and brown stamps Y and Z in Book III which were valid before February 27, retain their values as indicated on the stamps until their expiration date March 20.

Red stamps (meats and fats) A8, B8, and C8 and blue stamps (processed foods) A8, B8, C8, D8 and E8 in Book IV become valid February 27, and will be worth ten points each. The red stamps become valid every two weeks and the blue stamps become valid the first of each month except the first group which are valid February 27. That means the housewife will have 50 points instead of 48 for processed foods and 60 points instead of 64 for meats and fats a month. Point values for the different foods are to be raised or lowered to compensate for these minor point changes.

P. E. Fields, district rationing executive, explained that OPA validates food ration stamps to overlap in order that no large group of stamps expires on one day.

Under this system, red and blue tokens worth one point each will be given in change for the purchase of a rationed commodity only. The red tokens are for meats and fats, the blue tokens for processed foods. These tokens have no set expiration or validity dates. Don't ask your grocer to "charge" ration stamps, he needs those stamps to restock his shelves.

It has been demonstrated by ten housewives using tokens and 10-point stamps that it takes less than one-half the time required under the old system to move past the cashier and pay for goods, even though all concerned were thoroughly familiar with the old system.

This new system will simplify the paper work of the banks participating in ration banking; and the work of sorting stamps for the retailer is cut by 60%. The saving in time and trouble and expense to the 600,000 storekeepers in this country is estimated at $3,000,000 a month.

Poplar Pulpwood Being Cut in Excess of Demand, State Forester Reports

Minnesota forest industries are appealing to pulpwood producers to switch their emphasis from cutting of poplar to spruce, balsam, jackpine and other species, reports H. G. Weber, director of the state division of forestry.

Wood buyers attribute the apparent over-production of poplar pulpwood to the tremendous advertising campaign sponsored by the forest industries. They point out that the market for rough aspen is rather limited and that the pulpwood campaign has stimulated production of this particular species more than any other.

Weber points out that it is feared by those in charge of timber production to meet war-time needs that small producers may now get the idea that the timber market in general is becoming clogged. Such is not the case, he states. The demand for all other pulpwood species is still strong and peeled poplar will be taken by some of the Minnesota and Wisconsin pulp mills and by the excelsior companies.

RESOLUTIONS ARE PASSED BY SCHOOL BOARDS OF STATE

Minnesota Association Ends Annual Convention in Minneapolis

Domination by University of Minnesota and officials of other colleges in choosing curricula for grade and high schools of the state was criticised in resolutions adopted by Minnesota School Board association at closing sessions of the organization's annual convention at Nicollet hotel in Minneapolis Friday.

The school board members complained the university now takes too great a hand in determining curricula and called for "less domination in this field."

After discussing a bill now before congress which would set up a $300,000,000 subsidy for education of returning war veterans, delegates pledged themselves to "vigorously resist" any attempt at federal regimentation, either from bureaus or commissions.

Asserting that efficiency and effectiveness of the public school system is endangered by drafting of needed teachers, the convention requested selective service to broaden teacher exemptions and thus make possible keeping a sufficient number of trained and qualified teachers in school service.

Higher salaries for teachers also were urged, resolutions pointing out that between the draft and higher salaries offered by war industries, capable teaching staffs have reached an all-time low.

The association re-elected Mrs. F. M. Christofferson, White Bear Lake, president; Dr. Charles R. Drake, Minneapolis, vice president; and John E. Palmer, Fergus Falls, secretary-treasurer.

Army-Navy Examinations to be Given March 15 in Minnesota High Schools

For the third time in a year the call has gone out to high school graduates or seniors who will finish by July 1 next, to take the army-navy examination which is the only way of getting into the army student training program or the V-12 program of the navy.

Gordon V. Anderson of the University of Minnesota counseling bureau advises that young men throughout the state should see their local high school principals to obtain the admission and identification form required of those who are to take the test. It will be given March 15 at 9 A. M. at any high school where there are applicants. Students are urged to notify their high school principals at once so that ample supplies may be ordered.

Eligible students are those from 17 to 21 years of age, inclusive, who have graduated from high school or will graduate by the end of June.

The same examination will be taken by both army and navy candidates. The examination is designed to test the aptitude and general knowledge required for the programs of college training and all qualified applicants are urged to take them. Each candidate will be entitled to express a choice of army or navy but will not be obligated to join the service as a result of that choice.

War Demands Cut Supply of Elastic for Girdles

Schedules of rubber yarn and thread, previously earmarked for such articles as girdles, elastic tape, garters and corsets, have now been drastically curtailed because of unexpected army demands for elastic and the increased military use of the synthetic rubber, neoprene, from which the elastic is made, according to an announcement made by W. A. McMillan, district manager.

Previous orders lifting restrictions on use of elastic fabric for civilian use were based on the army's earlier estimates which provided a surplus to be used for civilian use after meeting all essential military needs.

Recent military developments, however, have altered the picture, and the output of neoprene is now demanded by the army for use in military equipment as parachutes, rubber landing boats, gas masks and life-saving equipment.

20-YEAR "ROUND ROBIN" STILL GOING AROUND!!!

Buffalo Lake—Twenty years ago when Rev. J. E. Kottke, pastor of the local Evangelical church was at Central College, Naperville, Illinois, plans originated among 26 classmates for a "round robbin" letter. Twenty years later the "round robbin" is still going around to 25 of the original contributors, one having died. Traveling from Alaska to Texas and Pennsylvania to California, the packet of 25 letters travels thousands of miles annually and is sent from one classmate to another for 21 cents postage. Rev. Kottke has just had the packet and the letter which he added was numbered 1,007.

WAVE Ensign Coming

Anyone who thinks WAVES service isn't dramatic and exciting should talk to Ensign Flora Shield, officer-in-charge of the special WAVE board at the Evelyn Hotel, February 21 through February 25.

For seven months, Miss Shield's voice was one of those heard by ships at sea from the navy's central radio. Then rated radioman, third class, she broadcast directions to convoys, warnings of submarines, other information furnished by reconnaissance planes and other sources.

Miss Shield, the first of enlisted WAVES from her home town of St. Louis, Mo., is a "mustang" or an officer up from the ranks. She attended Washington university and received a law degree from the St. Louis City College of Law and Finance. She took officer training at Smith college, graduating on Oct. 19.

HAVE YOU HEARD? WE'RE AT WAR!

Howard Lake.—Not too far from town a war bond solicitor called on an old farm couple announcing he was selling bonds to the old gentleman. The old gentleman replied he didn't want any bonds. "You know there's a war going on and the government needs the money," said the solicitor. "No," replied the farmer. "You've heard of the trouble at Pearl Harbor and of McArthur," said the sales. "Nope," was the reply. Just then the lady of the house came in and said, "Who is that man?" "Oh," said her husband, "His name is McChesney of Cokato and he got in trouble at Pearl Harbor and wants us to go on his bond."

Your Federal Income Tax

Prepared by the Bureau of Internal Revenue

Forms of Returns

Both persons whose income and victory taxes for 1943 have been currently paid in whole or in part through withholding from their wages by employers, and all other persons who are subject to the income tax, must report their income to the Government on forms, or blanks, prescribed by regulations, as a basis for closing their tax account for the year.

These forms are obtainable *from any collector of internal* revenue and, generally, from any bank. Other forms are designated for corporations, for partnerships, for trusts and fiduciaries, and for nonresident aliens. Farmers who keep no books of account and use the cash method of reporting income must attach a special schedule (Form 1040F) to their return. For individuals, either of two forms of return may be used, depending upon the amount and source of income to be reported.

Form 1040: This form is intended for general use of citizens and residents of the United States. It contains spaces to show the amount of income from various sources, allowable deductions, exemptions and credits, the computation of tax liability on 1943 income, the amount, if any, of tax forgiven for 1942, and the amount of the unforgiven tax for 1942. As most of the items require some explanation in order to be allowable, the form also contains special spaces, which are called "schedules," to show in more detail how the income or the deductions and credits are determined.

Form 1040A: This is a short form report which may, at the option of the taxpayer who makes his return on the cash basis, be filed instead of Form 1040 by any citizen or resident whose gross income was $3,000 or less during 1943, provided all this income consists wholly of one or more of the following: salary, wages, bonuses, commissions, dividends, interest, or annuities. In determining the income tax on this form, it is necessary only for him to enter the amount of gross income, deduct the credit allowable for dependents, and enter the appropriate amount of income tax in accordance with one's personal exemption status, as shown in the table on the back of the form. This form has no entries for deduction of expenses, since the income taxes indicated in the table are computed after taking into account what have been considered average deductions for persons of this income class. In determining the victory tax, he needs only to enter the amount of gross income, deduct a specific exemption, and make a brief computation, entering the result in the proper spaces. Additional spaces are provided to show the amount of 1942 tax forgiven and the amount of unforgiven tax to be paid as part of the liability for 1943.

A taxpayer should consider carefully which form he will desire to file. Whichever form he uses, all the information called for in the spaces should be filled in so far as applicable to him, in order to avoid the possible inconvenience to himself, and the expense to the Government, of subsequent check and inquiry. With each return form is a set of accompanying instructions, and these instructions should be read carefully, especially in regard to the 1942 tax forgiveness feature, before making his return.

Returns for the calendar year 1943 of persons who are within the United States must be filed not later than March 15, 1944. They may be filed by mailing to the collector of internal revenue of the district in which is located the legal residence or the principal place of business of the taxpayer. If the return is filed by mailing, it should be posted in ample time, and with sufficient postage, to reach the collector's office on or before March 15, 1944. Returns received later than the due date are subject to a penalty variable according to the lateness in filing.

Certified Seed Potato Stocks Held Adequate

The supply of certified potato seed will be nearly adequate to take care of next spring's needs not only in Red River Valley but all over the country, according to A. G. Tolaas, in charge of seed potatoes certification for the state of Minnesota who spoke before Red River Valley growers Thursday afternoon in connection with the Red River Valley Winter Shows and Northwest Farmer's Week. In the country as a whole the certified seed production was 29,000,000 bushels in 1943, representing an increase of 42% over the 1942 production.

MUSTERING-OUT PAY BILL SIGNED INTO LAW FRIDAY

Providing Pay of $100 to $300 for Men Discharged from Service

President Roosevelt Friday signed legislation providing mustering-out pay of $100 to $300 for members of the armed services.

At the same time, he called for action on additional portions of his program to "ease the period of transition from military to civilian life."

Mr. Roosevelt mentioned specifically measures to let service men continue their education, to provide social security credits for the period of military service, and to set up machinery for unemployment allowances.

In a statement, he referred to the mustering-out pay bill as a "step in the comprehensive program I recommended —for the [illegible] protection of the members of the armed forces.

"We must make our plans now [illegible] all necessary steps to see that there will be good jobs awaiting returning service men and women.

"But we must anticipate there will be unemployment during the period of reconversion, and we must therefore establish now suitable machinery for the payment of reasonable unemployment allowances to those veterans who are unable to obtain jobs within a reasonable period after their discharge."

A compromise between senate and house legislation, the mustering-out pay law limits the maximum sum of $300 to service men and women who have served overseas or in Alaska.

Payments of $200 are provided for those serving 60 days or more in the United States and $100 for those serving less than 60 days in the service.

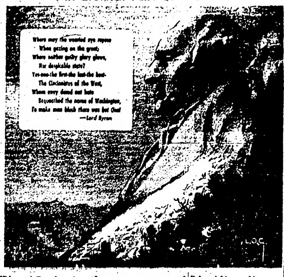
All receiving no more than $200 a month base pay are eligible to the mustering-out benefits.

Those eligible to the $300 will receive $100 at the time of final discharge and $100 a month for the succeeding two months. The $200 payment will be made in two equal monthly installments. Those entitled to $100 will get the full amount upon final discharge.

Ceilings

Specific "dollars and cents" price ceilings have been established by the OPA for various grades and qualities of soybean oil, corn oil, and peanut oil.

An Eternal Part of the Land



Where may the wearied eye repose
When gazing on the great;
Where neither guilty glory glows,
Nor despicable state?
Yes—one—the first—the last—the best—
The Cincinnatus of the West,
Whom envy dared not hate
Bequeathed the name of Washington,
To make men blush there was but One!

Widow of Founder of St. Hilaire Spectator Succumbs in Crookston

Mrs. William E. McKenzie, widow of the founder of the Crookston Daily Times, died at her home in Crookston Sunday night from heart disease. She was 84 years old.

One of the pioneer residents of Crookston, Mrs. McKenzie came there 60 years ago with her husband from St. Hilaire, where they had established the St. Hilaire Spectator. At the time of her death Mrs. McKenzie was vice president of the Crookston Times Printing Co.

Two sons, D. A. McKenzie, present publisher of the Crookston Times, and Glen E. McKenzie of Seattle, Wash., survive.

Growing With Your Child

Institute of Child Welfare, University of Minnesota

Are You a Dictator?

An amazing number of parents are concentrating their every effort on preserving our democratic form of government, because they believe so firmly in it. Because they hate dictatorships, they insist that the rights and liberties of individuals be preserved at any cost. They give generously of their time, labor and money to show their belief in democracy. But follow some of these people into their homes—their own kingdoms. There they forget their ardent beliefs in the rights of the individual and shed their fervor for democracy as a duck sheds water. They command and insist and forbid: "Get out of here!" "Go to bed," "I insist on absolute obedience," "Don't touch my tools," "Who pays for the newspaper?" "I earn the money in this house." Yes, these are the very people who bitterly criticize the countries which deny their subjects freedom of speech and dictate every act.

Most parents use one of three methods of controlling their children. The first, the dictator type is one in which one parent is usually in absolute control. In such a home all the other members of the family outwardly conform to every command and restriction laid down by the one with power. Children have neither freedom nor equality. Often an atmosphere of depression prevails because of the constant emotional strain. Children eagerly await the departure of the parent and become more and more fearful as the time approaches for his return. Such training develops fear, cowardice, lying and inferiority feelings. Hostility and even hatred often surround the feared parent.

At the other extreme are the parents who feel that too much discipline will interfere with their youngster's budding personalities. They choose a second method of training which is a let their children do practically as they please. Such a home has neither order nor authority. Arguing and squabbling are common occurrences. This type of an environment is fertile ground for poor habits, both of health and conduct. Youngsters trained in these homes develop either into tyrannical and insufferable members of society or into extraordinarily selfish ones.

The most effective method of home control is the one in which the child is guided and directed by reasonable parents, who keep in mind the fact that the youngster needs to increase his ability to control himself as he matures. By giving the child responsibilities, they increase his self-reliance and self-respect; by making reasonable demands, they give him a feeling of order and consistency; by recognizing him as a person, they give him experience in democratic living.

ORCHIDS FROM HAWAII RECEIVED AT AITKIN

Aitkin.—An air mail, special delivery package, bearing a naval censor stamp and also a tag of inspection by the agriculture department from Hawaii contained the biggest birthday surprise Mrs. Victor Erickson has ever had. Inside the box she found two exquisite orchids sent by her son, Captain Victor Erickson now somewhere in the Pacific. The flowers were beautiful shades of purple and fresh as though they had come from a nearby florist. The stems had been packed in a tube containing a solution for their preservation.

Drivers' License List May be Reduced by Half, State Supervisor Says

Lists of persons licensed to drive motor vehicles in Minnesota will be reduced from more than two million to less than one million when the first year of renewals under the 1943 law ends August 31, according to estimates by E. P. Lee, supervisor of the drivers' license division of the state highway department.

The estimate is based on the five months total of 322,726 renewals or new licenses issued from September 1, 1943, when the new law took effect, to January 31. At this rate there should be about 750,000 licenses issued by the end of the 12-month renewal period August 31. In addition thereto, all licenses held by persons in the armed forces will be valid until 60 days after their discharge from the service. Eventually the department will be able to clear the active file of more than 1,000,000 cards bearing names of persons who have moved from the state, died, or for other reasons have quit driving motor vehicles.

Under the 1943 law, all licenses issued prior to September 1, 1943, expire on the licensee's first birthday thereafter. Relatively few drivers who have had birthdays since September 1 have failed to apply for renewal.

Allen, Andrew Mortenson, Ed Van de Streek, and Mrs. Martin Mosbeck Friday evening at the Andrew Mortenson home. The evening was spent socially. The guests were the H. R. Allens, W. Corbetts and family, Ed Van de Streeks and family, Rev. and Mrs. H. Larson, Martin Mosbecks, Andrew Mortensons, and Durlyn Robinsons and baby girl of Thief River Falls.

Tech. Sgt. Ardell Olsen of La-Moure, Calif. arrived Sunday on a furlough to visit his parents, Mr. and Mrs. Ordean Olsen. Ardell's cousin, Warrant Officer Glenn Ortloff of Patterson, N. J., who is also on furlough, visited at the Olsen home Sunday. Glenn's parents, Mr. and Mrs. Harry Ortloff, live in Red Lake Falls. On Sunday the Olsen and Ortloff families visited at the Roy Lindell home in Crookston.

Mrs. Jack Kruse left Sunday for Fargo to spend a few days.

Virginia Schalz of Bray spent the week-end with Marlene Drees. Virginia's father, Nick Schalz, is ill and entered a Thief River Falls hospital last Saturday.

Mrs. Palmer Hansen and children of Thief River Falls were guests at the Ed Engh home Sunday.

Mrs. Knute Kolstad returned Tuesday evening from a week's visit at Minneapolis, Anoka, Little Falls and Verndale. On Sunday she attended a gathering held at her son, Thomas Hovet's home at Anoka. Kennard Kovets, Mrs. Horsagern and Mrs. O. Gigstads families were there also.

Mrs. Bert Mosleth returned Thursday from Camp Wolters, Texas, where she spent two weeks with her husband, who is stationed there.

Mr. and Mrs. Robert Swanson received word from their son, Conrad stationed somewhere in Italy, that he has received a Good Conduct medal. Conrad is working with the medical corps.

Robert Swanson, Lester Olson, C. O. Swanson, and Roy Randorf were among the guests who attended the banquet at Thief River Falls given by the Farmers Union Cooperative.

Reuben Kolden and Wallace Swanson, who are employed at wood cutting near Thorhult spent the week-end at their respective parental homes.

Henry Grytdal of Newfolden was a business caller in St. Hilaire Thursday.

The wedding dance of Mr. and Mrs. Lyle Lisen of Thief River Falls was given at the hall here Saturday evening. The Smoky Mountain Boys furnished the music.

Mr. and Mrs. Paul Ortloff, and Mr. and Mrs. Nickie Drees and family were guests at the Ila Hansen home Sunday evening at Thief River Falls.

Mrs. William E. McKenzie, eighty-four, widow of the founder of the Crookston Daily Times, died at her home Sunday night from heart disease. One of the pioneer residents of Crookston, Mrs. McKenzie came to Crookston sixty years ago with her husband from St. Hilaire, where they had established the St. Hilaire Spectator. At the time of her death Mrs. McKenzie was vice president of Crookston Times Printing Co.

Mrs. John Hanson has been appointed Chairman of the local Red Cross drive by Mrs. Edwin Hansen of Thief River Falls. The St. Hilaire quota is fifty dollars more this year than the last drive held in 1942.

Miss Ruth Brink spent the week-end with Frank Sweet's at Eldred.

The February meeting of the Woman's Club will meet this Thursday at the home of L. F. Olson.

PIONEER FARMERS UNION LOCAL HOLDS MEETING

The Pioneer Farmers Union local held its monthly meeting Friday evening, Feb. 11, at the Dimmer school house with its largest attendance since it was started last fall.

During the business meeting the secretary and treasurer, Mrs. Ayers read a letter which she had received from Senator Ball. She was instructed to write to Mr. Ball requesting more information on the subsidies. The Green Locus Bill was discussed and this local is in favor of the federal administration of the ballot.

The subject of the county school which is to be held March 3, at the Civic and Commerce room in the city auditorium was brought up.

The two guest speakers of the evening were Mr. Pleadermen and Mr. Harris.

After the business meeting the Juniors presented a program consisting of several readings, songs by the trio, and two short amusing plays.

To fulfill the enjoyment of the evening, refreshments were served. While the Juniors played games, the older members enjoyed a social hour. The next meeting will be held March 10.

We Feed Dakota Maid Exclusively
FULL
Plenty Room on Second Floor

Give your hens a chance ...AND THEY'LL BREAK RECORDS!

Are your hens laying to the limit of their capacity? Unless you are feeding a balanced laying mash like Dakota Maid to supplement grain, you are actually preventing your hens from doing their best! A grain ration alone does not supply certain necessary elements in sufficient quantity, nor others in the proper proportion to stimulate peak production.

Scientifically prepared to supply the nutrients lacking in grain, Dakota Maid Laying Mash has been fully proved on the farm to be a real egg-making raw material.

Fortified with an abundance of vitamins A, D, E, and G and minerals plus other essential elements, Dakota Maid Laying Mash boosts egg production to its peak! Moreover the eggs produced are nuggets of nutrition, a "best" food for humans, and when used for hatching produce vigorous, sturdy chicks.

CONGRATULATIONS
Thief River Falls
On Going Over The Top!

Perhaps you didn't realize it when you bought your extra War Bond, but you helped to make Minnesota the first state in the Union to go over the top in the Nation's Fourth War Loan Drive. Congratulations, citizens, you did a swell job of bond-selling and bond-buying.

But we must remember, the war isn't over yet. There are going to be many days of sacrifice before the final one of Victory. Here are some of the things we can do to bring it closer:

Buy only what you absolutely need.
Make what you have last longer.
Give ration stamps for everything you buy.
Write often and cheerfully to your man in service.

Continue to buy bonds. Buy more and keep them!

Thief River Falls' quota in 4th War Loan $257,300.
Thief River Falls bought $411,849.00 worth of bonds.

Lyndan Magnuson accompanied by Mrs. Vera Johanenson motored to Thief River Falls Saturday.

Mr. and Mrs. Roy Woods accompanied by Mrs. Frank Johnson motored to Thief River Falls Saturday.

Louis Jelle Jr. and Oscar Overby made a business trip to Crookston Sunday.

Mr. Philstrom, state land dealer from Thief River Falls called at the Frank Johnson, Bill Zavoral and Walter Dalton homes Monday. He notified Walter Dalton that they will have to move by March 1st as the farm has been sold to a purchaser from Illinois, and he is leaving there for here Feb. 24. The farms purchased are known as the Albert and Severt Anvinson homesteads.

Surprise Birthday Party

An assembled group gathered Sunday evening at Oklee at the country store to help Mrs. Harvey Woods celebrate her birthday.

Those who motored to Oklee to attend were Mr. and Mrs. Frank Johnson and sons, Raymond Stratton, Vera Johanenson, Mr. and Mrs. Roy Woods, Mr. and Mrs. Otto Knutson and sons accompanied by Mr. and Mrs. Knut Arenson, Oliver Byklum, Knut, Ingeberg and Margaret Homme, Henry Morken, Johnny Byklum, Mr. and Mrs. Oliver Hoaland and Orrin Sletten. A very enjoyable evening was spent. At midnight a delicious lunch was served by Mrs. Otto Knutson and Mrs. Frank Johnson, being brought by all the ladies. Three lovely birthday cakes centered the table, two of which were heartshaped. The very surprised honor guest, Mrs. Woods received many gifts and a sum of money.

WARTIME NEEDS DEMAND RAISE IN LUMBER OUTPUT

Inventories Are Becoming Dangerously Low, Says WPB Official

More than 34 billion board feet of lumber will be needed to meet the war requirements of the nation in 1944, it was announced today by W. A. McMillan, WPB district manager in this area.

Estimates for the nation's minimum needs include: shipping lumber, mostly lumber used for crating and packaging material for shipment to the war fronts 15½ billion board feet, almost one-half of all production; construction for the army, navy maritime commission and all corps, 5½ billion; railroads, utilities, mining and heavy industries 6½ billion; farms, defense housing and all other essential civilian requirements, 7 billion board feet.

Mr. McMillan pointed out that although the figure of 34 billion board feet was not the largest war-time production figure, it presented the greatest challenge because it was no longer possible to fall back upon inventories. In 1942, estimates and production for lumber were 36½ billion board feet and consumption was 42 billion. In 1943, estimates were 82¼ billion; production was 33 billion board feet, but consumption was 37 billion.

"During these years, our inventories have dropped from seventeen to six billion board feet," Mr. McMillan said. "In my opinion, they have now reached a point not far above the danger point for war-time inventories."

Nature always compensates. Consider how sanitary is a baldhead.

Ash Wednesday Services

With Ash Wednesday, February 23, churches throughout the world begin observance of the season of Lent. Here an army camp chaplain conducts services in his chapel. This year religious leaders of all denominations point to a resurgence of religion. Part of this is attributed to the impact of war, with servicemen and civilians alike seeking the solace of religion in time of stress. Church leaders express the belief that the tendency will continue to grow, in peace as well as war.

Minnesota War Service Fund Goes over the Top in $2,500,000 Campaign

The story of Minnesota's achievement in raising more than $2,500,000 for 17 war-related agencies in the recent Minnesota War Service Fund campaign was told at the national war fund conference in New York this week by J. Cameron Thomson, state chairman and Byron W. Shimp, state director.

Minnesota's story was of special interest at the conference because this state was one of the first major states in the country to reach its national war fund goal and one of the few states to raise more than two and a half million.

First announcement that Minnesota not only reached its war fund goal but its announced objective for the campaign of $2,500,000 was made by Mr. Thomson at the conference. The total contributions in the campaign were $2,504,000. In addition to raising this sum for national war fund agencies, including the USO, the residents of Minnesota raised an additional $3,220,631 for local agencies also included in local war chest campaigns.

Warroad Garage, 22 Cars Are Destroyed in Blaze

Fire which broke out during the noon hour last Thursday completely destroyed the Wammer & Doyle garage in Warroad, including 22 automobiles and one tractor and for a while seriously threatened several business buildings in the same block. Only the excellent work of the fire department prevented fire from consuming the Hardy Grocery immediately adjacent and the Pioneer building would have been in the line of fire and probably razed.

"Hats off to Studebaker for cars that stand up in wartime"

SAYS W. M. Byrd, engineer on a U. S. Navy job at Bay City, Michigan: "My hat's off to Studebaker. You're certainly right when you say the Studebaker Champion is engineered to save an owner money and built to withstand hard punishment.

"I know. I've owned three Champions. The one I'm now driving, a 1941 model, has 31,000 miles on it and its tires look good for 30,000 miles more.

"My two previous Champions gave me remarkable mileage over rugged West Virginia mountain roads.

"On the three Champions, my total maintenance bills, outside of proper servicing, did not exceed $40."

Mr. Byrd's experience, after two years of war, is matched by that of many other Studebaker owners.

CITY COUNCIL PROCEEDINGS

The City Council of the City of Thief River Falls, Minnesota, met in regular session in the Council Chambers, the Municipal Court Rooms in the Auditorium and Municipal Building on Tuesday, February 8th, 1944. The meeting was called to order at eight o'clock P. M. with Aldermen Griebstein, Hunt, Hanson, Rinkel present and Aldermen Petersen and McKeenzie absent.

Minutes of the meetings of January 11th and 25th were read and the same were on motion made and duly carried and approved as read.

Monthly reports of the City Clerk, Treasurer, Municipal Judge, Weighmaster, Manager of Sports Arena, Recreation Activities and Park Board were presented, examined and ordered filed.

S. L. Holm presented an application for permission to move a building, 12x26, 8 ft. high from Lots 3-4, Block 25, Original Townsite to Lots 7-8, Block 7, Porter's Addition to be used as a garage. Alderman Rinkel moved that such request be approved and granted. The motion was seconded by Alderman Hanson and the same was carried and adopted.

W. L. Wedin, Agent Great Northern Railway Company, presented a request for the erection of a loading platform on their right-of-way 150 feet south of the Fourth Street Crossing, such platform to be 40 foot top with 48 or 50 foot incline at each end. Alderman Rinkel moved that such request be approved and granted, which motion was seconded by Alderman Hunt and adopted.

Bond of the City Treasurer in the amount of $2,000 with Fidelity and Casualty Company of New York as surety, was on recommendation of the City Attorney, laid over for a correction of form.

In the matter of application for a compromise settlement of accumulated taxes against Lot 2, No. 27 feet, Block 4, 1. Meehan's Addition and signed by Edward J. Holmgren, which application had previously been referred to the Tax Committee of the Council, the Committee brought in a recommendation that the application be denied. Alderman Hunt moved that such recommendation be approved, which motion was seconded by Alderman Hanson and adopted.

Applications for renewal of licenses to sell cigarettes and papers were presented by L. B. Hartz Stores, Geo. Peter & Son, Ralph Shettler, Hotel Evelyn, Lloyd Vevea and C. M. Ryan. Alderman Rinkel moved that such application be approved and that the Clerk be directed to issue licenses accordingly. On the roll being called on adoption, the following voted Aye: Griebstein, Hunt, Rinkel. Alderman Hanson voted Naye and the motion was thereupon declared failed of adoption.

Application was presented signed by Clifford Storholm and H. G. Standahl for transfer as to location of license to sell 3.2% beer from 11 Third Street East to 118 Main Avenue North, on and off sale, license to be transferred from the former to the latter. Alderman Rinkel moved that the same be referred to the license Committee of the Council. The motion was seconded by Alderman Hunt and adopted.

In order to complete the personnel of the Police Department, Mayor Douville presented the appointment of H. E. McMahon, Jesse Thorstad and J. J. Williams, the latter having been reinstated, as members of such force as of February 1st, 1944. Alderman Hanson moved that such appointments be confirmed and ratified. The motion was seconded by Alderman Hunt and adopted by unanimous vote.

A communication was presented by the Women's Christian Temperance Union, signed by their Committee members, which was read; such communication requesting that the present 3.2% beer ordinance be amended so as to limit the hours of same during week days to 11.00 o'clock P. M. Alderman Hanson introduced a proposed ordinance amending Section 8 of Ordinance No. 183, reading as follows: (g) "Booths, screens and any curtains of any kind whatsoever used for the purpose of obstructing the view of any interior of any licensed premises herein shall be prohibited and the interior of any such premises shall be so arranged so as to give an open view of the whole interior therein from the sidewalk," and moved that such proposed amendment be given its first reading. The motion was seconded by Alderman Hunt. On adoption of the motion as put by the President, Aldermen Hunt and Hanson voted aye, Alderman Rinkel, Naye; and the motion failed to carry.

Motion was made by Alderman Rinkel that the Clerk be instructed to communicate with Lester L. Schroeder, State Commissioner of Aeronautics, to send engineers to lay out plans for the development of the City's Airport. The motion was seconded by Alderman Hunt and adopted.

The Mayor and Clerk were authorized and directed to execute a rental contract with John R. Bergquist for one year ending after March 26, 1944; consideration of $50.00, for rental of Incinerator Land in Rocksbury Township.

Alderman Rinkel moved that bids, duly advertised for consideration this date, for designation of City Depositaries of public funds and the Official Paper, be opened and considered. The motion was seconded by Alderman Hunt and adopted. Proposals to be designated as City Depositaries were presented by Union State Bank and Northern State Bank. Alderman Rinkel introduced a resolution designating such banks as depositaries of public funds for the year 1944, approving and accepting the securities for such deposits, presented therewith and moved adoption of such resolution. The motion was seconded by Alderman Hunt and the resolution was thereupon passed and adopted by unanimous vote. Proposal to be designated as the official paper was presented by Thief River Falls Times, Inc. as follows: $.60 per folio for first insertion; 30 cents per folio for second insertion with an additional charge of $.25 per folio for all tabular matter. Alderman Hunt introduced a resolution designating the Thief River Falls Times as the Official Paper, fixing the amount of performance bond at $1,000.00 and moved its adoption. The motion was seconded by Alderman Rinkel and the resolution was thereupon passed and adopted by unanimous vote.

Alderman Hanson introduced a resolution appropriating from the Current Expense Fund the sum of $300.00 to be used as the Mayor's Contingent Fund for the year 1944 and moved adoption of such resolution. The motion was seconded by Alderman Hunt and the resolution was thereupon adopted by unanimous vote.

Alderman Rinkel introduced a resolution authorizing the expenditure from the Current Expense Fund, during the year 1944, the sum of $1,923.00, for recreational purposes in accordance with budget presented by the Recreation Board and moved its adoption. The motion was seconded by Alderman Hanson and the resolution was by roll call duly passed and adopted.

Alderman Hanson introduced a resolution fixing the salary of an additional patrolman at $140.00 per month to complete the payroll of the department and moved its adoption. The motion was seconded by Alderman Hunt and adopted.

Alderman Rinkel introduced a resolution approving for payment various current bills against the City and moved its adoption. The motion was seconded by Alderman Hanson and adopted.

On motion duly made and carried the meeting was declared adjourned.

Why VICKS Is So Good For Relieving Miseries of Childrens Colds

More than two generations ago—in grandmother's day—mothers first discovered Vicks VapoRub. Today it is the most widely used home-remedy for relieving miseries of children's colds. And here is the reason . . .

The moment you rub VapoRub on the throat, chest and back at bedtime it starts to work two ways at once—and keeps on working for hours—to ease coughing spasms, help clear congestion in cold-clogged upper breathing passages, relieve muscular soreness or tightness. It promotes restful sleep. Often most of the misery of the cold is gone by morning! That's why VapoRub is so good to use when colds strike. Try it!

APPLICATIONS ARE BEING TAKEN FOR DAIRY SUBSIDIES

January Payments Now Being Distributed, Says AAA Chairman

Applications are now being received at the Pennington county AAA office covering sales of milk and butterfat during the month of January. Carl R. Anderson, chairman of the AAA committee, reminds farmers and dairymen that evidence of all sales during January should be submitted in order to be eligible for the January payment, which has been increased to 35 cents a hundred pounds on whole milk, or 5 cents a pound on butterfat.

The War Food Administration today announced the continuation of dairy production payments up to February 17, or the date on which the Commodity Credit Corporation is further extended. The basic rates during such period will be the same as those in effect in January.

The War Food Administrator said he is desirous of recognizing increased costs in the dairy payments as soon as it is possible to do so, and further expressed the hope that in the interim dairy farmers would continue to produce and market the milk that is so essential for the war effort.

Pennington county farmers and dairymen had $9,070.76 additional income to apply on increased feed costs for the months of October, November and December, the chairman reports. 1186 applications were filed covering 492,109 pounds of milk sold and 189,722 pounds of butterfat delivered.

January Business Here up 40 Per Cent over '43

The January 1944 volume of business in Thief River Falls as measured by the total amount of checks drawn by the public against their bank accounts was 40 per cent above the first month of last year. According to the monthly summary of bank debits just released by the Federal Reserve Bank of Minneapolis, these withdrawals at 50 Minnesota cities attained a total volume which was 24 per cent above that shown in January 1943.

HOME-GROWN TURKEY FOR SOLDIER BOY IN ITALY

Worthington. — Christmas dinner for Pfc. Paul Hanson, even though he was far, far from home included home grown turkey. A letter recently received by his parents, Mr. and Mrs. Chris Hanson, tells how he was packed up on muleback headed for the mountain front in Italy on that day. To prove he had eaten Minnesota turkey that day he enclosed a wrapper of the Worthington Creamery and Produce company.

From where I sit . . . by Joe Marsh

Sure's a lot of talk going around nowadays about post-war planning...folks passing resolutions ...statesmen holding conferences...governments making promises to each other.

But as Bert Childers says: "What good is all this drawing up of plans unless each one of us decides to make his corner of the world a better place to live in?"

From where I sit, Bert's put the problem in a nutshell. Governments can pass all the resolutions and make all the treaties they can think of—and it's still up to the people themselves to see to it that the world is ruled by tolerance and understanding.

Unless we make up our minds to respect the other fellow's rights and liberties—whether it's the right to enjoy a glass of beer occasionally or the right to vote according to our conscience—all our post-war planning won't be worth the paper that it's printed on.

NEWFOLDEN

FORMER LOCAL GIRL'S HUSBAND KILLED IN ACTION

Lt. Roland Peterson of Devils Lake, N. Dak., flying fortress pilot has been reported killed in action according to a telegram received by his wife at Devils Lake. The message was from the German government and routed through the Red Cross. Mrs. Peterson had received a letter from her husband dated January 5 telling her that he had completed his first mission after having arrived in England in the middle of December. Mrs. Peterson is the former Peggy Farstad who spent her girlhood with her parents in Newfolden.

Lt. Peterson the son of Peter Peterson of Walla Walla, Wash. former Devils Lake resident enlisted in the service Aug. 2, 1942 and received his commission at Turner Field, Albany, Ga. in May 1943. He was a graduate from the Devils Lake high school, class of 1935. He also was a member and graduate of the Devils Lake Boy Concert band. Mrs. Peterson is making her home with her brother-in-law and sister, Wend Walyor at Devils Lake.

Newfolden Beats Lake Bronson

Tuesday, Feb. 8, the Newfolden high school basketball team beat the visiting Lake Bronson boys by a score of 20 to 16. The first half of the game was played on even basis, with Newfolden leading by only two points at the half way mark. In the third quarter our boys took a scoring spree and put the game away. In the last stanza reserves were used freely letting the visitors gain but never in danger of losing the game. In the closing minutes Lake Bronson also used their reserves.

In the game played at Strandquist last Friday, the Strandquist team drubbed Karlstad by a score of 32 to 14. This left the Soo Line tournament teams tied up by each losing and winning a game. Newfolden drew the bye for the tournament games to be held at Karlstad March 3 and 4. This will entitle Newfolden to play on March 4 the winner of the Strandquist, Karlstad game played March 3 for the championship. The games will be played at the Karlstad school gym. Lake Bronson will not participate in this tournament this season, as they have done in former years.

HAD ENOUGH

The traffic lights turned from red to green and the hefty Negro woman standing on the corner took a deep breath and made a waddling dash for the other side and safety. But from around the corner, a sedan making a swift turn caught the buxom pedestrian amidships. An ambulance was summoned and the victim carried off to the hospital. Hours later when she regained consciousness the doctor said, "A considerable area of your proportions has been affected by automobile wheels running over you and you should be able to collect heavy damages."

"Damages," sniffed the injured Negro woman, "I'se been damaged enuff, whut Ah wants is repairs."

A Trifle Dense

First Bore—What are shoes made of?

Second Bore—Hide.

F. Bore—What?

S. Bore—Hide, hide, hide.

F. B.—Oh, I'm in no mood to play games.

S. B.—No, shoes are made out of hide, hide, hide, hide, a cow's outside.

F. B.—If a cow's outside then let's go out and milk her.

NOT TOO LATE

Hiram—Did you hear about young Barnyard gettin' engaged to Sue Spinster?

Siram—Why, Sue's in her declining years.

Hiram—Ye mean her acceptin' ones, don't ye?

Might Rain

An inmate of an asylum saw his chance to escape by climbing over the wall on a carelessly left ladder. Jumping from the wall he landed on his feet and promptly went to the front gate. When they opened it up in response to the bell he punched, he said,

"Darn the luck, I forgot my hat."

Man's Best Friend

"You seem to be very fond of your little dog," said Jack's uncle.

"Sure," replied the boy. "He's just chewed up the slippers pa spanks me with."

Tongue Lashing

"Aren't you waiting up for dad tonight, mother?"

"It's no use. With this cold I can hardly speak."

Mixed Words

"That is a pretty dress you have on."

"Yes, I wear it only to teas."

"Whom?"

NONCOMMITTAL

"How's your garden progressing?"

"Ah, such radishes, such onions, such lettuce!"

Mutual

"You couldn't ride around in a costly car like that if you paid your honest debts as you should." "That's so. I'm glad you look at it the way I do."

Gob Humor

Husband (reading paper)—I see Green's Shirt store burned down.

Wife (slightly deaf)—Whose? Husband—Green's Shirt store. Wife—Dear me, who tore it?

Don't Blame Me

It isn't chivalry that makes a man consult his wife about every deal. He wants somebody to blame if it goes wrong.

Deadly Poison

Professor—What is the most potent poison?

Student—An airplane; one drop and you're dead.

Too many folks discover that one thing sure to stop an auto from skidding is a lamppost.

U. S. NOW MAKING CROP, FEED LOANS IN PENNINGTON CO.

Not Available to Farmers Who Can Get Credit Elsewhere

E. C. Anderson, field supervisor for the emergency crop and feed loan division of the department of agriculture announced this week that 1944 crop and feed loans are now available to all eligible farmers in Pennington county at the AAA office in Thief River Falls.

Mr. Anderson reports that there has been no change in the law or regulations under which loans have been made during the past few years, but he stresses the fact that loans are not available to applicants who can obtain credit on reasonable terms from other sources, including local banks and production credit associations.

As in the past, farmers who obtain emergency crop and feed loans will give as security a first lien on the crop financed, or a first lien on the livestock to be fed if the money borrowed is to be used to produce or purchase feed for livestock. Loans draw interest at the rate of 4% per annum from date of disbursement and the amount which may be loaned to any one farmer in 1944 may not exceed $400.

State Democrats Plan Banquet in Minneapolis

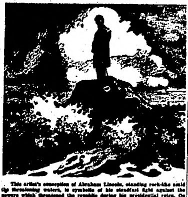
With the state political pot already coming to a rapid boil, the annual George Washington Day dinner of Minnesota Democrats, which will be held in Minneapolis Tuesday, February 22, is taking on unusual political significance this year.

The dinner, which is the state party's annual fund-raising affair, will have as its principal speaker Robert E. Hannegan, the newly-elected chairman of the Democratic national committee.

The honorary committee for the dinner includes Otto Bremer, Margaret Drips, Thomas F. Gallagher, Hubert H. Humphrey, Jr., John J. McDonough, and Theodore S. Slen. Humphrey, who made his debut in Minnesota politics in a sensational race for mayor of Minneapolis last year, will be toastmaster.

100,000,000 pounds vegetables and field seeds have been sent to our Allies and forces overseas to produce food where it is needed.

Another Statue of Liberty



This artist's conception of Abraham Lincoln, standing rock-like amid the threatening waters, is symbolic of his steadfast fight against the powers which threatened the republic during his presidential reign. On Lincoln's birthday, February 12, the nation again will remember his determination that "these dead shall not have died in vain—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people shall not perish from the earth."

"Best Foot Forward," Sprightly Comedy, at Avalon This Week-end

"Best Foot Forward", a comedy about prep school students, will be the film offering at the Avalon theatre Saturday, Sunday and Monday. Based on a New York stage hit, the cast of the production includes Lucille Ball, Tommy Dix, Virginia Weidler and William Gaxton, while Harry James and his band play a group of song hits.

"Around the World", a screen musical, will be presented at the Falls theatre Sunday and Monday, with a midnight prevue Saturday evening at 11:15. Featuring Kay Kyser and his orchestra, together with a bevy of beautiful girls on a tour of army camps, the cast also includes Mischa Auer and Joan Davis.

Poor

The 1943 harvest of bread grains in continental Europe probably will be considerably below average and below the sub-normal crop of last year, according to recent reliable reports.

Minnesota Population Shrinking During War

Dislocations of population due to war cost Minnesota 263,208 residents, dropping the state's total to 2,528,558, or a lower population than was shown in 1930 census figures, estimates made by the bureau of the census as of November 1, 1943 show.

The estimates disclose that for the same period, April 1, 1940 to the last of October last year, South Dakota lost 97,614, or 15.2 per cent of its population while North Dakota had a 16.4 per cent drop, losing 105,182.

Of the 87 Minnesota counties, only two—Anoka and Dakota—showed slight increases, reflecting influx of workers to the New Brighton arms plants and South St. Paul packing establishments.

Laymen Fill Community Church Pulpit Sunday, Rev. Beadle Announces

Methodist laymen of Thief River Falls will join with nearly 8,000,000 others in all parts of the nation next Sunday in the annual observance of the denomination's Laymen's Day, it has been announced by the Rev. Dan T. Beadle, minister of the Community Methodist Church.

Laymen will speak on the theme, "The Church at Its Best" in all of the 42,000 churches of Methodism next Sunday, to mark the opening of the preparatory period for the second annual Week of Dedication which begins February 27. Speakers in the Community church will be Anton Hall and L. B. Hartz.

During the Week of Dedication, February 27 to March 5, Methodist men, women and children will be called to church altars for rededication of "self, service and substance" in meeting the wartime tasks of the Church.

Minneapolis Pastor to Speak in City March 3

"The Contours of the Post-War World," is the topic which Rev. Gustaf F. Johnson, famed Minneapolis pastor, Bible teacher and evangelist will discuss Friday night, March 3, 7:45 o'clock, in the municipal Auditorium. The meeting is held under the auspices of the Mission Covenant church and will be the finale of a prophetic Bible conference, which opens Feb. 29 in the church. The pastor, Leonard Lindholm, invites the community to this final service.

Today's Valentines Reflect Lighthearted Sentiments

Valentine's day again will see greetings going to our men in uniform. Many will strike a lighthearted, affectionate note reflecting the realistic informality of modern lovers whose sentimental expressions are of the gay and humorous school.

For example, one Valentine in this particular category heads:

Maybe you're only a PRIVATE
to Uncle Sam—
But you're of more than GENERAL interest to me!

But for those who take the affairs of the heart more sedately there are Valentines in the true romantic tradition which this year skillfully blend the stars and stripes with hearts and flowers and are frankly dedicated, "TO MY SWEETHEART IN THE SERVICE."

RIVER FALLS

The Red Cross drive is on and lets all give generously when they call at our homes. Remember the wonderful work of the Red Cross. Just recently we've heard how the Germans have bombed our Red Cross hospitals. That alone should be one more reason why the Red Cross must go on and our only means of helping is to give all we can when that knock at our door comes and we greet a neighbor who is giving his time, gas and tires. Help make his or her call worth their while. Lets all do our very best.

A group of young folks enjoyed a birthday party at the Melford Peterson home on Tuesday evening, honoring Miss Alice Sevre of Thief River Falls.

The Oscar Haugens had the misfortune of having their fine machine shop burn down early Tuesday morning. The fire department was called from St. Hilaire and the men kept the fire from the other buildings near by.

Sunday afternoon visitors at the home of Mr. and Mrs. Ernest Erickson were Mr. and Mrs. Elmer Erickson and family of Plummer, Mr. and Mrs. Elvin Peterson and family of Hazel, Mr. and Mrs. Alex Erickson and family of Gully, Mrs. Albin Oslund and daughter of Wannaska, Mr. and Mrs. Ed Elde of Duluth, and Ensign Marvell Elde of Brazil.

Mrs. Wilbur Prough underwent an operation at a Thief River Falls hospital last week.

WYANDOTTE

Miss Doris Carlson left on Sunday to resume her work at Livingston, Mont. She has spent the last three months at her parental home here, while her mother, Mrs. C. F. Carlson was recuperating from a major operation.

Miss Ida Rolstad returned on Monday from a week's visit at Fosston, Bejou and Crookston.

Mrs. Caroline Haugen, Cpl. Sigurd Haugen, Ted Haugen and Mr. and Mrs. Dan Haugen were dinner guests on Sunday at the Harold Haugen home in Deer Park.

Orlen Helgerson, who was injured in a traffic accident last week is improving at Mercy hospital. The fractured limbs were put into casts on Tuesday and the attending physician reports his condition as satisfactory.

QUOTAS LISTED FOR RED CROSS 1944 CAMPAIGN

County Asked to Contribute $10,500 in Drive Opening March 1

CAPTAIN KERN OLSON NAMES AIDES IN CITY

Campaign Headquarters Are Set up in Falls Theatre Building

Pennington county citizens will be asked starting Wednesday, March 1, to contribute $10,500 toward a national quota of $200,000,000 to be used in financing the far-flung wartime activities of the American Red Cross. The local campaign organization has been completed, and George L. Biddick, chairman of the drive, announced that headquarters have been arranged in the Falls theatre building.

Kern M. Olson, who will serve as captain for the city of Thief River Falls, assisted by Andrew Anderson, announced appointment of lieutenants to direct the solicitation in the business district of the city, including Roy Oen, Stuart McLeod, Philip Larson, Hugh Carlson, Harry Simonson, Bill LaFave, Frank Tunberg, Carl B. Larson, Alfred Skarstad and J. Robert Petersen.

Included among the township captains are Mrs. Sadie Ayers, Norden; Mrs. Herman Jepson, River Falls; Helmer Finstad, Rocksbury; Jalmer Valsvik, Smiley; and Pat Culkins, Wyandotte.

Chairman Biddick announced that quotas have been assigned to the various subdivisions of the county as follows:

Thief River Falls	$ 7,000
St. Hilaire	230
Goodridge Vill.	105
Black River	105

YOUTH CENTER IS TOPIC AT SESSION THURSDAY NIGHT

Arrangements Made to Form Committee to Proceed with Plans

Fifty representatives of local organizations attended a meeting last Thursday evening in the Civic and Commerce room, called by Mayor W. J. Douville to discuss the establishment in the city of a youth center or teen-age canteen, similar to those now operating in Grand Forks, Detroit Lakes and other cities. Frank Kobliska presided as chairman, with Mrs. Camille Dostal as secretary.

Mr. Kobliska outlined the manner in which the centers are now being operated elsewhere, stating that they are open Friday and Saturday evenings and sometimes one or two other nights during the week, providing space for dancing and various types of games, as well as a soft drink bar.

Pointing out that the establishment should be virtually self-supporting, Mr. Kobliska at the same time explained it was hoped to secure monthly pledges in small amounts from the various organizations sponsoring the center. Young people patronizing the center would be required to pay nominal dues, and would be in active charge of its management.

Following a general discussion of various phases of the project, it was agreed that those present would ask their respective organizations to name a member to serve on the center's sponsoring committee with power to act. The committee will hold its next meeting Thursday evening, March 2.

More Reservists Leave to Begin Army Duty

The group of Pennington county reservists pictured above left Thief River Falls February 15 for Fort Snelling, where they were assigned to their army duties. Included are, left to right, back row: Curtis Nelson, Klemens Gigstad, St. Hilaire; and Duane Walsberg. Front row: Robert Strunk, Joe Larson and Raymond Hagen.

N. W. Turkey Raisers Guests of C & C Friday

Thirty-three leading turkey raisers from this section of the state last Friday evening were guests of the Civic and Commerce association at the first of a series of meetings designed in tribute to farmers of this locality engaged in various types of wartime food production.

Communities represented were Goodridge, St. Hilaire, Hazel, Plummer, Red Lake Falls, Oklee, Trail, Viking, Radium, Newfolden and Middle River.

Dr. W. A. Billings, turkey specialist from University Farm, paid tribute to Pennington and surrounding counties for the prominent part they have played in turkey production, and urged that more farmers maintain small flocks, pointing out that the business has been profitable thru the years.

Stating that 1943 was the most profitable year to date for turkey producers, Dr. Billings said he is not worried about the future prospect, since the saturation point is far from reached. He said that current high prices for turkey poults and higher feed prices call for unusually careful management this year.

A. M. Pilkey, poultry specialist at Northwest School, Crookston, who was introduced by County Agent Ernest Palmer, cited results of tests at the experiment station at Crookston in connection with turkey production. He added that the current period of inflation is a good time for farmers to undertake the task of working their way out of debt.

REV. GUSTAF F. JOHNSON

Pastor of the Park Avenue Covenant church in Minneapolis, who will participate in a prophetic Bible conference at the Mission Covenant church February 29 to March 3, and who will speak in the municipal Auditorium Friday evening, March 3, on the subject, "Contours of the Post-war World."

County GOP Primaries Set for Tuesday, Mar. 7

Official notice of Republican primaries and Pennington county convention is published elsewhere in this issue of the Times, having been prepared by Frank A. Rinkel, county chairman, and Richard G. Mabey, secretary. The primaries for the election of delegates to the county convention are set for Tuesday, March 7, while the convention will be held Saturday, March 18, at 8 o'clock in the Civic and Commerce room.

TRINITY LUTHERAN CHURCH ARRANGES LENTEN SERVICES

500 Young People at Special Services Wednesday Morning

With the beginning of Lent on Ash Wednesday, February 23rd, a series of special services stressing the centrality of Christ's sacrifice on Calvary was instituted at Trinity Lutheran church. A service for young people of school age was conducted by the pastor, Rev. G. S. Thompson at 11:00 A. M. Wednesday.

Over 500 young people filled the nave of the church as the Rev. A. O. Skibsrud of St. Hilaire, sang the song, "When I Survey the Wondrous Cross". "The Cross and Conscience" was the subject of Rev. Thompson's sermon.

Six uniformed boy scouts from Troop 60 served as ushers. The service was made possible thru the cooperation of the public school administration which dismissed the pupils for special Ash Wednesday services in their respective churches.

The services on Ash Wednesday evening began a series of midweek Lenten services in the church which will be held each Wednesday evening during the season, with special services for holy communion added in Holy Week. "Christ in Gethsemane" is the general subject of the sermons for this series. At each of these services, which commence at 8:00 P. M., special musical numbers have been arranged.

Nearly 10 Per Cent of County's Population Is Now in Armed Services

A large silk service flag, placed recently by the county board and city council in selective service headquarters in the Auditorium, displays the figure 1014, representing the number of Pennington county men and women in the armed forces and the nurses corps. The figure, which does not include women enlisted in the WAVES, WAC and other auxiliary agencies, amounts to approximately ten per cent of the county's population, which in 1940 was recorded at 12,900.

A survey by the local board reveals that eight deaths have occurred to date among the personnel of the armed forces from this county.

ROTARIANS PLAN DETAILS OF GOOD WILL TRIP FEB. 26

Will Join in International Meeting in Winnipeg Saturday

Final arrangements were completed at the Rotary club luncheon Tuesday noon in the Evelyn hotel for the participation in the International Good Will meeting Saturday in Winnipeg sponsored by the Rotary club of that city. It was indicated that 26 members of the local club will make the trip, traveling in the private car of W. W. Wade, Soo Line superintendent.

The club observed Washington's Birthday at its session with a talk on the life of George Washington by Russell E. Olson. Another speaker was Ensign Jeanne Mueller of the WAVES recruiting board now stationed in the city. Songs by the Lincoln high school boys octet completed the program.

Dr. Baldwin Borreson Tuesday assumed the office of the club secretary, succeeding Irving E. Quist.

Junior Chamber to Hear WAVES Recruiter Today

The Junior Chamber of Commerce at a meeting this evening at 6:30 in the Palm Garden Cafe will hear a talk by Ensign Jeanne Mueller of the WAVES recruiting board, stationed at the Evelyn hotel from Monday thru Friday of this week. She will discuss the contribution being made to the war effort by her organization, and will outline requirements for membership.

JUNIOR HOCKEY TOURNEY OPENS IN CITY FRIDAY

Eight Teams to Participate in 6th Annual Northwest Event

EVELETH TEAM ENTRY RECEIVED TOO LATE

Play Will Open Friday Afternoon at 2; Finals Set for Saturday Night

Crookston Cathedral will open play in the sixth annual northwest junior hockey tournament Friday afternoon by meeting the Fargo high school Midgets at 2:00 P. M. At 4:00 P. M. the Roseau Cloverleafs will play the Northwest Aggies. The first round games scheduled for Friday evening finds the defending champion Hornets meeting Crookston Central at 7:00 P. M.; and the fast-skating Hallock sextet meeting Williams at 9:00 P. M.

The semi-finals are slated for Saturday afternoon, with the winners of Friday evening's game being scheduled to play at 1:00 P. M., while the winners of the Friday afternoon games will meet at 3:00 P. M. The championship finals will be played at 9:00 P. M. Saturday night.

The first-round losers will meet in a consolation series beginning at 8:00 A. M. Saturday morning, with the consolation finals to be played at 5:00 P. M.

The tournament committee decided not to accept Eveleth high school's tardy entry, which was not received until yesterday morning, as it would necessitate a reshuffling of the tournament pairings. An attempt will be made, though, to arrange a two-game series with the Eveleth Rangers to be played against the Hornets on the local ice on March 4th and 5th.

The Civic and Commerce association is sponsoring a dinner for the members of the visiting teams to be served in the club rooms in the Auditorium basement Friday evening at 6 o'clock, Secretary L. W. Rullen announced today.

Personal Property Tax Payable before March 1

Your RED CROSS is at his side
1944 WAR FUND

This year, with service flags in windows of nearly every home, Red Cross will mean so much more to Americans. As depicted in this reproduction of a 1944 Red Cross War Fund poster, many windows also will display the symbol of participation in the cause of Mercy and Humanity—the Red Cross.

Two Local Boys Become Eagle Scouts

At a district court of honor conducted in the Auditorium by the local Boy Scout organization Tuesday evening of last week, two boys were elevated to the top rank of eagle scouts. They were Bradley Hanna, left above, son of Mr. and Mrs. Glenn Hanna; and Robert C. Olson, son of Mrs. Hazel C. Olson. Rev. G. S. Thompson presented the awards.

3,000,000 JOIN IN RED CROSS APPEAL STARTING MARCH 1

Many Millions of Homes to Display Red Cross Service Flag

Millions of homes throughout the United States will display the American Red Cross service flag in front windows again this year signifying participation in the 1944 Red Cross War Fund scheduled to begin March 1.

Early indications are that some three million men and women volunteers of the Red Cross will participate in the annual home-to-home canvass for the $200,000,000 Fund needed to carry forward the gigantic task of the Red Cross throughout the world.

These workers, representing the 3756 chapters and 6084 branches of the Red Cross, have spent weeks preparing for the 1944 Red Cross War Fund, the most important war time campaign in the organization's history. Each volunteer will carry with him credentials indicating his official connection during the drive.

The familiar Red Cross lapel flag also will find its place on many coats this year. Scrap metal, of no value for other purposes, was used in preparation of the flag. To the civilian it will have an added significance—for like the campaign bar worn by servicemen, it will mean participation in America's humanitarian war effort.

Red Cross officials said the canvass this year would be thorough and would extend from the major cities of the nation to every small community, no matter how isolated, and to every rural home.

"The Red Cross wishes to give every American, regardless of where he is located, the opportunity of contributing to the cause of humanity," Chairman Davis declared. "We do not need to tell Americans how important these contributions will be."

TRIBUTE TO LATE LEADERS PAID BY ROCKSBURY CLUB

4-H Group Honors Memory of Mrs. P. Engelstad and Mrs. Henry Oen

The Rocksbury 4-H club held their regular monthly meeting at the Ed. Hanson home on Wednesday evening, February 16. This meeting was held as a memorial to Mrs. Peder Engelstad and Mrs. Henry Oen who were very active in the success of the Rocksbury 4-H club.

Speakers at the meeting were Henry Oen, County Agent Ernest Palmer, and Rev. A. O. Skibsrud from St. Hilaire. Mr. Oen thanked those present for the sympathy extended to him and for the memorials established in the honor of Mrs. Oen. He stated that the memorials would be distributed as follows: Foreign missions, $19.50; Home missions, $12.00; various charities, $9.00; pipe organ fund, $2.00; parish house fund, $87.75. Mr. Oen stated that he had received $56.75 of this parish fund from Rocksbury neighbors.

Rev. Skibsrud gave a short address honoring the memory of Mrs. Peder Engelstad and the relationship of the purposes of 4-H work and his church work.

County Agent Ernest Palmer spoke on the importance of 4-H club work and the part it is doing in winning the war. Mrs. Otto Netteland, Bert Vigen, and Mr. Palmer led the club in games. Lunch was served by Mrs. Otto Netteland, Mrs. Ed. Hanson, and Henry Oen.

Mr. Biddick expressed appreciation of the generous gesture of Mr. Hamilton, as well as of the employes of The Fountain in donating their services for the day.

TRF CREAMERY SHAREHOLDERS MEET MONDAY

Hear Reports on Record High Volume of Business During 1943

PLANT MANUFACTURES 1,260,970 LBS. BUTTER

Vote to Send Committee to Make Study of Milk Drying Plants

In a harmonious annual meeting Monday afternoon in the municipal Auditorium, several hundred shareholders of the Thief River Falls cooperative creamery heard reports on 1943 operations, when the institution handled the largest volume of business in its history. Unanimously reelected to the board of directors were Chris Nelson and Carl Beiswenger.

President John Funnesdahl, in charge of the meeting, called on G. S. Bergland, manager, to present the annual report, which revealed total returns from dairy products in 1943 of $600,768.[illegible] and an aggregate of 1,260,970 pounds of butter produced during the year.

The average net price paid for sweet cream butterfat in 1943, including a patronage refund of [illegible] cent per pound, was 53.20 cents, while the total expense per pound of butter produced was reported at 2.349 cents.

Mr. Bergland forecast a smaller output for the creamery in 1944 than 1943 due largely to higher feed costs and to the fact that the Office of Defense Transportation has placed restrictions on the cream routes served by the local institution.

Following a discussion by Mr. Bergland of a proposed central milk drying plant for this area, the meeting authorized appointment of a committee to visit similar plants now in operation at Milaca and Litchfield, with instructions to report at a special meeting of the shareholders if the report is in favor of the creamery here affiliating with the setup.

Those named by the board to serve on the committee, [illegible] both advocates and opponents of the milk drying project, are Carl Beiswenger, G. S. Bergland, Gustav Skomedal, John [illegible], Albert Koop, Art Knutson, Chris Nelson and Chris Anton.

Following the business session, Hans Anton and W. E. Dahlquist briefly addressed the gathering, after which lunch and cigars were served in the Civic and Commerce rooms.

M. M. JOHNSONS OBSERVE GOLDEN WEDDING SUNDAY

Pioneer Local Couple Have Resided in Community Since 1900

The golden wedding anniversary of Mr. and Mrs. M. M. Johnson, residents of this city since 1900, was observed Sunday afternoon with open house and a reception for the honored couple, followed by a dinner for members of the immediate family.

Mr. Johnson, who was born in Norway and came to this country as an infant with his parents, was married in Minneapolis in 18[illegible], his wife having been a native of Wisconsin. Six years after their marriage, they came to Thief River Falls, and have since made their home here.

After operating a hardware store for two years following arrival in this city, Mr. Johnson pursued the carpenter's trade, playing a leading part in the construction of the old Lincoln high school and Oen Mercantile company buildings, as well as the building occupied by Montgomery Ward & company and other local structures.

Five of the venerable couple's seven children, all of whom are living were present to share in the observance, including Arthur E., Leonard, Lloyd J., and Willis E. Johnson, all of this city; and Ernest Johnson of Hallock. Those not present were Rueben Johnson of Harlowtown, Montana, and Mrs. Kari Kobes of Oakland, California. There also are fourteen grandchildren.

T/5 Raymond Wedlin is now with the army in England, according to word received here by his wife.

Pfc. Ferdinand Wilken Marries Fisher Girl At Church Ceremony

Six sisters of the bride participated in the ceremonies Wednesday evening, Feb. 16, when Miss Victoria Marie Ross, daughter of Mr. and Mrs. August Ross of Fisher, was united in marriage to Pfc. Ferdinand H. Wilken, son of Mr. and Mrs. Gust Wilken of this city in a ceremony performed at the Trinity Lutheran church at Fisher.

Her youngest sister was flower girl, two sisters provided the vocal music for the ceremony and three others were the bride's attendants. The strains of Lohengren's wedding march announced the entry of the bride as Miss Ross came down the aisle on the arm of her father to be given in marriage to Private Wilken. The ceremony was performed at 8:30 o'clock last evening, the date being that of the bridegroom's birthday.

Marlys Ross, attired in a floor length gown of white organdy and carrying a basket of yellow jonquils, led the processional down the white carpeted aisle to the altar, decorated with candelabra and bouquets of jonquils, flanked by baskets of orchid gladoli. The Rev. J. W. Ott read the marriage vows.

"O Perfect Love" and "O That the Lord Would Guide My Ways" were sung during the ceremony by the Misses Ellen and Carol Ross, with Miss Ruth Ross, a cousin, accompanying them on the organ. Miss Ross also furnished the pre-nuptial music. The bride's attendants were Lorraine Ross as maid of honor; Mrs. Lyle Kiel (Eileen) as matron of honor and Enid Ross as bridesmaid. Milton Wilken, brother of the bridegroom, acted as best man and the ushers included Harold Ross and Lyle Kiel as chief ushers with Albert Koop of Thief River Falls as active usher.

For her wedding the bride was attired in a floor length gown of white silk marquisette with long full sleeves, a lace yoke and long train. Her finger-tip veil, trimmed in Chantilly lace, was caught in a tiara of lilies of the valley and she carried an arm bouquet of white carnations. Her only jewelry was a double strand of pearls.

The maid of honor wore a floor length gown of shell pink marquisette and carried an arm bouquet of pink and white carnations. Mrs. Kiel was costumed in a long gown of brocaded blue sheer with a bouquet of all pink carnations. Miss Enid Ross wore a gown of brocaded rose sheer and carried a bouquet of pink and orchid carnations. Both mothers wore corsages of yellow roses.

A reception for 30 guests was held in the church parlors immediately following the ceremony and refreshments were served from a table centered by a three tiered wedding cake topped by a miniature bride and soldier bridegroom. Those who served included the Mesdames Lawrence Wagner, Albert Ross, Telbert Berg and the Misses Meta Engel and Evelyn Wagner. The bridegroom, whose furlough expires this week, will return to Alaska where he is stationed with the air transport command. Mrs. Wilken will make her home with her parents during his absence.

14TH DISTRICT BAR URGES SIMPLIFIED INCOME TAX FORMS

Resolution Was Introduced by Paul A. Lundgren of This City

The Fourteenth Judicial District Bar association, at a recent meeting in Crookston, adopted resolutions urging the treasury department to simplify federal income tax returns. The resolutions, prepared by Paul A. Lundgren of this city, read as follows:

WHEREAS, the laws of the United States pertaining to the income tax to be paid for 1943, are very complex and require very close study to arrive, even approximately, at their meaning. And

WHEREAS, the income tax return prepared by the treasury department for reporting the 1943 income tax are also very complicated and require close study of many brilliant minds to even approximate a correct and true statement of fact, and arrive at the true tax to be paid. And

WHEREAS, many so called experts in making tax returns under the present laws and regulations, arrive at different conclusions and amounts of tax due. And

WHEREAS, because of such complexity and confusion of instructions sent out by the treasury department relative to said income tax and returns, the average layman cannot understand what he is to do, or how he is to do it, and consequently cannot intelligently make out his return and arrive at the true tax he is required to pay. And

WHEREAS, it is unjust and unfair to the people of the country to impose upon them such laws, regulations, and instructions, and leaves them with the abiding conviction that there is much confusion in the law making body and the treasury department;

NOW THEREFORE, Be it resolved by the 14th Judicial District Bar association of Minnesota in conference assembled at Crookston, this 12th day of February, 1944, that such laws be passed, regulations for their operations provided, and instructions issued, that will simplify the making of income tax returns, and enable the average layman, required to make such returns and pay such tax, to understand the laws pertaining to the same, and make out his return with reasonable facility, and at the same time not reduce the amount of income to be derived from that source by the treasury department of the federal government.

MAYOR ASKS SUPPORT FOR 1944 RED CROSS APPEAL

WHEREAS, the war in every part of the world is in its most critical stage requiring every ounce of human endeavor possible on the part of those on the home front; and

WHEREAS, the young men of this city are fighting and dying on far flung battle-fronts—from Europe to the islands of the Pacific and in the Far East, both on land, on the seas and in the air; and

WHEREAS, it is not only the privilege, but the duty as well, of every American to serve the Cause of Humanity to as great an extent as possible, and in every way possible: and

WHEREAS, it is our common aim to contribute to the welfare of our sons and daughters in the armed forces, wherever they may be, even to the point of sacrifice; and

WHEREAS, we must also protect our families remaining at home in the event of any great man-made, or natural disaster, which may strike without warning; and

WHEREAS, the American Red Cross is serving our fighting men the world over, bringing them the comfort and cheer that we ourselves would like to give them, and at the same time is prepared here in our own community to aid us in the event of disaster;

THEREFORE I, W. J. Douville, mayor of the city of Thief River Falls, in accordance with the proclamation of the President of the United States, naming March as American Red Cross Month, do here and now call upon all citizens of this city to support the 1944 Red Cross War Fund, to the limit of their ability, by contributing to the Red Cross through our own local chapter; and I further urge that the citizens of this city with the knowledge that the Red Cross must carry a greater burden this year than ever before in its history, make their gifts larger to enable the Red Cross to meet every demand placed upon it.

MAYOR W. J. DOUVILLE.

MILL CITY PASTOR TO SPEAK IN CITY FEB. 29-MARCH 3D

Rev. Gustaf F. Johnson Will Speak in Auditorium Friday, Mar. 3

Rev. Gustaf F. Johnson, famed Minneapolis preacher, pastor of Park Avenue Covenant church, is due in Thief River Falls next Tuesday, Feb. 29, to appear in a prophetic Bible conference in the Mission Covenant church.

Sessions are scheduled for the public at 2 and 3:30 in the afternoons and at 7:45 o'clock in the evenings, through Friday. The meeting Tuesday afternoon opens at 3:30. The Friday night meeting March 3 is in the form of a Red River Valley rally in the municipal Auditorium.

Rev. Johnson has been a well known figure in the evangelistic field during many years. He came to Minneapolis 30 years ago, in January 1914, and during many years was the well known pastor of the well known Covenant Tabernacle church, formally called Swedish Tabernacle. Since the fall of 1938 he has been pastor of the Park Avenue Covenant church in Minneapolis.

son of Bremerton, Wash.

Anton Kotrba, Otto Rehm, and Gordon Olson were among those from here who attended the Farmers Union convention in St. Paul last week.

Auxiliary Notes

(By Mrs. John W. Stewart, Publicity Chairman)

The benefit card party at the Memorial Rooms Thursday evening of last week was well patronized and a neat sum was realized. Lunch was served by the 40 & 8.

The Auxiliary is again sponsoring a senior girl scout troop under the leadership of Mrs. O. G. Lynde and Miss Barbo Telgen. It is interesting to note that this group of scouts have been sponsored by the Auxiliary since the time when they were brownies. As one of their projects the girls are assisting as nurses aides at local hospitals on Saturdays.

American Essay Contest

"Pioneer Pattern for Our Nation's Tomorrow" is the subject of an Americanism essay contest sponsored by the American Legion Auxiliary this year. Mrs. R. Elton Warman of Morgantown, West Virginia, is national chairman of the auxiliary committee in charge of the contest.

Junior and senior high school students are eligible to enter the contest which will be conducted in every state of the Union, the District of Columbia, Alaska, Hawaii and Panama. Prizes will be 52 sets of the World Book Encyclopedia, one for a winner in each Legion department, donated by the publishers. In addition to a set of the World Book, the author of an essay judged to be the best of all essays submitted will receive a cash award of $100.

Colorful posters announcing conditions of the contest have been prepared and may be obtained without charge for posting on bulletin boards in libraries and school rooms. A reading list, prepared by the trained reference staff of the Quarrie Library, may also be secured on request as an aid for young people entering the contest. Address inquiries to: The Reference Library, World Book Encyclopedia, The Quarrie Corporation, 35 East Wacker Drive, Chicago 1.

From where I sit . . .

by Joe Marsh

Bob Newcomb was reading me a letter the other day—from his son in the Marines. Dick Newcomb's somewhere in the South Pacific, thousands of miles from home, yet he writes to ask:

"Tell me, Dad, do they still pitch horseshoes back of Ray's? Is Johnny keeping my tools in shape? Are the trout still biting in Seward's Creek?"

Makes you realize what the men over there are thinking about. Sure, they're fighting for Democracy and Freedom and a Better World Tomorrow.

But the things they dream of coming back to are the little simple pleasures that mean home to all of us—like a home-cooked meal, a glass of beer with friends, a game of horseshoes in the backyard.

From where I sit, one of our most sacred obligations here at home is to keep those little things exactly as they remember them—to keep intact the world they're fighting for.

BARKLEY BREAKS

Senator Albin Barkley, majority floor leader in the Senate, has broken with the President. *Offended by the language of the* message vetoing the tax bill, Senator Barkley took the President severely to task in an hour-long speech yesterday in which he defended the integrity of his colleagues and served notice that he would resign as floor leader.

From a strictly partisan standpoint this unexpected rift would be cause for much rejoicing in the camp of the opposition. Under present circumstances, however, it is too critical a matter to give satisfaction to anyone seriously concerned with the nation's war effort. Now, at a time when it is especially important that the executive and legislative branches of our government work together in harmony, we have a division among the leaders of the administration, a division that is personal and extremely bitter.

Breaks of this kind are not easy to repair and it may be expected that from now on Congress will write its own ticket and gradually curb many of the emergency powers that have been granted to the executive. That, to some extent, will be wholesome. Congress, holding the purse strings, may force the administration to practice a little economy too, which would give needed encouragement to taxpayers and bond buyers. But there is nothing in Mr. Roosevelt's record that indicates he might submit gracefully to checks and curbs. Mr. Roosevelt is very fond of Mr. Roosevelt, who does not admit errors, so there isn't much reason to hope that differences will be reconciled.

Lack of harmony among our leaders will give encouragement to our enemies, and whatever gives encouragement to our enemies will also prolong the war and take the lives of more of our men. The break among the leaders of the administration is not a thing to feel happy about.

Willkie, asking for the support of the people as a candidate for president, says we must lower our standard of living if we are to save our nation from financial ruin. He evidently has the old fashioned idea that debts are obligations that must be taken seriously. How effective such realistic campaigning will be remains to be seen but we have a suspicion that the American people are about fed up on pitchman practices in government and will welcome a return to common sense. Our debts will be paid of course. We don't need to worry about that. If they are not paid by us from our earnings they will be paid with our savings. We still have some choice in the matter but it is well that we start realizing that either method is going to be very painful. Regardless of what effect Willkie's campaigning has on his own fortunes, he is doing the country a good service by speaking frankly on an extremely disagreeable subject.

With a quota of more than $10,000 to be raised in Pennington County, Red Cross officials have mapped out a very intensive campaign for funds. It is their task to see to it that every person is given an opportunity to donate, and that they evidently intend to do. The Red Cross is doing a splendid piece of war work and during the coming year it is to be expected that the organization will be called upon to greatly expand its services. The need for money is urgent and to this call for funds we should respond generously.

Looking Backward

1934—TEN YEARS AGO

J. H. Hardisty, veteran Soo Line conductor, died February 8.—J. P. Curtis was elected to serve his ninth term as president of the local golf club.—Leonard Hanson was elected chief of the fire department, with H. L. Schuster as secretary.—Saturday will mark the formal opening of the Thief River Pharmacy, established by O. H. Ekeren, formerly of Rothsay, and son H. M. Ekeren of Warren.—Plans were completed for a week of events in connection with the opening of the Auditorium, recently completed at a cost of $75,132.

1924—TWENTY YEARS AGO

A shipment of 22,000 pounds of certified Grimm alfalfa seed arrived to be used in extending the Pennington county acreage devoted to the crop.—John Seaman Garnes, reader from Minneapolis, appeared in this city on a program sponsored by the Women's club.—Dr. J. A. Aasgaard, president of Concordia college, Moorhead, spoke at services in Trinity church.—Dr. H. W. Froehlich was elected president of the Commercial club for his third term.—O. H. Nelson broke his left leg when he slipped on an icy sidewalk between his store and residence.—The winter now reaching its close has been one of the most remarkable in the history of this section. Only ten inches of snow has fallen to date, and the mercury in February rose as high as 47 above zero.

Record

The production of fats and oils from domestic materials is expected to total nearly 12 billion pounds in 1943, greatly exceeding all previous records.

SMILEY

"When winter comes, can spring be far behind?" This is an old quotation but it carries a lot! What with all these semi-thaws resembling spring, doesn't it make you feel as though you'd like to tear into the housecleaning, machinery repairing, and those million things that need spring attention—and when the cold snaps come every ambition becomes numb? Have you ordered your baby chicks? Your garden seeds? Try and include at least one odd garden seed, such as those ridiculous yard long beans, those twelve inch cucumbers, etc. It is fun to see just what does come up and how it grows. It is a novelty that is fun.

Smiley 4-H

The kids had a good time at their 4-H meeting at the Adam Lendobeja home Feb. 11. The affair was in the form of a party and they played games galore with the grown-ups. A short business meeting was presided over by Hugh Cabot, president; followed by a talk by County Agent Palmer. After a singing session, games were played until lunch was served by Dianne Lendobeja and Jean Nelson, assisted by their mothers. The next meeting will be at the Rudolph Hanson home March 10.

Lewis Nelson is leaving this week for Portland, Ore. He will go with a couple of other men by car and will return to his job at Portland where he works at a hatchery and landscape nursery combined. While there he makes his home with his son-in-law and daughter, Mr. and Mrs. Frank McCrum (Constance) and family.

Mrs. O. N. Olson has been very ill the past week with pneumonia. She is now recuperating.

Mrs. John Johnson returned to her home from a hospital in Thief River Falls Saturday. She is feeling fairly good after a long battle with her ailment of several months. So ill was she during the holiday season that her two daughters, Mrs. Holger Nelson (Clara) of Kalispell, Mont. and Mrs. Howard Wherry (Ann) of Los Angeles, Calif., were called home for a month. To both these women do Smiley folks wish a speedy and complete recovery!

The Anton Petersons have moved to town. They have purchased a house and are now settled nicely. Their son, Bill, and his wife are living on the home place out here.

Visitors at the Adam Lendobeja home Sunday were Mr. and Mrs. Bert Johnson, Julian Lendobeja, Ted Lendobeja and son Glenn all of Kratka, Mr. and Mrs. Walter Lendobeja and Julian, Mr. and Mrs. Leon Lendobeja.

Mr. and Mrs. Alvin Samuelson and daughters Janet and Mae motored to Grygla Saturday where they attended the funeral of their nephew, David Breeden who died unexpectedly of pneumonia. The little boy was only four months old.

Miss Clara Swanson returned to Smiley school Dist. 4 to finish the term since the holidays. She replaced Miss Donna Jelle who resigned at that time. Miss Swanson stays at the Krist Larson home.

The Johnnie Burtness in Silverton invited a group of local folks to a whist party at their home Friday evening. Five tables were played. Abundant eats were served to the following guests by the excellent hosts: Messers and Mesdames John Ranum, Walter Lundeen, Archie Anderson, Jim McCrum, Harold Matzke, Carl Lindholm, and Erland Anderson, Ina Anderson, Clara Olson, Olaf Larson, Arnold Nordahl, Mark Olson; Ferrel and Orrin Ranum, the Matzke, McCrum, Burtness, and Lundeen youngsters.

Word has been received that Ted and Agnes Markus are now living in Vancouver, Washington. They moved from Spokane where they had lived since last fall. They live across the street from the Orton Olsons and the S. E. Hunts live almost next door. Recent visitors to the group were the V. C. Napers from here. Mr. Hunt has been very ill with pneumonia and is still hospitalized.

The Orton Olsons are coming home in March sometime to prepare for spring farm work. They have been out in Vancouver since November.

Gust Hallberg is in a Crookston hospital. He was operated upon for a goiter. His wife is doing the chores alone on their farm during his absence.

Condolences are extended to the S. S. Nelson family from Smiley folks on the loss of Mrs. Nelson's father, Sam McMahon whose funeral rites were conducted Wednesday at the Community church.

The Red Cross drive is on in Smiley now. Jalmer Valsvik is again chairman. His assistants are Bjorgo Newton, Herman Belswenger, Walter Lendobeja, and Bert Vigen. Give generously to this great cause!

Mr. and Mrs. Dave Christensen are getting ready to move into Smiley. They will live on the former Johnnie Nelson farm. There will arrive 2500 turkey poults to this place in April and the Christensens will care for them. The owners of this big flock of poults are the Wm. Danik's of Chicago.

Army Tid-Bits

Chief Petty Officer Rufus Olson and wife (Violet Larson) are now making their home in Tajunga, California where he is stationed with the Navy base nearby. Mr. and Mrs. Perry Borgie (Alpha Larson) and family also live there.

Pfc. Sherwin Ranum is now in Iran. His folks, the John Ranums, were informed of his safe arrival there. Sherwin is with the medical corps.

Cpl. Gale Anderson will soon complete his course as a radio technician for the army. He is still at the same base in Los Angeles, California.

The two Weckwerth twins, Walter and William both Pfcs are in the Marines. Walter was home on furlough not so long ago visiting his mother, Mrs. Loretta Weckwerth and the rest of the family. He was genuinely glad to be back to the states after having spent eighteen months. He is on Wallace island in the South Pacific. He was hospitalized for a time in California before coming home. During his stay here he was royally feted when neighbors had parties and visits for him. He also brought many souvenirs and trophies back with him which were so very interesting. He is now on temporary M. P. duty while checking-up before being shipped out again from California since he has requested action. His brother, William, is really in the thick of the battle in the South Pacific. He was in the Guadalcanal campaign and also in the Marshall islands thrust against the Japs. Smiley doffs its hats to two gallant boys, twins at that!

Seabee Ray Ranum is now stationed at a camp in Rhode Island where he is getting intensive training.

Louie Larson is out on the West Coast, in Washington, where he is employed.

LAND O'LAKES 17TH DISTRICT SESSION AT WARREN MAR. 1

President John Brandt Will Deliver Main Address at Convention

Cooperative dairy leaders from 30 or more cooperative creameries comprising District 17 of Land O'Lakes Creameries, Inc., will assemble in Warren on Wednesday, March 1 when they will attend their annual business sessions at the City Auditorium.

More than 1,000 dairy farmers, delegates and creamery operators representing each of the 30 or more creameries are expected for the one-day session, weather conditions being favorable. The convention which was scheduled for Warren last year, was cancelled because of a blizzard which tied up all auto traffic in this section of the state.

John Brandt, Minneapolis, president of Land O'Lakes, and nationally recognized farm cooperative leader, will address the dairymen and delegates during the afternoon program which will open at 1:30 P. M. Mr. Brandt will have a message of interest for every dairyman in which he will discuss the national picture of the dairy industry and its future.

The business session of the convention will open at 10 o'clock A. M. with E. M. Evans, Middle River, president of the district and member of the Land O'Lakes Creameries Inc. board of directors, presiding. The morning's session will include presentation of reports by John Eager, district field man; Stuart McLeod, manager of the Land O'Lakes branch at Thief River Falls; E. D. Rydeen, Clearbrook, district treasurer and others. Various awards will also be announced during the sessions.

GIRL SCOUT NOTES

The girl scout council, their leaders and assistants, and the mothers of the scouts and brownies enjoyed Miss Thomas' visit here last week very much. The three days she spent here as trainer were very constructive and worth while. She had from 2 to 3 meetings each day besides special community meetings. Miss Thomas was entertained by the council members at a tea Saturday afternoon, at which time she gave an interesting talk to the 60 council members, leaders and their assistants, and mothers present.

Everyone was especially interested in her publications and material on display on the tables, and were especially examined by the three girls who take care of the girl scout shelf in the public library under the supervision of Mrs. Hazel Halgrim. The senior girls and scout leaders worked with Miss Thomas on plans for the senior service speakers bureau for girl scouts.

The girls of troop 8 had a valentine party in St. Bernard's hall. The senior patrols planned the entertainment which included a play and a fashion show followed by games. The junior patrol planned and served the lunch. Those present were Mary Don Hylden, leader; Joan Loretz, assistant; Delores Vad, scribe; Joyce Corriveau, treasurer; Jane Breznay, senior patrol leader; Harriet Mullen, Jr. patrol leader; and Katherine Perrault, Phyllis Engelstad, Mary Ann Welch, Marjorie Zavoral, Arlette and Carol Kleinvachter, Geraldine Corriveau, and Rosalie Amiot.—Delores Vad, scribe.

A special meeting of troop 7 was held with Mrs. Bratrud and they worked on their first aid badges.

Bagging

The 1943 cotton-bagging-for-cotton-bales program, calling for the manufacture and sale of up to eight million cotton "patterns" or bale covers, will encourage the further use of domestic cotton.

RED CROSS NEWS NOTES

By Mrs. Millard Peterson
Publicity Chairman

In a letter written home to his parents, Mr. and Mrs. H. W. Kinghorn, Walter Kinghorn in England says: "A Red Cross dinner was held here on Thanksgiving evening. I didn't get in on any of the party, but I guess they really did have a swell time and the Red Cross is doing one swell job over here."

Letters like these tell us that the dollars we give to the Red Cross drive are being used for our boys where ever they may be.

Red Cross day in Churches Sunday

Red Cross Sunday will be observed in the nation's churches, Feb. 27th, following similar observance of Red Cross Sabbath in synagogues and temples Feb. 25-26. Answering a plea from Norman H. Davis, chairman of the Red Cross, religious leaders will set the spiritual tone of the 1944 Red Cross War Fund appeal "in line with those ideals of freedom, justice, and mercy for which the churches have alway stood."

Since production work began some 18 months ago, the following is a list of the work that has been completed, according to a report from Mrs. George W. Werstlein, production chairman: 163,000 surgical dressings, 700 war relief garments, 400 kit bags, 800 knitted garments, and 350 hospital supplies.

The sewing room is making the following supplies in their room every Friday: bath robes, night shirts, bedside bags, and bed pan covers. We've taken over another quota of 400 kit bags to be finished this year.

Out of town relatives here for the funeral of Mrs. Minnie Johnson Friday were Mr. and Mrs. Gust W. Johnson of Duluth; Mr. and Mrs. T. G. Robertson of Minneapolis; J. P. Regan, Mrs. Nick Kitchhoffer, and Miss Virginia Regan of Devils Lake, N. Dak.; Mrs. Oscar Larson, Mr. and Mrs. Lloyd Johnson, and William, George, Arnold, and Henry Johnson.

Edward Chommie, S 1/C, of Farragut, Idaho, visited for a few days this week with his parents, Mr. and Mrs. H. O. Chommie.

Prevention of 'Ghost Towns'

Renovation of existing properties, particularly in older neighborhoods, "block by block" and by neighborhood instead of house to house, thus equalizing their values is urged by "Banking" as the most economical way to provide housing for defense workers and to avoid after war "Ghost Towns."

In Memoriam

In loving memory of our dear sister, Ruth E. Anderson, who passed away Feb. 26, 1943:

Peacefully sleeping, resting at last,
The world's weary troubles, and
trials are past,
In silence she suffered, in patience
she bore,
'Till God called her home, to suffer no more.

Some day we hope to meet thee
When the days of life have fled
And in heaven with joy to greet
thee
Where no farewell tears are shed.

Sadly missed by sisters and brothers. 8p
